

**HB 1423 - DIGEST**

(AS OF HOUSE 2ND READING 3/11/19)

Requires adult family homes to house nonambulatory residents on a level with safe egress to a public right-of-way.

Requires these residents to have a bedroom on the floor of the home from which the resident can be evacuated to a designated safe location outside the home without the use of stairs, elevators, chair lifts, platform lifts, or other devices.
