

1660-S.E AMS WELL S5265.1

ESHB 1660 - S AMD TO S AMD (S-5226.3/22) **1324**
By Senator Wellman

1 On page 3, line 5, after "developments" insert ". The
2 construction of accessory dwelling units must be in compliance with
3 all existing and future applicable shoreline, critical area, and
4 other development regulations intended to manage local
5 infrastructure"

EFFECT: Requires ADU construction to comply with shoreline, critical area, and other development regulations addressing local infrastructure.
