NEW SECTION.
Sec. 1. It is the intent of the legislature to make technical changes to replace the term "marijuana" with "cannabis" throughout the Revised Code of Washington. This act is technical in nature and no substantive legal changes are intended or implied.

contracted by a financial institution, or a person providing financial services pursuant to a license issued under chapter 18.44, 19.230, or 31.04 RCW.

(3) A certified public accountant or certified public accounting firm, which practices public accounting as defined in RCW 18.04.025, does not commit a crime solely for providing professional accounting services as specified in RCW 18.04.025 for a ((marijuana)) cannabis producer, ((marijuana)) cannabis processor, or ((marijuana)) cannabis retailer authorized under chapter 69.50 RCW.

Sec. 3. RCW 9.94.041 and 2016 c 199 s 1 are each amended to read as follows:

(1) Every person serving a sentence in any state correctional institution who, without legal authorization, while in the institution or while being conveyed to or from the institution, or while under the custody or supervision of institution officials, officers, or employees, or while on any premises subject to the control of the institution, knowingly possesses or carries upon his or her person or has under his or her control any narcotic drug or controlled substance, as defined in chapter 69.50 RCW, alcohol, ((marijuana)) cannabis, or other intoxicant, or a cell phone or other form of an electronic telecommunications device, is guilty of a class C felony.

(2) Every person confined in a county or local correctional institution who, without legal authorization, while in the institution or while being conveyed to or from the institution, or while under the custody or supervision of institution officials, officers, or employees, or while on any premises subject to the control of the institution, knowingly possesses or has under his or her control any narcotic drug or controlled substance, as defined in chapter 69.50 RCW, alcohol, ((marijuana)) cannabis, or other intoxicant, or a cell phone or other form of an electronic telecommunications device, is guilty of a class C felony.

(3) The sentence imposed under this section shall be in addition to any sentence being served.

(4) For the purposes of this section, "cannabis" has the meaning provided in RCW 69.50.101.

Sec. 6. RCW 9.96.060 and 2020 c 29 s 18 are each amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) Every person convicted of a misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. If the court finds the applicant meets the requirements of this subsection, the court may in its discretion vacate the record of conviction. Except as provided in subsections (3), (4), and (5) of this section, an applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) The applicant has not completed all of the terms of the sentence for the offense;

(b) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;

(d) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(e) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

(f) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family or household member against another or by one intimate partner against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(g) For any offense other than those described in (f) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(h) The offender has been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application; or

(i) The applicant is currently restrained by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party or was previously restrained by such an order and was found to have committed one or more violations of the order in the five years prior to the vacation application.

Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq. may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or

(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq.
seq., according to the requirements provided in RCW 9.96.070 for each respective conviction.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of the misdemeanor, gross misdemeanor, or felony conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Sohappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor cannabis offense, who was twenty-one years of age or older at the time of the offense, may apply to the sentencing court for vacation of the applicant's record of conviction for the offense. A misdemeanor cannabis offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or
housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, 26.10.220, 26.26B.050, 26.44.063, 26.44.150, 26.50.060, 26.50.070, 26.50.130, 26.52.070, or 74.34.145); or (ii) stalking (RCW 9A.46.110). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

(7) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

(8) For the purposes of this section, "cannabis" has the meaning provided in RCW 69.50.101.

NOTE: References in the grid to days or weeks mean periods of confinement. "LS" means "local sanctions" as defined in RCW 13.40.020.

(1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.

(2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(4) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.

(5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

OR

OPTION B

SUSPENDED DISPOSITION ALTERNATIVE

(1) If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be either research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee, or for chemical dependency treatment programs or services, they must be evidence-based or research-based best practice programs. (a) "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective for the population; and

(b) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

(2) If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.

(3) An offender is ineligible for the suspended disposition option under this section if the offender:

(a) Is adjudicated of an A+ or A++ offense;

(b) Is fourteen years of age or older and is adjudicated of one or more of the following offenses:

(i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;

(iv) Violation of the uniform controlled substances act (RCW 69.50.401(2) (a) and (b)), when the offense includes infliction of bodily harm upon another or when during the commission or immediate withdrawal from the offense the respondent was armed with a deadly weapon;

(c) Is ordered to serve a disposition for a firearm violation under RCW 13.40.193;

(d) Is adjudicated of a sex offense as defined in RCW 9.94A.030; or

(e) Has a prior option B disposition.

OR

OPTION C

CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE

(5) If, after arrest and after any other applicable conditions
and requirements of this section have been satisfied, a test or tests
of the person's blood or breath is administered and the test results
indicate that the alcohol concentration of the person's breath or
blood is 0.08 or more, or the THC concentration of the person's blood
is 5.00 or more, if the person is age twenty-one or over, or that the
alcohol concentration of the person's breath or blood is 0.02 or
more, or the THC concentration of the person's blood is above 0.00,
if the person is under the age of twenty-one, or the person refuses
to submit to a test, the arresting officer or other law enforcement
officer at whose direction any test has been given, or the
department, where applicable, if the arrest results in a test of the
person's blood, shall:

(a) Serve notice in writing on the person on behalf of the
department of its intention to suspend, revoke, or deny the person's
license, permit, or privilege to drive as required by subsection (6)
of this section;

(b) Serve notice in writing on the person on behalf of the
department of his or her right to a hearing, specifying the steps he
or she must take to obtain a hearing as provided by subsection (7) of
this section;

(c) Serve notice in writing that the license or permit, if any,
is a temporary license that is valid for thirty days from the date of
arrest or from the date notice has been given in the event notice is
given by the department following a blood test, or until the
suspension, revocation, or denial of the person's license, permit, or
privilege to drive is sustained at a hearing pursuant to subsection
(7) of this section, whichever occurs first. No temporary license is
valid to any greater degree than the license or permit that it
replaces; and

(d) Immediately notify the department of the arrest and transmit
to the department within seventy-two hours, except as delayed as the
result of a blood test, a sworn report or report under a declaration
authorized by chapter 5.50 RCW that states:

p. 47
(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;

(ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by chapter 5.50 RCW under subsection (5)(d) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first.

(7) A person receiving notification under subsection (5)(b) of this section may, within seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and
conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within thirty days, excluding Saturdays, Sundays, and legal holidays, following the date of timely receipt of such request for a formal hearing before the department or thirty days, excluding Saturdays, Sundays, and legal holidays following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if the person is otherwise eligible for licensing. Unless otherwise agreed to by the department and the person, the department must give five days notice of the hearing to the person. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 5.00 or more, if the person was age twenty-one or over at the time of the arrest, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the
person was under the age of twenty-one at the time of the arrest. Where a person is found to be in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was under the age of twenty-one at the time of the arrest and was in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer to apply the affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The driver has the burden to prove the affirmative defense by a preponderance of the evidence. The sworn report or report under a declaration authorized by chapter 5.50 RCW submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by chapter 5.50 RCW of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a
decision of a court of limited jurisdiction. Notice of appeal must be
filed within thirty days after the date the final order is served or
the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ
1.1, or other statutes or rules referencing de novo review, the
appeal shall be limited to a review of the record of the
administrative hearing. The appellant must pay the costs associated
with obtaining the record of the hearing before the hearing officer.
The filing of the appeal does not stay the effective date of the
suspension, revocation, or denial. A petition filed under this
subsection must include the petitioner's grounds for requesting
review. Upon granting petitioner's request for review, the court
shall review the department's final order of suspension, revocation,
or denial as expeditiously as possible. The review must be limited to
a determination of whether the department has committed any errors of
law. The superior court shall accept those factual determinations
supported by substantial evidence in the record: (a) That were
expressly made by the department; or (b) that may reasonably be
inferred from the final order of the department. The superior court
may reverse, affirm, or modify the decision of the department or
remand the case back to the department for further proceedings. The
decision of the superior court must be in writing and filed in the
clerk's office with the other papers in the case. The court shall
state the reasons for the decision. If judicial relief is sought for
a stay or other temporary remedy from the department's action, the
court shall not grant such relief unless the court finds that the
appellant is likely to prevail in the appeal and that without a stay
the appellant will suffer irreparable injury. If the court stays the
suspension, revocation, or denial it may impose conditions on such
stay.

(9)(a) If a person whose driver's license, permit, or privilege
to drive has been or will be suspended, revoked, or denied under
subsection (6) of this section, other than as a result of a breath
test refusal, and who has not committed an offense for which he or
she was granted a deferred prosecution under chapter 10.05 RCW,
petitions a court for a deferred prosecution on criminal charges
arising out of the arrest for which action has been or will be taken
under subsection (6) of this section, or notifies the department of
licensing of the intent to seek such a deferred prosecution, then the
license suspension or revocation shall be stayed pending entry of the
deferred prosecution. The stay shall not be longer than one hundred

p. 51

SHB 1210
fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 37. RCW 46.25.120 and 2015 2nd sp.s. c 3 s 7 are each amended to read as follows:

(1) A person who drives a commercial motor vehicle within this state is deemed to have given consent, subject to RCW 46.61.506, to take a test or tests of that person's breath for the purpose of determining that person's alcohol concentration.
(2) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the commercial motor vehicle driver, has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol in his or her system or while under the influence of any drug.

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under RCW 46.25.090.

(4) A law enforcement officer who at the time of stopping or detaining a commercial motor vehicle driver has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol, (marijuana) cannabis, or any drug in his or her system or while under the influence of alcohol, (marijuana) cannabis, or any drug may obtain a blood test pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law.

(5) If the person refuses testing, or a test is administered that discloses an alcohol concentration of 0.04 or more or any measurable amount of THC concentration, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section or a blood test was administered pursuant to subsection (4) of this section and that the person refused to submit to testing, or a test was administered that disclosed an alcohol concentration of 0.04 or more or any measurable amount of THC concentration.

(6) Upon receipt of the sworn report of a law enforcement officer under subsection (5) of this section, the department shall disqualify the driver from driving a commercial motor vehicle under RCW 46.25.090, subject to the hearing provisions of RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a commercial motor vehicle within this state while having alcohol in the person's system or while under the influence of any drug, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the disqualification of the person from driving a
commercial motor vehicle, if applicable, and, if the test was
administered, whether the results indicated an alcohol concentration
of 0.04 percent or more or any measurable amount of THC
concentration. The department shall order that the disqualification
of the person either be rescinded or sustained. Any decision by the
department disqualifying a person from driving a commercial motor
vehicle is stayed and does not take effect while a formal hearing is
pending under this section or during the pendency of a subsequent
appeal to superior court so long as there is no conviction for a
moving violation or no finding that the person has committed a
traffic infraction that is a moving violation during the pendency of
the hearing and appeal. If the disqualification of the person is
sustained after the hearing, the person who is disqualified may file
a petition in the superior court of the county of arrest to review
the final order of disqualification by the department in the manner
provided in RCW 46.20.334.

(7) If a motor carrier or employer who is required to have a
testing program under 49 C.F.R. 382 knows that a commercial driver in
his or her employ has refused to submit to testing under this section
and has not been disqualified from driving a commercial motor
vehicle, the employer may notify law enforcement or his or her
medical review officer or breath alcohol technician that the driver
has refused to submit to the required testing.

(8) The hearing provisions of this section do not apply to those
persons disqualified from driving a commercial motor vehicle under
RCW 46.25.090(7).

Sec. 38. RCW 46.61.502 and 2017 c 335 s 1 are each amended to
read as follows:

(1) A person is guilty of driving while under the influence of
intoxicating liquor, ((marijuana)) cannabis, or any drug if the
person drives a vehicle within this state:

(a) And the person has, within two hours after driving, an
alcohol concentration of 0.08 or higher as shown by analysis of the
person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after driving, a THC
concentration of 5.00 or higher as shown by analysis of the person's
blood made under RCW 46.61.506; or

(c) While the person is under the influence of or affected by
intoxicating liquor, ((marijuana)) cannabis, or any drug; or
(d) While the person is under the combined influence of or affected by intoxicating liquor, **(marijuana) cannabis**, and any drug.

(2) The fact that a person charged with a violation of this section is or has been entitled to use a drug under the laws of this state shall not constitute a defense against a charge of violating this section.

