

2SHB 1076 - H AMD 164

By Representative Hoff

WITHDRAWN 03/05/2021

1 On page 5, beginning on line 14, after "settlement." strike all
2 material through "settlement" on line 22 and insert "If the agency
3 obtains a settlement over the alleged violation, the agency shall
4 notify the relator that the agency will not commence an action and the
5 settlement shall preclude further claims for the wages and benefits
6 covered by the settlement"

7

8

EFFECT: Modifies the criteria for an agency settlement to preclude further claims by removing the requirements that: (1) the settlement provide 100 percent of any wrongfully withheld wage or benefits, and interest; and (2) payment is received in full prior to the end of the investigation period.
