By Representative Dolan

**ADOPTED 02/14/2022**

1 On page 2, after line 18, insert the following:  
2 "(4) The legislature intends to maintain existing  
3 responsibilities that state institutions of higher education, as  
4 state agencies, owe to the citizens of the state, including but not  
5 limited to being subject to state audit and public records  
6 requirements, and preserving assets in the interest of the citizens  
7 of the state. Further, the legislature intends for private  
8 comprehensive cancer centers to retain their private status as they  
9 enter into the collaborative agreements with state institutions of  
10 higher education, described herein. The legislature intends that  
11 collaborations between state institutions of higher education and  
12 comprehensive cancer centers be governed by contractual arrangements  
13 that address, as necessary and appropriate, the intellectual  
14 property rights and obligations of the state."  
15

EFFECT: States the Legislature's intent that state institutions of higher education continue to be subject to existing responsibilities such as state audit and public records requirements, and that comprehensive cancer centers entering into collaborative agreements with institutions of higher education retain their status as private entities. States the Legislature's intent that collaborative agreements address the intellectual property rights and obligations of the state.