(3)(a) It is an affirmative defense to a violation of subsection (1)(a) of this section, which the defendant must prove by a preponderance of the evidence, that the defendant consumed a sufficient quantity of alcohol after the time of driving and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.08 or more within two hours after driving. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(b) It is an affirmative defense to a violation of subsection (1)(b) of this section, which the defendant must prove by a preponderance of the evidence, that the defendant consumed a sufficient quantity of **(marijuana) cannabis** after the time of driving and before the administration of an analysis of the person's blood to cause the defendant's THC concentration to be 5.00 or more within two hours after driving. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(4)(a) Analyses of blood or breath samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had an alcohol concentration of 0.08 or more in violation of subsection (1)(a) of this section, and in any case in which the analysis shows an alcohol concentration above 0.00 may be used as evidence that a person was under the influence of or affected by intoxicating liquor or any drug in violation of subsection (1)(c) or (d) of this section.

(b) Analyses of blood samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had a THC concentration of 5.00 or more in violation of subsection (1)(b) of this section, and in any case in which the analysis shows a THC concentration above 0.00 may be used...
as evidence that a person was under the influence of or affected by cannabis in violation of subsection (1)(c) or (d) of this section.

(5) Except as provided in subsection (6) of this section, a violation of this section is a gross misdemeanor.

(6) It is a class B felony punishable under chapter 9.94A RCW, or chapter 13.40 RCW if the person is a juvenile, if:

(a) The person has three or more prior offenses within ten years as defined in RCW 46.61.5055; or

(b) The person has ever previously been convicted of:

(i) Vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a);

(ii) Vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b);

(iii) An out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection; or

(iv) A violation of this subsection (6) or RCW 46.61.504(6).

Sec. 39. RCW 46.61.503 and 2015 2nd sp.s. c 3 s 14 are each amended to read as follows:

(1) Notwithstanding any other provision of this title, a person is guilty of driving or being in physical control of a motor vehicle after consuming alcohol or cannabis if the person operates or is in physical control of a motor vehicle within this state and the person:

(a) Is under the age of twenty-one; and

(b) Has, within two hours after operating or being in physical control of the motor vehicle, either:

(i) An alcohol concentration of at least 0.02 but less than the concentration specified in RCW 46.61.502, as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

(ii) A THC concentration above 0.00 but less than the concentration specified in RCW 46.61.502, as shown by analysis of the person's blood made under RCW 46.61.506.

(2) It is an affirmative defense to a violation of subsection (1) of this section, which the defendant must prove by a preponderance of the evidence, that the defendant consumed a sufficient quantity of alcohol or cannabis after the time of driving or being in physical control and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol or THC concentration to exceed the concentration specified in either subsection (1)(a) or (b) of this section.
concentration to be in violation of subsection (1) of this section within two hours after driving or being in physical control. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the earlier of: (a) Seven days prior to trial; or (b) the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

(3) No person may be convicted under this section for being in physical control of a motor vehicle and it is an affirmative defense to any action pursuant to RCW 46.20.308 to suspend, revoke, or deny the privilege to drive, if, prior to being pursued by a law enforcement officer, the person has moved the vehicle safely off the roadway.

(4) Analyses of blood or breath samples obtained more than two hours after the alleged driving or being in physical control may be used as evidence that within two hours of the alleged driving or being in physical control, a person had an alcohol or THC concentration in violation of subsection (1) of this section.

(5) A violation of this section is a misdemeanor.

Sec. 40. RCW 46.61.504 and 2017 c 335 s 2 are each amended to read as follows:

(1) A person is guilty of being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug if the person has actual physical control of a vehicle within this state:

(a) And the person has, within two hours after being in actual physical control of the vehicle, an alcohol concentration of 0.08 or higher as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after being in actual physical control of a vehicle, a THC concentration of 5.00 or higher as shown by analysis of the person's blood made under RCW 46.61.506; or

(c) While the person is under the influence of or affected by intoxicating liquor or any drug; or

(d) While the person is under the combined influence of or affected by intoxicating liquor and any drug.

(2) The fact that a person charged with a violation of this section is or has been entitled to use a drug under the laws of this state does not constitute a defense against any charge of violating

p. 57
this section. No person may be convicted under this section and it is
an affirmative defense to any action pursuant to RCW 46.20.308 to
suspend, revoke, or deny the privilege to drive if, prior to being
pursued by a law enforcement officer, the person has moved the
vehicle safely off the roadway.

(3)(a) It is an affirmative defense to a violation of subsection
(1)(a) of this section which the defendant must prove by a
preponderance of the evidence that the defendant consumed a
sufficient quantity of alcohol after the time of being in actual
physical control of the vehicle and before the administration of an
analysis of the person's breath or blood to cause the defendant's
alcohol concentration to be 0.08 or more within two hours after being
in such control. The court shall not admit evidence of this defense
unless the defendant notifies the prosecution prior to the omnibus or
pretrial hearing in the case of the defendant's intent to assert the
affirmative defense.

(b) It is an affirmative defense to a violation of subsection
(1)(b) of this section, which the defendant must prove by a
preponderance of the evidence, that the defendant consumed a
sufficient quantity of ((marijuana)) cannabis after the time of being
in actual physical control of the vehicle and before the
administration of an analysis of the person's blood to cause the
defendant's THC concentration to be 5.00 or more within two hours
after being in control of the vehicle. The court shall not admit
evidence of this defense unless the defendant notifies the
prosecution prior to the omnibus or pretrial hearing in the case of
the defendant's intent to assert the affirmative defense.

(4)(a) Analyses of blood or breath samples obtained more than two
hours after the alleged being in actual physical control of a vehicle
may be used as evidence that within two hours of the alleged being in
such control, a person had an alcohol concentration of 0.08 or more
in violation of subsection (1)(a) of this section, and in any case in
which the analysis shows an alcohol concentration above 0.00 may be
used as evidence that a person was under the influence of or affected
by intoxicating liquor or any drug in violation of subsection (1)(c)
or (d) of this section.

(b) Analyses of blood samples obtained more than two hours after
the alleged being in actual physical control of a vehicle may be used
as evidence that within two hours of the alleged being in control of
the vehicle, a person had a THC concentration of 5.00 or more in
violation of subsection (1)(b) of this section, and in any case in
which the analysis shows a THC concentration above 0.00 may be used
as evidence that a person was under the influence of or affected by
((marijuana)) cannabis in violation of subsection (1)(c) or (d) of
this section.

(5) Except as provided in subsection (6) of this section, a
violation of this section is a gross misdemeanor.

(6) It is a class C felony punishable under chapter 9.94A RCW, or
chapter 13.40 RCW if the person is a juvenile, if:
   (a) The person has three or more prior offenses within ten years
as defined in RCW 46.61.5055; or
   (b) The person has ever previously been convicted of:
      (i) Vehicular homicide while under the influence of intoxicating
liquor or any drug, RCW 46.61.520(1)(a);
      (ii) Vehicular assault while under the influence of intoxicating
liquor or any drug, RCW 46.61.522(1)(b);
      (iii) An out-of-state offense comparable to the offense specified
in (b)(i) or (ii) of this subsection; or
      (iv) A violation of this subsection (6) or RCW 46.61.502(6).

Sec. 41. RCW 46.61.50571 and 2015 3rd sp.s. c 35 s 2 are each
amended to read as follows:
   (1) A defendant who is charged with an offense involving driving
while under the influence as defined in RCW 46.61.502, driving under
age twenty-one after consuming alcohol or ((marijuana)) cannabis as
defined in RCW 46.61.503, or being in physical control of a vehicle
while under the influence as defined in RCW 46.61.504, shall be
required to appear in person before a judicial officer within one
judicial day after the arrest if the defendant is served with a
citation or complaint at the time of the arrest. A court may by local
court rule waive the requirement for appearance within one judicial
day if it provides for the appearance at the earliest practicable day
following arrest and establishes the method for identifying that day
in the rule.
   (2) A defendant who is charged with an offense involving driving
while under the influence as defined in RCW 46.61.502, driving under
age twenty-one after consuming alcohol or ((marijuana)) cannabis as
defined in RCW 46.61.503, or being in physical control of a vehicle
while under the influence as defined in RCW 46.61.504, and who is not
served with a citation or complaint at the time of the incident,
shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information.

(3) At the time of an appearance required by this section, the court shall determine the necessity of imposing conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment.

(4) Appearances required by this section are mandatory and may not be waived.

(5) If electronic monitoring or alcohol abstinence monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring or abstinence monitoring.

Sec. 42. RCW 46.61.5249 and 2013 2nd sp.s. c 35 s 16 are each amended to read as follows:

(1)(a) A person is guilty of negligent driving in the first degree if he or she operates a motor vehicle in a manner that is both negligent and endangers or is likely to endanger any person or property, and exhibits the effects of having consumed liquor or ((marijuana)) cannabis or any drug or exhibits the effects of having inhaled or ingested any chemical, whether or not a legal substance, for its intoxicating or hallucinatory effects.

(b) It is an affirmative defense to negligent driving in the first degree by means of exhibiting the effects of having consumed any drug that must be proved by the defendant by a preponderance of the evidence, that the driver has a valid prescription for the drug consumed, and has been consuming it according to the prescription directions and warnings.

(c) Negligent driving in the first degree is a misdemeanor.

(2) For the purposes of this section:

(a) "Negligent" means the failure to exercise ordinary care, and is the doing of some act that a reasonably careful person would not do under the same or similar circumstances or the failure to do something that a reasonably careful person would do under the same or similar circumstances.

(c)(i) A ((marijuana)) cannabis retailer's license is subject to forfeiture in accordance with rules adopted by the board pursuant to this section.

(ii) The board shall adopt rules to establish a license forfeiture process for a licensed ((marijuana)) cannabis retailer that is not fully operational and open to the public within a specified period from the date of license issuance, as established by the board, subject to the following restrictions:

(A) No ((marijuana)) cannabis retailer's license may be subject to forfeiture within the first nine months of license issuance; and

(B) The board must require license forfeiture on or before twenty-four calendar months of license issuance if a ((marijuana)) cannabis retailer is not fully operational and open to the public, unless the board determines that circumstances out of the licensee's control are preventing the licensee from becoming fully operational and that, in the board's discretion, the circumstances warrant extending the forfeiture period beyond twenty-four calendar months.

(iii) The board has discretion in adopting rules under this subsection (3)(c).

(iv) This subsection (3)(c) applies to ((marijuana)) cannabis retailer's licenses issued before and after July 23, 2017. Sec. 54. RCW 69.50.326 and 2018 c 132 s 1 are each amended to read as follows:

(1) Licensed (marijuana) cannabis producers and licensed (marijuana) cannabis processors may use a CBD product as an additive for the purpose of enhancing the cannabidiol concentration of any product authorized for production, processing, and sale under this chapter. Except as otherwise provided in subsection (2) of this section, such CBD product additives must be lawfully produced by, or purchased from, a producer or processor licensed under this chapter.

(2) Subject to the requirements set forth in (a) and (b) of this subsection, and for the purpose of enhancing the cannabidiol concentration of any product authorized for production, processing, or sale under this chapter, licensed (marijuana) cannabis producers and licensed (marijuana) cannabis processors may use a CBD product obtained from a source not licensed under this chapter, provided the CBD product:

(a) Has a THC level of 0.3 percent or less on a dry weight basis; and

(b) Has been tested for contaminants and toxins by a testing laboratory accredited under this chapter and in accordance with testing standards established under this chapter and the applicable administrative rules.

(3) Subject to the requirements of this subsection (3), the (liquor and cannabis) board may enact rules necessary to implement the requirements of this section. Such rule making is limited to regulations pertaining to laboratory testing and product safety standards for those cannabidiol products used by licensed producers and processors in the manufacture of (marijuana) cannabis products marketed by licensed retailers under this chapter ((69.50 RCW)). The purpose of such rule making must be to ensure the safety and purity of cannabidiol products used by (marijuana) cannabis producers and processors licensed under this chapter ((69.50 RCW)) and incorporated into products sold by licensed recreational (marijuana) cannabis retailers. This rule-making authority does not include the authority to enact rules regarding either the production or processing
practices of the industrial hemp industry or any cannabidiol products that are sold or marketed outside of the regulatory framework established under this chapter ((69.50 RCW)).

