38        (8) If the state registrar denies a delayed report of live birth,  
39    section 12 of this act is the sole remedy for decisions made under  
40    this section. The administrative procedure act, chapter 34.05 RCW,

1 does not govern review of decisions on registration of delayed  
2 reports of live birth made by the state registrar under this section.

3 NEW SECTION. **Sec. 12.** REGISTRATION OF LIVE BIRTH—COURT ORDERED.

4 (1) If the state registrar denies a delayed report of live birth  
5 under the provisions of section 11 of this act, the individual  
6 requesting the delayed report of live birth may petition a court of  
7 competent jurisdiction for an order establishing a record of the  
8 name, date, and place of the live birth, and parentage of the  
9 individual whose live birth is to be registered.

10 (2) The petition must allege:

11 (a) The individual for whom a delayed report of live birth is

19 (3) The petition must be accompanied by a statement of the state  
20 registrar made in accordance with section 11 of this act and all  
21 documentary evidence to support such registration which was filed  
22 with the state registrar.

23 (4) The court shall fix a time and place for hearing the  
24 petition. The petitioner shall serve the state registrar with notice  
25 of the time and place for hearing and shall include with such notice  
26 the petition filed with the court. The petitioner shall give the  
27 state registrar notice at least thirty calendar days prior to the  
28 date set for the hearing.

29 (5) The state registrar, or the state registrar's designee, may  
30 present at the hearing any information the state registrar believes  
31 will be useful to the court. The state registrar is not required to  
32 attend or appear for the hearing, and the court may proceed without  
33 the state registrar if the state registrar does not appear at the  
34 designated time and place set for hearing in the notice.

35 (6) The burden of proof is on the petitioner.

36 (7) If the court finds, by clear and convincing evidence, that  
37 the individual for whom a delayed report of live birth is sought was  
38 born in state, the court shall issue an order requiring the state

1 registrar to establish a delayed record of live birth. This order  
2 must include, at a minimum, the following findings:

3 (a) The full name, city and county of live birth, and birth date

11 registrar within five business days after the order is entered.

12 (9) The state registrar shall register the live birth upon  
13 receipt of an order to register a delayed report of live birth from a  
14 court of competent jurisdiction, and must include the court case

32 shall provide the report of death to the coroner, medical examiner,

24 died in the county or in waters contiguous to the county, and that it  
25 is unlikely that the body will be recovered, the coroner or medical  
26 examiner shall file a report of death, including the cause, place,

7 orders.

8 (3) RCW 43.70.115 does not govern adjudications under this  
9 chapter.

10 (4) The department shall give written notice to the applicant  
11 when it denies or revokes registration of a report or application for  
12 certification, or withholds issuance of a certification. The written  
13 notice must state the reasons for the action and be served on the  
14 applicant or person to whom the record pertains. "Service" means  
15 posting in the United States mail, delivery to a commercial parcel

24 date the action is effective sooner than twenty-eight days after  
25 service when necessary to protect public health, safety, or welfare,  
26 or when deemed necessary by the state registrar for the security of  
27 the vital record. When the department does so, it shall state the

3 (8) If the department gives an applicant twenty-eight days'  
4 notice of revocation and the applicant or person to whom the record  
5 pertains files an appeal before its effective date, the department  
6 shall not implement the adverse action until the final order has been  
7 entered. The presiding or reviewing officer may permit the department  
8 to implement part or all of the adverse action while the proceedings  
9 are pending if the appellant causes an unreasonable delay in the  
10 proceeding, if the circumstances change so that implementation is in  
11 the public interest, or for other good cause.

12 (9) If the department gives an applicant less than twenty-eight  
13 days' notice of revocation and the applicant or person to whom the  
14 record pertains timely files a sufficient appeal, the department may  
15 implement the adverse action on the effective date stated in the  
16 notice. The presiding or reviewing officer may order the department  
17 to stay implementation of part or all of the adverse action while the  
18 proceedings are pending if staying implementation is in the public  
19 interest or for other good cause.

28 expenditure of such funds.

29 **Sec. 37.** RCW 68.50.300 and 2012 c 117 s 318 are each amended to  
30 read as follows:

31 (1) The county coroner, medical examiner, or prosecuting attorney  
32 having jurisdiction may in such official's discretion release  
33 information concerning a person's death to the media and general  
34 public, in order to aid in identifying the deceased, when the  
35 identity of the deceased is unknown to the official and when he or  
36 she does not know the information to be readily available through  
37 other sources.

