(c) A person applying for an additional instruction permit must submit the application to the department *(in person)* and pay an application fee of twenty-five dollars for each issuance.

Sec. 3. RCW 46.20.091 and 2000 c 115 s 4 are each amended to read as follows:

**Sec. 4.** RCW 46.20.117 and 2020 c 124 s 2 are each amended to read as follows:

(3) Renewal. An application for identicard renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department ((and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired)).

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) Cancellation. The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) Alternative issuance/renewal/extension. The department may issue or renew an identicard for a period other than ((six)) eight years, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than ((six)) eight years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) Cancellation. The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) Any person may apply to the department to obtain a medical alert designation, a developmental disability designation, or a deafness designation on an identicard issued under this chapter by providing:

(b) A statement from the person that they have voluntarily
    provided the self-attestation and other information verifying the
    condition; and

        Washington state patrol, and law enforcement and emergency medical
        service providers as designated by law.
(7) Alternative issuance/renewal/extension. The department may
    issue or renew an identicard for a period other than (six) eight
    years, or may extend by mail or electronic commerce an identicard
    that has already been issued, in order to evenly distribute, as
    nearly as possible, the yearly renewal rate of identicard holders.
    The fee for an identicard issued or renewed for a period other than
    (six) eight years, or that has been extended by mail or electronic
    commerce, is nine dollars for each year that the identicard is
    issued, renewed, or extended. The department may adopt any rules as
    are necessary to carry out this subsection.

Sec. 6. RCW 46.20.120 and 2012 c 80 s 7 are each amended to read
as follows:
An applicant for a new or renewed driver's license must
successfully pass a driver licensing examination to qualify for a
driver's license. The department must ensure that examinations are
given at places and times reasonably available to the people of this
state. If the department does not administer driver licensing
examinations as a routine part of its licensing services within a
department region because adequate testing sites are provided by
driver training schools or school districts within that region, the
department shall, at a minimum, administer driver licensing
examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) **Waiver.** The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or

(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and

(iii) Is otherwise qualified to be licensed.

(2) **Fee.** Each applicant for a new license must pay an examination fee of thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than ((six)) eight years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department ((and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired)).

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for
purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination and only needs to provide an updated photograph every sixteen years. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

Sec. 7. RCW 46.20.161 and 2018 c 69 s 1 are each amended to read as follows:

(1) The department, upon receipt of a fee of ((forty-five)) seventy-two dollars ((from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013)), unless the driver's license is issued for a period other than ((five)) eight years ((from October 1, 2012, to June 30, 2013, or six years after June 30, 2013)), in which case the fee shall be nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington
residence address, photograph, a brief description of the licensee, 
either a facsimile of the signature of the licensee or a space upon 
which the licensee shall write his or her usual signature with pen 
and ink immediately upon receipt of the license, and, if applicable, 
the person's status as a veteran as provided in subsection (2) of 
this section. No license is valid until it has been so signed by the 
licensee.

(2) A veteran, as defined in RCW 41.04.007, or an individual who 
otherwise meets the criteria of RCW 41.04.007 but who has received a 
general discharge under honorable conditions, may apply to the 
department to obtain a veteran designation on a driver's license 
issued under this section by providing:

(a) A United States department of veterans affairs identification 
card or proof of service letter;

(b) A United States department of defense discharge document, DD 
Form 214 or DD Form 215, as it exists on June 7, 2018, or such 
subsequent date as may be provided by the department by rule, 
consistent with the purposes of this section, or equivalent or 
successor discharge paperwork, that shows a discharge status of 
"honorable" or "general under honorable conditions" that establishes 
the person's service in the armed forces of the United States;

(c) A national guard state-issued report of separation and 
military service, NGB Form 22, as it exists on June 7, 2018, or such 
subsequent date as may be provided by the department by rule, 
consistent with the purposes of this section, or equivalent or 
successor discharge paperwork, that shows a discharge status of 
"honorable" or "general under honorable conditions" that establishes 
the person's active duty or reserve service in the national guard; or 

(d) A United States uniformed services identification card, DD 
Form 2, that displays on its face that it has been issued to a 
retired member of any of the armed forces of the United States, 
including the national guard and armed forces reserves.