**Sec. 55.** RCW 69.50.327 and 2020 c 133 s 4 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, (marijuana) cannabis processors may incorporate in (marijuana) cannabis vapor products a characterizing flavor if the characterizing flavor is derived from botanical terpenes naturally occurring in the cannabis plant, regardless of source, and if the characterizing flavor mimics the terpene profile found in a cannabis plant. Characterizing flavors authorized under this section do not include any synthetic terpenes.

(2) If the board determines a characterizing flavor otherwise authorized under this section may pose a risk to public health or youth access, the board may, by rule adopted under RCW 69.50.342, prohibit the use in (marijuana) cannabis vapor products of such a characterizing flavor.

**Sec. 56.** RCW 69.50.328 and 2013 c 3 s 5 are each amended to read as follows:

Neither a licensed (marijuana) cannabis producer nor a licensed (marijuana) cannabis processor shall have a direct or indirect financial interest in a licensed (marijuana) cannabis retailer.

**Sec. 57.** RCW 69.50.331 and 2020 c 154 s 1 are each amended to read as follows:

(1) For the purpose of considering any application for a license to produce, process, research, transport, or deliver (marijuana) cannabis, useable (marijuana, marijuana) cannabis concentrates, or (marijuana-infused) cannabis-infused products subject to the regulations established under RCW 69.50.385, or sell (marijuana) cannabis, or for the renewal of a license to produce, process, research, transport, or deliver (marijuana) cannabis, useable (marijuana, marijuana) cannabis concentrates, or (marijuana-infused) cannabis-infused products subject to the regulations established under RCW 69.50.385, or sell (marijuana) cannabis, the board must conduct a comprehensive, fair, and impartial evaluation of the applications timely received.

p. 95   SHB 1210
(a) The board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension, revocation, cancellation, or renewal or denial thereof, of any license, the board may consider any prior criminal arrests or convictions of the applicant, any public safety administrative violation history record with the board, and a criminal history record information check. The board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The board must require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation. The provisions of RCW 9.95.240 and of chapter 9.96A RCW do not apply to these cases. Subject to the provisions of this section, the board may, in its discretion, grant or deny the renewal or license applied for. Denial may be based on, without limitation, the existence of chronic illegal activity documented in objections submitted pursuant to subsections (7)(c) and (10) of this section. Authority to approve an uncontested or unopposed license may be granted by the board to any staff member the board designates in writing. Conditions for granting this authority must be adopted by rule.

(b) No license of any kind may be issued to:

(i) A person under the age of twenty-one years;

(ii) A person doing business as a sole proprietor who has not lawfully resided in the state for at least six months prior to applying to receive a license;

(iii) A partnership, employee cooperative, association, nonprofit corporation, or corporation unless formed under the laws of this state, and unless all of the members thereof are qualified to obtain a license as provided in this section; or

(iv) A person whose place of business is conducted by a manager or agent, unless the manager or agent possesses the same qualifications required of the licensee.

(2)(a) The board may, in its discretion, subject to RCW 43.05.160, 69.50.563, 69.50.562, 69.50.334, and 69.50.342(3) suspend or cancel any license; and all protections of the licensee from
criminal or civil sanctions under state law for producing, processing, researching, or selling (marijuana, marijuana) cannabis, cannabis concentrates, useable (marijuana) cannabis, or (marijuana-infused) cannabis-infused products thereunder must be suspended or terminated, as the case may be.

(b) The board must immediately suspend the license of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license is automatic upon the board's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order.

(c) The board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, and consider mitigating and aggravating circumstances in any case and deviate from any prescribed penalty, under rules the board may adopt.

(d) Witnesses must be allowed fees and mileage each way to and from any inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.05.446. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

(e) In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he or she may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, compels obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(3) Upon receipt of notice of the suspension or cancellation of a license, the licensee must forthwith deliver up the license to the board. Where the license has been suspended only, the board must return the license to the licensee at the expiration or termination of the period of suspension. The board must notify all other
licensees in the county where the subject licensee has its premises
of the suspension or cancellation of the license; and no other
licensee or employee of another licensee may allow or cause any
((marijuana, marijuana)) cannabis, cannabis concentrates, useable
((marijuana, or marijuana-infused)) cannabis, or cannabis-infused
products to be delivered to or for any person at the premises of the
subject licensee.

(4) Every license issued under this chapter is subject to all
conditions and restrictions imposed by this chapter or by rules
adopted by the board to implement and enforce this chapter. All
conditions and restrictions imposed by the board in the issuance of
an individual license must be listed on the face of the individual
license along with the trade name, address, and expiration date.

(5) Every licensee must post and keep posted its license, or
licenses, in a conspicuous place on the premises.

(6) No licensee may employ any person under the age of twenty-one
years.

(7)(a) Before the board issues a new or renewed license to an
applicant it must give notice of the application to the chief
executive officer of the incorporated city or town, if the
application is for a license within an incorporated city or town, or
to the county legislative authority, if the application is for a
license outside the boundaries of incorporated cities or towns, or to
the tribal government if the application is for a license within
Indian country, or to the port authority if the application for a
license is located on property owned by a port authority.

(b) The incorporated city or town through the official or
employee selected by it, the county legislative authority or the
official or employee selected by it, the tribal government, or port
authority has the right to file with the board within twenty days
after the date of transmittal of the notice for applications, or at
least thirty days prior to the expiration date for renewals, written
objections against the applicant or against the premises for which
the new or renewed license is asked. The board may extend the time
period for submitting written objections upon request from the
authority notified by the board.

(c) The written objections must include a statement of all facts
upon which the objections are based, and in case written objections
are filed, the city or town or county legislative authority may
request, and the board may in its discretion hold, a hearing subject

p. 98

SHB 1210
to the applicable provisions of Title 34 RCW. If the board makes an
initial decision to deny a license or renewal based on the written
objections of an incorporated city or town or county legislative
authority, the applicant may request a hearing subject to the
applicable provisions of Title 34 RCW. If a hearing is held at the
request of the applicant, board representatives must present and
defend the board's initial decision to deny a license or renewal.

(d) Upon the granting of a license under this title the board
must send written notification to the chief executive officer of the
incorporated city or town in which the license is granted, or to the
county legislative authority if the license is granted outside the
boundaries of incorporated cities or towns.

(8)(a) Except as provided in (b) through (e) of this subsection,
the board may not issue a license for any premises within one
thousand feet of the perimeter of the grounds of any elementary or
secondary school, playground, recreation center or facility, child
care center, public park, public transit center, or library, or any
game arcade admission to which is not restricted to persons aged
twenty-one years or older.

(b) A city, county, or town may permit the licensing of premises
within one thousand feet but not less than one hundred feet of the
facilities described in (a) of this subsection, except elementary
schools, secondary schools, and playgrounds, by enacting an ordinance
authorizing such distance reduction, provided that such distance
reduction will not negatively impact the jurisdiction's civil
regulatory enforcement, criminal law enforcement interests, public
safety, or public health.

(c) A city, county, or town may permit the licensing of research
premises allowed under RCW 69.50.372 within one thousand feet but not
less than one hundred feet of the facilities described in (a) of this
subsection by enacting an ordinance authorizing such distance
reduction, provided that the ordinance will not negatively impact the
jurisdiction's civil regulatory enforcement, criminal law
enforcement, public safety, or public health.

(d) The board may license premises located in compliance with the
distance requirements set in an ordinance adopted under (b) or (c) of
this subsection. Before issuing or renewing a research license for
premises within one thousand feet but not less than one hundred feet
of an elementary school, secondary school, or playground in
compliance with an ordinance passed pursuant to (c) of this subsection, the board must ensure that the facility:

(i) Meets a security standard exceeding that which applies to ((marijuana)) cannabis producer, processor, or retailer licensees;

(ii) Is inaccessible to the public and no part of the operation of the facility is in view of the general public; and

(iii) Bears no advertising or signage indicating that it is a ((marijuana)) cannabis research facility.

(e) The board must issue a certificate of compliance if the premises met the requirements under (a), (b), (c), or (d) of this subsection on the date of the application. The certificate allows the licensee to operate the business at the proposed location notwithstanding a later occurring, otherwise disqualifying factor.

(f) The board may not issue a license for any premises within Indian country, as defined in 18 U.S.C. Sec. 1151, including any fee patent lands within the exterior boundaries of a reservation, without the consent of the federally recognized tribe associated with the reservation or Indian country.

(9) A city, town, or county may adopt an ordinance prohibiting a ((marijuana)) cannabis producer or ((marijuana)) cannabis processor from operating or locating a business within areas zoned primarily for residential use or rural use with a minimum lot size of five acres or smaller.

(10) In determining whether to grant or deny a license or renewal of any license, the board must give substantial weight to objections based upon chronic illegal activity associated with the applicant's operations of the premises proposed to be licensed or the applicant's operation of any other licensed premises, or the conduct of the applicant's patrons inside or outside the licensed premises. "Chronic illegal activity" means (a) a pervasive pattern of activity that threatens the public health, safety, and welfare of the city, town, or county including, but not limited to, open container violations, assaults, disturbances, disorderly conduct, or other criminal law violations, or as documented in crime statistics, police reports, emergency medical response data, calls for service, field data, or similar records of a law enforcement agency for the city, town, county, or any other municipal corporation or any state agency; or (b) an unreasonably high number of citations for violations of RCW 46.61.502 associated with the applicant's or licensee's operation of
any licensed premises as indicated by the reported statements given to law enforcement upon arrest.

1. The action, order, or decision of the ((state liquor and cannabis)) board as to any denial of an application for the reissuance of a license to produce, process, or sell ((marijuana)) cannabis, or as to any revocation, suspension, or modification of any license to produce, process, or sell ((marijuana)) cannabis, or as to the administrative review of a notice of unpaid trust fund taxes under RCW 69.50.565, must be an adjudicative proceeding and subject to the applicable provisions of chapter 34.05 RCW.

2. An opportunity for a hearing may be provided to an applicant for the reissuance of a license prior to the disposition of the application, and if no opportunity for a prior hearing is provided then an opportunity for a hearing to reconsider the application must be provided the applicant.

3. An opportunity for a hearing must be provided to a licensee prior to a revocation or modification of any license and, except as provided in subsection (6) of this section, prior to the suspension of any license.

4. An opportunity for a hearing must be provided to any person issued a notice of unpaid trust fund taxes under RCW 69.50.565.

5. No hearing may be required under this section until demanded by the applicant, licensee, or person issued a notice of unpaid trust fund taxes under RCW 69.50.565.

6. The ((state liquor and cannabis)) board may summarily suspend a license for a period of up to one hundred eighty days without a prior hearing if it finds that public health, safety, or welfare imperatively require emergency action, and it incorporates a finding to that effect in its order. Proceedings for revocation or other action must be promptly instituted and determined. An administrative law judge may extend the summary suspension period for up to one calendar year from the first day of the initial summary suspension in the event the proceedings for revocation or other action cannot be completed during the initial one hundred eighty-day period due to actions by the licensee. The ((state liquor and cannabis)) board's enforcement division shall complete a preliminary staff investigation.

(ii) The application does not otherwise meet the licensing requirements of this chapter.

(7) Legislative members of the task force may be reimbursed for
travel expenses in accordance with RCW 44.04.120. Nonlegislative
members are not entitled to be reimbursed for travel expenses if they
are elected officials or are participating on behalf of an employer,
governmental entity, or other organization. Any reimbursement for
other nonlegislative members is subject to chapter 43.03 RCW.

(8) The task force is a class one group under chapter 43.03 RCW.

(9) A public comment period must be provided at every meeting of
the task force.

(10) The task force shall submit one or more reports on
recommended policies that will facilitate the development of a
((marijuana)) cannabis social equity program in Washington to the
governor, the board, and the appropriate committees of the
legislature. The task force is encouraged to submit individual
recommendations, as soon as possible, to facilitate the board's early
work to implement the recommendations. The final recommendations must
be submitted by December 1, 2020. The recommendations must include:

(a) Factors the board must consider in distributing the licenses
currently available from ((marijuana)) cannabis retailer licenses
that have been subject to forfeiture, revocation, or cancellation by
the board, or ((marijuana)) cannabis retailer licenses that were not
previously issued by the board but could have been issued without
exceeding the limit on the statewide number of ((marijuana)) cannabis
retailer licenses established by the board before January 1, 2020; and

(b) Whether any additional ((marijuana)) cannabis licenses should
be issued beyond the total number of ((marijuana)) cannabis licenses
that have been issued as of June 11, 2020. For purposes of
determining the total number of licenses issued as of June 11, 2020,
the total number includes licenses that have been forfeited, revoked,
or canceled.
(11) The board may adopt rules to implement the recommendations of the task force. However, any recommendation to increase the number of retail outlets above the current statewide limit of retail outlets, established by the board before January 1, 2020, must be approved by the legislature.