1           (2) (a) The county coroner, medical examiner, or prosecuting  
2 attorney may withhold any information which directly or indirectly  
3 identifies a decedent until either:

4           (~~(a)~~) (i) A notification period of forty-eight hours has

11 having jurisdiction may release information contained in a report of  
12 death, as defined in chapter 70.--- RCW (the new chapter created in

14          **Sec. 38.** RCW 74.20A.056 and 2018 c 150 s 108 are each amended to  
15 read as follows:

16          (1) If an alleged father has signed an affidavit acknowledging  
17 paternity which has been filed with the state registrar of vital  
18 statistics before July 1, 1997, the division of child support may  
19 serve a notice and finding of parental responsibility on him and the  
20 custodial parent. Procedures for and responsibility resulting from  
21 acknowledgments filed after July 1, 1997, are in subsections (8) and  
22 (9) of this section. Service of the notice shall be in the same  
23 manner as a summons in a civil action or by certified mail, return  
24 receipt requested, on the alleged father. The custodial parent shall  
25 be served by first-class mail to the last known address. If the  
26 custodial parent is not the nonassistance applicant or public  
27 assistance recipient, service shall be in the same manner as for the  
28 responsible parent. The notice shall have attached to it a copy of  
29 the affidavit or certification of birth record information advising  
30 of the existence of a filed affidavit, provided by the state  
31 registrar of vital statistics, and shall state that:

32          (a) Either or both parents are responsible for providing health  
33 care coverage for their child either through health insurance or  
34 public health care coverage, which is accessible to the child, or  
35 through coverage that if coverage that can be extended to cover the  
36 child is or becomes available to the parent through employment or is  
37 union-related, or for paying a monthly payment toward the premium if  
38 no such coverage is available, as provided under RCW 26.09.105;

1 (b) The alleged father or custodial parent may file an  
2 application for an adjudicative proceeding at which they both will be  
3 required to appear and show cause why the amount stated in the notice  
4 as to support is incorrect and should not be ordered;

5 (c) An alleged father or mother, if she is also the custodial  
6 parent, may request that a blood or genetic test be administered to  
7 determine whether such test would exclude him from being a natural  
8 parent and, if not excluded, may subsequently request that the  
9 division of child support initiate an action in superior court to  
10 determine the existence of the parent-child relationship; and

11 (d) If neither the alleged father nor the custodial parent  
12 requests that a blood or genetic test be administered or files an  
13 application for an adjudicative proceeding, the amount of support  
14 stated in the notice and finding of parental responsibility shall  
15 become final, subject only to a subsequent determination under RCW  
16 26.26.500 through 26.26.630 that the parent-child relationship does  
17 not exist.

18 (2) An alleged father or custodial parent who objects to the  
19 amount of support requested in the notice may file an application for  
20 an adjudicative proceeding up to twenty days after the date the  
21 notice was served. An application for an adjudicative proceeding may  
22 be filed within one year of service of the notice and finding of  
23 parental responsibility without the necessity for a showing of good  
24 cause or upon a showing of good cause thereafter. An adjudicative  
25 proceeding under this section shall be pursuant to RCW 74.20A.055.  
26 The only issues shall be the amount of the accrued debt, the amount  
27 of the current and future support obligation, and the reimbursement  
28 of the costs of blood or genetic tests if advanced by the department.  
29 A custodian who is not the parent of a child and who has physical  
30 custody of a child has the same notice and hearing rights that a  
31 custodial parent has under this section.

32 (3) If the application for an adjudicative proceeding is filed  
33 within twenty days of service of the notice, collection action shall  
34 be stayed pending a final decision by the department. If no  
35 application is filed within twenty days:

36 (a) The amounts in the notice shall become final and the debt  
37 created therein shall be subject to collection action; and

38 (b) Any amounts so collected shall neither be refunded nor  
39 returned if the alleged father is later found not to be a responsible  
40 parent.

1 (4) An alleged father or the mother, if she is also the custodial  
2 parent, may request that a blood or genetic test be administered at  
3 any time. The request for testing shall be in writing, or as the  
4 department may specify by rule, and served on the division of child  
5 support. If a request for testing is made, the department shall  
6 arrange for the test and, pursuant to rules adopted by the  
7 department, may advance the cost of such testing. The department  
8 shall mail a copy of the test results by certified mail, return  
9 receipt requested, to the alleged father's and mother's, if she is  
10 also the custodial parent, last known address.

11 (5) If the test excludes the alleged father from being a natural  
12 parent, the division of child support shall file a copy of the  
13 results with the state registrar of vital statistics and shall  
14 dismiss any pending administrative collection proceedings based upon  
15 the affidavit in issue. The state registrar of vital statistics shall  
16 remove the alleged father's name from the birth certificate and  
17 change the child's surname to be the same as the mother's maiden name  
18 as stated on the birth certificate, or any other name which the  
19 mother may select.

