7 a new section to chapter 43.371 RCW; adding a new chapter to Title 48
8 RCW; creating new sections; prescribing penalties; providing an
9 effective date; and providing an expiration date.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11 NEW SECTION. **Sec. 1.** (1) The legislature finds that:

12 (a) Consumers receive surprise bills or balance bills for
13 services provided at out-of-network facilities or by out-of-network
14 health care providers at in-network facilities;

15 (b) Consumers must not be placed in the middle of contractual
16 disputes between providers and health insurance carriers; and

17 (c) Facilities, providers, and health insurance carriers all
18 share responsibility to ensure consumers have transparent information
19 on network providers and benefit coverage, and the insurance
20 commissioner is responsible for ensuring that provider networks
21 include sufficient numbers and types of contracted providers to

1 reasonably ensure consumers have in-network access for covered
2 benefits.

3 (2) It is the intent of the legislature to:

4 (a) Ban balance billing of consumers enrolled in fully insured,
5 regulated insurance plans and plans offered to public employees under
6 chapter 41.05 RCW for the services described in section 6 of this
7 act, and to provide self-funded group health plans with an option to
8 elect to be subject to the provisions of this act;

9 (b) Remove consumers from balance billing disputes and require
10 that out-of-network providers and carriers negotiate out-of-network
11 payments in good faith under the terms of this act; and

12 (c) Provide an environment that encourages self-funded groups to
13 negotiate out-of-network payments in good faith with providers and
14 facilities in return for balance billing protections.

15 **Sec. 2.** RCW 48.43.005 and 2016 c 65 s 2 are each amended to read
16 as follows:

28 determination of an enrollee's or applicant's eligibility to
29 participate in a plan, and including, with respect to group health
30 plans, a denial, reduction, or termination of, or a failure to
31 provide or make payment, in whole or in part, for a benefit resulting
32 from the application of any utilization review, as well as a failure

10 read as follows:

11 (1) When conducting a review of the necessity and appropriateness
12 of emergency services or making a benefit determination for emergency
13 services:

14 (a) A health carrier shall cover emergency services necessary to
15 screen and stabilize a covered person if a prudent layperson acting
16 reasonably would have believed that an emergency medical condition
17 existed. In addition, a health carrier shall not require prior
18 authorization of ~~((such))~~ emergency services provided prior to the
19 point of stabilization if a prudent layperson acting reasonably would
20 have believed that an emergency medical condition existed. With
21 respect to care obtained from ~~((a nonparticipating))~~ an out-of-
22 network hospital emergency department, a health carrier shall cover
23 emergency services necessary to screen and stabilize a covered person
24 ~~((if a prudent layperson would have reasonably believed that use of a~~
25 ~~participating hospital emergency department would result in a delay~~
26 ~~that would worsen the emergency, or if a provision of federal, state,~~
27 ~~or local law requires the use of a specific provider or facility)).~~
28 In addition, a health carrier shall not require prior authorization
29 of ~~((such))~~ the services provided prior to the point of stabilization
30 ~~((if a prudent layperson acting reasonably would have believed that~~
31 ~~an emergency medical condition existed and that use of a~~
32 ~~participating hospital emergency department would result in a delay~~
33 ~~that would worsen the emergency)).~~

34 (b) If an authorized representative of a health carrier
35 authorizes coverage of emergency services, the health carrier shall
36 not subsequently retract its authorization after the emergency
37 services have been provided, or reduce payment for an item or service
38 furnished in reliance on approval, unless the approval was based on a

1 material misrepresentation about the covered person's health
2 condition made by the provider of emergency services.

3 (c) Coverage of emergency services may be subject to applicable
4 in-network copayments, coinsurance, and deductibles, (~~and a health~~
5 ~~carrier may impose reasonable differential cost-sharing arrangements~~
6 ~~for emergency services rendered by nonparticipating providers, if~~
7 ~~such differential between cost-sharing amounts applied to emergency~~
8 ~~services rendered by participating provider versus nonparticipating~~
9 ~~provider does not exceed fifty dollars. Differential cost sharing for~~
10 ~~emergency services may not be applied when a covered person presents~~
11 ~~to a nonparticipating hospital emergency department rather than a~~
12 ~~participating hospital emergency department when the health carrier~~
13 ~~requires preauthorization for postevaluation or poststabilization~~
14 ~~emergency services if:~~

15 ~~(i) Due to circumstances beyond the covered person's control, the~~
16 ~~covered person was unable to go to a participating hospital emergency~~
17 ~~department in a timely fashion without serious impairment to the~~
18 ~~covered person's health; or~~

19 ~~(ii) A prudent layperson possessing an average knowledge of~~
20 ~~health and medicine would have reasonably believed that he or she~~
21 ~~would be unable to go to a participating hospital emergency~~
22 ~~department in a timely fashion without serious impairment to the~~
23 ~~covered person's health)) as provided in chapter 48.-- RCW (the new
24 chapter created in section 27 of this act).~~

25 ~~((d))~~ (2) If a health carrier requires preauthorization for
26 postevaluation or poststabilization services, the health carrier
27 shall provide access to an authorized representative twenty-four
28 hours a day, seven days a week, to facilitate review. In order for
29 postevaluation or poststabilization services to be covered by the
30 health carrier, the provider or facility must make a documented good
31 faith effort to contact the covered person's health carrier within
32 thirty minutes of stabilization, if the covered person needs to be
33 stabilized. The health carrier's authorized representative is
34 required to respond to a telephone request for preauthorization from
35 a provider or facility within thirty minutes. Failure of the health
36 carrier to respond within thirty minutes constitutes authorization
37 for the provision of immediately required medically necessary
38 postevaluation and poststabilization services, unless the health
39 carrier documents that it made a good faith effort but was unable to

1 reach the provider or facility within thirty minutes after receiving
2 the request.

