1 On page 460, line 35, increase the General Fund—State
2 Appropriation (FY 2023) by \$500,000

3 Adjust the total appropriation accordingly.

4 On page 476, after line 7, insert the following:

5 "(73) \$500,000 of the general fund—state appropriation for fiscal
6 year 2023 is provided solely for the department to conduct a survey
7 and to estimate the number of juvenile and adult salmon that are
8 taken on average each year due to bird predation on the Columbia
9 river, between the confluence with the Snake river and the McNary
10 dam. The estimate must indicate the number of fish taken by bird
11 species. A report of the survey and estimate, including a description
12 of techniques and projects in place to prevent such predation must be
13 made to the appropriate committees of the legislature by June 30,
14 2023."

EFFECT: Directs the Department of Fish and Wildlife to conduct a survey and estimate the number of salmon that are taken on average each year due to bird predation on the Columbia river, between the confluence with the Snake river and the McNary dam and to report on techniques and projects in place to prevent bird predation.