(12) This section expires June 30, 2022.

Sec. 61. RCW 69.50.339 and 2013 c 3 s 8 are each amended to read as follows:

(1) If the (state liquor control) board approves, a license to produce, process, or sell (marijuana) cannabis may be transferred, without charge, to the surviving spouse or domestic partner of a deceased licensee if the license was issued in the names of one or both of the parties. For the purpose of considering the qualifications of the surviving party to receive a (marijuana) cannabis producer's, (marijuana) cannabis processor's, or (marijuana) cannabis retailer's license, the (state liquor control) board may require a criminal history record information check. The (state liquor control) board may submit the criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The (state liquor control) board shall require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation.

(2) The proposed sale of more than ten percent of the outstanding or issued stock of a corporation licensed under chapter 3, Laws of 2013, or any proposed change in the officers of such a corporation, must be reported to the (state liquor control) board, and (state liquor control) board approval must be obtained before the changes are made. A fee of seventy-five dollars will be charged for the processing of the change of stock ownership or corporate officers.

The board may submit any criminal history record information check to the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may
search their records for prior arrests and convictions of the individual or individuals who filled out the forms. The board must require fingerprinting of any applicant whose criminal history record information check is submitted to the federal bureau of investigation;

(i) Application, reinstatement, and renewal fees for licenses issued under this chapter and chapter 69.51A RCW, and fees for anything done or permitted to be done under the rules adopted to implement and enforce this chapter and chapter 69.51A RCW;

(2) Rules adopted on retail outlets holding medical (marijuana) cannabis endorsements must be adopted in coordination and consultation with the department.

(3) The board must adopt rules to perfect and expand existing programs for compliance education for licensed (marijuana) cannabis businesses and their employees. The rules must include a voluntary compliance program created in consultation with licensed (marijuana) cannabis businesses and their employees. The voluntary compliance program must include recommendations on abating violations of this chapter and rules adopted under this chapter.

Sec. 63. RCW 69.50.345 and 2019 c 393 s 2 are each amended to read as follows:

The (state liquor and cannabis) board, subject to the provisions of this chapter, must adopt rules that establish the procedures and criteria necessary to implement the following:

(1) Licensing of (marijuana) cannabis producers, (marijuana) cannabis processors, and (marijuana) cannabis retailers, including prescribing forms and establishing application, reinstatement, and renewal fees.

(a) Application forms for (marijuana) cannabis producers must request the applicant to state whether the applicant intends to produce (marijuana) cannabis for sale by (marijuana) cannabis retailers holding medical (marijuana) cannabis endorsements and the amount of or percentage of canopy the applicant intends to commit to growing plants determined by the department under RCW 69.50.375 to be of a THC concentration, CBD concentration, or THC to CBD ratio appropriate for (marijuana) cannabis concentrates, useable (marijuana, or marijuana-infused) cannabis, or cannabis-infused products sold to qualifying patients.

(b) The (state liquor and cannabis) board must reconsider and increase limits on the amount of square feet permitted to be in production on July 24, 2015, and increase the percentage of production space for those (marijuana) cannabis producers who intend to grow plants for (marijuana) cannabis retailers holding medical (marijuana) cannabis endorsements if the (marijuana) cannabis producer designates the increased production space to plants determined by the department under RCW 69.50.375 to be of a THC concentration, CBD concentration, or THC to CBD ratio appropriate for (marijuana) cannabis concentrates, useable (marijuana, or marijuana-infused) cannabis, or cannabis-infused products sold to qualifying patients.
cannabis, or cannabis-infused products to be sold to qualifying patients. If current cannabis producers do not use all the increased production space, the state liquor and cannabis board may reopen the license period for new cannabis producer license applicants but only to those cannabis producers who agree to grow plants for cannabis retailers holding medical cannabis endorsements. Priority in licensing must be given to cannabis producer license applicants who have an application pending on July 24, 2015, but who are not yet licensed and then to new cannabis producer license applicants. After January 1, 2017, any reconsideration of the limits on the amount of square feet permitted to be in production to meet the medical needs of qualifying patients must consider information contained in the medical cannabis authorization database established in RCW 69.51A.230;

(2) Determining, in consultation with the office of financial management, the maximum number of retail outlets that may be licensed in each county, taking into consideration:
(a) Population distribution;
(b) Security and safety issues;
(c) The provision of adequate access to licensed sources of cannabis concentrates, useable cannabis, and cannabis-infused products to discourage purchases from the illegal market; and
(d) The number of retail outlets holding medical cannabis endorsements necessary to meet the medical needs of qualifying patients. The state liquor and cannabis board must reconsider and increase the maximum number of retail outlets it established before July 24, 2015, and allow for a new license application period and a greater number of retail outlets to be permitted in order to accommodate the medical needs of qualifying patients and designated providers. After January 1, 2017, any reconsideration of the maximum number of retail outlets needed to meet the medical needs of qualifying patients must consider information contained in the medical cannabis authorization database established in RCW 69.51A.230;

(3) Determining the maximum quantity of cannabis a cannabis producer may have on the premises of a licensed location at any time without violating Washington state law;
Determining the maximum quantities of marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products a cannabis processor may have on the premises of a licensed location at any time without violating Washington state law;

(5) Determining the maximum quantities of marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products a cannabis retailer may have on the premises of a retail outlet at any time without violating Washington state law;

(6) In making the determinations required by this section, the state liquor and cannabis board shall take into consideration:

(a) Security and safety issues;

(b) The provision of adequate access to licensed sources of marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products to discourage purchases from the illegal market; and

(c) Economies of scale, and their impact on licensees' ability to both comply with regulatory requirements and undercut illegal market prices;

(7) Determining the nature, form, and capacity of all containers to be used by licensees to contain marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products, and their labeling requirements;

(8) In consultation with the department of agriculture and the department, establishing classes of marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products according to grade, condition, cannabinoid profile, THC concentration, CBD concentration, or other qualitative measurements deemed appropriate by the state liquor and cannabis board;

(9) Establishing reasonable time, place, and manner restrictions and requirements regarding advertising of marijuana, cannabis, cannabis concentrates, useable marijuana, and cannabis-infused products that are not inconsistent with the provisions of this chapter, taking into consideration:

(a) Federal laws relating to cannabis that are applicable within Washington state;
(b) Minimizing exposure of people under twenty-one years of age to the advertising;
(c) The inclusion of medically and scientifically accurate information about the health and safety risks posed by cannabis use in the advertising; and
(d) Ensuring that retail outlets with medical cannabis endorsements may advertise themselves as medical retail outlets;
(10) Specifying and regulating the time and periods when, and the manner, methods, and means by which, licensees shall transport and deliver cannabis, cannabis concentrates, useable cannabis, and cannabis-infused products within the state;
(11) In consultation with the department and the department of agriculture, establishing accreditation requirements for testing laboratories used by licensees to demonstrate compliance with standards adopted by the state liquor and cannabis board, and prescribing methods of producing, processing, and packaging cannabis, cannabis concentrates, useable cannabis, and cannabis-infused products; conditions of sanitation; and standards of ingredients, quality, and identity of cannabis, cannabis concentrates, useable cannabis, and cannabis-infused products produced, processed, packaged, or sold by licensees;
(12) Specifying procedures for identifying, seizing, confiscating, destroying, and donating to law enforcement for training purposes all cannabis, cannabis concentrates, useable cannabis, and cannabis-infused products produced, processed, packaged, labeled, or offered for sale in this state that do not conform in all respects to the standards prescribed by this chapter or the rules of the state liquor and cannabis board.

Retail outlets may not use the donation of lockable boxes or literature as an incentive or as a condition of a recipient's purchase of a (marijuana) cannabis product or paraphernalia.

(iii) Retail outlets may also purchase and sell lockable boxes, provided that the sales price is not less than the cost of acquisition.

(2) Except for the use of billboards as authorized under this section, licensed (marijuana) cannabis retailers may not display any signage outside of the licensed premises, other than two signs identifying the retail outlet by the licensee's business or trade name, stating the location of the business, and identifying the nature of the business. Each sign must be no larger than one thousand six hundred square inches and be permanently affixed to a building or other structure. The location and content of the retail (marijuana) cannabis signs authorized under this subsection are subject to all other requirements and restrictions established in this section for indoor signs, outdoor signs, and other (marijuana-related) cannabis-related advertising methods.

(3) A (marijuana) cannabis licensee may not utilize transit advertisements for the purpose of advertising its business or product line. "Transit advertisements" means advertising on or within private...

Every ((marijuana)) cannabis research license must be issued in the name of the applicant, must specify the location at which the ((marijuana)) cannabis researcher intends to operate, which must be within the state of Washington, and the holder thereof may not allow any other person to use the license.

(7) The application fee for a ((marijuana)) cannabis research license is two hundred fifty dollars. The
community property interest in real property of a person whose spouse or domestic partner committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(5) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (1)(b), (c), (d), (e), (f), (g), or (h) of this section within forty-five days of the service of notice from the seizing agency in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The notice of claim may be served by any method authorized by law or court rule including, but not limited to, service by first-class mail. Service by mail shall be deemed complete upon mailing within the forty-five day period following service of the notice of seizure in the case of personal property and within the ninety-day period following service of the notice of seizure in the case of real property. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal of any matter involving personal property may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of personal property is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In all cases, the burden of proof is upon the law enforcement agency to establish, by a preponderance of the evidence, that the property is subject to forfeiture.
The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (1)(b), (c), (d), (e), (f), (g), or (h) of this section.

(6) In any proceeding to forfeit property under this title, where the claimant substantially prevails, the claimant is entitled to reasonable attorneys' fees reasonably incurred by the claimant. In addition, in a court hearing between two or more claimants to the article or articles involved, the prevailing party is entitled to a judgment for costs and reasonable attorneys' fees.

(7) When property is forfeited under this chapter the commission or seizing law enforcement agency may:

(a) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(b) Sell that which is not required to be destroyed by law and which is not harmful to the public;

(c) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(d) Forward it to the drug enforcement administration for disposition.

(8) (a) When property is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the property, the disposition of the property, the value of the property at the time of seizure, and the amount of proceeds realized from disposition of the property.

(b) Each seizing agency shall retain records of forfeited property for at least seven years.

(c) Each seizing agency shall file a report including a copy of the records of forfeited property with the state treasurer each calendar quarter.

(d) The quarterly report need not include a record of forfeited property that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(9) (a) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the
net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the state general fund.

(b) The net proceeds of forfeited property is the value of the forfeitable interest in the property after deducting the cost of satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents, and the cost of any valid landlord's claim for damages under subsection (15) of this section.

(c) The value of sold forfeited property is the sale price. The value of retained forfeited property is the fair market value of the property at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified appraiser to determine the value of retained property. If an appraiser is used, the value of the property appraised is net of the cost of the appraisal. The value of destroyed property and retained firearms or illegal property is zero.

(10) Forfeited property and net proceeds not required to be paid to the state treasurer shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of controlled substances related law enforcement activity. Money retained under this section may not be used to supplant preexisting funding sources.

(11) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the possession of the commission, the owners of which are unknown, are contraband and shall be summarily forfeited to the commission.