3 ~~((e))~~ (3) A health carrier shall immediately arrange for an
4 alternative plan of treatment for the covered person if ~~((a~~
5 ~~nonparticipating))~~ an out-of-network emergency provider and health
6 ~~((plan))~~ carrier cannot reach an agreement on which services are
7 necessary beyond those immediately necessary to stabilize the covered
8 person consistent with state and federal laws.

9 ~~((2))~~ (4) Nothing in this section is to be construed as
10 prohibiting the health carrier from requiring notification within the
11 time frame specified in the contract for inpatient admission or as
12 soon thereafter as medically possible but no less than twenty-four
13 hours. Nothing in this section is to be construed as preventing the
14 health carrier from reserving the right to require transfer of a
15 hospitalized covered person upon stabilization. Follow-up care that
16 is a direct result of the emergency must be obtained in accordance
17 with the health plan's usual terms and conditions of coverage. All
18 other terms and conditions of coverage may be applied to emergency
19 services.

28 services:

31 an in-network hospital licensed under chapter 70.41 RCW or an in-
32 network ambulatory surgical facility licensed under chapter 70.230
33 RCW if the services:
 - 34 (i) Involve surgical or ancillary services; and
 - 35 (ii) Are provided by an out-of-network provider.

1 (2) Payment for services described in subsection (1) of this
2 section is subject to the provisions of sections 7 and 8 of this act.

3 (3) (a) Except to the extent provided in (b) of this subsection,
4 the carrier must hold an enrollee harmless from balance billing when
5 emergency services described in subsection (1) (a) of this section are
6 provided by an out-of-network hospital in a state that borders
7 Washington state.

8 (b) (i) Upon the effective date of federal legislation prohibiting
9 balance billing when emergency services described in subsection
10 (1) (a) of this section are provided by a hospital, the carrier no
11 longer has a duty to hold enrollees harmless from balance billing
12 under (a) of this subsection; or

13 (ii) Upon the effective date of an interstate compact with a
14 state bordering Washington state or enactment of legislation by a
15 state bordering Washington state prohibiting balance billing when
16 emergency services described in subsection (1) (a) of this section are
17 provided by a hospital located in that border state to a Washington
18 state resident, the carrier no longer has a duty to hold enrollees
19 harmless from balance billing under (a) of this subsection for
20 services provided by a hospital in that border state. The
21 commissioner shall engage with border states on appropriate means to
22 prohibit balance billing by out-of-state hospitals of Washington
23 state residents.

24 (4) This section applies to health care providers or facilities
25 providing services to members of entities administering a self-funded
26 group health plan and its plan members only if the entity has elected
27 to participate in sections 6 through 8 of this act as provided in
28 section 23 of this act.

29 NEW SECTION. **Sec. 7.** (1) If an enrollee receives emergency or
30 nonemergency health care services under the circumstances described
31 in section 6 of this act:

32 (a) The enrollee satisfies his or her obligation to pay for the
33 health care services if he or she pays the in-network cost-sharing
34 amount specified in the enrollee's or applicable group's health plan
35 contract. The enrollee's obligation must be determined using the
36 carrier's median in-network contracted rate for the same or similar
37 service in the same or similar geographical area. The carrier must
38 provide an explanation of benefits to the enrollee and the out-of-

1 network provider that reflects the cost-sharing amount determined
2 under this subsection.

3 (b) The carrier, out-of-network provider, or out-of-network
4 facility, and an agent, trustee, or assignee of the carrier, out-of-
5 network provider, or out-of-network facility must ensure that the
6 enrollee incurs no greater cost than the amount determined under (a)
7 of this subsection.

8 (c) The out-of-network provider or out-of-network facility, and
9 an agent, trustee, or assignee of the out-of-network provider or out-
10 of-network facility may not balance bill or otherwise attempt to
11 collect from the enrollee any amount greater than the amount
12 determined under (a) of this subsection. This does not impact the
13 provider's ability to collect a past due balance for that cost-
14 sharing amount with interest.

15 (d) The carrier must treat any cost-sharing amounts determined
16 under (a) of this subsection paid by the enrollee for an out-of-
17 network provider or facility's services in the same manner as cost-
18 sharing for health care services provided by an in-network provider
19 or facility and must apply any cost-sharing amounts paid by the
20 enrollee for such services toward the enrollee's maximum out-of-
21 pocket payment obligation.

22 (e) If the enrollee pays the out-of-network provider or out-of-
23 network facility an amount that exceeds the in-network cost-sharing
24 amount determined under (a) of this subsection, the provider or
25 facility must refund any amount in excess of the in-network cost-
26 sharing amount to the enrollee within thirty business days of
27 receipt. Interest must be paid to the enrollee for any unrefunded
28 payments at a rate of twelve percent beginning on the first calendar
29 day after the thirty business days.

