By Representative Abbarno

**ADOPTED 02/27/2021**

1       On page 11, after line 22, insert the following:  
2       "(3) In any reports to the Legislature under section 10 of this  
3 act, on the department's website, or in other public documents or  
4 communications that refer to assumed public health benefits associated  
5 with the program created in this chapter, the department must  
6 distinguish between public health benefits from small particulate  
7 matter and other conventional pollutant reductions achieved primarily  
8 as a result of vehicle emission standards established under RCW  
9 chapter 70A.30, and the incremental benefits to air pollution  
10 attributable to the program created under this chapter."  
11

EFFECT: Requires the Department of Ecology, in annual reports or other public documents or communications that refer to assumed public health benefits from the Clean Fuels Program (CFP), to distinguish between pollutant reductions from the CFP and those reductions primarily attributable to vehicle emission standards.