(12) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this chapter, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the commission.
(13) The failure, upon demand by a commission inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he or she is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(14) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

(15)(a) A landlord may assert a claim against proceeds from the sale of assets seized and forfeited under subsection (7)(b) of this section, only if:

(i) A law enforcement officer, while acting in his or her official capacity, directly caused damage to the complaining landlord's property while executing a search of a tenant's residence; and

(ii) The landlord has applied any funds remaining in the tenant's deposit, to which the landlord has a right under chapter 59.18 RCW, to cover the damage directly caused by a law enforcement officer prior to asserting a claim under the provisions of this section;

(A) Only if the funds applied under (a)(ii) of this subsection are insufficient to satisfy the damage directly caused by a law enforcement officer, may the landlord seek compensation for the damage by filing a claim against the governmental entity under whose authority the law enforcement agency operates within thirty days after the search;

(B) Only if the governmental entity denies or fails to respond to the landlord's claim within sixty days of the date of filing, may the landlord collect damages under this subsection by filing within thirty days of denial or the expiration of the sixty-day period, whichever occurs first, a claim with the seizing law enforcement agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty-day period. Nothing in this section requires the claim to be paid by the end of the sixty-day or thirty-day period.
(b) For any claim filed under (a)(ii) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of this chapter or chapter 69.41 or 69.52 RCW; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

(16) The landlord's claim for damages under subsection (15) of this section may not include a claim for loss of business and is limited to:

(a) Damage to tangible property and clean-up costs;

(b) The lesser of the cost of repair or fair market value of the damage directly caused by a law enforcement officer;

(c) The proceeds from the sale of the specific tenant's property seized and forfeited under subsection (7)(b) of this section; and

(d) The proceeds available after the seizing law enforcement agency satisfies any bona fide security interest in the tenant's property and costs related to sale of the tenant's property as provided by subsection (9)(b) of this section.

(17) Subsections (15) and (16) of this section do not limit any other rights a landlord may have against a tenant to collect for damages. However, if a law enforcement agency satisfies a landlord's claim under subsection (15) of this section, the rights the landlord has against the tenant for damages directly caused by a law enforcement officer under the terms of the landlord and tenant's contract are subrogated to the law enforcement agency.

Sec. 96. RCW 69.50.515 and 2013 c 133 s 1 are each amended to read as follows:

(1) Upon finding one ounce or less of ((marijuana)) cannabis inadvertently left at a retail store holding a pharmacy license, the store manager or employee must promptly notify the local law enforcement agency. After notification to the local law enforcement agency, the store manager or employee must properly dispose of the ((marijuana)) cannabis.

(2) For the purposes of this section, "properly dispose" means ensuring that the product is destroyed or rendered incapable of use by another person.
Sec. 97. RCW 69.50.530 and 2018 c 299 s 909 are each amended to read as follows:

The dedicated ((marijuana)) cannabis account is created in the state treasury. All moneys received by the ((state liquor and cannabis)) board, or any employee thereof, from ((marijuana-related)) cannabis-related activities must be deposited in the account. Unless otherwise provided in chapter 4, Laws of 2015 2nd sp. sess., all ((marijuana)) cannabis excise taxes collected from sales of ((marijuana)) cannabis, useable ((marijuana, marijuana)) cannabis, cannabis concentrates, and ((marijuana-infused)) cannabis-infused products under RCW 69.50.535, and the license fees, penalties, and forfeitures derived under this chapter from ((marijuana)) cannabis producer, ((marijuana)) cannabis processor, ((marijuana)) cannabis researcher, and ((marijuana)) cannabis retailer licenses, must be deposited in the account. Moneys in the account may only be spent after appropriation. During the 2015-2017 and 2017-2019 fiscal biennia, the legislature may transfer from the dedicated ((marijuana)) cannabis account to the basic health plan trust account such amounts as reflect the excess fund balance of the account.

Sec. 98. RCW 69.50.535 and 2015 2nd sp.s. c 4 s 205 are each amended to read as follows:

(1)(a) There is levied and collected a ((marijuana)) cannabis excise tax equal to thirty-seven percent of the selling price on each retail sale in this state of ((marijuana)) cannabis concentrates, useable ((marijuana, and marijuana-infused)) cannabis, and cannabis-infused products. This tax is separate and in addition to general state and local sales and use taxes that apply to retail sales of tangible personal property, and is not part of the total retail price to which general state and local sales and use taxes apply. The tax must be separately itemized from the state and local retail sales tax on the sales receipt provided to the buyer.

(b) The tax levied in this section must be reflected in the price list or quoted shelf price in the licensed ((marijuana)) cannabis retail store and in any advertising that includes prices for all useable ((marijuana, marijuana)) cannabis, cannabis concentrates, or ((marijuana-infused)) cannabis-infused products.

(2) All revenues collected from the ((marijuana)) cannabis excise tax imposed under this section must be deposited each day in the dedicated ((marijuana)) cannabis account.
(3) The tax imposed in this section must be paid by the buyer to the seller. Each seller must collect from the buyer the full amount of the tax payable on each taxable sale. The tax collected as required by this section is deemed to be held in trust by the seller until paid to the board. If any seller fails to collect the tax imposed in this section or, having collected the tax, fails to pay it as prescribed by the board, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is, nevertheless, personally liable to the state for the amount of the tax.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Board" means the state liquor and cannabis board.

(b) "Retail sale" has the same meaning as in RCW 82.08.010.

(c) "Selling price" has the same meaning as in RCW 82.08.010, except that when product is sold under circumstances where the total amount of consideration paid for the product is not indicative of its true value, "selling price" means the true value of the product sold.

(d) "Product" means ((marijuana, marijuana)) cannabis, cannabis concentrates, useable ((marijuana, and marijuana-infused)) cannabis, and cannabis-infused products.

(e) "True value" means market value based on sales at comparable locations in this state of the same or similar product of like quality and character sold under comparable conditions of sale to comparable purchasers. However, in the absence of such sales of the same or similar product, true value means the value of the product sold as determined by all of the seller's direct and indirect costs attributable to the product.

(5)(a) The board must regularly review the tax level established under this section and make recommendations, in consultation with the department of revenue, to the legislature as appropriate regarding adjustments that would further the goal of discouraging use while undercutting illegal market prices.

(b) The ((state liquor and cannabis)) board must report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature every two years. The report at a minimum must include the following:

(i) The specific recommendations required under (a) of this subsection;
(ii) A comparison of gross sales and tax collections prior to and after any ((marijuana)) cannabis tax change;

(iii) The increase or decrease in the volume of legal ((marijuana)) cannabis sold prior to and after any ((marijuana)) cannabis tax change;

(iv) Increases or decreases in the number of licensed ((marijuana)) cannabis producers, processors, and retailers;

(v) The number of illegal and noncompliant ((marijuana)) cannabis outlets the board requires to be closed;

(vi) Gross ((marijuana)) cannabis sales and tax collections in Oregon; and

(vii) The total amount of reported sales and use taxes exempted for qualifying patients. The department of revenue must provide the data of exempt amounts to the board.

(c) The board is not required to report to the legislature as required in (b) of this subsection after January 1, 2025.

(6) The legislature does not intend and does not authorize any person or entity to engage in activities or to conspire to engage in activities that would constitute per se violations of state and federal antitrust laws including, but not limited to, agreements among retailers as to the selling price of any goods sold.

Sec. 99. RCW 69.50.540 and 2020 c 357 s 916 and 2020 c 236 s 4 are each reenacted and amended to read as follows:

The legislature must annually appropriate moneys in the dedicated ((marijuana)) cannabis account created in RCW 69.50.530 as follows:

(A) Of the funds appropriated under (a)(i) of this subsection for new programs and new services, at least eighty-five percent must be directed to evidence-based or research-based programs and practices that produce objectively measurable results and, by September 1, 2020, are cost-beneficial; and

(B) Up to fifteen percent of the funds appropriated under (a)(i) of this subsection for new programs and new services may be directed to proven and tested practices, emerging best practices, or promising practices.
(ii) In deciding which programs and practices to fund, the director of the health care authority must consult, at least annually, with the University of Washington's social development research group and the University of Washington's alcohol and drug abuse institute.

(II) A grants program for local health departments or other local community agencies that supports development and implementation of coordinated intervention strategies for the prevention and reduction of cannabis use by youth; and
(III) Media-based education campaigns across television, internet, radio, print, and out-of-home advertising, separately targeting youth and adults, that provide medically and scientifically accurate information about the health and safety risks posed by cannabis use; and
(B) The Washington poison control center.

(ii) For each fiscal year, the legislature must appropriate a minimum of nine million seven hundred fifty thousand dollars under this subsection (2)(b);

(c)(i) Up to six-tenths of one percent to the University of Washington and four-tenths of one percent to Washington State University for research on the short and long-term effects of cannabis use, to include but not be limited to formal and informal methods for estimating and measuring intoxication and impairment, and for the dissemination of such research.

(ii) For each fiscal year, except for the 2017-2019 and 2019-2021 fiscal biennia, the legislature must appropriate a minimum of one million twenty-one thousand dollars to the University of Washington.
For each fiscal year, except for the 2017-2019 and 2019-2021 fiscal biennia, the legislature must appropriate a minimum of six hundred eighty-one thousand dollars to Washington State University under this subsection (2)(c). (g) At the end of each fiscal year, the treasurer must transfer any amounts in the dedicated ((marijuana)) cannabis account that are not appropriated pursuant to subsection (1) of this section and this subsection (2) into the general fund, except as provided in (g)(i) of this subsection (2).

(i) Beginning in fiscal year 2018, if ((marijuana)) cannabis excise tax collections deposited into the general fund in the prior fiscal year exceed twenty-five million dollars, then each fiscal year the legislature must appropriate an amount equal to thirty percent of all ((marijuana)) cannabis excise taxes deposited into the general fund the prior fiscal year to the treasurer for distribution to counties, cities, and towns as follows:

(A) Thirty percent must be distributed to counties, cities, and towns where licensed ((marijuana)) cannabis retailers are physically located. Each jurisdiction must receive a share of the revenue distribution under this subsection (2)(g)(i)(A) based on the proportional share of the total revenues generated in the individual jurisdiction from the taxes collected under RCW 69.50.535, from licensed ((marijuana)) cannabis retailers physically located in each jurisdiction. For purposes of this subsection (2)(g)(i)(A), one
hundred percent of the proportional amount attributed to a retailer physically located in a city or town must be distributed to the city or town.

(B) Seventy percent must be distributed to counties, cities, and towns ratably on a per capita basis. Counties must receive sixty percent of the distribution, which must be disbursed based on each county's total proportional population. Funds may only be distributed to jurisdictions that do not prohibit the siting of any state licensed ((marijuana)) cannabis producer, processor, or retailer.

(ii) Distribution amounts allocated to each county, city, and town must be distributed in four installments by the last day of each fiscal quarter.

It is the intent of the legislature that the policy for the maximum distributions in the subsequent fiscal biennia will be no more than fifteen million dollars per fiscal year.

Sec. 105. RCW 69.50.564 and 2019 c 394 s 8 are each amended to read as follows:

(1) This section applies to the board's issuance of administrative violations to licensed marijuana cannabis

Sec. 106. RCW 69.50.570 and 2015 2nd sp.s. c 4 s 210 are each amended to read as follows:

(1)(a) Except as provided in (b) of this subsection, a retail sale of a bundled transaction that includes (marijuana) cannabis product is subject to the tax imposed under RCW 69.50.535 on the entire selling price of the bundled transaction.

(b) If the selling price is attributable to products that are taxable and products that are not taxable under RCW 69.50.535, the portion of the price attributable to the nontaxable products are subject to the tax imposed by RCW 69.50.535 unless the seller can
identify by reasonable and verifiable standards the portion that is not subject to tax from its books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Bundled transaction" means:

(e) "True value" means market value based on sales at comparable locations in this state of the same or similar product of like quality and character sold under comparable conditions of sale to comparable purchasers. However, in the absence of such sales of the same or similar product, "true value" means the value of the product sold as determined by all of the seller's direct and indirect costs attributable to the product.

other requirements necessary to ensure that the sign provides adequate notice to the public.

(3)(a) A city, town, or county may adopt an ordinance requiring individual notice by an applicant for a ((marijuana)) cannabis producer's, ((marijuana)) cannabis processor's, ((marijuana)) cannabis researcher's, or ((marijuana)) cannabis retailer's license under this chapter, sixty days prior to issuance of the license, to any elementary or secondary school, playground, recreation center or facility, child care center, church, public park, public transit center, library, or any game arcade admission to which is not restricted to persons aged twenty-one years or older, that is within one thousand feet of the perimeter of the grounds of the establishment seeking licensure. The legislature further finds that there is a need for further research and experimentation regarding the use of ((marijuana)) cannabis under strictly controlled circumstances. It is for this purpose that the controlled substances therapeutic research act is hereby enacted.