30 (2) The allowed amount paid to an out-of-network provider for
31 health care services described under section 6 of this act shall be a
32 commercially reasonable amount, based on payments for the same or
33 similar services provided in a similar geographic area. Within thirty
34 calendar days of receipt of a claim from an out-of-network provider
35 or facility, the carrier shall offer to pay the provider or facility
36 a commercially reasonable amount. If the out-of-network provider or
37 facility wants to dispute the carrier's payment, the provider or
38 facility must notify the carrier no later than thirty calendar days
39 after receipt of payment or payment notification from the carrier. If
40 the out-of-network provider or facility disputes the carrier's

1 initial offer, the carrier and provider or facility have thirty
2 calendar days from the initial offer to negotiate in good faith. If
3 the carrier and the out-of-network provider or facility do not agree
4 to a commercially reasonable payment amount within thirty calendar
5 days, and the carrier, out-of-network provider or out-of-network
6 facility chooses to pursue further action to resolve the dispute, the
7 dispute shall be resolved through arbitration, as provided in section
8 of this act.

9 (3) The carrier must make payments for health care services
10 described in section 6 of this act provided by out-of-network
11 providers or facilities directly to the provider or facility, rather
12 than the enrollee.

13 (4) Carriers must make available through electronic and other
14 methods of communication generally used by a provider to verify
15 enrollee eligibility and benefits information regarding whether an
16 enrollee's health plan is subject to the requirements of this act.

17 (5) A health care provider, hospital, or ambulatory surgical
18 facility may not require a patient at any time, for any procedure,
19 service, or supply, to sign or execute by electronic means, any
20 document that would attempt to avoid, waive, or alter any provision
21 of this section.

22 (6) This section shall only apply to health care providers or
23 facilities providing services to members of entities administering a
24 self-funded group health plan and its plan members if the entity has
25 elected to participate in sections 6 through 8 of this act as
26 provided in section 23 of this act.

27 NEW SECTION. **Sec. 8.** (1)(a) Notwithstanding RCW 48.43.055 and
28 48.18.200, if good faith negotiation, as described in section 7 of
29 this act does not result in resolution of the dispute, and the
30 carrier, out-of-network provider or out-of-network facility chooses
31 to pursue further action to resolve the dispute, the carrier, out-of-
32 network provider, or out-of-network facility shall initiate
33 arbitration to determine a commercially reasonable payment amount. To
34 initiate arbitration, the carrier, provider, or facility must provide
35 written notification to the commissioner and the noninitiating party
36 no later than ten calendar days following completion of the period of
37 good faith negotiation under section 7 of this act. The notification
38 to the noninitiating party must state the initiating party's final
39 offer. No later than thirty calendar days following receipt of the

1 notification, the noninitiating party must provide its final offer to
2 the initiating party. The parties may reach an agreement on
3 reimbursement during this time and before the arbitration proceeding.

4 (b) Multiple claims may be addressed in a single arbitration
5 proceeding if the claims at issue:

6 (i) Involve identical carrier and provider or facility parties;

7 (ii) Involve claims with the same or related current procedural
8 terminology codes relevant to a particular procedure; and

9 (iii) Occur within a period of two months of one another.

10 (2) Within seven calendar days of receipt of notification from
11 the initiating party, the commissioner must provide the parties with
12 a list of approved arbitrators or entities that provide arbitration.
13 The arbitrators on the list must be trained by the American
14 arbitration association or the American health lawyers association
15 and should have experience in matters related to medical or health
16 care services. The parties may agree on an arbitrator from the list
17 provided by the commissioner. If the parties do not agree on an
18 arbitrator, they must notify the commissioner who must provide them
19 with the names of five arbitrators from the list. Each party may veto
20 two of the five named arbitrators. If one arbitrator remains, that
21 person is the chosen arbitrator. If more than one arbitrator remains,
22 the commissioner must choose the arbitrator from the remaining
23 arbitrators. The parties and the commissioner must complete this
24 selection process within twenty calendar days of receipt of the
25 original list from the commissioner.

26 (3) (a) Each party must make written submissions to the arbitrator
27 in support of its position no later than thirty calendar days after
28 the final selection of the arbitrator. The initiating party must
29 include in its written submission the evidence and methodology for
30 asserting that the amount proposed to be paid is or is not
31 commercially reasonable. A party that fails to make timely written
32 submissions under this section without good cause shown shall be
33 considered to be in default and the arbitrator shall require the
34 party in default to pay the final offer amount submitted by the party
35 not in default and may require the party in default to pay expenses
36 incurred to date in the course of arbitration, including the
37 arbitrator's expenses and fees and the reasonable attorneys' fees of
38 the party not in default. No later than thirty calendar days after
39 the receipt of the parties' written submissions, the arbitrator must:
40 Issue a written decision requiring payment of the final offer amount

1 of either the initiating party or the noninitiating party; notify the
2 parties of its decision; and provide the decision and the information
3 described in section 9 of this act regarding the decision to the
4 commissioner.

