1 (1) "Accredited school" means a school or course of instruction
2 which is:

3 (a) Approved by the state superintendent of public instruction,
4 the state board of education, or the state board for community and
5 technical colleges; or

6 (b) Regulated or licensed as to course content by any agency of
7 the state or under any occupational licensing act of the state, or

18 regardless of the party responsible therefor, for more than one year
19 at the time of the injury or subsequently, shall not be a
20 beneficiary. A spouse who has lived separate and apart from the other

38 covering areas exclusively within the boundaries of the state, and
39 including all items must be used.

1 (6) "Criminal act" means an act committed or attempted in this
2 state which is: (a) Punishable as a federal offense that is
3 comparable to a felony or gross misdemeanor in this state; (b)

29 perpetration of vehicular assault or, in cases where the perpetrator
30 of the vehicular assault is unascertainable because he or she left
31 the scene of the accident in violation of RCW 46.52.020 or, because
32 of physical or mental infirmity or disability the perpetrator is
33 incapable of standing trial for vehicular assault, the department
34 may, by a preponderance of the evidence, establish that a vehicular
35 assault had been committed and authorize benefits;

36 (D) The injury or death was caused by a driver in violation of
37 RCW 46.61.502; or

38 (E) The injury or death was caused by a driver in violation of
39 RCW 46.61.655(7)(a), failure to secure a load in the first degree;

6 (iii) Evidence of a criminal conviction arising from acts which
7 are the basis for a claim or proceeding under this chapter is
8 admissible in such claim or proceeding for the limited purpose of
9 proving the criminal character of the acts; and

25 incapacitated from earning wages.

26 (12) "Permanent total disability" means loss of both legs, or

3 victim's own good faith and reasonable effort to prevent a criminal
4 act, or his or her good faith effort to apprehend a person reasonably
5 suspected of engaging in a criminal act. For the purposes of
6 receiving benefits pursuant to this chapter, "victim" is

8 to practice in association with an occupational therapist. The
9 limited permit is valid until the results of the next examination

11 the applicant has failed the examination, but during this period the
12 person shall be under the direct supervision of an occupational
13 therapist;

14 (8) Any persons who teach daily living skills, develop

28 read as follows:

29 The director may refuse to grant a license or renew a license and

8 by him or her upon consignment without prior authority from the

10 promptly notifying the consignor of such purchase. This shall not
11 prevent any commission merchant from taking to account of sales, in
12 order to close the day's business, miscellaneous lots or parcels of
13 agricultural products remaining unsold, if such commission merchant

25 written consent of such consignor.

26 (8) That the licensee was guilty of fraud or deception in the
27 procurement of such license.

28 (9) That the licensee or applicant has failed or refused to file
29 with the director a schedule of his or her charges for services in
30 connection with agricultural products handled on account of or as an
31 agent of another, or that the applicant, or licensee, has indulged in
32 any unfair practice.

33 (10) That the licensee has rejected, without reasonable cause, or
34 has failed or refused to accept, without reasonable cause, any
35 agricultural product bought or contracted to be bought from a
36 consignor by such licensee; or failed or refused, without reasonable
37 cause, to furnish or provide boxes or other containers, or hauling,

1 handled; or has used any other device to avoid acceptance or
2 unreasonably to defer acceptance of agricultural products bought or
3 handled or contracted to be bought or handled.

4 (11) That the licensee has otherwise violated any provision of
5 this chapter and/or rules and regulations adopted hereunder.

6 (12) That the licensee has knowingly employed an agent, as
7 defined in this chapter, without causing said agent to comply with
8 the licensing requirements of this chapter applicable to agents.

9 (13) That the applicant or licensee has, in the handling of any

11 (14) That the licensee has failed or refused, upon demand, to
12 permit the director or his or her agents to make the investigations,
13 examination, or audits, as provided in this chapter, or that the
14 licensee has removed or sequestered any books, records, or papers
15 necessary to any such investigations, examination, or audits, or has
16 otherwise obstructed the same.

17 (15) That the licensee, without reasonable cause, has failed or
18 refused to execute or carry out a lawful contract with a consignor.

23 licensee knows not to be backed by sufficient funds to cover such
24 check.

25 (18) That the licensee has been guilty of fraud or deception in
26 his or her dealings with purchasers including misrepresentation of
27 goods as to grade, quality, weights, quantity, or any other essential
28 fact in connection therewith.

29 (19) That the licensee has permitted a person to in fact operate
30 his or her own separate business under cover of the licensee's
31 license and bond.

32 (20) That a commission merchant or dealer has failed to furnish
33 additional bond coverage within fifteen days of when it was requested
34 in writing by the director.

35 (21) That the licensee has discriminated in the licensee's

9 (~~mental, physical, and sensory handicaps~~) disabilities of the
10 child.

11 (2) The report shall not reveal the identity of the birth parent
12 of the child except as authorized under this chapter but shall
13 include any known or available mental or physical health history of

15 facilitate proper health care for the child or that will assist the
16 adoptive parent in maximizing the developmental potential of the
17 child.

18 (3) Where known or available, the information provided shall
19 include:

20 (a) A review of the birth family's and the child's previous
21 medical history, including the child's x-rays, examinations,
22 hospitalizations, and immunizations. After July 1, 1992, medical

4 provide for adequate custody of a (~~handicapped~~) child with a
5 disability who has lost parental care, and to make available to the
6 (~~handicapped~~) child with a disability the services of the state
7 through its various departments and agencies.

8 **Sec. 6.** RCW 26.40.020 and 1955 c 272 s 2 are each amended to
9 read as follows:

10 So long as the parents of a (~~handicapped~~) child with a
11 disability are able to assume parental responsibility for such child,
12 their parental responsibility may not be removed or denied, and
13 commitment by the state or any officer or official thereof shall
14 never be a requirement for the admission of such child to any state
15 school, or institution, or to the common schools.

16 **Sec. 7.** RCW 26.40.030 and 1977 ex.s. c 80 s 23 are each amended

22 provide, expand, enlarge, and otherwise improve access to library
23 facilities and services throughout the state;

24 (17) Serving as an interlibrary loan, information, reference, and
25 referral resource for all libraries in the state. The state library
26 may charge lending fees to other libraries that charge the state
27 library for similar services. Money paid as fees shall be retained by
28 the state library as a recovery of costs; and

29 (18) Accepting and expending in accordance with the terms thereof
30 grants of federal, state, local, or private funds. For the purpose of
31 qualifying to receive such grants, the state librarian is authorized
32 to make applications and reports required by the grantor.

33 **Sec. 10.** RCW 28B.07.010 and 1983 c 169 s 1 are each amended to
34 read as follows:

35 The legislature finds that the state has a vital interest in
36 ensuring that higher education institutions are maintained in the
37 state in sufficient numbers and located in such locations, as to be
38 accessible to as many citizens as possible. Adequate educational
39 opportunities are essential to the economic, intellectual, and social

1 well-being of the state and its people. Washington's independently-
2 governed private nonprofit higher education institutions are a
3 necessary part of the state's higher educational resources. They
4 provide educational diversity and choice for all residents of the
5 communities in which they are located, communities which may not
6 otherwise be served directly by a public baccalaureate-granting
7 college or university.

8 The legislature further finds that some of the factors that
9 contribute to educational costs are beyond the control of these
10 higher education institutions and their governing boards. The factors
11 include the need to modify facilities to render the facilities
12 accessible to ~~((the handicapped or disabled))~~ individuals with
13 disabilities, the necessity of modernizing structures to keep them
14 safe and efficient, and the demands of energy conservation and
15 resource utilization. Many of these needs are associated with the
16 public functions these institutions perform and the requirements of
17 the state and federal governments. Compounding the problem is the
18 fact that the cost of these renovations are borne entirely by the
19 institutions.

20 Because these institutions serve an important public purpose
21 addressing both the needs of individuals and the needs of the state,
22 and because the performance of that public function can be
23 facilitated at no expense or liability to the state, the legislature
24 declares it to be the public policy of the state of Washington to
25 enable the building, providing, and utilization of modern, well-
26 equipped, efficient, and reasonably priced higher educational
27 facilities, as well as the improvement, expansion, and modernization
28 of such facilities, in a manner that will minimize the capital cost
29 of construction, financing, and use of such facilities. The intention
30 of this policy is to improve and ensure the quality and range of
31 educational services available to the citizens of this state. The
32 intent of the legislature is to accomplish these and related
33 purposes, and this chapter shall be liberally construed in order to
34 further these goals.

35 **Sec. 11.** RCW 35.58.240 and 1981 c 25 s 1 are each amended to
36 read as follows:

37 If a metropolitan municipal corporation shall be authorized to
38 perform the function of metropolitan transportation, it shall have

1 the following powers in addition to the general powers granted by
2 this chapter:

3 (1) To prepare, adopt, and carry out a general comprehensive plan
4 for public transportation service which will best serve the residents
5 of the metropolitan area and to amend said plan from time to time to
6 meet changed conditions and requirements.

7 (2) To acquire by purchase, condemnation, gift, or grant and to
8 lease, construct, add to, improve, replace, repair, maintain,
9 operate, and regulate the use of metropolitan transportation
10 facilities and properties within or without the metropolitan area,
11 including systems of surface, underground, or overhead railways,
12 tramways, buses, or any other means of local transportation except
13 taxis, and including escalators, moving sidewalks, or other people-
14 moving systems, passenger terminal and parking facilities and
15 properties, and such other facilities and properties as may be
16 necessary for passenger and vehicular access to and from such people-
17 moving systems, terminal and parking facilities and properties,
18 together with all lands, rights-of-way, property, equipment, and
19 accessories necessary for such systems and facilities. Public
20 transportation facilities and properties which are owned by any city
21 may be acquired or used by the metropolitan municipal corporation
22 only with the consent of the city council of the city owning such
23 facilities. Cities are hereby authorized to convey or lease such
24 facilities to metropolitan corporations or to contract for their
25 joint use on such terms as may be fixed by agreement between the city
26 council of such city and the metropolitan council, without submitting
27 the matter to the voters of such city.