Sec. 112. RCW 69.51A.005 and 2015 c 70 s 16 are each amended to read as follows:

(1) The legislature finds that:

(a) There is medical evidence that some patients with terminal or debilitating medical conditions may, under their health care professional's care, benefit from the medical use of ((marijuana)) cannabis. Some of the conditions for which ((marijuana)) cannabis appears to be beneficial include, but are not limited to:

(i) Nausea, vomiting, and cachexia associated with cancer, HIV-positive status, AIDS, hepatitis C, anorexia, and their treatments;

(ii) Severe muscle spasms associated with multiple sclerosis, epilepsy, and other seizure and spasticity disorders;

(iii) Acute or chronic glaucoma;

(iv) Crohn's disease; and

(v) Some forms of intractable pain.

(b) Humanitarian compassion necessitates that the decision to use ((marijuana)) cannabis by patients with terminal or debilitating medical conditions is a personal, individual decision, based upon their health care professional's professional medical judgment and discretion.
Therefore, the legislature intends that, so long as such activities are in strict compliance with this chapter:

(a) Qualifying patients with terminal or debilitating medical conditions who, in the judgment of their health care professionals, may benefit from the medical use of *(marijuana) cannabis*, shall not be arrested, prosecuted, or subject to other criminal sanctions or civil consequences under state law based solely on their medical use of *(marijuana) cannabis*, notwithstanding any other provision of law;

(b) Persons who act as designated providers to such patients shall also not be arrested, prosecuted, or subject to other criminal sanctions or civil consequences under state law, notwithstanding any other provision of law, based solely on their assisting with the medical use of *(marijuana) cannabis*; and

(c) Health care professionals shall also not be arrested, prosecuted, or subject to other criminal sanctions or civil consequences under state law for the proper authorization of medical use of *(marijuana) cannabis* by qualifying patients for whom, in the health care professional's professional judgment, the medical use of *(marijuana) cannabis* may prove beneficial.

(3) Nothing in this chapter establishes the medical necessity or medical appropriateness of *(marijuana) cannabis* for treating terminal or debilitating medical conditions as defined in RCW 69.51A.010.

(4) Nothing in this chapter diminishes the authority of correctional agencies and departments, including local governments or jails, to establish a procedure for determining when the use of *(marijuana) cannabis* would impact community safety or the effective supervision of those on active supervision for a criminal conviction, nor does it create the right to any accommodation of any medical use of *(marijuana) cannabis* in any correctional facility or jail.

(b) Providing a patient or designated provider meeting the criteria established under RCW 69.51A.010 with an authorization,
based upon the health care professional's assessment of the patient's medical history and current medical condition, if the health care professional has complied with this chapter and he or she determines within a professional standard of care or in the individual health care professional's medical judgment the qualifying patient may benefit from the medical use of ((marijuana)) cannabis.

(2)(a) A health care professional may provide a qualifying patient or that patient's designated provider with an authorization for the medical use of ((marijuana)) cannabis in accordance with this section.

(b) In order to authorize for the medical use of ((marijuana)) cannabis under (a) of this subsection, the health care professional must:

(i) Have a documented relationship with the patient, as a principal care provider or a specialist, relating to the diagnosis and ongoing treatment or monitoring of the patient's terminal or debilitating medical condition;

(ii) Complete an in-person physical examination of the patient or a remote physical examination of the patient if one is determined to be appropriate under (c)(iii) of this subsection;

(iii) Document the terminal or debilitating medical condition of the patient in the patient's medical record and that the patient may benefit from treatment of this condition or its symptoms with medical use of ((marijuana)) cannabis;

(iv) Inform the patient of other options for treating the terminal or debilitating medical condition and documenting in the patient's medical record that the patient has received this information;

(v) Document in the patient's medical record other measures attempted to treat the terminal or debilitating medical condition that do not involve the medical use of ((marijuana)) cannabis; and

(vi) Complete an authorization on forms developed by the department, in accordance with subsection (3) of this section.

(c)(i) For a qualifying patient eighteen years of age or older, an authorization expires one year after its issuance. For a qualifying patient less than eighteen years of age, an authorization expires six months after its issuance.

(ii) An authorization may be renewed upon completion of an in-person physical examination or a remote physical examination of the patient if one is determined to be appropriate under (c)(iii) of this section.
subsection and, in compliance with the other requirements of (b) of this subsection.

(iii) Following an in-person physical examination to authorize the use of ((marijuana)) cannabis for medical purposes, the health care professional may determine and note in the patient's medical record that subsequent physical examinations for the purposes of renewing an authorization may occur through the use of telemedicine technology if the health care professional determines that requiring the qualifying patient to attend a physical examination in person to renew an authorization would likely result in severe hardship to the qualifying patient because of the qualifying patient's physical or emotional condition.

(iv) When renewing a qualifying patient's authorization for the medical use of ((marijuana on or after July 28, 2019)) cannabis, the health care professional may indicate that the qualifying patient qualifies for a compassionate care renewal of his or her registration in the medical ((marijuana)) cannabis authorization database and recognition card if the health care professional determines that requiring the qualifying patient to renew a registration in person would likely result in severe hardship to the qualifying patient because of the qualifying patient's physical or emotional condition. A compassionate care renewal of a qualifying patient's registration and recognition card allows the qualifying patient to receive renewals without the need to be physically present at a retailer and without the requirement to have a photograph taken.

(d) A health care professional shall not:

(i) Accept, solicit, or offer any form of pecuniary remuneration from or to a ((marijuana)) cannabis retailer, ((marijuana)) cannabis processor, or ((marijuana)) cannabis producer;

(ii) Offer a discount or any other thing of value to a qualifying patient who is a customer of, or agrees to be a customer of, a particular ((marijuana)) cannabis retailer;

(iii) Examine or offer to examine a patient for purposes of diagnosing a terminal or debilitating medical condition at a location where ((marijuana)) cannabis is produced, processed, or sold;

(iv) Have a business or practice which consists primarily of authorizing the medical use of ((marijuana)) cannabis or authorize the medical use of ((marijuana)) cannabis at any location other than his or her practice's permanent physical location;
Except as provided in RCW 69.51A.280, sell, or provide at no charge, (marijuana) cannabis concentrates, (marijuana-infused) cannabis-infused products, or useable (marijuana) cannabis to a qualifying patient or designated provider; or

(vi) Hold an economic interest in an enterprise that produces, processes, or sells (marijuana) cannabis if the health care professional authorizes the medical use of (marijuana) cannabis.

(3) The department shall develop the form for the health care professional to use as an authorization for qualifying patients and designated providers. The form shall include the qualifying patient's or designated provider's name, address, and date of birth; the health care professional's name, address, and license number; the amount of (marijuana) cannabis recommended for the qualifying patient; a telephone number where the authorization can be verified during normal business hours; the dates of issuance and expiration; and a statement that an authorization does not provide protection from arrest unless the qualifying patient or designated provider is also entered in the medical (marijuana) cannabis authorization database and holds a recognition card.

(4) The appropriate health professions disciplining authority may inspect or request patient records to confirm compliance with this section. The health care professional must provide access to or produce documents, records, or other items that are within his or her possession or control within twenty-one calendar days of service of a request by the health professions disciplining authority. If the twenty-one calendar day limit results in a hardship upon the health care professional, he or she may request, for good cause, an extension not to exceed thirty additional calendar days. Failure to produce the documents, records, or other items shall result in citations and fines issued consistent with RCW 18.130.230. Failure to otherwise comply with the requirements of this section shall be considered unprofessional conduct and subject to sanctions under chapter 18.130 RCW.

(5) After a health care professional authorizes a qualifying patient for the medical use of (marijuana) cannabis, he or she may discuss with the qualifying patient how to use (marijuana) cannabis and the types of products the qualifying patient should seek from a retail outlet.

(1) A qualifying patient or designated provider who has a valid authorization from his or her health care professional, but is not entered in the medical ((marijuana)) cannabis authorization database and does not have a recognition card may raise the affirmative defense set forth in subsection (2) of this section, if:

(2) An investigating law enforcement officer may seize plants, \((\text{marijuana})\) cannabis concentrates, useable \((\text{marijuana, or marijuana-infused})\) cannabis, or cannabis-infused products exceeding the amounts set forth in this chapter. The state shall not be held liable for any deleterious outcomes from the medical use of cannabis by any qualifying patient.

Sec. 120. RCW 69.51A.060 and 2019 c 204 s 3 are each amended to read as follows:

(1) It shall be a class 3 civil infraction to use or display medical cannabis in a manner or place which is open to the view of the general public.

Such entities may enact coverage or noncoverage criteria or related policies for payment or nonpayment of medical cannabis in their sole discretion.

(3) Nothing in this chapter requires any health care professional to authorize the medical use of cannabis for a patient.

(4) Nothing in this chapter requires any accommodation of any on-site medical use of cannabis in any place of employment, in any youth center, in any correctional facility, or smoking cannabis in any public place or hotel or motel.

(5) Nothing in this chapter authorizes the possession or use of cannabis, cannabis concentrates, useable cannabis, or cannabis-infused products on federal property.

(6) Nothing in this chapter authorizes the use of medical cannabis by any person who is subject to the Washington code of military justice in chapter 38.38 RCW.

(8) No person shall be entitled to claim the protection from arrest and prosecution under RCW 69.51A.040 or the affirmative defense under RCW 69.51A.043 for engaging in the medical use of cannabis in a way that endangers the health or well-being of any person through the use of a motorized vehicle on a street, road, or highway, including violations of RCW 46.61.502 or 46.61.504, or equivalent local ordinances.

The protections of this chapter cease to apply to a person who has served as a designated provider to a qualifying patient seventy-two hours after receipt of that patient's revocation of his or her designation.

(2) A person may stop serving as a designated provider to a given qualifying patient at any time by revoking that designation in writing, signed and dated, and provided to the qualifying patient and, if applicable, the medical (marijuana) cannabis authorization database administrator. However, that person may not begin serving as a designated provider to a different qualifying patient until fifteen days have elapsed from the date the last qualifying patient designated him or her to serve as a (designated) designated provider.

(3) The department may adopt rules to implement this section, including a procedure to remove the name of the designated provider from the medical (marijuana) cannabis authorization database upon receipt of a revocation under this section.

The qualifying patient or designated provider may also grow, in his or her domicile, up to six plants for the personal medical use of the qualifying patient and possess up to eight ounces of useable (marijuana) cannabis produced from his or her plants. These amounts shall be specified on the recognition card that is issued to the qualifying patient or designated provider.

(2) If the health care professional determines that the medical needs of a qualifying patient exceed the amounts provided for in subsection (1) of this section, the health care professional must specify on the authorization that it is recommended that the patient be allowed to grow, in his or her domicile, up to fifteen plants for the personal medical use of the patient. A patient so authorized may possess up to sixteen ounces of useable (marijuana) cannabis in his or her domicile. The number of plants must be entered into the medical (marijuana) cannabis authorization database by the (marijuana) cannabis retailer with a medical (marijuana) cannabis endorsement and specified on the recognition card that is issued to the qualifying patient or designated provider.

(3) If a qualifying patient or designated provider with an authorization from a health care professional has not been entered into the medical (marijuana) cannabis authorization database, he or she may not receive a recognition card and may only purchase at a retail outlet, whether it holds a medical (marijuana) cannabis endorsement or not, the amounts established in RCW 69.50.360. In addition the qualifying patient or the designated provider may grow, in his or her domicile, up to four plants for the personal medical use of the qualifying patient and possess up to six ounces of useable (marijuana) cannabis in his or her domicile.

(b) The parent or guardian acts as the designated provider for the minor and has sole control over the minor's ((marijuana)) cannabis.

(2) The minor may not grow plants or purchase ((marijuana-infused)) cannabis-infused products, useable ((marijuana, or marijuana)) cannabis, or cannabis concentrates from a ((marijuana)) cannabis retailer with a medical ((marijuana)) cannabis endorsement.

(3) Both the minor and the minor's parent or guardian who is acting as the designated provider must be entered in the medical ((marijuana)) cannabis authorization database and hold a recognition card.