5 (b) In reviewing the submissions of the parties and making a
6 decision related to whether payment should be made at the final offer
7 amount of the initiating party or the noninitiating party, the
8 arbitrator must consider the following factors:

9 (i) The evidence and methodology submitted by the parties to
10 assert that their final offer amount is reasonable; and

11 (ii) Patient characteristics and the circumstances and complexity
12 of the case, including time and place of service and whether the
13 service was delivered at a level I or level II trauma center or a
14 rural facility, that are not already reflected in the provider's
15 billing code for the service.

16 (c) The arbitrator may not require extrinsic evidence of
17 authenticity for admitting data from the Washington state all payer
18 claims database data set developed under section 26 of this act into
19 evidence.

20 (d) The arbitrator may also consider other information that a
21 party believes is relevant to the factors included in (b) of this
22 subsection or other factors the arbitrator requests and information
23 provided by the parties that is relevant to such request, including
24 the Washington state all payer claims database data set developed
25 under section 26 of this act.

26 (4) Expenses incurred in the course of arbitration, including the
27 arbitrator's expenses and fees, but not including attorneys' fees,
28 must be divided equally among the parties to the arbitration. The
29 enrollee is not liable for any of the costs of the arbitration and
30 may not be required to participate in the arbitration proceeding as a
31 witness or otherwise.

32 (5) Within ten business days of a party notifying the
33 commissioner and the noninitiating party of intent to initiate
34 arbitration, both parties shall agree to and execute a nondisclosure
35 agreement. The nondisclosure agreement must not preclude the
36 arbitrator from submitting the arbitrator's decision to the
37 commissioner under subsection (3) of this section or impede the
38 commissioner's duty to prepare the annual report under section 9 of
39 this act.

1 (6) Chapter 7.04A RCW applies to arbitrations conducted under
2 this section, but in the event of a conflict between this section and
3 chapter 7.04A RCW, this section governs.

4 (7) This section applies to health care providers or facilities
5 providing services to members of entities administering a self-funded
6 group health plan and its plan members only if the entity has elected
7 to participate in sections 6 through 8 of this act as provided in
8 section 23 of this act.

9 (8) An entity administering a self-funded group health plan that
10 has elected to participate in this section pursuant to section 23 of
11 this act shall comply with the provisions of this section.

12 NEW SECTION. **Sec. 9.** (1) The commissioner must prepare an
13 annual report summarizing the dispute resolution information provided
14 by arbitrators under section 8 of this act. The report must include
15 summary information related to the matters decided through
16 arbitration, as well as the following information for each dispute
17 resolved through arbitration: The name of the carrier; the name of
18 the health care provider; the health care provider's employer or the
19 business entity in which the provider has an ownership interest; the
20 health care facility where the services were provided; and the type
21 of health care services at issue.

22 (2) The commissioner must post the report on the office of the
23 insurance commissioner's web site and submit the report in compliance
24 with RCW 43.01.036 to the appropriate committees of the legislature,
25 annually by July 1st.

26 (3) This section expires January 1, 2024.

27 **TRANSPARENCY**

28 NEW SECTION. **Sec. 10.** (1) The commissioner, in consultation
29 with health carriers, health care providers, health care facilities,
30 and consumers, must develop standard template language for a notice
31 of consumer rights notifying consumers that:

32 (a) The prohibition against balance billing in this chapter is
33 applicable to health plans issued by carriers in Washington state and
34 self-funded group health plans that elect to participate in sections
35 6 through 8 of this act as provided in section 23 of this act;

1 (b) They cannot be balance billed for the health care services
2 described in section 6 of this act and will receive the protections
3 provided by section 7 of this act; and

4 (c) They may be balance billed for health care services under
5 circumstances other than those described in section 6 of this act or
6 if they are enrolled in a health plan to which this act does not
7 apply, and steps they can take if they are balance billed.

8 (2) The standard template language must include contact
9 information for the office of the insurance commissioner so that
10 consumers may contact the office of the insurance commissioner if
11 they believe they have received a balance bill in violation of this
12 chapter.

13 (3) The office of the insurance commissioner shall determine by
14 rule when and in what format health carriers, health care providers,
15 and health care facilities must provide consumers with the notice
16 developed under this section.

17 NEW SECTION. **Sec. 11.** (1)(a) A hospital or ambulatory surgical
18 facility must post the following information on its web site, if one
19 is available:

20 (i) The listing of the carrier health plan provider networks with
21 which the hospital or ambulatory surgical facility is an in-network
22 provider, based upon the information provided by the carrier pursuant
23 to RCW 48.43.730(7); and

24 (ii) The notice of consumer rights developed under section 10 of
25 this act.

26 (b) If the hospital or ambulatory surgical facility does not
27 maintain a web site, this information must be provided to consumers
28 upon an oral or written request.

29 (2) Posting or otherwise providing the information required in
30 this section does not relieve a hospital or ambulatory surgical
31 facility of its obligation to comply with the provisions of this
32 chapter.