28 (~~The facilities and properties of a metropolitan public~~
29 ~~transportation system whose vehicles will operate primarily within~~
30 ~~the rights-of-way of public streets, roads, or highways, may be~~
31 ~~acquired, developed and operated without the corridor and design~~
32 ~~hearings which are required by RCW 35.58.273 for mass transit~~
33 ~~facilities operating on a separate right-of-way.))~~

34 (3) To fix rates, tolls, fares, and charges for the use of such
35 facilities and to establish various routes and classes of service.
36 Fares or charges may be adjusted or eliminated for any
37 distinguishable class of users including, but not limited to, senior
38 citizens, (~~handicapped~~) persons with disabilities, and students.
39 Classes of service and fares will be maintained in the several parts
40 of the metropolitan area at such levels as will provide, insofar as

1 reasonably practicable, that the portion of any annual transit
2 operating deficit of the metropolitan municipal corporation
3 attributable to the operation of all routes, taken as a whole, which
4 are located within the central city is approximately in proportion to
5 the portion of total taxes collected by or on behalf of the
6 metropolitan municipal corporation for transit purposes within the
7 central city, and that the portion of such annual transit operating
8 deficit attributable to the operation of all routes, taken as a
9 whole, which are located outside the central city, is approximately
10 in proportion to the portion of such taxes collected outside the
11 central city.

12 In the event any metropolitan municipal corporation shall extend
13 its metropolitan transportation function to any area or service
14 already offered by any company holding a certificate of public
15 convenience and necessity from the Washington utilities and
16 transportation commission under RCW 81.68.040, it shall by purchase
17 or condemnation acquire at the fair market value, from the person
18 holding the existing certificate for providing the services, that
19 portion of the operating authority and equipment representing the
20 services within the area of public operation.

21 **Sec. 12.** RCW 35.68.075 and 1989 c 173 s 1 are each amended to
22 read as follows:

23 (1) The standard for construction on any county road, or city or
24 town street, for which curbs in combination with sidewalks, paths, or
25 other pedestrian access ways are to be constructed, shall be not less
26 than two ramps per lineal block on or near the crosswalks at
27 intersections. Such ramps shall be at least thirty-six inches wide
28 and so constructed as to allow reasonable access to the crosswalk for
29 (~~physically handicapped~~) persons with physical disabilities,
30 without uniquely endangering blind persons.

31 (2) Standards set for curb ramping under subsection (1) of this
32 section shall not apply to any curb existing upon enactment of this
33 section but shall apply to all new curb construction and to all
34 replacement curbs constructed at any point in a block which gives
35 reasonable access to a crosswalk.

36 (3) Upon September 21, 1977, every ramp thereafter constructed
37 under subsection (1) of this section, which serves one end of a
38 crosswalk, shall be matched by another ramp at the other end of the
39 crosswalk. However, no ramp shall be required at the other end of the

1 crosswalk if there is no curb nor sidewalk at the other end of the
2 crosswalk. Nor shall any matching ramp constructed pursuant to this
3 subsection require a subsequent matching ramp.

4 **Sec. 13.** RCW 35.86A.010 and 1969 ex.s. c 204 s 1 are each
5 amended to read as follows:

6 It is hereby determined and declared:

7 (1) The free circulation of traffic of all kinds through our
8 cities is necessary to the health, safety and general welfare of the
9 public, whether residing in, traveling to or through the cities of
10 this state;

11 (2) The most efficient use of the street and highway system
12 requires availability of strategically located parking for vehicles
13 in localities where large numbers of persons congregate;

14 (3) An expanding suburban population has increased demands for
15 further concentration of uses in central metropolitan areas,
16 necessitating an increasing investment in streets and highways;

17 (4) On-street parking is now inadequate, and becomes increasingly
18 an inefficient and uneconomical method for temporary storage of
19 vehicles in commercial, industrial and high-density residential
20 areas, causing such immediate adverse consequences as the following,
21 among others:

22 (a) Serious traffic congestion from on-street parking, which
23 interferes with use of streets for travel, disrupts public surface
24 transportation at peak hours, impedes rapid and effective fighting of
25 fires and disposition of police forces, slows emergency vehicles, and
26 inflicts hardship upon (~~handicapped~~) persons with disabilities and
27 others dependent upon private vehicles for transportation;

28 (b) On-street parking absorbs right-of-way useful and usable for
29 travel;

30 (c) On-street parking reduces the space available for truck and
31 passenger loading for the abutting properties, hinders ready access,
32 and impedes cleaning of streets;

33 (d) Inability to temporarily store automobiles has discouraged
34 the public from travel to and within our cities, from congregating at
35 public events, and from using public facilities.

36 (5) Insufficient off-street parking has had long-range results,
37 as the following, among others:

38 (a) Metropolitan street and highway systems have lost efficiency
39 and the free circulation of traffic and persons has been impaired;

1 (b) The growth and development of metropolitan areas has been
2 retarded;

3 (c) Business, industry, and housing has become unnecessarily and
4 uneconomically dispersed;

5 (d) Limited and valuable land area is under used.

6 All of which cause loss of payrolls, business and productivity,
7 and property values, with resulting impairment of the public health,
8 safety and welfare, the utility of our streets and highways, and tax
9 revenues;

10 (6) Establishment of public off-street parking facilities will
11 promote the public health, safety, convenience, and welfare, by:

12 (a) Expediting the movement of the public, and of goods in
13 metropolitan areas, alleviating traffic congestion, and preserving
14 the large investment in streets and highways;

15 (b) Permitting a greater use of public facilities, congregation
16 of the public, and more intensive development of private property
17 within the community;

18 (7) Establishment of public off-street parking is a necessary
19 ancillary to and extension of an efficient street and highway system
20 in metropolitan areas, as much so as a station or terminal is to a
21 railroad or urban transit line;

22 (8) Public off-street parking facilities, open to the public and
23 owned by a city or town, are and remain a public use and a public
24 function, irrespective of whether:

25 (a) Parking fees are charged to users;

26 (b) The management or operation of one or more parking facilities
27 is conducted by a public agency, or under contract or lease by
28 private enterprise; or

29 (c) A portion of the facilities is used for commercial, store or
30 automobile accessory purposes;

31 (9) Public parking facilities under the control of a parking
32 commission are appropriately treated differently from other parking
33 facilities of a city.

34 **Sec. 14.** RCW 35.86A.070 and 1980 c 127 s 1 are each amended to
35 read as follows:

36 The parking commission is authorized and empowered, in the name
37 of the municipality by resolution to:

38 (1) Own and acquire property and property rights by purchase,
39 gift, devise, or lease for the construction, maintenance, or

1 operation of off-street parking facilities, or for effectuating the
2 purpose of this chapter; and accept grants-in-aid, including
3 compliance with conditions attached thereto;

4 (2) Construct, maintain, and operate off-street parking
5 facilities located on land dedicated for park or civic center
6 purposes, or on other municipally-owned land where the primary
7 purpose of such off-street parking facility is to provide parking for
8 persons who use such park or civic center facilities, and undertake
9 research, and prepare plans incidental thereto subject to applicable
10 statutes and charter provisions for municipal purchases,
11 expenditures, and improvements; and in addition may own other off-
12 street parking facilities and operate them in accordance with RCW
13 35.86A.120: PROVIDED, That the provisions of chapter 35.86 RCW as now
14 or hereafter amended shall not apply to such construction, operation
15 or maintenance;

16 (3) Establish and collect parking fees, require that receipts be
17 provided for parking fees, make exemption for (~~handicapped~~) persons
18 with disabilities, lease space for commercial, store, advertising or
19 automobile accessory purposes, and regulate prices and service
20 charges, for use of and within and the aerial space over parking
21 facilities under its control;

22 (4) Subject to applicable city civil service provisions, provide
23 for the appointment, removal and control of officers and employees,
24 and prescribe their duties and compensation, and to control all
25 equipment and property under the commission's jurisdiction;

26 (5) Contract with private persons and organizations for the
27 management and/or operation of parking facilities under its control,
28 and services related thereto, including leasing of such facilities or
29 portions thereof;

30 (6) Cause construction of parking facilities as a condition of an
31 operating agreement or lease, derived through competitive bidding, or
32 in the manner authorized by chapter 35.42 RCW;

33 (7) Execute and accept instruments, including deeds, necessary or
34 convenient for the carrying on of its business; acquire rights to
35 develop parking facilities over or under city property; and to
36 contract to operate and manage parking facilities under the
37 jurisdiction of other city departments or divisions and of other
38 public bodies;

39 (8) Determine the need for and recommend to the city council:

1 (a) The establishment of local improvement districts to pay the
2 cost of parking facilities or any part thereof;

3 (b) The issuance of bonds or other financing by the city for
4 construction of parking facilities;

5 (c) The acquisition of property and property rights by
6 condemnation from the public, or in street areas;

7 (9) Transfer its control of property to the city and liquidate
8 its affairs, so long as such transfer does not contravene any
9 covenant or agreement made with the holders of bonds or other
10 creditors; and

11 (10) Require payment of the excise tax hereinafter provided.

12 Parking fees for parking facilities under the control of the
13 parking commission shall be maintained commensurate with and neither
14 higher nor lower than prevailing rates for parking charged by
15 commercial operators in the general area.