The department may permit a veteran, as defined in RCW 41.04.007, 
or an individual who otherwise meets the criteria of RCW 41.04.007 
but who has received a general discharge under honorable conditions, 
to submit an alternate form of documentation to apply to obtain a 
veteran designation on a driver's license, as specified by rule, that 
requires a discharge status of "honorable" or "general under 
honorable conditions" and that establishes the person's service as 
required under RCW 41.04.007.
Sec. 8. RCW 46.20.161 and 2020 c 261 s 3 are each amended to read as follows:

(1) The department, upon receipt of a fee of ((forty-five)) seventy-two dollars ((from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013)), unless the driver's license is issued for a period other than ((five)) eight years ((from October 1, 2012, to June 30, 2013, or six years after June 30, 2013)), in which case the fee shall be nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen.

(2) The license must include:
   (a) A distinguishing number assigned to the licensee;
   (b) The name of record;
   (c) Date of birth;
   (d) Washington residence address;
   (e) Photograph;
   (f) A brief description of the licensee;
   (g) Either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license;
   (h) If applicable, the person's status as a veteran as provided in subsection (4) of this section; and
   (i) If applicable, a medical alert designation as provided in subsection (5) of this section.

(3) No license is valid until it has been signed by the licensee.

(4)(a) A veteran, as defined in RCW 41.04.007, or an individual who otherwise meets the criteria of RCW 41.04.007 but who has received a general discharge under honorable conditions, may apply to the department to obtain a veteran designation on a driver's license issued under this section by providing:
   (i) A United States department of veterans affairs identification card or proof of service letter;
   (ii) A United States department of defense discharge document, DD Form 214 or DD Form 215, as it exists on June 7, 2018, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, or equivalent or
successor discharge paperwork, that shows a discharge status of "honorable" or "general under honorable conditions" that establishes the person's service in the armed forces of the United States;

   (iii) A national guard state-issued report of separation and military service, NGB Form 22, as it exists on June 7, 2018, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, or equivalent or successor discharge paperwork, that shows a discharge status of "honorable" or "general under honorable conditions" that establishes the person's active duty or reserve service in the national guard; or

   (iv) A United States uniformed services identification card, DD Form 2, that displays on its face that it has been issued to a retired member of any of the armed forces of the United States, including the national guard and armed forces reserves.

   (b) The department may permit a veteran, as defined in RCW 41.04.007, or an individual who otherwise meets the criteria of RCW 41.04.007 but who has received a general discharge under honorable conditions, to submit an alternate form of documentation to apply to obtain a veteran designation on a driver's license, as specified by rule, that requires a discharge status of "honorable" or "general under honorable conditions" and that establishes the person's service as required under RCW 41.04.007.

   (5) Any person may apply to the department to obtain a medical alert designation, a developmental disability designation, or a deafness designation on a driver's license issued under this chapter by providing:

      (a) Self-attestation that the individual:

         (i) Has a medical condition that could affect communication or account for a driver health emergency;

         (ii) Is deaf or hard of hearing; or

         (iii) Has a developmental disability as defined in RCW 71A.10.020;

      (b) A statement from the person that they have voluntarily provided the self-attestation and other information verifying the condition; and

      (c) For persons under eighteen years of age or who have a developmental disability, the signature of a parent or legal guardian.

   (6) A self-attestation or data contained in a self-attestation provided under this section:
(a) Shall not be disclosed;
(b) Is for the confidential use of the director, the chief of the Washington state patrol, and law enforcement and emergency medical service providers as designated by law; and
(c) Is subject to the privacy protections of the driver's privacy protection act, 18 U.S.C. Sec. 2725.

