6 policy of this state is to ensure equal opportunity for all
7 Washingtonians. The legislature believes that the state is
8 responsible for improving its interface with the LGBTQ community,
9 identifying the needs of its members, and ensuring that there is an
10 effective means of advocating for LGBTQ equity in all aspects of
11 state government. Therefore, the legislature deems it necessary to
12 create a commission to carry out the purposes of this chapter.