16 **Sec. 15.** RCW 35.92.060 and 1995 c 42 s 1 are each amended to
17 read as follows:

18 A city or town may also construct, condemn and purchase,
19 purchase, acquire, add to, alter, maintain, operate, or lease cable,
20 electric, and other railways, automobiles, motor cars, motor buses,
21 auto trucks, and any and all other forms or methods of transportation
22 of freight or passengers within the corporate limits of the city or
23 town, and a first-class city may also construct, purchase, acquire,
24 add to, alter, maintain, operate, or lease cable, electric, and other
25 railways beyond those corporate limits only within the boundaries of
26 the county in which the city is located and of any adjoining county,
27 for the transportation of freight and passengers above, upon, or
28 underneath the ground. It may also fix, alter, regulate, and control
29 the fares and rates to be charged therefor; and fares or rates may be
30 adjusted or eliminated for any distinguishable class of users
31 including, but not limited to, senior citizens, (~~handicapped~~)
32 persons with disabilities, and students. Without the payment of any
33 license fee or tax, or the filing of a bond with, or the securing of
34 a permit from, the state, or any department thereof, the city or town
35 may engage in, carry on, and operate the business of transporting and
36 carrying passengers or freight for hire by any method or combination
37 of methods that the legislative authority of any city or town may by
38 ordinance provide, with full authority to regulate and control the

1 use and operation of vehicles or other agencies of transportation
2 used for such business.

3 **Sec. 16.** RCW 35.95A.050 and 2002 c 248 s 5 are each amended to
4 read as follows:

5 Every authority has the following powers:

6 (1) To acquire by purchase, condemnation, gift, or grant and to
7 lease, construct, add to, improve, replace, repair, maintain,
8 operate, and regulate the use of public monorail transportation
9 facilities, including passenger terminal and parking facilities and
10 properties, and other facilities and properties as may be necessary
11 for passenger and vehicular access to and from public monorail
12 transportation facilities, together with all lands, rights-of-way,
13 and property within or outside the authority area, and together with
14 equipment and accessories necessary or appropriate for these
15 facilities, except that property, including but not limited to other
16 types of public transportation facilities, that is owned by any city,
17 county, county transportation authority, public transportation
18 benefit area, metropolitan municipal corporation, or regional transit
19 authority may be acquired or used by an authority only with the
20 consent of the public entity owning the property. The entities are
21 authorized to convey or lease property to an authority or to contract
22 for their joint use on terms fixed by agreement between the entity
23 and the authority;

24 (2) To fix rates, tolls, fares, and charges for the use of
25 facilities and to establish various routes and classes of service.
26 Rates, tolls, fares, or charges may be adjusted or eliminated for any
27 distinguishable class of users including, but not limited to, senior
28 citizens and (~~handicapped~~) persons with disabilities;

29 (3) To contract with the United States or any of its agencies,
30 any state or any of its agencies, any metropolitan municipal
31 corporation, and other country, city, other political subdivision or
32 governmental instrumentality, or governmental agency, or any private
33 person, firm, or corporation for the purpose of receiving any gifts
34 or grants or securing loans or advances for preliminary planning and
35 feasibility studies, or for the design, construction, operation, or
36 maintenance of public monorail transportation facilities as follows:

37 (a) Notwithstanding the provisions of any law to the contrary,
38 and in addition to any other authority provided by law, the governing
39 body of a city transportation authority may contract with one or more

1 vendors for the design, construction, operation, or maintenance, or
2 other service related to the development of a monorail public
3 transportation system including, but not limited to, monorail trains,
4 operating systems and control equipment, guideways, and pylons,
5 together with the necessary passenger stations, terminals, parking
6 facilities, and other related facilities necessary and appropriate
7 for passenger and vehicular access to and from the monorail train.

8 (b) If the governing body of the city transportation authority
9 decides to proceed with the consideration of qualifications or
10 proposals for services from qualified vendors, the authority must
11 publish notice of its requirements and request submission of
12 qualifications statements or proposals. The notice must be published
13 in the official newspaper of the city creating the authority at least
14 once a week for two weeks, not less than sixty days before the final
15 date for the submission of qualifications statements or proposals.
16 The notice must state in summary form: (i) The general scope and
17 nature of the design, construction, operation, maintenance, or other
18 services being sought related to the development of the proposed
19 monorail, tram, or trolley public transportation system; (ii) the
20 name and address of a representative of the city transportation
21 authority who can provide further details; (iii) the final date for
22 the submission of qualifications statements or proposals; (iv) an
23 estimated schedule for the consideration of qualifications statements
24 or proposals, the selection of vendors, and the negotiation of a
25 contract or contracts for services; (v) the location of which a copy
26 of any requests for qualifications statements or requests for
27 proposals will be made available; and (vi) the criteria established
28 by the governing body of the authority to select a vendor or vendors,
29 which may include, but is not limited to, the vendor's prior
30 experience, including design, construction, operation, or maintenance
31 of other similar public transportation facilities, respondent's
32 management capabilities, proposed project schedule, availability and
33 financial resources, costs of the services to be provided, nature of
34 facility design proposed by the vendors, system reliability,
35 performance standards required for the facilities, compatibility with
36 existing public transportation facilities operated by the authority
37 or any other public body or other providers of similar services to
38 the public, project performance guarantees, penalties, and other
39 enforcement provisions, environmental protection measures to be used

1 by the vendor, consistency with the applicable regional
2 transportation plans, and the proposed allocation of project risks.

3 (c) If the governing body of the city transportation authority
4 decides to proceed with the consideration of qualifications
5 statements or proposals submitted by vendors, it may designate a
6 representative to evaluate the vendors who submitted qualifications
7 statements or proposals and conduct discussions regarding
8 qualifications or proposals with one or more vendors. The governing
9 body or its representative may request submission of qualifications
10 statements and may later request more detailed proposals from one or
11 more vendors who have submitted qualifications statements, or may
12 request detailed proposals without having first received and
13 evaluated qualifications statements. The governing body or its
14 representative will evaluate the qualifications or proposals, as
15 applicable. If two or more vendors submit qualifications or proposals
16 that meet the criteria established by the governing body of the
17 authority, discussions and interviews must be held with at least two
18 vendors. Any revisions to a request for qualifications or request for
19 proposals must be made available to all vendors then under
20 consideration by the governing body of the authority and must be made
21 available to any other person who has requested receipt of that
22 information.

23 (d) Based on the criteria established by the governing body of
24 the authority, the representative will recommend to the governing
25 body a vendor or vendors that are initially determined to be the best
26 qualified to provide one or more of the design, construction,
27 operation or maintenance, or other service related to the development
28 of the proposed monorail public transportation system.

29 (e) The governing body of the authority or its representative may
30 attempt to negotiate a contract with the vendor or vendors selected
31 for one or more of the design, construction, operation or
32 maintenance, or other service related to the development of the
33 proposed monorail public transportation system on terms that the
34 governing body of the authority determines to be fair and reasonable
35 and in the best interest of the authority. If the governing body, or
36 its representative, is unable to negotiate a contract with any one or
37 more of the vendors first selected on terms that it determines to be
38 fair and reasonable and in the best interest of the authority,
39 negotiations with any one or more of the vendors must be terminated
40 or suspended and another qualified vendor or vendors may be selected

1 in accordance with the procedures set forth in this section. If the
2 governing body decides to continue the process of selection,
3 negotiations will continue with a qualified vendor or vendors in
4 accordance with this section at the sole discretion of the governing
5 body of the authority until an agreement is reached with one or more
6 qualified vendors, or the process is terminated by the governing
7 body. The process may be repeated until an agreement is reached.

8 (f) Prior to entering into a contract with a vendor, the
9 governing body of the authority must make written findings, after
10 holding a public hearing on the proposal, that it is in the public
11 interest to enter into the contract, that the contract is financially
12 sound, and that it is advantageous for the governing body of the
13 authority to use this method for awarding contracts for one or more
14 of the design, construction, or operation or maintenance of the
15 proposed monorail public transportation system as compared to all
16 other methods of awarding such contracts.

17 (g) Each contract must include a project performance bond or
18 bonds or other security by the vendor.

19 (h) The provisions of chapters 39.12 and 39.19 RCW apply to a
20 contract entered into under this section as if the public
21 transportation systems and facilities were owned by a public body.

22 (i) The vendor selection process permitted by this section is
23 supplemental to and is not construed as a repeal of or limitation on
24 any other authority granted by law.

25 (j) Contracts for the construction of facilities, other than
26 contracts for facilities to be provided by the selected vendor, with
27 an estimated cost greater than two hundred thousand dollars must be
28 awarded after a competitive bid process consistent with chapter 39.04
29 RCW or awarded through an alternative public works contracting
30 procedure consistent with chapter 39.10 RCW;

31 (4) To contract with the United States or any of its agencies,
32 any state or any of its agencies, any metropolitan municipal
33 corporation, any other county, city, other political subdivision or
34 governmental instrumentality, any governmental agency, or any private
35 person, firm, or corporation for the use by either contracting party
36 of all or any part of the facilities, structures, lands, interests in
37 lands, air rights over lands, and rights-of-way of all kinds which
38 are owned, leased, or held by the other party and for the purpose of
39 planning, designing, constructing, operating any public
40 transportation facility, or performing any service related to

1 transportation which the authority is authorized to operate or
2 perform, on terms as may be agreed upon by the contracting parties;

3 (5) To acquire any existing public transportation facility by
4 conveyance, sale, or lease. In any acquisition from a county, city,
5 or other political subdivision of the state, the authority will
6 receive credit from the county or city or other political subdivision
7 for any federal assistance and state matching assistance used by the
8 county or city or other political subdivision in acquiring any
9 portion of the public transportation facility. Upon acquisition, the
10 authority must assume and observe all existing labor contracts
11 relating to the public transportation facility and, to the extent
12 necessary for operation of the public transportation facility, all of
13 the employees of the public transportation facility whose duties are
14 necessary to efficiently operate the public transportation facility
15 must be appointed to comparable positions to those which they held at
16 the time of the transfer, and no employee or retired or pensioned
17 employee of the public transportation facility will be placed in any
18 worse position with respect to pension seniority, wages, sick leave,
19 vacation, or other benefits than he or she enjoyed as an employee of
20 the public transportation facility prior to the acquisition.
21 Furthermore, the authority must engage in collective bargaining with
22 the duly appointed representatives of any employee labor organization
23 having existing contracts with the acquired facility and may enter
24 into labor contracts with the employee labor organization;

