AN ACT Relating to the sale or lease of manufactured/mobile home communities and the property on which they sit; amending RCW 59.20.300 and 59.20.305; reenacting and amending RCW 59.20.030; adding new sections to chapter 59.20 RCW; creating a new section; and prescribing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) It is the policy of this state to encourage affordable housing ownership, including manufactured/mobile home community living.
(b) Manufactured/mobile home communities provide a significant source of homeownership opportunities for Washington residents. However, the increasing closure and conversion of manufactured/mobile home communities to other uses, combined with increasing manufactured/mobile home lot rents, low vacancy rates in existing manufactured/mobile home communities, and the extremely high cost of moving homes when manufactured/mobile home communities close increasingly make manufactured/mobile home community living insecure for manufactured/mobile home tenants.
(c) Many tenants who reside in manufactured/mobile home communities are part of low-income households and senior citizens and...
are, therefore, those residents most in need of reasonable security in the siting of their manufactured/mobile homes because such tenants experience adverse impacts on their health, safety, and welfare when forced to move due to closure, change of use, or discontinuance of manufactured/mobile home communities.

(2) It is the intent of the legislature to encourage and facilitate the preservation of existing manufactured/mobile home communities in the event of voluntary sales of manufactured/mobile home communities and, to the extent necessary and possible, involve manufactured/mobile home community tenants or an eligible organization, such as a nonprofit organization, housing authority, community land trust, resident nonprofit cooperative, or local government, in the preservation of manufactured/mobile home communities.
