AN ACT Relating to park and recreation district levies; amending RCW 36.69.145, 84.52.010, and 84.52.043; and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 36.69.145 and 2010 c 106 s 303 are each amended to read as follows:

(1) A park and recreation district may impose regular property tax levies in an amount equal to ((sixty)) 60 cents or less per ((thousand dollars)) $1,000 of assessed value of property in the district in each year for six consecutive years when specifically authorized so to do by a majority of at least three-fifths of the voters thereof approving a proposition authorizing the levies submitted at a special election or at the regular election of the district, at which election the number of voters voting "yes" on the proposition must constitute three-fifths of a number equal to ((forty)) 40 per centum of the number of voters voting in such district at the last preceding general election when the number of voters voting on the proposition does not exceed ((forty)) 40 per centum of the number of voters voting in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the voters thereof voting on the proposition if the number of voters voting on the proposition exceeds ((forty)) 40 per centum.
of the number of voters voting in such taxing district in the last
preceding general election. A proposition authorizing the tax levies
may not be submitted by a park and recreation district more than
twice in any (twelve) 12-month period. Ballot propositions must
conform with RCW 29A.36.210. (In the event a park and recreation
district is levying property taxes, which in combination with
property taxes levied by other taxing districts subject to the one
percent limitation provided for in Article 7, section 2, of our state
Constitution result in taxes in excess of the limitation provided for
in RCW 84.52.043(2), the park and recreation district property tax
levy must be reduced or eliminated as provided in RCW 84.52.010.)
(2) The limitation in RCW 84.55.010 does not apply to the first
levy imposed under this section following the approval of the levies
by the voters under subsection (1) of this section.

Sec. 2. RCW 84.52.010 and 2017 c 196 s 10 are each amended to
read as follows:
(1) Except as is permitted under RCW 84.55.050, all taxes must be
levied or voted in specific amounts.
(2) The rate percent of all taxes for state and county purposes,
and purposes of taxing districts coextensive with the county, must be
determined, calculated and fixed by the county assessors of the
respective counties, within the limitations provided by law, upon the
assessed valuation of the property of the county, as shown by the
completed tax rolls of the county, and the rate percent of all taxes
levied for purposes of taxing districts within any county must be
determined, calculated and fixed by the county assessors of the
respective counties, within the limitations provided by law, upon the
assessed valuation of the property of the taxing districts
respectively.
(3) When a county assessor finds that the aggregate rate of tax
levy on any property, that is subject to the limitations set forth in
RCW 84.52.043 or 84.52.050, exceeds the limitations provided in
either of these sections, the assessor must recompute and establish a
consolidated levy in the following manner:
(a) The full certified rates of tax levy for state, county,
county road district, regional transit authority, and city or town
purposes must be extended on the tax rolls in amounts not exceeding
the limitations established by law; however, any state levy takes
precedence over all other levies and may not be reduced for any

purpose other than that required by RCW 84.55.010. If, as a result of
the levies imposed under RCW 36.54.130, 36.69.145, 84.34.230,
84.52.069, 84.52.105, the portion of the levy by a metropolitan park
district that was protected under RCW 84.52.120, 84.52.125,
84.52.135, and 84.52.140, and the portion of the levy by a flood
control zone district that was protected under RCW 84.52.816, the
combined rate of regular property tax levies that are subject to the
one percent limitation exceeds one percent of the true and fair value
of any property, then these levies must be reduced as follows:

(i) The portion of the levy by a flood control zone district that
was protected under RCW 84.52.816 must be reduced until the combined
rate no longer exceeds one percent of the true and fair value of any
property or must be eliminated;

(ii) If the combined rate of regular property tax levies that are
subject to the one percent limitation still exceeds one percent of
the true and fair value of any property, the levy imposed by a county
under RCW 84.52.140 must be reduced until the combined rate no longer
exceeds one percent of the true and fair value of any property or
must be eliminated;

(iii) If the combined rate of regular property tax levies that
are subject to the one percent limitation still exceeds one percent
of the true and fair value of any property, the portion of the levy
by a fire protection district or regional fire protection service
authority that is protected under RCW 84.52.125 must be reduced until
the combined rate no longer exceeds one percent of the true and fair
value of any property or must be eliminated;