25 (6) To contract for, participate in, and support research,
26 demonstration, testing, and development of public monorail
27 transportation facilities, equipment, and use incentives, and have
28 all powers necessary to comply with any criteria, standards, and
29 regulations which may be adopted under state and federal law, and to
30 take all actions necessary to meet the requirements of those laws.
31 The authority has, in addition to these powers, the authority to
32 prepare, adopt, and carry out a comprehensive public monorail plan
33 and to make other plans and studies and to perform programs as the
34 authority deems necessary to implement and comply with those laws;

35 (7) To establish local improvement districts within the authority
36 area to finance public monorail transportation facilities, to levy
37 special assessments on property specially benefited by those
38 facilities, and to issue local improvement bonds to be repaid by the
39 collection of local improvement assessments. The method of
40 establishment, levying, collection, enforcement, and all other

1 matters relating to the local improvement districts, assessments,
2 collection, and bonds are as provided in the statutes governing local
3 improvement districts of cities and towns. The duties devolving upon
4 the city treasurer in those statutes are imposed on the treasurer of
5 the authority;

6 (8) To exercise all other powers necessary and appropriate to
7 carry out its responsibilities, including without limitation the
8 power to sue and be sued, to own, construct, purchase, lease, add to,
9 and maintain any real and personal property or property rights
10 necessary for the conduct of the affairs of the authority, to enter
11 into contracts, and to employ the persons as the authority deems
12 appropriate. An authority may also sell, lease, convey, or otherwise

1 In the event any person holding a certificate of public

20 with physical disabilities; to cooperate with the federal government,
21 through its appropriate agency or instrumentality in developing,

1 (c) There are older homeowners on relatively low, fixed income
2 who are experiencing difficulties maintaining their homes; and

3 (d) There are single parents, recently widowed persons, people in
4 the midst of divorce or separation, and (~~handicapped~~) persons with
5 disabilities that are faced with displacement due to the high cost of
6 housing.

7 (2) The legislature declares that the purpose of RCW 43.63A.680
8 is to develop a pilot program designed to:

9 (a) Provide home-matching services that can enable people to
10 continue living in their homes while promoting continuity of home
11 ownership and community stability; and

12 (b) Counter the problem of displacement among people on
13 relatively low, fixed incomes by linking people offering living space
14 with people seeking housing.

15 **Sec. 25.** RCW 43.180.070 and 1999 c 372 s 11 and 1999 c 131 s 1
16 are each reenacted and amended to read as follows:

17 The commission shall adopt a general plan of housing finance
18 objectives to be implemented by the commission during the period of

20 this chapter prior to the adoption of the initial plan. In developing
21 the plan, the commission shall consider and set objectives for:

22 (1) The use of funds for single-family and multifamily housing;

23 (2) The use of funds for new construction, rehabilitation,
24 including refinancing of existing debt, and home purchases;

25 (3) The housing needs of low-income and moderate-income persons
26 and families, and of elderly or (~~mentally or physically~~
27 ~~handicapped~~) persons with disabilities;

28 (4) The use of funds in coordination with federal, state, and
29 local housing programs for low-income persons;

30 (5) The use of funds in urban, rural, suburban, and special areas

35 areas, areas of minority concentration, reservations, and in
36 mortgage-deficient areas;

37 (8) The geographical distribution of bond proceeds so that the
38 benefits of the housing programs provided under this chapter will be
39 available to address demand on a fair basis throughout the state;

1 (9) The use of financing assistance for implementation of cost-
2 effective energy efficiency measures in dwellings.

3 The plan shall include an estimate of the amount of bonds the
4 commission will issue during the term of the plan and how bond
5 proceeds will be expended.

6 The plan shall be adopted by resolution of the commission
7 following at least one public hearing thereon, notice of which shall
8 be made by mailing to the clerk of the governing body of each county
9 and by publication in the Washington State Register no more than
10 forty and no less than twenty days prior to the hearing. A draft of

13 shall report to the legislature regarding implementation of the plan.

14 The commission may periodically update the plan.

15 The commission shall adopt rules designed to result in the use of
16 bond proceeds in a manner consistent with the plan. The commission
17 may periodically update its rules.

18 This section is designed to deal only with the use of bond
19 proceeds and nothing in this section shall be construed as a
20 limitation on the commission's authority to issue bonds.

21 **Sec. 26.** RCW 43.216.720 and 1988 c 213 s 3 are each amended to
22 read as follows:

23 (1) The legislature recognizes that a severe shortage of child
24 care exists to the detriment of all families and employers throughout
25 the state. Many workers are unable to enter or remain in the
26 workforce due to a shortage of child care resources. The high costs
27 of starting a child care business create a barrier to the creation of
28 new slots, especially for children with special needs.

29 (2) A child care expansion grant fund is created in the custody
30 of the secretary of the department of social and health services.
31 Grants shall be awarded on a one-time only basis to persons,
32 organizations, or schools needing assistance to start a child care
33 center or mini-center as defined by the department by rule, or to
34 existing licensed child care providers, including family home
35 providers, for the purpose of making capital improvements in order to
36 accommodate ((handicapped)) children ((as defined under chapter 72.40
37 RCW)) with disabilities, sick children, or infant care, or children
38 needing nighttime care. No grant may exceed ten thousand dollars.

1 Start-up costs shall not include operational costs after the first
2 three months of business.

3 (3) Child care expansion grants shall be awarded on the basis of
4 need for the proposed services in the community, within appropriated
5 funds.

6 (4) The department shall adopt rules under chapter 34.05 RCW
7 setting forth criteria, application procedures, and methods to assure
8 compliance with the purposes described in this section.

9 **Sec. 27.** RCW 43.220.070 and 2011 c 20 s 7 are each amended to

16 (b) The age requirements may be waived for corps leaders,
17 veterans, specialists with special leadership or occupational skills,
18 and participants with a (~~sensory or mental handicap~~) disability.

19 (2) The recruitment of conservation corps members is the primary

1 compensation, sick leave, unemployment compensation, state retirement
2 plans, and vacation leave do not apply to the Washington conservation
3 corps except for the crew supervisors, who shall be project
4 employees, and the administrative and supervisory personnel.

5 (5) Except as otherwise provided in this section, participation
6 as a corps member is for an initial period of three months. The
7 enrollment period may be extended for additional three-month periods
8 by mutual agreement of the department and the corps member, not to
9 exceed two years.

10 (6) (a) Corps members are to be available at all times for
11 emergency response services coordinated through the department or
12 other public agency. Duties may include sandbagging and flood
13 cleanup, oil spill response, wildfire suppression, search and rescue,
14 and other functions in response to emergencies.

15 (b) Corps members may be assigned to longer-term specialized
16 crews not subject to the temporal limitations of service otherwise
17 imposed by this section when longer-term commitments satisfy the
18 specialized needs of the department, an agency partner, or other

35 licensed under chapter 81.70 RCW;

36 (2) The term "for hire operator" means and includes any person,
37 concern, or entity engaged in the transportation of passengers for

14 Any disability insurance contract providing health care services,
15 delivered or issued for delivery in this state more than one hundred
16 twenty days after August 11, 1969, which provides that coverage of a
17 dependent child shall terminate upon attainment of the limiting age
18 for dependent children specified in the contract, shall also provide
19 in substance that attainment of such limiting age shall not operate
20 to terminate the coverage of such child while the child is and
21 continues to be both (1) incapable of self-sustaining employment by
22 reason of developmental or physical disability (~~or physical~~
23 ~~handicap~~) and (2) chiefly dependent upon the subscriber for support
24 and maintenance, provided proof of such incapacity and dependency is
25 furnished to the insurer by the subscriber within thirty-one days of
26 the child's attainment of the limiting age and subsequently as may be
27 required by the insurer but not more frequently than annually after
28 the two year period following the child's attainment of the limiting
29 age.

30 **Sec. 31.** RCW 48.21.150 and 1977 ex.s. c 80 s 32 are each amended
31 to read as follows:

14 Notwithstanding any provision contained in Title 48 RCW to the
15 contrary:

16 A person or entity engaged in the business of insurance in this
17 state may not refuse to issue any contract of insurance or cancel or
18 decline to renew such contract because of the sex, marital status, or
19 sexual orientation as defined in RCW 49.60.040, or the presence of
20 any (~~(sensory, mental, or physical handicap)~~) disability of the
21 insured or prospective insured. The amount of benefits payable, or
22 any term, rate, condition, or type of coverage may not be restricted,
23 modified, excluded, increased, or reduced on the basis of the sex,
24 marital status, or sexual orientation, or be restricted, modified,
25 excluded, or reduced on the basis of the presence of any (~~(sensory,
26 mental, or physical handicap)~~) disability of the insured or
27 prospective insured. This subsection does not prohibit fair
28 discrimination on the basis of sex, or marital status, or the
29 presence of any (~~(sensory, mental, or physical handicap)~~) disability
30 when bona fide statistical differences in risk or exposure have been
31 substantiated.

36 fire, or private passenger automobile insurance policy, shall, upon
37 written request, directly notify in writing the applicant or insured,
38 as the case may be, of the reasons for the action by the insurer. Any

1 benefits, terms, rates, or conditions of such an insurance contract
2 which are restricted, excluded, modified, increased, or reduced
3 because of the presence of a (~~sensory, mental, or physical~~
4 ~~handicap~~) disability shall, upon written request, be set forth in
5 writing and supplied to the insured. The written communications
6 required by this section shall be phrased in simple language which is
7 readily understandable to a person of average intelligence,
8 education, and reading ability.

