1 On page 5, after line 2, insert the following:

2 "(f) The voluntary early adoption program must include at least
3 two low barrier manual mileage reporting methods designed to allow
4 individuals alternatives to the higher technology-based options and
5 to allow maximum privacy protections. Each of the manual reporting
6 methods must allow an individual to provide mileage information with
7 and without having to provide the information in person."

EFFECT: (1) Specifies that the voluntary early adoption program must include at least two low barrier manual mileage reporting methods designed to allow individuals alternatives to the higher technology-based options and to allow maximum privacy protections.

(2) Directs that these mileage reporting methods must allow individuals to either provide the information in person or through other means.
