1 On page 9, after line 2, insert the following:
2 "(3) An independent repair provider that receives a request from a
3 customer to repair a digital electronic product shall advise the
4 customer, in writing, that the product may be under the original
5 manufacturer's warranty and that repairs not performed by the original
6 manufacturer or an authorized repair provider may void the warranty.
7 The independent repair provider must receive a signed acknowledgement
8 from the customer indicating that the customer has been given such
9 advisements before the independent repair provider may initiate repair
10 of the product."

EFFECT: Requires an independent repair provider that receives a request to repair a digital electronic product to advise the customer, in writing, that the product may be under warranty and that repairs not performed by the original manufacturer or an authorized repair provider may void the warranty. Requires the independent repair provider to receive a signed acknowledgement from the customer before initiating repair of the digital electronic product.