(4) A health care professional who authorizes the medical use of ((marijuana)) cannabis by a minor must do so as part of the course of treatment of the minor's terminal or debilitating medical condition. If authorizing a minor for the medical use of ((marijuana)) cannabis, the health care professional must:

(a) Consult with other health care providers involved in the minor's treatment, as medically indicated, before authorization or reauthorization of the medical use of ((marijuana)) cannabis; and

(b) Reexamine the minor at least once every six months or more frequently as medically indicated. The reexamination must:

(i) Determine that the minor continues to have a terminal or debilitating medical condition and that the condition benefits from the medical use of ((marijuana)) cannabis; and

(ii) Include a follow-up discussion with the minor's parent or guardian to ensure the parent or guardian continues to participate in the treatment of the minor.

Sec. 124. RCW 69.51A.225 and 2019 c 204 s 2 are each amended to read as follows:

A school district must permit a student who meets the requirements of RCW 69.51A.220 to consume ((marijuana-infused)) cannabis-infused products on school grounds, aboard a school bus, or while attending a school-sponsored event. Sec. 125. RCW 69.51A.230 and 2019 c 220 s 2 and 2019 c 203 s 2
are each reenacted and amended to read as follows:

(1) The department must contract with an entity to create,
administer, and maintain a secure and confidential medical
((marijuana)) cannabis authorization database that((, beginning July
1, 2016,)) allows:

(a) A ((marijuana)) cannabis retailer with a medical
((marijuana)) cannabis endorsement to add a qualifying patient or
designated provider and include the amount of ((marijuana)) cannabis
concentrates, useable ((marijuana, marijuana-infused)) cannabis,
cannabis-infused products, or plants for which the qualifying patient
is authorized under RCW 69.51A.210;

(b) Persons authorized to prescribe or dispense controlled
substances to access health care information on their patients for
the purpose of providing medical or pharmaceutical care for their
patients;

(c) A qualifying patient or designated provider to request and
receive his or her own health care information or information on any
person or entity that has queried their name or information;

(d) Appropriate local, state, tribal, and federal law enforcement
or prosecutorial officials who are engaged in a bona fide specific
investigation of suspected ((marijuana-related)) cannabis-related
activity that may be illegal under Washington state law to confirm
the validity of the recognition card of a qualifying patient or
designated provider;

(e) A ((marijuana)) cannabis retailer holding a medical
((marijuana)) cannabis endorsement to confirm the validity of the
recognition card of a qualifying patient or designated provider;

(f) The department of revenue to verify tax exemptions under
chapters 82.08 and 82.12 RCW;

(g) The department and the health care professional's
disciplining authorities to monitor authorizations and ensure
compliance with this chapter and chapter 18.130 RCW by their
licensees; and

(h) Authorizations to expire six months or one year after entry
into the medical ((marijuana)) cannabis authorization database,
depending on whether the authorization is for a minor or an adult.

(2) A qualifying patient and his or her designated provider, if
any, may be placed in the medical ((marijuana)) cannabis
authorization database at a ((marijuana)) cannabis retailer with a

medical marijuana cannabis endorsement. After all qualifying patient or designated provider is placed in the medical marijuana cannabis authorization database, he or she must be provided with a recognition card that contains identifiers required in subsection (3) of this section.

(3) The recognition card requirements must be developed by the department in rule and include:

(a) A randomly generated and unique identifying number;

(b) For designated providers, the unique identifying number of the qualifying patient whom the provider is assisting;

(c) A photograph of the qualifying patient's or designated provider's face taken by an employee of the marijuana cannabis retailer with a medical marijuana cannabis endorsement at the same time that the qualifying patient or designated provider is being placed in the medical marijuana cannabis authorization database in accordance with rules adopted by the department;

(d) The amount of marijuana cannabis concentrates, useable marijuana, marijuana-infused cannabis, cannabis-infused products, or plants for which the qualifying patient is authorized under RCW 69.51A.210;

For qualifying patients who are under the age of eighteen and their designated providers, recognition cards are valid for six months from the date the health care professional issued the authorization. Qualifying patients may not be reentered into the medical marijuana cannabis authorization database until they have been reexamined by a health care professional and determined to meet the definition of qualifying patient. After reexamination, a marijuana cannabis retailer with a medical marijuana cannabis endorsement must reenter the qualifying patient or designated provider into the medical marijuana cannabis authorization
database and a new recognition card will then be issued in accordance with department rules.

(b) (Beginning on July 28, 2019, a) A qualifying patient's registration in the medical cannabis authorization database and his or her recognition card may be renewed by a qualifying patient's designated provider without the physical presence of the qualifying patient at the retailer if the authorization from the health care professional indicates that the qualifying patient qualifies for a compassionate care renewal, as provided in RCW 69.51A.030. A qualifying patient receiving renewals under the compassionate care renewal provisions is exempt from the photograph requirements under subsection (3)(c) of this section.

(5) If a recognition card is lost or stolen, a cannabis retailer with a medical cannabis endorsement, in conjunction with the database administrator, may issue a new card that will be valid for six months to one year if the patient is reexamined by a health care professional and determined to meet the definition of qualifying patient and depending on whether the patient is under the age of eighteen or eighteen years of age or older as provided in subsection (4) of this section. If a reexamination is not performed, the expiration date of the replacement recognition card must be the same as the lost or stolen recognition card.

(6) The database administrator must remove qualifying patients and designated providers from the medical cannabis authorization database upon expiration of the recognition card. Qualifying patients and designated providers may request to remove themselves from the medical cannabis authorization database before expiration of a recognition card and health care professionals may request to remove qualifying patients and designated providers from the medical cannabis authorization database if the patient or provider no longer qualifies for the medical use of cannabis. The database administrator must retain database records for at least five calendar years to permit the state liquor and cannabis board and the department of revenue to verify eligibility for tax exemptions.

(7) During development of the medical cannabis authorization database, the database administrator must consult with the department, stakeholders, and persons with relevant expertise to include, but not be limited to, qualifying patients, designated providers, health care professionals, state and local law enforcement
agencies, and the University of Washington computer science and
engineering security and privacy research lab or a certified
cybersecurity firm, vendor, or service.

(8) The medical ((marijuana)) cannabis authorization database
must meet the following requirements:

(a) Any personally identifiable information included in the
database must be nonreversible, pursuant to definitions and standards
set forth by the national institute of standards and technology;

(b) Any personally identifiable information included in the
database must not be susceptible to linkage by use of data external
to the database;

(c) The database must incorporate current best differential
privacy practices, allowing for maximum accuracy of database queries
while minimizing the chances of identifying the personally
identifiable information included therein; and

(d) The database must be upgradable and updated in a timely
fashion to keep current with state of the art privacy and security
standards and practices.

(9)(a) Personally identifiable information of qualifying patients
and designated providers included in the medical ((marijuana))
cannabis authorization database is confidential and exempt from
public disclosure, inspection, or copying under chapter 42.56 RCW.

(b) Information contained in the medical ((marijuana)) cannabis
authorization database may be released in aggregate form, with all
personally identifiable information redacted, for the purpose of
statistical analysis and oversight of agency performance and actions.

(c) Information contained in the medical ((marijuana)) cannabis
authorization database shall not be shared with the federal
government or its agents unless the particular qualifying patient or
designated provider is convicted in state court for violating this
chapter or chapter 69.50 RCW.

(10) The department must charge a one dollar fee for each initial
and renewal recognition card issued by a ((marijuana)) cannabis
retailer with a medical ((marijuana)) cannabis endorsement. The
((marijuana)) cannabis retailer with a medical ((marijuana)) cannabis
endorsement shall collect the fee from the qualifying patient or
designated provider at the time that he or she is entered into the
database and issued a recognition card. The department shall
establish a schedule for ((marijuana)) cannabis retailers with a
medical ((marijuana)) cannabis endorsement to remit the fees

collected. Fees collected under this subsection shall be deposited into the dedicated (marijuana) cannabis account created under RCW 69.50.530.

(11) If the database administrator fails to comply with this section, the department may cancel any contracts with the database administrator and contract with another database administrator to continue administration of the database. A database administrator who fails to comply with this section is subject to a fine of up to five thousand dollars in addition to any penalties established in the contract. Fines collected under this section must be deposited into the health professions account created under RCW 43.70.320.

(12) The department may adopt rules to implement this section.

Sec. 126. RCW 69.51A.240 and 2015 c 70 s 23 are each amended to read as follows:

(1) It is unlawful for a person to knowingly or intentionally:

(a) Access the medical (marijuana) cannabis authorization database for any reason not authorized under RCW 69.51A.230;

(b) Disclose any information received from the medical (marijuana) cannabis authorization database in violation of RCW 69.51A.230 including, but not limited to, qualifying patient or designated provider names, addresses, or amount of (marijuana) cannabis for which they are authorized;

(c) Produce a recognition card or to tamper with a recognition card for the purpose of having it accepted by a (marijuana) cannabis retailer holding a medical (marijuana) cannabis endorsement in order to purchase (marijuana) cannabis as a qualifying patient or designated provider or to grow (marijuana) cannabis plants in accordance with this chapter;

(d) If a person is a designated provider to a qualifying patient, sell, donate, or supply (marijuana) cannabis produced or obtained for the qualifying patient to another person, or use the (marijuana) cannabis produced or obtained for the qualifying patient for the designated provider's own personal use or benefit; or

(e) If the person is a qualifying patient, sell, donate, or otherwise supply (marijuana) cannabis produced or obtained by the qualifying patient to another person.

(2) A person who violates this section is guilty of a class C felony.
Sec. 127. RCW 69.51A.250 and 2017 c 317 s 8 are each amended to read as follows:

(1) Qualifying patients or designated providers may form a cooperative and share responsibility for acquiring and supplying the resources needed to produce and process ((marijuana)) cannabis only for the medical use of members of the cooperative. No more than four qualifying patients or designated providers may become members of a cooperative under this section and all members must hold valid recognition cards. All members of the cooperative must be at least twenty-one years old. The designated provider of a qualifying patient who is under twenty-one years old may be a member of a cooperative on the qualifying patient's behalf. All plants grown in the cooperative must be from an immature plant or clone purchased from a licensed ((marijuana)) cannabis producer as defined in RCW 69.50.101. Cooperatives may also purchase ((marijuana)) cannabis seeds from a licensed ((marijuana)) cannabis producer.

(2) Qualifying patients and designated providers who wish to form a cooperative must register the location with the state liquor and cannabis board and this is the only location where cooperative members may grow or process ((marijuana)) cannabis. This registration must include the names of all participating members and copies of each participant's recognition card. Only qualifying patients or designated providers registered with the state liquor and cannabis board in association with the location may participate in growing or receive useable ((marijuana or marijuana-infused)) cannabis or cannabis-infused products grown at that location.

(3) No cooperative may be located in any of the following areas:

      (ii) The area restricted by ordinance, if the cooperative is located in a city, county, or town that has passed an ordinance pursuant to RCW 69.50.331(8); or
   (c) Where prohibited by a city, town, or county zoning provision.
(4) The state liquor and cannabis board must deny the registration of any cooperative if the location does not comply with the requirements set forth in subsection (3) of this section.

(5) If a qualifying patient or designated provider no longer participates in growing at the location, he or she must notify the state liquor and cannabis board within fifteen days of the date the qualifying patient or designated provider ceases participation. The state liquor and cannabis board must remove his or her name from connection to the cooperative. Additional qualifying patients or designated providers may not join the cooperative until sixty days have passed since the date on which the last qualifying patient or designated provider notifies the state liquor and cannabis board that he or she no longer participates in that cooperative.

"Sales price" means the total amount of consideration, except separately stated trade-in property of like kind, including cash, credit, property, and services, for which tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services or anything else defined as a "retail sale" under RCW 82.04.050 are sold, leased, or rented, valued in money, whether received in money or otherwise. No deduction from the total amount of consideration is allowed for the following: (A) The seller's cost of the property sold; (B) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller; (C) charges by the seller for any services necessary to complete the sale, other than delivery and installation charges; (D) delivery charges; and (E) installation charges.

