
SENATE BILL 6540

State of Washington

66th Legislature

2020 Regular Session

By Senators Wilson, C., Wellman, Dhingra, Hasegawa, Kuderer, and Saldaña

Read first time 01/22/20. Referred to Committee on Early Learning & K-12 Education.

1 AN ACT Relating to working connections child care payment
2 authorizations; amending RCW 28B.50.248; reenacting and amending RCW
3 43.216.135; adding a new section to chapter 43.216 RCW; and creating
4 a new section.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the federal
7 child care and development block grant act of 2014 reauthorized the
8 child care and development fund program and established a minimum
9 twelve-month eligibility period for subsidized child care in order to
10 provide families with more stability and to support the continuity of
11 care between children and providers. The legislature further finds
12 that the state's policy of authorizing twelve months of uninterrupted
13 care was affirmed by the passage of the state's early start act in
14 2015. However, some families are not able to access child care right
15 away through the working connections child care program due to
16 factors beyond their control. These barriers to care include
17 challenges with access to child care in rural areas, declining
18 numbers of providers accepting state subsidy, and the persistence of
19 child care deserts in which either no child care providers are in
20 operation or there are so few options for child care that the demand
21 outweighs available slots. Therefore, the legislature intends to

1 clarify the state's policy that all eligible children may receive at
2 least a full twelve months of working connections child care.

3 **Sec. 2.** RCW 43.216.135 and 2019 c 406 s 70 and 2019 c 369 s 4
4 are each reenacted and amended to read as follows:

5 ~~(1) ((The department shall establish and implement policies in~~
6 ~~the working connections child care program to promote stability and~~
7 ~~quality of care for children from low-income households. These~~
8 ~~policies shall focus on supporting school readiness for young~~
9 ~~learners. Policies for the expenditure of funds constituting the~~
10 ~~working connections child care program must be consistent with the~~

2 within twelve months of enrollment; and

5 child care provider does not rate or request to be rated at a level 3
6 within thirty months from enrollment into the early achievers
7 program, the provider is no longer eligible to receive state subsidy.
8 If the provider rates below a level 3 when the rating is released,
9 the provider must complete remedial activities with the department,
10 and rate or request to be rated at a level 3 or higher within twelve
11 months of beginning remedial activities.

12 ~~((+5))~~ (3) If a child care provider does not rate or request to
13 be rated at a level 3 or higher following the remedial period, the
14 provider is no longer eligible to receive state subsidy under this
15 section. If a child care provider does not rate at a level 3 or
16 higher when the rating is released following the remedial period, the

22 deadline provided in this section, the provider may continue to
23 receive a state subsidy pending the successful completion of the
24 level 3 rating activity.

25 ~~((+7))~~ (5) The department shall implement tiered reimbursement
26 for early achievers program participants in the working connections
27 child care program rating at level 3, 4, or 5.

28 ~~((+8))~~ (6) The department shall account for a child care
29 copayment collected by the provider from the family for each
30 contracted slot and establish the copayment fee by rule.
