SECRETARY OF STATE
STATE OF WASHINGTON
AN ACT Relating to increasing opportunities for young voters; amending RCW 29A.08.210, 29A.08.230, 29A.08.330, 29A.08.810, 29A.08.355, 46.20.155, 28A.230.094, 29A.32.031, 29A.32.241, 29A.04.061, 29A.08.110, 29A.08.170, 29A.08.172, 29A.08.174, 29A.08.359, 29A.80.041, 29A.84.140, 46.20.156, and 29A.08.140; adding a new section to chapter 29A.40 RCW; creating new sections; and providing effective dates.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

PART I

ACT NAME AND LEGISLATIVE FINDINGS

NEW SECTION. Sec. 1. This act may be known and cited as the voting opportunities through education act or the VOTE act.

NEW SECTION. Sec. 2. The legislature finds that robust participation by young voters in Washington state elections is critical to ensuring lifelong civic engagement. Research has shown that voting is a habitual behavior and that people who vote in the first three elections when they are eligible will likely vote for life. However, this is also the period of time when they are likely to face unique barriers to participate in the democratic process,
including regularly changing their address, becoming eligible shortly after an election, and exclusion from certain voter registration policies.

The legislature also finds that the period prior to election day is the most critical time to ensure ballot access for young voters. States with early voting have higher participation rates than states that do not and the use of early voting sites on college campuses helped produce record levels of participation for young voters in 2016 and 2018.

The legislature finds that students that have more opportunities to be registered and vote are more likely to participate. Limiting statutory voter registration opportunities on college campuses to days well in advance of election day is inconsistent with implementation of same-day voter registration. Making automatic voter registration unavailable to those registering for the first time denies young voters the same benefits as every other voter.

**PART II**

**PERSONS ALLOWED TO VOTE IN PRIMARIES**

**Sec. 3.** RCW 29A.08.210 and 2018 c 109 s 8 are each amended to read as follows:

An applicant for voter registration shall complete an application providing the following information concerning his or her qualifications as a voter in this state:

1. The former address of the applicant if previously registered to vote;
2. The applicant's full name;
3. The applicant's date of birth;
4. The address of the applicant's residence for voting purposes;
5. The mailing address of the applicant if that address is not the same as the address in subsection (4) of this section;
6. The sex of the applicant;
7. The applicant's Washington state driver's license number, Washington state identification card number, or the last four digits of the applicant's social security number if he or she does not have a Washington state driver's license or Washington state identification card;

(13) The oath required by RCW 29A.08.230 and a space for the applicant's signature; and

(14) Any other information that the secretary of state determines is necessary to establish the identity of the applicant and prevent duplicate or fraudulent voter registrations.

This information shall be recorded on a single registration form to be prescribed by the secretary of state.

Sec. 4. RCW 29A.08.230 and 2013 c 11 s 14 are each amended to read as follows:

For all voter registrations, the registrant shall sign the following oath:

"I declare that the facts on this voter registration form are true. I am a citizen of the United States, I will have lived at this address in Washington for at least thirty days immediately before the next election at which I vote, I ((will be)) am at least ((eighteen))
sixteen years old ((when I vote)), I am not disqualified from voting
due to a court order, and I am not under department of corrections
supervision for a Washington felony conviction."

Sec. 5. RCW 29A.08.330 and 2019 c 391 s 6 are each amended to
read as follows:

(1) The secretary of state shall prescribe the method of voter
registration for each designated agency. The agency shall use either

register at this time, or the agency may use a separate form approved
for use by the secretary of state.

(2) The person providing service at the agency shall offer voter
registration services to every client whenever he or she applies for
service or assistance and with each renewal, recertification, or
change of address. The person providing service shall give the
applicant the same level of assistance with the voter registration

documents, including information about age and citizenship
requirements for voter registration.

(3) The person providing service at the agency shall determine if
the prospective applicant wants to register to vote or update his or
her voter registration by asking the following question:

"Do you want to register or sign up to vote or update your voter
registration?"

If the applicant chooses to register, sign up, or update a
registration, the service agent shall ask the following:

(a) "Are you a United States citizen?"

(b) "Are you at least ((eighteen)) sixteen years old ((or are you
at least sixteen years old and will you vote only after you turn
eighteen))?"

If the applicant answers in the affirmative to both questions,
the agent shall then provide the applicant with a voter registration
form and instructions and shall record that the applicant has
requested to sign up to vote, register to vote, or update a voter
registration. If the applicant answers in the negative to either
question, the agent shall not provide the applicant with a voter
registration application.
(4) If an agency uses a computerized application process, it may, in consultation with the secretary of state, develop methods to capture simultaneously the information required for voter registration during a person's computerized application process.

(5) Each designated agency shall transmit the applications to the secretary of state or appropriate county auditor within three business days and must be received by the election official by the required voter registration deadline.

(6) Information that is otherwise disclosable under this chapter cannot be disclosed on the future voter until the person reaches eighteen years of age, except for the purpose of processing and delivering ballots.

Sec. 6. RCW 29A.08.810 and 2011 c 10 s 20 are each amended to read as follows:

(1) Registration of a person as a voter is presumptive evidence of his or her right to vote. A challenge to the person's right to vote must be based on personal knowledge of one of the following:

next general election; or

(2) A person's right to vote may be challenged by another
registered voter or the county prosecuting attorney.
(3) The challenger must file a signed affidavit subject to the
penalties of perjury swearing that, to his or her personal knowledge
and belief, having exercised due diligence to personally verify the
evidence presented, the challenged voter either is not qualified to
vote or does not reside at the address given on his or her voter
registration record based on one of the reasons allowed in subsection
(1) of this section. The challenger must provide the factual basis
for the challenge, including any information required by subsection
(1)(c) of this section, in the signed affidavit. The challenge may