33 (3) Not less than thirty days prior to executing a contract with
34 a carrier, a hospital or ambulatory surgical facility must provide
35 the carrier with a list of the nonemployed providers or provider
36 groups contracted to provide surgical or ancillary services at the
37 hospital or ambulatory surgical facility. The hospital or ambulatory
38 surgical facility must notify the carrier within thirty days of a
39 removal from or addition to the nonemployed provider list. A hospital

1 or ambulatory surgical facility also must provide an updated list of
2 these providers within fourteen calendar days of a request for an
3 updated list by a carrier.

4 NEW SECTION. **Sec. 12.** (1)(a) A health care provider must
5 provide the following information on its web site, if one is
6 available:

7 (i) The listing of the carrier health plan provider networks with
8 which the provider contracts, based upon the information provided by
9 the carrier pursuant to RCW 48.43.730(7); and

10 (ii) The notice of consumer rights developed under section 10 of
11 this act.

12 (b) If the health care provider does not maintain a web site,
13 this information must be provided to consumers upon an oral or
14 written request.

15 (2) Posting or otherwise providing the information required in
16 this section does not relieve a provider of its obligation to comply
17 with the provisions of this chapter.

18 (3) An in-network provider must submit accurate information to a
19 carrier regarding the provider's network status in a timely manner,
20 consistent with the terms of the contract between the provider and
21 the carrier.

22 NEW SECTION. **Sec. 13.** (1) A carrier must update its web site
23 and provider directory no later than thirty days after the addition
24 or termination of a facility or provider.

25 (2) A carrier must provide an enrollee with:

26 (a) A clear description of the health plan's out-of-network
27 health benefits; and

28 (b) The notice of consumer rights developed under section 10 of
29 this act;

30 (c) Notification that if the enrollee receives services from an
31 out-of-network provider or facility, under circumstances other than
32 those described in section 6 of this act, the enrollee will have the
33 financial responsibility applicable to services provided outside the
34 health plan's network in excess of applicable cost-sharing amounts
35 and that the enrollee may be responsible for any costs in excess of
36 those allowed by the health plan;

37 (d) Information on how to use the carrier's member transparency
38 tools under RCW 48.43.007;

1 (e) Upon request, information regarding whether a health care
2 provider is in-network or out-of-network, and whether there are in-
3 network providers available to provide surgical or ancillary services
4 at specified in-network hospitals or ambulatory surgical facilities;
5 and

6 (f) Upon request, an estimated range of the out-of-pocket costs
7 for an out-of-network benefit.

8 **ENFORCEMENT**

9 NEW SECTION. **Sec. 14.** (1) If the commissioner has cause to
10 believe that any health care provider, hospital, or ambulatory
11 surgical facility, has engaged in a pattern of unresolved violations
12 of section 6 or 7 of this act, the commissioner may submit
13 information to the department of health or the appropriate
14 disciplining authority for action. Prior to submitting information to
15 the department of health or the appropriate disciplining authority,
16 the commissioner may provide the health care provider, hospital, or
17 ambulatory surgical facility, with an opportunity to cure the alleged
18 violations or explain why the actions in question did not violate
19 section 6 or 7 of this act.

20 (2) If any health care provider, hospital, or ambulatory surgical
21 facility, has engaged in a pattern of unresolved violations of
22 section 6 or 7 of this act, the department of health or the
23 appropriate disciplining authority may levy a fine or cost recovery
24 upon the health care provider, hospital, or ambulatory surgical
25 facility in an amount not to exceed the applicable statutory amount
26 per violation and take other action as permitted under the authority
27 of the department or disciplining authority. Upon completion of its
28 review of any potential violation submitted by the commissioner or
29 initiated directly by an enrollee, the department of health or the
30 disciplining authority shall notify the commissioner of the results
31 of the review, including whether the violation was substantiated and
32 any enforcement action taken as a result of a finding of a
33 substantiated violation.

34 (3) If a carrier has engaged in a pattern of unresolved
35 violations of any provision of this chapter, the commissioner may
36 levy a fine or apply remedies authorized under chapter 48.02 RCW, RCW
37 48.44.166, 48.46.135, or 48.05.185.

1 (4) For purposes of this section, "disciplining authority" means
2 the agency, board, or commission having the authority to take
3 disciplinary action against a holder of, or applicant for, a
4 professional or business license upon a finding of a violation of
5 chapter 18.130 RCW or a chapter specified under RCW 18.130.040.

6 NEW SECTION. **Sec. 15.** The commissioner may adopt rules to
7 implement and administer this chapter, including rules governing the
8 dispute resolution process established in section 8 of this act.

9 NEW SECTION. **Sec. 16.** A new section is added to chapter 48.30
10 RCW to read as follows:

11 (1) It is an unfair or deceptive practice for a health carrier to
12 initiate, with such frequency as to indicate a general business
13 practice, arbitration under section 8 of this act with respect to
14 claims submitted by out-of-network providers for services included in
15 section 6 of this act that request payment of a commercially
16 reasonable amount, based on payments for the same or similar services
17 provided in a similar geographic area.

18 (2) As used in this section, "health carrier" has the same
19 meaning as in RCW 48.43.005.

