15 The exemption under this section does not apply to subsequent
16 replacement of server equipment occurring after the initial
17 replacement of original server equipment for any business whose
18 computer data center qualifies as an eligible computer data center
19 under (f)(i)(C)(III) of this subsection (6) or for a qualifying

EFFECT: Removes the option for existing data centers to obtain an
exemption certificate for data center refurbishments and instead
allows only a tax exemption for new data centers; provides that the
exemption certificate for new data centers applies only to the
original equipment and initial replacement of original server
equipment.
