

HB 1346 - DIGEST

Prohibits a person from: (1) Selling, transferring, giving, or otherwise making available, any ammunition other than nonlead ammunition to a person who is under the age of twenty-one years; or

(2) Selling or offering for sale, ammunition that is knowingly or intentionally representing ammunition containing more than trace amounts of lead as nonlead ammunition.

Requires the department of health to develop and make available a handout and warning sign regarding the adverse health risks from exposure to lead for certain people and the risk for lead exposure arising from the use of lead ammunition while engaged in sport shooting activities.

Permits local health departments and districts to: (1) Investigate and issue notices of and enforce civil infractions relating to the sale of ammunition other than nonlead ammunition; and

(2) Conduct random, unannounced inspections to ensure compliance with the requirements of this act.
