SB 5895 - S AMD **1071**
      By Senator Short

                                                  NOT ADOPTED 02/10/2022

1   On page 1, line 7, after "cleanup;" strike "and"

2   On page 1, line 10, after "projects" insert "; and
3   (3) Private developers and other private sector organizations are
4 valued partners in the effort to clean up contaminated sites. As with
5 local governments, requiring a private sector applicant to have all
6 the necessary permits in hand before funding a project that carries
7 out the purposes of this chapter causes unintended delays"

8   On page 5, after line 15, insert the following:
9   "(7) If the department provides funding under this section to a
10 private sector applicant for a remedial action, the applicant may
11 receive the funding before all of the required permits for the
12 applicant's proposed action have been obtained."

      EFFECT: Allows private sector applicants to receive remedial
action funding before all required permits have been obtained.

                         --- END ---
