

SB 5318 - DIGEST

Revises the uniform controlled substances act with regard to compliance and enforcement provisions for marijuana licensees.

Requires the state liquor and cannabis board to prescribe procedures for: (1) Issuance of written warnings in lieu of violations that have no relationship to public safety;

(2) Waiving fines, civil penalties, or administrative sanctions for violations, that have no relationship to public safety, and are corrected by the licensee as specified by the board; and

(3) A compliance program where licensees may request compliance assistance and inspections without issuance of a violation if any noncompliant issues are resolved within a specified period of time.