20 **Sec. 17.** RCW 18.130.180 and 2018 c 300 s 4 and 2018 c 216 s 2
21 are each reenacted and amended to read as follows:

22 The following conduct, acts, or conditions constitute
23 unprofessional conduct for any license holder under the jurisdiction
24 of this chapter:

25 (1) The commission of any act involving moral turpitude,
26 dishonesty, or corruption relating to the practice of the person's
27 profession, whether the act constitutes a crime or not. If the act
28 constitutes a crime, conviction in a criminal proceeding is not a
29 condition precedent to disciplinary action. Upon such a conviction,
30 however, the judgment and sentence is conclusive evidence at the
31 ensuing disciplinary hearing of the guilt of the license holder of
32 the crime described in the indictment or information, and of the
33 person's violation of the statute on which it is based. For the
34 purposes of this section, conviction includes all instances in which
35 a plea of guilty or nolo contendere is the basis for the conviction
36 and all proceedings in which the sentence has been deferred or

1 suspended. Nothing in this section abrogates rights guaranteed under
2 chapter 9.96A RCW;

3 (2) Misrepresentation or concealment of a material fact in
4 obtaining a license or in reinstatement thereof;

5 (3) All advertising which is false, fraudulent, or misleading;

6 (4) Incompetence, negligence, or malpractice which results in
7 injury to a patient or which creates an unreasonable risk that a
8 patient may be harmed. The use of a nontraditional treatment by
9 itself shall not constitute unprofessional conduct, provided that it
10 does not result in injury to a patient or create an unreasonable risk
11 that a patient may be harmed;

12 (5) Suspension, revocation, or restriction of the individual's
13 license to practice any health care profession by competent authority
14 in any state, federal, or foreign jurisdiction, a certified copy of
15 the order, stipulation, or agreement being conclusive evidence of the
16 revocation, suspension, or restriction;

17 (6) Except when authorized by RCW 18.130.345, the possession,
18 use, prescription for use, or distribution of controlled substances
19 or legend drugs in any way other than for legitimate or therapeutic
20 purposes, diversion of controlled substances or legend drugs, the
21 violation of any drug law, or prescribing controlled substances for
22 oneself;

23 (7) Violation of any state or federal statute or administrative
24 rule regulating the profession in question, including any statute or
25 rule defining or establishing standards of patient care or
26 professional conduct or practice;

27 (8) Failure to cooperate with the disciplining authority by:

28 (a) Not furnishing any papers, documents, records, or other
29 items;

30 (b) Not furnishing in writing a full and complete explanation
31 covering the matter contained in the complaint filed with the
32 disciplining authority;

33 (c) Not responding to subpoenas issued by the disciplining
34 authority, whether or not the recipient of the subpoena is the
35 accused in the proceeding; or

36 (d) Not providing reasonable and timely access for authorized
37 representatives of the disciplining authority seeking to perform
38 practice reviews at facilities utilized by the license holder;

1 (9) Failure to comply with an order issued by the disciplining
2 authority or a stipulation for informal disposition entered into with
3 the disciplining authority;

4 (10) Aiding or abetting an unlicensed person to practice when a
5 license is required;

6 (11) Violations of rules established by any health agency;

7 (12) Practice beyond the scope of practice as defined by law or
8 rule;

9 (13) Misrepresentation or fraud in any aspect of the conduct of
10 the business or profession;

11 (14) Failure to adequately supervise auxiliary staff to the
12 extent that the consumer's health or safety is at risk;

13 (15) Engaging in a profession involving contact with the public
14 while suffering from a contagious or infectious disease involving
15 serious risk to public health;

16 (16) Promotion for personal gain of any unnecessary or
17 inefficacious drug, device, treatment, procedure, or service;

18 (17) Conviction of any gross misdemeanor or felony relating to
19 the practice of the person's profession. For the purposes of this
20 subsection, conviction includes all instances in which a plea of
21 guilty or nolo contendere is the basis for conviction and all
22 proceedings in which the sentence has been deferred or suspended.
23 Nothing in this section abrogates rights guaranteed under chapter
24 9.96A RCW;

25 (18) The procuring, or aiding or abetting in procuring, a
26 criminal abortion;

27 (19) The offering, undertaking, or agreeing to cure or treat
28 disease by a secret method, procedure, treatment, or medicine, or the
29 treating, operating, or prescribing for any health condition by a
30 method, means, or procedure which the licensee refuses to divulge
31 upon demand of the disciplining authority;

32 (20) The willful betrayal of a practitioner-patient privilege as
33 recognized by law;

34 (21) Violation of chapter 19.68 RCW or a pattern of violations of
35 section 6 or 7 of this act;

36 (22) Interference with an investigation or disciplinary
37 proceeding by willful misrepresentation of facts before the
38 disciplining authority or its authorized representative, or by the
39 use of threats or harassment against any patient or witness to
40 prevent them from providing evidence in a disciplinary proceeding or

1 any other legal action, or by the use of financial inducements to any
2 patient or witness to prevent or attempt to prevent him or her from
3 providing evidence in a disciplinary proceeding;

4 (23) Current misuse of:

5 (a) Alcohol;

6 (b) Controlled substances; or

7 (c) Legend drugs;

8 (24) Abuse of a client or patient or sexual contact with a client
9 or patient;

10 (25) Acceptance of more than a nominal gratuity, hospitality, or
11 subsidy offered by a representative or vendor of medical or health-
12 related products or services intended for patients, in contemplation
13 of a sale or for use in research publishable in professional
14 journals, where a conflict of interest is presented, as defined by
15 rules of the disciplining authority, in consultation with the
16 department, based on recognized professional ethical standards;

17 (26) Violation of RCW 18.130.420;

18 (27) Performing conversion therapy on a patient under age
19 eighteen.