9 **Sec. 34.** RCW 48.41.140 and 2011 c 314 s 16 are each amended to
10 read as follows:

11 (1) Coverage shall provide that health insurance benefits are
12 applicable to children of the person in whose name the policy is
13 issued including adopted and newly born natural children. Coverage
14 shall also include necessary care and treatment of medically
15 diagnosed congenital defects and birth abnormalities. If payment of a
16 specific premium is required to provide coverage for the child, the
17 policy may require that notification of the birth or adoption of a
18 child and payment of the required premium must be furnished to the
19 pool within thirty-one days after the date of birth or adoption in
20 order to have the coverage continued beyond the thirty-one day
21 period. For purposes of this subsection, a child is deemed to be
22 adopted, and benefits are payable, when the child is physically
23 placed for purposes of adoption under the laws of this state with the
24 person in whose name the policy is issued; and, when the person in
25 whose name the policy is issued assumes financial responsibility for
26 the medical expenses of the child. For purposes of this subsection,

10 a person when the person because of a medical condition does not meet
11 the essential eligibility requirements established by the health care
12 service contractor for purposes of determining coverage for any
13 person.

14 No health care service contractor shall refuse to provide
15 reimbursement or indemnity to any person for covered health care
16 services for reasons that the health care services were provided by a

31 limiting age and subsequently as required by the health maintenance
32 organization but not more frequently than annually after the two-year

34 **Sec. 39.** RCW 48.46.370 and 1983 c 106 s 15 are each amended to
35 read as follows:

36 No health maintenance organization may deny coverage to a person
37 solely on account of the presence of any (~~sensory, mental, or~~

3 to deny or otherwise limit coverage to a person when the person
4 because of a medical condition does not meet the essential
5 eligibility requirements established by the health maintenance
6 organization for purposes of determining coverage for any person.

7 **Sec. 40.** RCW 49.12.110 and 1994 c 164 s 19 are each amended to
8 read as follows:

9 For any occupation in which a minimum wage has been established,
10 the director may issue to an employer, a special certificate or
11 permit for an employee (~~who is physically or mentally handicapped~~)
12 with a disability to such a degree that he or she is unable to obtain
13 employment in the competitive labor market, or to a trainee or

16 the employment of such employee for a wage less than the legal
17 minimum wage; and the director shall fix the minimum wage for said
18 person, such special certificate or permit to be issued only in such
19 cases as the director may decide the same is applied for in good

22 **Sec. 41.** RCW 49.74.005 and 1985 c 365 s 7 are each amended to
23 read as follows:

24 Discrimination because of race, creed, color, national origin,
25 age, sex, marital status, or the presence of any (~~sensory, mental,~~
26 ~~or physical handicap~~) disability is contrary to the findings of the
27 legislature and public policy. The legislature finds and declares
28 that racial minorities, women, persons in protected age groups,
29 persons with disabilities, Vietnam-era veterans, and (~~disabled~~)
30 veterans with disabilities are underrepresented in Washington state
31 government employment.

32 The purpose of this chapter is to provide for enforcement
33 measures for affirmative action within Washington state government
34 employment and institutions of higher education in order to eliminate
35 such underrepresentation.

36 **Sec. 42.** RCW 50.12.210 and 1987 c 76 s 1 are each amended to
37 read as follows:

1 It is the policy of the state of Washington that persons with
2 (~~physical, mental, or sensory handicaps~~) disabilities shall be
3 given equal opportunities in employment. The legislature recognizes
4 that (~~handicapped~~) persons with disabilities have faced unfair
5 discrimination in employment.

6 For these reasons, the state employment service division of the
7 employment security department shall give particular and special
8 attention service to those persons with (~~physical, mental, or~~
9 ~~sensory handicaps~~) disabilities which substantially limit one or
10 more of their major life functions as defined under P.L. 93-112 and
11 rules promulgated thereunder. Particular and special attention
12 service shall include but not be limited to particular and special
13 attention in counseling, referral, notification of job listings in
14 advance of other persons, and other services of the employment
15 service division.

16 Nothing in this section shall be construed so as to affect the
17 veteran's preference or any other requirement of the United States
18 department of labor.

19 The employment security department shall report to the house and
20 senate commerce and labor committees by December 1, 1987, on its
21 accomplishments under this section and on its future plans for
22 implementation of this section. The department shall report to the
23 above mentioned committees every odd-numbered year thereafter on its
24 actions under this section.

25 The employment security department shall establish rules to
26 implement this section.

27 **Sec. 43.** RCW 51.08.030 and 1986 c 293 s 1 are each amended to
28 read as follows:

29 "Child" means every natural born child, posthumous child,
30 stepchild, child legally adopted prior to the injury, child born
31 after the injury where conception occurred prior to the injury, and
32 dependent child in the legal custody and control of the worker, all
33 while under the age of eighteen years, or under the age of twenty-
34 three years while permanently enrolled at a full time course in an
35 accredited school, and over the age of eighteen years if the child is
36 a dependent as a result of a (~~physical, mental, or sensory~~
37 ~~handicap~~) disability.

1 **Sec. 44.** RCW 57.08.014 and 1999 c 153 s 3 are each amended to
2 read as follows:

3 In addition to the authority of a district to establish
4 classifications for rates and charges and impose such rates and
5 charges, a district may adjust or delay those rates and charges for
6 low-income persons or classes of low-income persons, including but
7 not limited to, low-income (~~handicapped~~) persons with disabilities
8 and low-income senior citizens. Other financial assistance available
9 to low-income persons shall be considered in determining charges and
10 rates under this section. Notification of special rates or charges
11 established under this section shall be provided to all persons
12 served by the district annually and upon initiating service.
13 Information on cost shifts caused by establishment of the special
14 rates or charges shall be included in the notification. Any reduction
15 in charges and rates granted to low-income persons in one part of a
16 service area shall be uniformly extended to low-income persons in all
17 other parts of the service area.

18 **Sec. 45.** RCW 66.24.425 and 2001 c 199 s 3 and 2001 c 198 s 1 are
19 each reenacted and amended to read as follows:

21 wine restaurant license to a business which qualifies as a
22 "restaurant" as that term is defined in RCW 66.24.410 in all respects
23 except that the business does not serve the general public but,
24 through membership qualification, selectively restricts admission to
25 the business. For purposes of RCW 66.24.400 and 66.24.420, all
26 licenses issued under this section shall be considered spirits, beer,
27 and wine restaurant licenses and shall be subject to all
28 requirements, fees, and qualifications in this title, or in rules
29 adopted by the board, as are applicable to spirits, beer, and wine
30 restaurant licenses generally except that no service to the general
31 public may be required.

32 (2) No license shall be issued under this section to a business:

33 (a) Which shall not have been in continuous operation for at
34 least one year immediately prior to the date of its application; or

35 (b) Which denies membership or admission to any person because of
36 race, creed, color, national origin, sex, or the presence of any
37 (~~sensory, mental, or physical handicap~~) disability.

38 (3) The board may issue an endorsement to the spirits, beer, and
39 wine restaurant license issued under this section that allows up to

1 forty nonclub, member-sponsored events using club liquor. Visitors
2 and guests may attend these events only by invitation of the
3 sponsoring member or members. These events may not be open to the
4 general public. The fee for the endorsement is an annual fee of nine

11 wine restaurant license that allows the holder of a spirits, beer,
12 and wine restaurant license to sell for off-premises consumption wine
13 vinted and bottled in the state of Washington and carrying a label
14 exclusive to the license holder selling the wine. Spirits and beer
15 may not be sold for off-premises consumption under this section. The
16 annual fee for the endorsement under this ~~((chapter—[section]))~~
17 section is one hundred twenty dollars.

22 of Washington and who are afflicted with cerebral palsy in any degree
23 be provided with facilities and a program of service for medical
24 care, education, treatment and training to enable them to become
25 normal individuals. In order to effectively accomplish such purpose
26 the department of social and health services, hereinafter called the
27 department, is authorized and instructed and it shall be its duty to
28 establish and administer facilities and a program of service for the
29 discovery, care, education, hospitalization, treatment and training
30 of educable persons afflicted with cerebral palsy, and to provide in
31 connection therewith nursing, medical, surgical and corrective care,

35 hospitalization and shall include cooperation with other agencies of
36 the state charged with the administration of laws providing for any
37 type of service or aid to ~~((handicapped))~~ persons with disabilities,

19 application for such admission or eligibility.

20 **Sec. 48.** RCW 70.84.010 and 1980 c 109 s 1 are each amended to
21 read as follows:

38 common carriers, airplanes, motor vehicles, railroad trains, motor

1 buses, streetcars, boats, and all other public conveyances, as well
2 as in hotels, lodging places, places of public resort, accommodation,

11 persons with disabilities shall be employed in the state service, in
12 the service of the political subdivisions of the state, in the public
13 schools, and in all other employment supported in whole or in part by

3 considered as a possible source of revenue to cover the capitalized
4 cost of the additional space necessary to accommodate the increased
5 class I and class II industries programs.

6 (3) The incentive program shall be developed so that inmates can
7 earn higher wages based on performance and production. Only those
8 inmates employed in class I and class II jobs may participate in the
9 incentive program. The department shall develop special program
10 criteria for inmates with physical or mental (~~handicaps~~)
11 disabilities so that they can participate in the incentive program.

38 (a) Any decision of the sending state in respect of any matter
39 over which it retains jurisdiction pursuant to this compact shall be

1 conclusive upon and not reviewable within the receiving state, but if
2 at the time the sending state seeks to remove an inmate from an
3 institution in the receiving state there is pending against the
4 inmate within such state any criminal charge or if the inmate is
5 suspected of having committed within such state a criminal offense,
6 the inmate shall not be returned without the consent of the receiving
7 state until discharged from prosecution or other form of proceeding,
8 imprisonment or detention for such offense. The duly accredited
9 officers of the sending state shall be permitted to transport inmates
10 pursuant to this compact through any and all states party to this
11 compact without interference.