(iv) If the combined rate of regular property tax levies that are
subject to the one percent limitation still exceeds one percent of
the true and fair value of any property, the levy imposed by a county
under RCW 84.52.135 must be reduced until the combined rate no longer
exceeds one percent of the true and fair value of any property or
must be eliminated;

(v) If the combined rate of regular property tax levies that are
subject to the one percent limitation still exceeds one percent of
the true and fair value of any property, the levy imposed by a ferry
district under RCW 36.54.130 must be reduced until the combined rate
no longer exceeds one percent of the true and fair value of any
property or must be eliminated;

(vi) If the combined rate of regular property tax levies that are
subject to the one percent limitation still exceeds one percent of
the true and fair value of any property, the portion of the levy by a
metropolitan park district that is protected under RCW 84.52.120 must
be reduced until the combined rate no longer exceeds one percent of
the true and fair value of any property or must be eliminated;

(vii) If the combined rate of regular property tax levies that
are subject to the one percent limitation still exceeds one percent
of the true and fair value of any property, then the levies imposed
under RCW 36.69.145 must be reduced until the combined rate no longer
exceeds one percent of the true and fair value of any property or
must be eliminated;

(viii) If the combined rate of regular property tax levies that
are subject to the one percent limitation still exceeds one percent
of the true and fair value of any property, then the levies imposed
under RCW 84.34.230, 84.52.105, and any portion of the levy imposed
under RCW 84.52.069 that is in excess of ((thirty)) 30 cents per
((thousand dollars)) $1,000 of assessed value, must be reduced on a
pro rata basis until the combined rate no longer exceeds one percent
of the true and fair value of any property or must be eliminated; and

((viii)) (ix) If the combined rate of regular property tax
levies that are subject to the one percent limitation still exceeds
one percent of the true and fair value of any property, then the
((thirty)) 30 cents per ((thousand dollars)) $1,000 of assessed value
of tax levy imposed under RCW 84.52.069 must be reduced until the
combined rate no longer exceeds one percent of the true and fair
value of any property or eliminated.

(b) The certified rates of tax levy subject to these limitations
by all junior taxing districts imposing taxes on such property must
be reduced or eliminated as follows to bring the consolidated levy of
taxes on such property within the provisions of these limitations:

(i) First, the certified property tax levy authorized under RCW
84.52.821 must be reduced on a pro rata basis or eliminated;

(ii) Second, if the consolidated tax levy rate still exceeds
these limitations, the certified property tax levy rates of those
junior taxing districts authorized under RCW 36.68.525,
((36.69.145)) 35.95A.100, and 67.38.130 must be reduced on a pro
rata basis or eliminated;

(iii) Third, if the consolidated tax levy rate still exceeds
these limitations, the certified property tax levy rates of flood
control zone districts other than the portion of a levy protected

p. 4  
HB 1034
under RCW 84.52.816 must be reduced on a pro rata basis or eliminated;

(iv) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates of all other junior taxing districts, other than fire protection districts, regional fire protection service authorities, library districts, the first \((\text{fifty}) \ 50\% \text{ per } \($1,000\)\) of assessed valuation levies for metropolitan park districts, and the first \((\text{fifty}) \ 50\% \text{ per } \($1,000\)\) of assessed valuation levies for public hospital districts, must be reduced on a pro rata basis or eliminated;

(v) Fifth, if the consolidated tax levy rate still exceeds these limitations, the first \((\text{fifty}) \ 50\% \text{ per } \($1,000\)\) of assessed valuation levies for metropolitan park districts created on or after January 1, 2002, must be reduced on a pro rata basis or eliminated;

(vi) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 and regional fire protection service authorities under RCW 52.26.140(1)(b) and (c) must be reduced on a pro rata basis or eliminated; and

(vii) Seventh, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for fire protection districts under RCW 52.16.130, regional fire protection service authorities under RCW 52.26.140(1)(a), library districts, metropolitan park districts created before January 1, 2002, under their first \((\text{fifty}) \ 50\% \text{ per } \($1,000\)\) of assessed valuation levy, and public hospital districts under their first \((\text{fifty}) \ 50\% \text{ per } \($1,000\)\) of assessed valuation levy, must be reduced on a pro rata basis or eliminated.

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named are as follows:

(1) Levies of the senior taxing districts are as follows: (a) The levies by the state may not exceed the applicable aggregate rate limit specified in RCW 84.52.065 (2) or (4) adjusted to the state