20 (6) The alleged father or mother, if she is also the custodial  
21 parent, may, within twenty days after the date of receipt of the test  
22 results, request the division of child support to initiate an action  
23 under RCW 26.26.500 through 26.26.630 to determine the existence of  
24 the parent-child relationship. If the division of child support  
25 initiates a superior court action at the request of the alleged  
26 father or mother and the decision of the court is that the alleged  
27 father is a natural parent, the parent who requested the test shall  
28 be liable for court costs incurred.

29 (7) If the alleged father or mother, if she is also the custodial  
30 parent, does not request the division of child support to initiate a  
31 superior court action, or fails to appear and cooperate with blood or  
32 genetic testing, the notice of parental responsibility shall become  
33 final for all intents and purposes and may be overturned only by a  
34 subsequent superior court order entered under RCW 26.26.500 through  
35 26.26.630.

36 (8)(a) Subsections (1) through (7) of this section do not apply  
37 to acknowledgments of paternity filed with the state registrar of  
38 vital statistics after July 1, 1997.

1 (b) If an acknowledged father has signed an acknowledgment of  
2 paternity that has been filed with the state registrar of vital  
3 statistics after July 1, 1997:

4 (i) The division of child support may serve a notice and finding  
5 of financial responsibility under RCW 74.20A.055 based on the  
6 acknowledgment. The division of child support shall attach a copy of  
7 the acknowledgment or certification of the birth record information  
8 advising of the existence of a filed acknowledgment of paternity to  
9 the notice;

10 (ii) The notice shall include a statement that the acknowledged  
11 father or any other signatory may commence a proceeding in court to  
12 rescind or challenge the acknowledgment or denial of paternity under  
13 RCW 26.26.330 and 26.26.335;

14 (iii) A statement that either or both parents are responsible for  
15 providing health care coverage for the child if accessible coverage  
16 that can be extended to cover the child is or becomes available to  
17 the parent through employment or is union-related as provided under  
18 RCW 26.09.105; and

19 (iv) The party commencing the action to rescind or challenge the  
20 acknowledgment or denial must serve notice on the division of child  
21 support and the office of the prosecuting attorney in the county in  
22 which the proceeding is commenced. Commencement of a proceeding to  
23 rescind or challenge the acknowledgment or denial stays the  
24 establishment of the notice and finding of financial responsibility,  
25 if the notice has not yet become a final order.

26 (c) If neither the acknowledged father nor the other party to the  
27 notice files an application for an adjudicative proceeding or the  
28 signatories to the acknowledgment or denial do not commence a  
29 proceeding to rescind or challenge the acknowledgment of paternity,  
30 the amount of support stated in the notice and finding of financial  
31 responsibility becomes final, subject only to a subsequent  
32 determination under RCW 26.26.500 through 26.26.630 that the parent-  
33 child relationship does not exist. The division of child support does  
34 not refund nor return any amounts collected under a notice that  
35 becomes final under this section or RCW 74.20A.055, even if a court  
36 later determines that the acknowledgment is void.

37 (d) An acknowledged father or other party to the notice who  
38 objects to the amount of support requested in the notice may file an  
39 application for an adjudicative proceeding up to twenty days after  
40 the date the notice was served. An application for an adjudicative

1 proceeding may be filed within one year of service of the notice and  
2 finding of parental responsibility without the necessity for a  
3 showing of good cause or upon a showing of good cause thereafter. An  
4 adjudicative proceeding under this section shall be pursuant to RCW  
5 74.20A.055. The only issues shall be the amount of the accrued debt  
6 and the amount of the current and future support obligation.

7 (i) If the application for an adjudicative proceeding is filed  
8 within twenty days of service of the notice, collection action shall  
9 be stayed pending a final decision by the department.

10 (ii) If the application for an adjudicative proceeding is not  
11 filed within twenty days of the service of the notice, any amounts  
12 collected under the notice shall be neither refunded nor returned if  
13 the alleged father is later found not to be a responsible parent.

14 (e) If neither the acknowledged father nor the custodial parent  
15 requests an adjudicative proceeding, or if no timely action is  
16 brought to rescind or challenge the acknowledgment or denial after  
17 service of the notice, the notice of financial responsibility becomes  
18 final for all intents and purposes and may be overturned only by a  
19 subsequent superior court order entered under RCW 26.26.500 through  
20 26.26.630.

21 (9) Acknowledgments of paternity that are filed after July 1,  
22 1997, are subject to requirements of chapters 26.26, the uniform  
23 parentage act, and (~~70.58 RCW~~) 70.--- RCW (the new chapter created  
24 in section 44 of this act).

25 (10) The department and the department of health may adopt rules  
26 to implement the requirements under this section.

27 (11) The department has rule-making authority to enact rules  
28 consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19)  
29 as amended by section 7307 of the deficit reduction act of 2005.  
30 Additionally, the department has rule-making authority to implement  
31 regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and  
32 308.

34 RCW to read as follows:

36 documentation, vital statistics, data, or information contained