Sec. 9. RCW 46.20.181 and 2012 c 80 s 9 are each amended to read as follows:

(1) Except as provided in subsection (4) or (5) of this section, every driver's license expires on the ((sixth)) eighth anniversary of the licensee's birthdate following the issuance of the license.
(2) A person may renew his or her license on or before the expiration date by submitting an application as prescribed by the department and paying a fee of ((forty-five)) seventy-two dollars ((from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013)). This fee includes the fee for the required photograph.
(3) A person renewing his or her driver's license more than sixty days after the license has expired shall pay a penalty fee of ten dollars in addition to the renewal fee, unless his or her license expired when:
   (a) The person was outside the state and he or she renews the license within sixty days after returning to this state; or
   (b) The person was incapacitated and he or she renews the license within sixty days after the termination of the incapacity.
(4) The department may issue or renew a driver's license for a period other than ((five)) eight years ((from October 1, 2012, to June 30, 2013, or six years after June 30, 2013)), or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than ((five)) eight years ((from October 1, 2012, to June 30, 2013, or six years after June 30, 2013)), or that has been extended by mail or electronic commerce, is nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.
(5) A driver's license that includes a hazardous materials endorsement under chapter 46.25 RCW may expire on an anniversary of
the licensee's birthdate other than the ((sixth)) eighth year following issuance or renewal of the license in order to match, as nearly as possible, the validity of certification from the federal transportation security administration that the licensee has been determined not to pose a security risk. The fee for a driver's license issued or renewed for a period other than ((five)) eight years ((from October 1, 2012, to June 30, 2013, or six years after June 30, 2013)) is nine dollars for each year that the license is issued or renewed, not including any endorsement fees. The department may adjust the expiration date of a driver's license that has previously been issued to conform to the provisions of this subsection if a hazardous materials endorsement is added to the license subsequent to its issuance. If the validity of the driver's license is extended, the licensee must pay a fee of nine dollars for each year that the license is extended.

(6) The department may adopt any rules as are necessary to carry out this section.

Sec. 10. RCW 46.20.202 and 2017 c 310 s 3 are each amended to read as follows:

(1) The department may enter into a memorandum of understanding with any federal agency for the purposes of facilitating the crossing of the border between the state of Washington and the Canadian province of British Columbia.

(2) The department may enter into an agreement with the Canadian province of British Columbia for the purposes of implementing a border-crossing initiative.

(3)(a) The department may issue an enhanced driver's license or identicard for the purposes of crossing the border between the state of Washington and the Canadian province of British Columbia to an applicant who provides the department with proof of: United States citizenship, identity, and state residency. The department shall continue to offer a standard driver's license and identicard. If the department chooses to issue an enhanced driver's license, the department must allow each applicant to choose between a standard driver's license or identicard, or an enhanced driver's license or identicard.

(b) The department shall implement a one-to-many biometric matching system for the enhanced driver's license or identicard. An applicant for an enhanced driver's license or identicard shall submit
a biometric identifier as designated by the department. The biometric identifier must be used solely for the purpose of verifying the identity of the holders and for any purpose set out in RCW 46.20.037. Applicants are required to sign a declaration acknowledging their understanding of the one-to-many biometric match.

(c) The enhanced driver's license or identicard must include reasonable security measures to protect the privacy of Washington state residents, including reasonable safeguards to protect against unauthorized disclosure of data about Washington state residents. If the enhanced driver's license or identicard includes a radio frequency identification chip, or similar technology, the department shall ensure that the technology is encrypted or otherwise secure from unauthorized data access.

(d) The requirements of this subsection are in addition to the requirements otherwise imposed on applicants for a driver's license or identicard. The department shall adopt such rules as necessary to meet the requirements of this subsection. From time to time the department shall review technological innovations related to the security of identity cards and amend the rules related to enhanced driver's licenses and identicards as the director deems consistent with this section and appropriate to protect the privacy of Washington state residents.

(e) Notwithstanding RCW 46.20.118, the department may make images associated with enhanced drivers' licenses or identicards from the negative file available to United States customs and border agents for the purposes of verifying identity.

(4) Beginning on July 23, 2017, the fee for an enhanced driver's license or enhanced identicard is ((twenty-four) thirty-two) dollars, which is in addition to the fees for any regular driver's license or identicard.
