

**SB 5038 - DIGEST**

Prohibits the secretary of the department of health from discharging a person committed under the involuntary treatment act in a case where the court has made an affirmative special finding to an adult family home.

Prohibits a less restrictive alternative order from being entered placing a person committed as a sexually violent predator in an adult family home.

Authorizes a person who is at least eighteen years old to be admitted to an enhanced services facility if he or she has been judicially determined to meet the definition of sexually violent predator.
