

SB 5599 - DIGEST

Requires the state liquor and cannabis board: (1) When determining, in consultation with the office of financial management's forecasting and research division, the maximum number of retail outlets needed to meet the medical needs of qualifying patients, to consider information contained in additional data sources necessary to estimate the size and scope of the medical market demand; and

(2) To issue a license to a qualified applicant that is a municipal corporation, commission, or authority created by a lawfully adopted ordinance or resolution, if certain conditions are met.