12 (b) An inmate who escapes from an institution in which he is
13 confined pursuant to this compact shall be deemed a fugitive from the
14 sending state and from the state in which the institution is
15 situated. In the case of an escape to a jurisdiction other than the
16 sending or receiving state, the responsibility for institution of
17 extradition proceedings shall be that of the sending state, but
18 nothing contained herein shall be construed to prevent or affect the
19 activities of officers and agencies of any jurisdiction directed
20 toward the apprehension and return of an escapee.

21 ARTICLE VI—Federal Aid

22 Any state party to this compact may accept federal aid for use in
23 connection with an institution or program, the use of which is or may
24 be affected by this compact or any contract pursuant thereto and any
25 inmate in a receiving state pursuant to this compact may participate
26 in any such federally aided program or activity for which the sending
27 and receiving states have made contractual provision; provided that
28 if such program or activity is not part of the customary correctional
29 regimen the express consent of the appropriate official of the
30 sending state shall be required therefor.

31 ARTICLE VII—Entry Into Force

32 This compact shall enter into force and become effective and
33 binding upon the states so acting when it has been enacted into law
34 by any two contiguous states from among the states of Alaska,
35 Arizona, California, Colorado, Hawaii, Idaho, Montana, Nebraska,
36 Nevada, New Mexico, Oregon, Utah, Washington and Wyoming. For the
37 purposes of this article, Alaska and Hawaii shall be deemed
38 contiguous to each other; to any and all of the states of California,

1 Oregon and Washington; and to Guam. Thereafter, this compact shall
2 enter into force and become effective and binding as to any other of
3 said states, or any other state contiguous to at least one party
4 state upon similar action by such state. Guam may become party to
5 this compact by taking action similar to that provided for joinder by
6 any other eligible party state and upon the consent of Congress to
7 such joinder. For the purposes of this article, Guam shall be deemed
8 contiguous to Alaska, Hawaii, California, Oregon and Washington.

9 ARTICLE VIII—Withdrawal and Termination

10 This compact shall continue in force and remain binding upon a
11 party state until it shall have enacted a statute repealing the same
12 and providing for the sending of formal written notice of withdrawal
13 from the compact to the appropriate officials of all other party
14 states. An actual withdrawal shall not take effect until two years
15 after the notices provided in said statute have been sent. Such
16 withdrawal shall not relieve the withdrawing state from its
17 obligations assumed hereunder prior to the effective date of
18 withdrawal. Before the effective date of withdrawal, a withdrawing
19 state shall remove to its territory, at its own expense, such inmates
20 as it may have confined pursuant to the provisions of this compact.

21 ARTICLE IX—Other Arrangements Unaffected

22 Nothing contained in this compact shall be construed to abrogate
23 or impair any agreement or other arrangement which a party state may
24 have with a non-party state for the confinement, rehabilitation or
25 treatment of inmates nor to repeal any other laws of a party state
26 authorizing the making of cooperative institutional arrangements.

27 ARTICLE X—Construction and Severability

28 The provisions of this compact shall be liberally construed and
29 shall be severable. If any phrase, clause, sentence or provision of
30 this compact is declared to be contrary to the constitution of any
31 participating state or of the United States or the applicability
32 thereof to any government, agency, person or circumstance is held
33 invalid, the validity of the remainder of this compact and the
34 applicability thereof to any government, agency, person or
35 circumstance shall not be affected thereby. If this compact shall be
36 held contrary to the constitution of any state participating therein,
37 the compact shall remain in full force and effect as to the remaining

1 states and in full force and effect as to the state affected as to
2 all severable matters.

3 **Sec. 59.** RCW 74.04.515 and 1998 c 79 s 11 are each amended to
4 read as follows:

5 In administering the food stamp or benefits program, there shall
6 be no discrimination against any applicant or recipient by reason of
7 age, sex, (~~handicap~~) disability, religious creed, political
8 beliefs, race, color, or national origin.

9 **Sec. 60.** RCW 74.12.290 and 1979 c 141 s 352 are each amended to
10 read as follows:

11 The department of social and health services shall, during the
12 initial and any subsequent determination of eligibility, evaluate the
13 suitability of the home in which the dependent child lives,
14 consideration to be given to physical care and supervision provided
15 in the home; social, educational, and the moral atmosphere of the
16 home as compared with the standards of the community; the child's
17 physical and mental health and emotional security, special needs
18 occasioned by the child's physical (~~handicaps~~) disabilities or
19 illnesses, if any; the extent to which desirable factors outweigh the
20 undesirable in the home; and the apparent possibility for improving
21 undesirable conditions in the home.

22 **Sec. 61.** RCW 74.13.031 and 2019 c 172 s 8 and 2019 c 46 s 5045
23 are each reenacted and amended to read as follows:

24 (1) The department shall develop, administer, supervise, and
25 monitor a coordinated and comprehensive plan that establishes, aids,
26 and strengthens services for the protection and care of runaway,
27 dependent, or neglected children.

28 (2) Within available resources, the department shall recruit an
29 adequate number of prospective adoptive and foster homes, both
30 regular and specialized, i.e. homes for children of ethnic minority,
31 including Indian homes for Indian children, sibling groups,
32 (~~handicapped and emotionally disturbed~~) children with disabilities
33 or behavioral health conditions, teens, pregnant and parenting teens,
34 and the department shall annually report to the governor and the
35 legislature concerning the department's success in: (a) Meeting the
36 need for adoptive and foster home placements; (b) reducing the foster
37 parent turnover rate; (c) completing home studies for legally free

1 children; and (d) implementing and operating the passport program
2 required by RCW 74.13.285. The report shall include a section
3 entitled "Foster Home Turn-Over, Causes and Recommendations."

4 (3) The department shall investigate complaints of any recent act
5 or failure to act on the part of a parent or caretaker that results
6 in death, serious physical or emotional harm, or sexual abuse or
7 exploitation, or that presents an imminent risk of serious harm, and
8 on the basis of the findings of such investigation, offer child
9 welfare services in relation to the problem to such parents, legal
10 custodians, or persons serving in loco parentis, and/or bring the
11 situation to the attention of an appropriate court, or another
12 community agency. An investigation is not required of nonaccidental
13 injuries which are clearly not the result of a lack of care or
14 supervision by the child's parents, legal custodians, or persons
15 serving in loco parentis. If the investigation reveals that a crime
16 against a child may have been committed, the department shall notify
17 the appropriate law enforcement agency.

18 (4) As provided in RCW 26.44.030(~~((11))~~), the department may
19 respond to a report of child abuse or neglect by using the family
20 assessment response.

21 (5) The department shall offer, on a voluntary basis, family
22 reconciliation services to families who are in conflict.

23 (6) The department shall monitor placements of children in out-
24 of-home care and in-home dependencies to assure the safety, well-
25 being, and quality of care being provided is within the scope of the
26 intent of the legislature as defined in RCW 74.13.010 and 74.15.010.
27 Under this section children in out-of-home care and in-home
28 dependencies and their caregivers shall receive a private and
29 individual face-to-face visit each month. The department shall
30 randomly select no less than ten percent of the caregivers currently
31 providing care to receive one unannounced face-to-face visit in the
32 caregiver's home per year. No caregiver will receive an unannounced
33 visit through the random selection process for two consecutive years.
34 If the caseworker makes a good faith effort to conduct the
35 unannounced visit to a caregiver and is unable to do so, that month's
36 visit to that caregiver need not be unannounced. The department is
37 encouraged to group monthly visits to caregivers by geographic area
38 so that in the event an unannounced visit cannot be completed, the
39 caseworker may complete other required monthly visits. The department

1 shall use a method of random selection that does not cause a fiscal
2 impact to the department.

3 The department shall conduct the monthly visits with children and
4 caregivers to whom it is providing child welfare services.

5 (7) The department shall have authority to accept custody of
6 children from parents and to accept custody of children from juvenile
7 courts, where authorized to do so under law, to provide child welfare
8 services including placement for adoption, to provide for the routine
9 and necessary medical, dental, and mental health care, or necessary
10 emergency care of the children, and to provide for the physical care
11 of such children and make payment of maintenance costs if needed.
12 Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no
13 private adoption agency which receives children for adoption from the
14 department shall discriminate on the basis of race, creed, or color
15 when considering applications in their placement for adoption.

16 (8) The department shall have authority to provide temporary
17 shelter to children who have run away from home and who are admitted
18 to crisis residential centers.

19 (9) The department shall have authority to purchase care for
20 children.

21 (10) The department shall establish a children's services
22 advisory committee which shall assist the secretary in the
23 development of a partnership plan for utilizing resources of the
24 public and private sectors, and advise on all matters pertaining to
25 child welfare, licensing of child care agencies, adoption, and
26 services related thereto. At least one member shall represent the
27 adoption community.

28 (11)(a) The department shall provide continued extended foster
29 care services to nonminor dependents who are:

30 (i) Enrolled in a secondary education program or a secondary
31 education equivalency program;

32 (ii) Enrolled and participating in a postsecondary academic or
33 postsecondary vocational education program;

34 (iii) Participating in a program or activity designed to promote
35 employment or remove barriers to employment;

36 (iv) Engaged in employment for eighty hours or more per month; or

37 (v) Not able to engage in any of the activities described in
38 (a)(i) through (iv) of this subsection due to a documented medical
39 condition.

1 (b) To be eligible for extended foster care services, the
2 nonminor dependent must have been dependent at the time that he or
3 she reached age eighteen years. If the dependency case of the
4 nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she
5 may receive extended foster care services pursuant to a voluntary
6 placement agreement under RCW 74.13.336 or pursuant to an order of
7 dependency issued by the court under RCW 13.34.268. A nonminor
8 dependent whose dependency case was dismissed by the court may
9 request extended foster care services before reaching age twenty-one
10 years. Eligible nonminor dependents may unenroll and reenroll in
11 extended foster care through a voluntary placement agreement an
12 unlimited number of times between ages eighteen and twenty-one.