20 NEW SECTION. **Sec. 18.** A new section is added to chapter 70.41
21 RCW to read as follows:

22 If the insurance commissioner reports to the department that he
23 or she has cause to believe that a hospital has engaged in a pattern
24 of violations of section 6 or 7 of this act, and the report is
25 substantiated after investigation, the department may levy a fine
26 upon the hospital in an amount not to exceed one thousand dollars per
27 violation and take other formal or informal disciplinary action as
28 permitted under the authority of the department.

29 NEW SECTION. **Sec. 19.** A new section is added to chapter 70.230
30 RCW to read as follows:

31 If the insurance commissioner reports to the department that he
32 or she has cause to believe that an ambulatory surgical facility has
33 engaged in a pattern of violations of section 6 or 7 of this act, and
34 the report is substantiated after investigation, the department may
35 levy a fine upon the ambulatory surgical facility in an amount not to
36 exceed one thousand dollars per violation and take other formal or
37 informal disciplinary action as permitted under the authority of the
38 department.

1 NEW SECTION. **Sec. 24.** This chapter must be liberally construed
2 to promote the public interest by ensuring that consumers are not
3 billed out-of-network charges and do not receive additional bills
4 from providers under the circumstances described in section 6 of this
5 act.

6 NEW SECTION. **Sec. 25.** When determining the adequacy of a
7 proposed provider network or the ongoing adequacy of an in-force
8 provider network, the commissioner must consider whether the
9 carrier's proposed provider network or in-force provider network
10 includes a sufficient number of contracted providers of emergency and
11 surgical or ancillary services at or for the carrier's contracted in-
12 network hospitals or ambulatory surgical facilities to reasonably
13 ensure enrollees have in-network access to covered benefits delivered
14 at that facility.

15 NEW SECTION. **Sec. 26.** A new section is added to chapter 43.371
16 RCW to read as follows:

17 (1) The office of the insurance commissioner shall contract with
18 the state agency responsible for administration of the database and
19 the lead organization to establish a data set and business process to
20 provide health carriers, health care providers, hospitals, ambulatory
21 surgical facilities, and arbitrators with data to assist in
22 determining commercially reasonable payments and resolving payment
23 disputes for out-of-network medical services rendered by health care
24 facilities or providers.

25 (a) The data set and business process must be developed in
26 collaboration with health carriers, health care providers, hospitals,
27 and ambulatory surgical facilities.

28 (b) The data set must provide the amounts for the services
29 described in section 6 of this act. The data used to calculate the
30 median in-network and out-of-network allowed amounts and the median
31 billed charge amounts by geographic area, for the same or similar
32 services, must be drawn from commercial health plan claims, and
33 exclude medicare and medicaid claims as well as claims paid on other
34 than a fee-for-service basis.

35 (c) The data set and business process must be available beginning
36 November 1, 2019, and must be reviewed by an advisory committee
37 established under chapter 43.371 RCW that includes representatives of

1 health carriers, health care providers, hospitals, and ambulatory
2 surgical facilities for validation before use.

3 (2) The 2019 data set must be based upon the most recently
4 available full calendar year of claims data. The data set for each
5 subsequent year must be adjusted by applying the consumer price
6 index-medical component established by the United States department
7 of labor, bureau of labor statistics to the previous year's data set.

8 NEW SECTION. **Sec. 27.** Sections 4 through 15, 22 through 25, and
9 31 of this act constitute a new chapter in Title 48 RCW.

10 **Sec. 28.** RCW 48.43.055 and 2005 c 172 s 19 are each amended to
11 read as follows:

12 (1) Except as provided by subsection (2) of this section, each
13 health carrier as defined under RCW 48.43.005 shall file with the
14 commissioner its procedures for review and adjudication of complaints
15 initiated by health care providers. Procedures filed under this
16 section shall provide a fair review for consideration of complaints.
17 Every health carrier shall provide reasonable means allowing any
18 health care provider aggrieved by actions of the health carrier to be
19 heard after submitting a written request for review. If the health
20 carrier fails to grant or reject a request within thirty days after
21 it is made, the complaining health care provider may proceed as if
22 the complaint had been rejected. A complaint that has been rejected
23 by the health carrier may be submitted to nonbinding mediation.
24 Mediation shall be conducted under chapter 7.07 RCW, or any other
25 rules of mediation agreed to by the parties. This section is solely
26 for resolution of provider complaints. Complaints by, or on behalf
27 of, a covered person are subject to the grievance processes in RCW
28 48.43.530.

29 (2) For purposes of out-of-network payment disputes between a
30 health carrier and health care provider covered under the provisions
31 of chapter 48.--- RCW (the new chapter created in section 27 of this
32 act), the arbitration provisions of chapter 48.--- RCW (the new
33 chapter created in section 27 of this act) apply.

