1        On page 5, line 3, after "(c)" insert "The rules must allow the  
2 generation of credits only for activities and projects that are real,  
3 current, existing, and capable of being verified by a third party.  
4 The department may not allow the generation of credits in advance of  
5 the completion of the construction of a project that may eventually  
6 produce low carbon transportation fuels and may allow the awarding of  
7 credits as a tool to finance the construction of projects.  
8        (d) "

EFFECT: Requires the Department of Ecology's Clean Fuels Program rules to only allow credits for activities and projects that are real, current, existing, and capable of third-party verification. Prohibits the awarding of credits in advance of the completion of a project or as a tool to finance the construction of projects.