13 (c) The department shall develop and implement rules regarding
14 youth eligibility requirements.

15 (d) The department shall make efforts to ensure that extended
16 foster care services maximize medicaid reimbursements. This must
17 include the department ensuring that health and mental health
18 extended foster care providers participate in medicaid, unless the
19 condition of the extended foster care youth requires specialty care
20 that is not available among participating medicaid providers or there
21 are no participating medicaid providers in the area. The department
22 shall coordinate other services to maximize federal resources and the
23 most cost-efficient delivery of services to extended foster care
24 youth.

25 (e) The department shall allow a youth who has received extended
26 foster care services, but lost his or her eligibility, to reenter the
27 extended foster care program an unlimited number of times through a
28 voluntary placement agreement when he or she meets the eligibility
29 criteria again.

30 (12) The department shall have authority to provide adoption
31 support benefits, or relative guardianship subsidies on behalf of
32 youth ages eighteen to twenty-one years who achieved permanency
33 through adoption or a relative guardianship at age sixteen or older
34 and who meet the criteria described in subsection (11) of this
35 section.

36 (13) The department shall refer cases to the division of child
37 support whenever state or federal funds are expended for the care and
38 maintenance of a child, including a child with a developmental
39 disability who is placed as a result of an action under chapter 13.34
40 RCW, unless the department finds that there is good cause not to

1 pursue collection of child support against the parent or parents of
2 the child. Cases involving individuals age eighteen through twenty
3 shall not be referred to the division of child support unless
4 required by federal law.

5 (14) The department shall have authority within funds
6 appropriated for foster care services to purchase care for Indian
7 children who are in the custody of a federally recognized Indian
8 tribe or tribally licensed child-placing agency pursuant to parental
9 consent, tribal court order, or state juvenile court order. The
10 purchase of such care is exempt from the requirements of chapter
11 74.13B RCW and may be purchased from the federally recognized Indian
12 tribe or tribally licensed child-placing agency, and shall be subject
13 to the same eligibility standards and rates of support applicable to
14 other children for whom the department purchases care.

15 Notwithstanding any other provision of RCW 13.32A.170 through
16 13.32A.200, 43.185C.295, 74.13.035, and 74.13.036, or of this section
17 all services to be provided by the department under subsections (4),
18 (7), and (8) of this section, subject to the limitations of these
19 subsections, may be provided by any program offering such services
20 funded pursuant to Titles II and III of the federal juvenile justice
21 and delinquency prevention act of 1974.

22 (15) Within amounts appropriated for this specific purpose, the
23 department shall provide preventive services to families with
24 children that prevent or shorten the duration of an out-of-home
25 placement.

26 (16) The department shall have authority to provide independent
27 living services to youths, including individuals who have attained
28 eighteen years of age, and have not attained twenty-three years of
29 age, who are or have been in the department's care and custody, or
30 who are or were nonminor dependents.

31 (17) The department shall consult at least quarterly with foster
32 parents, including members of the foster parent association of
33 Washington state, for the purpose of receiving information and
34 comment regarding how the department is performing the duties and
35 meeting the obligations specified in this section and RCW 74.13.250
36 regarding the recruitment of foster homes, reducing foster parent
37 turnover rates, providing effective training for foster parents, and
38 administering a coordinated and comprehensive plan that strengthens
39 services for the protection of children. Consultation shall occur at
40 the regional and statewide levels.

1 (18)(a) The department shall, within current funding levels,
2 place on its public web site a document listing the duties and
3 responsibilities the department has to a child subject to a
4 dependency petition including, but not limited to, the following:

5 (i) Reasonable efforts, including the provision of services,
6 toward reunification of the child with his or her family;

7 (ii) Sibling visits subject to the restrictions in RCW
8 13.34.136(2)(b)(ii);

9 (iii) Parent-child visits;

10 (iv) Statutory preference for placement with a relative or other
11 suitable person, if appropriate; and

12 (v) Statutory preference for an out-of-home placement that allows
13 the child to remain in the same school or school district, if
14 practical and in the child's best interests.

15 (b) The document must be prepared in conjunction with a
16 community-based organization and must be updated as needed.

17 (19)(a) The department shall have the authority to purchase legal
18 representation for parents or kinship caregivers, or both, of
19 children who are at risk of being dependent, or who are dependent, to
20 establish or modify a parenting plan under RCW 13.34.155 or chapter
21 26.09, 26.26A, or 26.26B RCW or secure orders establishing other
22 relevant civil legal relationships authorized by law, when it is
23 necessary for the child's safety, permanence, or well-being. The
24 department's purchase of legal representation for kinship caregivers
25 must be within the department's appropriations. This subsection does
26 not create an entitlement to legal representation purchased by the
27 department and does not create judicial authority to order the
28 department to purchase legal representation for a parent or kinship
29 caregiver. Such determinations are solely within the department's
30 discretion. The term "kinship caregiver" as used in this section
31 means a caregiver who meets the definition of "kin" in RCW
32 74.13.600(1), unless the child is an Indian child as defined in RCW
33 13.38.040 and 25 U.S.C. Sec. 1903. For an Indian child as defined in
34 RCW 13.38.040 and 25 U.S.C. Sec. 1903, the term "kinship caregiver"
35 as used in this section means a caregiver who is an "extended family
36 member" as defined in RCW 13.38.040(8).

37 (b) The department is encouraged to work with the office of
38 public defense parent representation program and the office of civil
39 legal aid to develop a cost-effective system for providing effective

1 civil legal representation for parents and kinship caregivers if it
2 exercises its authority under this subsection.

3 **Sec. 62.** RCW 74.13.310 and 2018 c 284 s 50 are each amended to
4 read as follows:

5 Adequate foster parent training has been identified as directly
6 associated with increasing the length of time foster parents are
7 willing to provide foster care and reducing the number of placement
8 disruptions for children. Placement disruptions can be harmful to
9 children by denying them consistent and nurturing support. Foster
10 parents have expressed the desire to receive training in addition to
11 the foster parent training currently offered. Foster parents who care
12 for more demanding children, such as children with severe
13 (~~emotional, mental, or physical handicaps~~) disabilities, would
14 especially benefit from additional training. The department shall
15 develop additional training for foster parents that focuses on skills
16 to assist foster parents in caring for (~~emotionally, mentally, or~~
17 ~~physically handicapped~~) children with disabilities.

18 **Sec. 63.** RCW 74.13A.020 and 2009 c 520 s 66 and 2009 c 491 s 9
19 are each reenacted and amended to read as follows:

20 (1) The secretary shall issue rules and regulations to assist in
21 the administration of the program of adoption support authorized by
22 RCW 26.33.320 and 74.13A.005 through 74.13A.080.

23 (2) Disbursements from the appropriations available from the
24 general fund shall be made pursuant to such rules and regulations and
25 pursuant to agreements conforming thereto to be made by the secretary
26 with parents for the purpose of supporting the adoption of children
27 in, or likely to be placed in, foster homes or child caring
28 institutions who are found by the secretary to be difficult to place
29 in adoption because of physical or other reasons; including, but not
30 limited to, (~~physical or mental handicap~~) disabilities, emotional
31 disturbance, ethnic background, language, race, color, age, or
32 sibling grouping.

33 (3) Such agreements shall meet the following criteria:

34 (a) The child whose adoption is to be supported pursuant to such
35 agreement shall be or have been a child hard to place in adoption.

36 (b) Such agreement must relate to a child who was or is residing
37 in a foster home or child-caring institution or a child who, in the

1 judgment of the secretary, is both eligible for, and likely to be
2 placed in, either a foster home or a child-caring institution.

3 (c) Such agreement shall provide that adoption support shall not
4 continue beyond the time that the adopted child reaches eighteen
5 years of age, becomes emancipated, dies, or otherwise ceases to need
6 support. If the secretary finds that continuing dependency of such
7 child after such child reaches eighteen years of age warrants the
8 continuation of support pursuant to RCW 26.33.320 and 74.13A.005
9 through 74.13A.080 the secretary may do so, subject to all the
10 provisions of RCW 26.33.320 and 74.13A.005 through 74.13A.080,
11 including annual review of the amount of such support.

12 (d) Any prospective parent who is to be a party to such agreement
13 shall be a person who has the character, judgment, sense of
14 responsibility, and disposition which make him or her suitable as an
15 adoptive parent of such child.

16 (4) At least six months before an adoption is finalized under
17 chapter 26.33 RCW and RCW (~~74.13.100 through 74.13.145~~) 74.13A.005
18 through 74.13A.080, the department must provide to the prospective
19 adoptive parent, in writing, information describing the limits of the
20 adoption support program including the following information:

21 (a) The limits on monthly cash payments to adoptive families;

22 (b) The limits on the availability of children's mental health
23 services and the funds with which to pay for these services;

24 (c) The process for accessing mental health services for children
25 receiving adoption support services;

26 (d) The limits on the one-time cash payments to adoptive families
27 for expenses related to their adopted children; and

28 (e) That payment for residential or group care is not available
29 for adopted children under the adoption support program.

30 **Sec. 64.** RCW 74.13A.085 and 2017 3rd sp.s. c 6 s 503 are each
31 amended to read as follows:

32 (1) The department shall establish, within funds appropriated for
33 the purpose, a reconsideration program to provide medical and
34 counseling services through the adoption support program for children
35 of families who apply for services after the adoption is final.
36 Families requesting services through the program shall provide any
37 information requested by the department for the purpose of processing
38 the family's application for services.

