1 On page 8, line 28, after "disclosure;" strike "and"

2 On page 8, line 31, after "liberties" insert "; and"

3 (d) Prior to registration in the per mile funding system pursuant
4 to section 2 of this act, provide a full user agreement that details
5 the data retention, privacy protections, and location tracking
6 components of the program. The user agreement must provide specific
7 information on:

8 (i) The length of time that personally identifying information or
9 other data collected as part of location data will be retained and
10 used;

11 (ii) How data may be aggregated, anonymized, and shared;

12 (iii) The process to view their collected data and dispute if
13 they believe the information has been retained or used in a way not
14 authorized by their written consent;

15 (iv) The immediate notification requirement of any data breaches
16 associated with personally identifying information or other stored
17 data"

EFFECT: Requires before an individual is registered in the per mile funding system, the Department of Licensing or per mile account manager has a duty to provide a full user agreement that details retention, privacy protections, location tracking, and other components of the program.