34 **Sec. 29.** RCW 48.18.200 and 1947 c 79 s .18.20 are each amended
35 to read as follows:

36 (1) Except as provided by subsection (3) of this section, no
37 insurance contract delivered or issued for delivery in this state and

1 covering subjects located, resident, or to be performed in this
2 state, shall contain any condition, stipulation, or agreement

3 (a) requiring it to be construed according to the laws of any
4 other state or country except as necessary to meet the requirements
5 of the motor vehicle financial responsibility laws of such other
6 state or country; or

7 (b) depriving the courts of this state of the jurisdiction of
8 action against the insurer; or

9 (c) limiting right of action against the insurer to a period of
10 less than one year from the time when the cause of action accrues in
11 connection with all insurances other than property and marine and
12 transportation insurances. In contracts of property insurance, or of
13 marine and transportation insurance, such limitation shall not be to
14 a period of less than one year from the date of the loss.

15 (2) Any such condition, stipulation, or agreement in violation of
16 this section shall be void, but such voiding shall not affect the
17 validity of the other provisions of the contract.

18 (3) For purposes of out-of-network payment disputes between a
19 health carrier and health care provider covered under the provisions
20 of chapter 48.--- RCW (the new chapter created in section 27 of this
21 act), the arbitration provisions of chapter 48.--- RCW (the new
22 chapter created in section 27 of this act) apply.

23 **Sec. 30.** RCW 48.43.730 and 2013 c 277 s 1 are each amended to
24 read as follows:

25 (1) For the purposes of this section:

26 (a) "Carrier" means a:

27 (i) Health carrier as defined in RCW 48.43.005; and

28 (ii) Limited health care service contractor that offers limited
29 health care service as defined in RCW 48.44.035.

30 (b) "Provider" means:

31 (i) A health care provider as defined in RCW 48.43.005;

32 (ii) A participating provider as defined in RCW 48.44.010;

33 (iii) A health care facility, as defined in RCW 48.43.005; and

34 (iv) Intermediaries that have agreed in writing with a carrier to
35 provide access to providers under this subsection (1)(b) who render
36 covered services to enrollees of a carrier.

37 (c) "Provider compensation agreement" means any written agreement
38 that includes specific information about payment methodology, payment

1 rates, and other terms that determine the remuneration a carrier will
2 pay to a provider.

3 (d) "Provider contract" means a written contract between a
4 carrier and a provider for any health care services rendered to an
5 enrollee.

6 (2) A carrier must file all provider contracts and provider
7 compensation agreements with the commissioner thirty calendar days
8 before use. When a carrier and provider negotiate a provider contract
9 or provider compensation agreement that deviates from a filed
10 agreement, the carrier must also file that specific contract or
11 agreement with the commissioner thirty calendar days before use.

12 (a) Any provider contract and related provider compensation
13 agreements not affirmatively disapproved by the commissioner are
14 deemed approved, except the commissioner may extend the approval date
15 an additional fifteen calendar days upon giving notice before the
16 expiration of the initial thirty-day period.

17 (b) Changes to previously filed and approved provider
18 compensation agreements modifying the compensation amount or related
19 terms that help determine the compensation amount must be filed and
20 are deemed approved upon filing if no other changes are made to the
21 previously approved provider contract or compensation agreement.

22 (3) The commissioner may not base a disapproval of a provider
23 compensation agreement on the amount of compensation or other
24 financial arrangements between the carrier and the provider, unless
25 that compensation amount causes the underlying health benefit plan to
26 otherwise be in violation of state or federal law. This subsection
27 does not grant the commissioner the authority to regulate provider
28 reimbursement amounts.

29 (4) The commissioner may withdraw approval of a provider contract
30 or provider compensation agreement at any time for cause.

31 (5) Provider compensation agreements are confidential and not
32 subject to public inspection under RCW 48.02.120(2), or public
33 disclosure under chapter 42.56 RCW, if filed in accordance with the
34 procedures for submitting confidential filings through the system for
35 electronic rate and form filings and the general filing instructions
36 as set forth by the commissioner. In the event the referenced filing
37 fails to comply with the filing instructions setting forth the
38 process to withhold the compensation agreement from public
39 inspection, and the carrier indicates that the compensation agreement
40 is to be withheld from public inspection, the commissioner shall

1 reject the filing and notify the carrier through the system for
2 electronic rate and form filings to amend its filing to comply with
3 the confidentiality filing instructions.

4 (6) In the event a provider contract or provider compensation
5 agreement is disapproved or withdrawn from use by the commissioner,
6 the carrier has the right to demand and receive a hearing under
7 chapters 48.04 and 34.05 RCW.

8 (7) Provider contracts filed pursuant to subsection (2) of this
9 section shall identify the network or networks to which the contract
10 applies.

11 (8) The commissioner may adopt rules to implement this section.

12 NEW SECTION. **Sec. 31.** Except for section 26 of this act, this
13 act takes effect January 1, 2020.

14 NEW SECTION. **Sec. 32.** If any provision of this act or its
15 application to any person or circumstance is held invalid, the
16 remainder of the act or the application of the provision to other
17 persons or circumstances is not affected.

18 NEW SECTION. **Sec. 33.** If specific funding for the purposes of
19 this act, referencing this act by bill or chapter number, is not
20 provided by June 30, 2019, in the omnibus appropriations act, this
21 act is null and void.

Passed by the Senate April 10, 2019.