1 (2) A child meeting the eligibility criteria for registration
2 with the program is one who:

3 (a) Was residing in a preadoptive placement funded by the
4 department or in foster care funded by the department immediately
5 prior to the adoptive placement;

6 (b) Had a (~~physical or mental handicap or emotional~~
7 ~~disturbance~~) disability or behavioral health condition that existed
8 and was documented prior to the adoption or was at high risk of
9 future (~~physical or mental handicap or emotional disturbance~~)
10 disability or behavioral health condition as a result of conditions
11 exposed to prior to the adoption; and

12 (c) Resides in the state of Washington with an adoptive parent
13 who lacks the necessary financial means to care for the child's
14 special need.

15 (3) If a family is accepted for registration and meets the
16 criteria in subsection (2) of this section, the department may enter
17 into an agreement for services. Prior to entering into an agreement
18 for services through the program, the medical needs of the child must
19 be reviewed and approved by the department.

20 (4) Any services provided pursuant to an agreement between a
21 family and the department shall be met from the department's medical
22 program. Such services shall be limited to:

23 (a) Services provided after finalization of an agreement between
24 a family and the department pursuant to this section;

25 (b) Services not covered by the family's insurance or other
26 available assistance; and

27 (c) Services related to the eligible child's identified
28 (~~physical or mental handicap or emotional disturbance~~) disability
29 or behavioral health condition that existed prior to the adoption.

30 (5) Any payment by the department for services provided pursuant
31 to an agreement shall be made directly to the physician or provider
32 of services according to the department's established procedures.

33 (6) The total costs payable by the department for services
34 provided pursuant to an agreement shall not exceed twenty thousand
35 dollars per child.

36 **Sec. 65.** RCW 74.18.045 and 2003 c 409 s 4 are each amended to
37 read as follows:

38 (1)(a) The director shall provide access to a telephonic reading
39 service for blind persons and (~~disabled~~) persons with disabilities.

1 (b) The director shall establish criteria for eligibility for
2 blind persons and (~~(disabled)~~) persons with disabilities who may
3 receive the telephonic reading services. The criteria may be based
4 upon the eligibility criteria for persons who receive services
5 established by the national library service for the blind and
6 (~~(physically handicapped)~~) print disabled of the library of congress.

7 (2) The director may enter into contracts or other agreements
8 that he or she determines to be appropriate to provide telephonic
9 reading services pursuant to this section.

10 (3) The director may expand the type and scope of materials
11 available on the telephonic reading service in order to meet the
12 local, regional, or foreign language needs of blind or visually
13 impaired residents of this state. The director may also expand the
14 scope of services and availability of telephonic reading services by
15 current methods and technologies that may be developed. The director
16 may inform current and potential patrons of the availability of
17 telephonic reading services through appropriate means, including, but
18 not limited to, direct mailings, direct telephonic contact, and
19 public service announcements.

20 (4) The director may expend moneys from the business enterprises
21 revolving account accrued from vending machine sales in state and
22 local government buildings, as well as donations and grants, for the
23 purpose of supporting the cost of activities described in this
24 section.

25 **Sec. 66.** RCW 74.26.010 and 1980 c 106 s 1 are each amended to
26 read as follows:

27 In recognition of the fact that there is a small population of
28 children with multiple disabilities and specific and continuing
29 medical needs now being served in high-daily-cost hospitals that
30 could be more appropriately and cost-efficiently served in
31 alternative residential alternatives, it is the intent of the
32 legislature to establish a controlled program to develop and review
33 an alternative service delivery system for certain (~~(multiply
34 handicapped)~~) children with multiple disabilities who have continuing
35 intensive medical needs but who are not required to continue in
36 residence in a hospital setting.

37 **Sec. 67.** RCW 79.105.210 and 2005 c 155 s 143 are each amended to
38 read as follows:

1 (1) The management of state-owned aquatic lands shall preserve
2 and enhance water-dependent uses. Water-dependent uses shall be
3 favored over other uses in state-owned aquatic land planning and in
4 resolving conflicts between competing lease applications. In cases of
5 conflict between water-dependent uses, priority shall be given to
6 uses which enhance renewable resources, waterborne commerce, and the
7 navigational and biological capacity of the waters, and to statewide
8 interests as distinguished from local interests.

9 (2) Nonwater-dependent use of state-owned aquatic lands is a low-
10 priority use providing minimal public benefits and shall not be
11 permitted to expand or be established in new areas except in
12 exceptional circumstances where it is compatible with water-dependent
13 uses occurring in or planned for the area.

14 (3) The department shall consider the natural values of state-
15 owned aquatic lands as wildlife habitat, natural area preserve,
16 representative ecosystem, or spawning area prior to issuing any
17 initial lease or authorizing any change in use. The department may
18 withhold from leasing lands which it finds to have significant
19 natural values, or may provide within any lease for the protection of
20 such values.

21 (4) The power to lease state-owned aquatic lands is vested in the
22 department, which has the authority to make leases upon terms,
23 conditions, and length of time in conformance with the state
24 Constitution and chapters 79.105 through 79.140 RCW.

25 (5) State-owned aquatic lands shall not be leased to persons or
26 organizations which discriminate on the basis of race, color, creed,
27 religion, sex, age, or (~~physical or mental handicap~~) disability.

28 **Sec. 68.** RCW 82.04.385 and 1988 c 176 s 915 and 1988 c 13 s 1
29 are each reenacted and amended to read as follows:

30 This chapter shall not apply to income received from the
31 department of social and health services for the cost of care,
32 maintenance, support, and training of persons with developmental
33 disabilities at nonprofit group training homes as defined by chapter
34 71A.22 RCW or to the business activities of nonprofit organizations
35 from the operation of sheltered workshops. For the purposes of this
36 section, "the operation of sheltered workshops" means performance of
37 business activities of any kind on or off the premises of such
38 nonprofit organizations which are performed for the primary purpose
39 of (1) providing gainful employment or rehabilitation services to

1 (~~the handicapped~~) persons with disabilities as an interim step in
2 the rehabilitation process for those who cannot be readily absorbed
3 in the competitive labor market or during such time as employment
4 opportunities for them in the competitive labor market do not exist;
5 or (2) providing evaluation and work adjustment services for
6 (~~handicapped individuals~~) persons with disabilities.

7 **Sec. 69.** RCW 82.80.030 and 2005 c 336 s 24 are each amended to
8 read as follows:

9 (1) Subject to the conditions of this section, the legislative
10 authority of a county, city, or district may fix and impose a parking
11 tax on all persons engaged in a commercial parking business within
12 its respective jurisdiction. A city or county may impose the tax only
13 to the extent that it has not been imposed by the district, and a
14 district may impose the tax only to the extent that it has not been
15 imposed by a city or county. The jurisdiction of a county, for
16 purposes of this section, includes only the unincorporated area of
17 the county. The jurisdiction of a city or district includes only the
18 area within its boundaries.

19 (2) In lieu of the tax in subsection (1) of this section, a city,
20 a county in its unincorporated area, or a district may fix and impose
21 a tax for the act or privilege of parking a motor vehicle in a
22 facility operated by a commercial parking business.

23 The city, county, or district may provide that:

24 (a) The tax is paid by the operator or owner of the motor
25 vehicle;

26 (b) The tax applies to all parking for which a fee is paid,
27 whether paid or leased, including parking supplied with a lease of
28 nonresidential space;

29 (c) The tax is collected by the operator of the facility and
30 remitted to the city, county, or district;

31 (d) The tax is a fee per vehicle or is measured by the parking
32 charge;

33 (e) The tax rate varies with zoning or location of the facility,
34 the duration of the parking, the time of entry or exit, the type or
35 use of the vehicle, or other reasonable factors; and

36 (f) Tax exempt carpools, vehicles with (~~handicapped decals~~) a
37 disabled parking placard, or government vehicles are exempt from the
38 tax.

1 (3) "Commercial parking business" as used in this section, means
2 the ownership, lease, operation, or management of a commercial
3 parking lot in which fees are charged. "Commercial parking lot" means
4 a covered or uncovered area with stalls for the purpose of parking
5 motor vehicles.

6 (4) The rate of the tax under subsection (1) of this section may
7 be based either upon gross proceeds or the number of vehicle stalls
8 available for commercial parking use. The rates charged must be
9 uniform for the same class or type of commercial parking business.

10 (5) The county, city, or district levying the tax provided for in
11 subsection (1) or (2) of this section may provide for its payment on
12 a monthly, quarterly, or annual basis. Each local government may
13 develop by ordinance or resolution rules for administering the tax,
14 including provisions for reporting by commercial parking businesses,
15 collection, and enforcement.

16 (6) The proceeds of the commercial parking tax fixed and imposed
17 by a city or county under subsection (1) or (2) of this section shall
18 be used for transportation purposes in accordance with RCW 82.80.070
19 or for transportation improvements in accordance with chapter 36.73
20 RCW. The proceeds of the parking tax imposed by a district must be
21 used as provided in chapter 36.120 RCW.

22 **Sec. 70.** RCW 84.36.350 and 1999 c 358 s 17 are each amended to
23 read as follows:

25 (a) Real or personal property owned and used by a nonprofit
26 corporation in connection with the operation of a sheltered workshop
27 for (~~handicapped~~) persons with disabilities, and used primarily in
28 connection with the manufacturing and the handling, sale or
29 distribution of goods constructed, processed, or repaired in such
30 workshops or centers; and

31 (b) Inventory owned by a sheltered workshop for sale or lease by
32 the sheltered workshop or to be furnished under a contract of
33 service, including raw materials, work in process, and finished
34 products.

35 (2) Unless a different meaning is plainly required by the
36 context, "sheltered workshop" means a rehabilitation facility, or
37 that part of a rehabilitation facility operated by a nonprofit
38 corporation, where any manufacture or handiwork is carried on and
39 operated for the primary purpose of: (a) Providing gainful employment

1 or rehabilitation services to (~~the handicapped~~) persons with
2 disabilities as an interim step in the rehabilitation process for
3 those who cannot be readily absorbed in the competitive labor market
4 or during such time as employment opportunities for them in the
5 competitive labor market do not exist; or (b) providing evaluation