(ii) When tangible personal property is rented or leased under circumstances that the consideration paid does not represent a reasonable rental for the use of the articles so rented or leased, the "selling price" must be determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department may prescribe;

(b) "Selling price" or "sales price" does not include: Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a seller and taken by a purchaser on a sale; interest, financing, and carrying charges from credit extended on the sale of tangible personal property, extended warranties, digital goods, digital codes, digital automated services, or other services or anything else defined as a retail sale in RCW 82.04.050, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and any taxes legally

(ii) The seller has an obligation to pass the price reduction or discount through to the purchaser;

(iii) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(iv) One of the criteria in this subsection (1)(c)(iv) is met:

(A) The purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount where the coupon, certificate, or documentation is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented;

(B) The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount, however a "preferred customer" card that is available to any patron does not constitute membership in such a group; or

(C) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser;

(2)(a)(i) "Seller" means every person, including the state and its departments and institutions, making sales at retail or retail sales to a buyer, purchaser, or consumer, whether as agent, broker, or principal, except as otherwise provided in this subsection (2).

(11) "Retail sale" or "sale at retail" means any sale, lease, or rental for any purpose other than for resale, sublease, or subrent.

(12) The terms "agriculture," "farming," "horticulture," "horticultural," and "horticultural product" may not be construed to include or relate to ((marijuana)) cannabis, useable ((marijuana, or marijuana-infused)) cannabis, or cannabis-infused products unless the applicable term is explicitly defined to include ((marijuana)) cannabis, useable ((marijuana, or marijuana-infused)) cannabis, or cannabis-infused products.

"Manufacturing" also includes printing newspapers or other materials. An activity is not taxed as manufacturing or processing for hire under chapter 82.04 RCW if the activity is within the purview of chapter 82.16 RCW.

(f) "Manufacturing operation" means the manufacturing of articles, substances, or commodities for sale as tangible personal property. A manufacturing operation begins at the point where the raw materials enter the manufacturing site and ends at the point where the processed material leaves the manufacturing site. With respect to the production of class A or exceptional quality biosolids by a wastewater treatment facility, the manufacturing operation begins at the point where class B biosolids undergo additional processing to achieve class A or exceptional quality standards. Notwithstanding anything to the contrary in this section, the term also includes that portion of a cogeneration project that is used to generate power for consumption within the manufacturing site of which the cogeneration project is an integral part. cogeneration project that is used to generate power for consumption within the manufacturing site of which the cogeneration project is an integral part. The term does not include the testing of tangible personal property for use in the production of electricity by a light and power business as defined in RCW 82.16.010 or the preparation of food products on the premises of a person selling food products at retail.

(3) This section does not apply (a) to sales of machinery and equipment used directly in the manufacturing, research and development, or testing of ((marijuana)) cannabis, useable ((marijuana, or marijuana-infused)) cannabis, or cannabis-infused products, or (b) to sales of or charges made for labor and services rendered in respect to installing, repairing, cleaning, altering, or improving such machinery and equipment.

(4) The exemptions in this section do not apply to an ineligible person. For purposes of this subsection, the following definitions apply:

Sec. 145. RCW 82.08.0257 and 2014 c 140 s 15 are each amended to read as follows:

The tax levied by RCW 82.08.020 does not apply to auction sales made by or through auctioneers of personal property (including household goods) that has been used in conducting a farm activity,
when the seller thereof is a farmer as defined in RCW 82.04.213 and
the sale is held or conducted upon a farm and not otherwise. The
exemption in this section does not apply to personal property used by
the seller in the production of ((marijuana)) cannabis, useable
((marijuana, or marijuana-infused)) cannabis, or cannabis-infused
products.

Sec. 146. RCW 82.08.0273 and 2019 c 423 s 101 are each amended
to read as follows:
(1) Subject to the conditions and limitations in this section, an
exemption from the tax levied by RCW 82.08.020 in the form of a
remittance from the department is provided for sales to nonresidents
of this state of tangible personal property, digital goods, and
digital codes. The exemption only applies if:
(a) The property is for use outside this state;
(b) The purchaser is a bona fide resident of a province or
territory of Canada or a state, territory, or possession of the
United States, other than the state of Washington; and
(i) Such state, possession, territory, or province does not
impose, or have imposed on its behalf, a generally applicable retail
sales tax, use tax, value added tax, gross receipts tax on retailing
activities, or similar generally applicable tax, of three percent or
more; or
(ii) If imposing a tax described in (b)(i) of this subsection,
provides an exemption for sales to Washington residents by reason of
their residence; and
(c) The purchaser agrees, when requested, to grant the department
of revenue access to such records and other forms of verification at
the purchaser's place of residence to assure that such purchases are
not first used substantially in the state of Washington.
(2) Notwithstanding anything to the contrary in this chapter, if
parts or other tangible personal property are installed by the seller
during the course of repairing, cleaning, altering, or improving
motor vehicles, trailers, or campers and the seller makes a separate
charge for the tangible personal property, the tax levied by RCW
82.08.020 does not apply to the separately stated charge to a
nonresident purchaser for the tangible personal property but only if
the seller certifies in writing to the purchaser that the separately
stated charge does not exceed either the seller's current publicly
stated retail price for the tangible personal property or, if no
publicly stated retail price is available, the seller's cost for the tangible personal property. However, the exemption provided by this section does not apply if tangible personal property is installed by the seller during the course of repairing, cleaning, altering, or improving motor vehicles, trailers, or campers and the seller makes a single nonitemized charge for providing the tangible personal property and service. All of the provisions in subsections (1) and (3) through (7) of this section apply to this subsection.

(3)(a) Any person claiming exemption from retail sales tax under the provisions of this section must pay the state and local sales tax to the seller at the time of purchase and then request a remittance from the department in accordance with this subsection and subsection (4) of this section. A request for remittance must include proof of the person's status as a nonresident at the time of the purchase for which a remittance is requested. The request for a remittance must also include any additional information and documentation as required by the department, which may include a description of the item purchased for which a remittance is requested, the sales price of the item, the amount of sales tax paid on the item, the date of the purchase, the name of the seller and the physical address where the sale took place, and copies of sales receipts showing the qualified purchases.

(b) Acceptable proof of a nonresident person's status includes one piece of identification such as a valid driver's license from the jurisdiction in which the out-of-state residency is claimed or a valid identification card which has a photograph of the holder and is issued by the out-of-state jurisdiction. Identification under this subsection (3)(b) must show the holder's residential address and have as one of its legal purposes the establishment of residency in that out-of-state jurisdiction.

(4)(a)(i) Beginning January 1, 2020, through December 31, 2020, a person may request a remittance from the department for state sales taxes paid by the person on qualified retail purchases made in Washington between July 1, 2019, and December 31, 2019.

(ii) Beginning January 1, 2021, a person may request a remittance from the department during any calendar year for state sales taxes paid by the person on qualified retail purchases made in Washington during the immediately preceding calendar year only. No application may be made with respect to purchases made before the immediately preceding calendar year.
(b) The remittance request, including proof of nonresident status and any other documentation and information required by the department, must be provided in a form and manner as prescribed by the department. Only one remittance request may be made by a person per calendar year.

(c) The total amount of a remittance request must be at least twenty-five dollars. The department must deny any request for a remittance that is less than twenty-five dollars.

(d) The department will examine the applicant's proof of nonresident status and any other documentation and information as required in the application to determine whether the applicant is entitled to a remittance under this section.

(5)(a) Any person making fraudulent statements to the department, which includes the offer of fraudulent or fraudulently procured identification or fraudulent sales receipts, in order to receive a remittance of retail sales tax is guilty of perjury under chapter 9A.72 RCW and is ineligible to receive any further remittances from the department under this section.

(b) Any person obtaining a remittance of retail sales tax from the department by providing proof of identification or sales receipts not the person's own, or counterfeit identification or sales receipts is (i) liable for repayment of the remittance, including interest as provided in chapter 82.32 RCW from the date the remittance was transmitted to the person until repaid in full, (ii) liable for a civil penalty equal to the greater of one hundred dollars or the amount of the remittance obtained in violation of this subsection (5)(b), and (iii) ineligible to receive any further remittances from the department under this section.

(c) Any person assisting another person in obtaining a remittance of retail sales tax in violation of (b) of this subsection is jointly and severally liable for amounts due under (b) of this subsection and is also ineligible to receive any further remittances from the department under this section.

(6) A person who receives a refund of sales tax from the seller for any reason with respect to a purchase made in this state is not entitled to a remittance for the tax paid on the purchase. A person who receives both a remittance under this section and a refund of sales tax from the seller with respect to the same purchase must immediately repay the remittance to the department. Interest as provided in chapter 82.32 RCW applies to amounts due under this
section from the date that the department made the remittance until
the amount due under this subsection is paid to the department. A
person who receives a remittance with respect to a purchase for which
the person had, at the time the person submitted the application for
a remittance, already received a refund of sales tax from the seller
is also liable for a civil penalty equal to the greater of one
hundred dollars or the amount of the remittance obtained in violation
of this subsection and is ineligible to receive any further
remittances from the department under this section.

(7) The exemption provided by this section is only for the state
portion of the sales tax. For purposes of this section, the state
portion of the sales tax is not reduced by any local sales tax that
is deducted or credited against the state sales tax as provided by
law.

(8) The exemption in this section does not apply to sales of
(marijuana) cannabis, useable ((marijuana, or marijuana-infused))
cannabis, or cannabis-infused products.

Sec. 147. RCW 82.08.02745 and 2014 c 140 s 18 are each amended
to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to charges
made for labor and services rendered by any person in respect to the
constructing, repairing, decorating, or improving of new or existing
buildings or other structures used as agricultural employee housing,
or to sales of tangible personal property that becomes an ingredient
or component of the buildings or other structures during the course
of the constructing, repairing, decorating, or improving the
buildings or other structures. The exemption is available only if the
buyer provides the seller with an exemption certificate in a form and
manner prescribed by the department by rule.

(2) The exemption provided in this section for agricultural
employee housing provided to year-round employees of the agricultural
employer, only applies if that housing is built to the current
building code for single-family or multifamily dwellings according to
the state building code, chapter 19.27 RCW.

(3) Any agricultural employee housing built under this section
must be used according to this section for at least five consecutive
years from the date the housing is approved for occupancy, or the
full amount of tax otherwise due is immediately due and payable
together with interest, but not penalties, from the date the housing
is approved for occupancy until the date of payment. If at any time
agricultural employee housing that is not located on agricultural
land ceases to be used in the manner specified in subsection (2) of
this section, the full amount of tax otherwise due is immediately due
and payable with interest, but not penalties, from the date the
housing ceases to be used as agricultural employee housing until the
date of payment.

(4) The exemption provided in this section does not apply to
housing built for the occupancy of an employer, family members of an
employer, or persons owning stock or shares in a farm partnership or

the internal revenue code of 1986 (26 U.S.C. Sec. 501(c)), or for-
profit provider of housing for housing agricultural employees on a
year-round or seasonal basis, including bathing, food handling, hand
washing, laundry, and toilet facilities, single-family and
multifamily dwelling units and dormitories, and includes labor camps
under RCW 70.114A.110. "Agricultural employee housing" does not
include:

(i) Housing regularly provided on a commercial basis to the
general public;

(ii) Housing provided by a housing authority unless at least
eighty percent of the occupants are agricultural employees whose
adjusted income is less than fifty percent of median family income,

provided; and

(iii) Housing provided to agricultural employees providing
services related to the growing, raising, or producing of
((marijuana)) cannabis.
Sec. 148. RCW 82.08.0281 and 2014 c 140 s 19 are each amended to read as follows:

(b) "Drug" means a compound, substance, or preparation, and any component of a compound, substance, or preparation, other than food and food ingredients, dietary supplements, (or) alcoholic beverages, ((marijuana)) cannabis, useable ((marijuana, or marijuana-infused)) cannabis, or cannabis-infused products:

(4) The irrigation equipment is not used in the production of ((marijuana)) cannabis; and

(5) The irrigation equipment is leased to the lessee as an incidental part of the lease of the underlying land to the lessee and is used solely on such land.

Sec. 150. RCW 82.08.0293 and 2019 c 8 s 401 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume;

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco; and

(c) ((marijuana)) Cannabis, useable ((marijuana, or marijuana-infused)) cannabis, or cannabis-infused products.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared foods, soft drinks, bottled water, or dietary supplements. The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Bottled water" means water that is placed in a safety sealed container or package for human consumption. Bottled water is calorie free and does not contain sweeteners or other additives except that it may contain: (i) Antimicrobial agents; (ii) fluoride; (iii)

(vi) preservatives; and (vii) only those flavors, extracts, or 
ones that are derived from a spice or fruit. "Bottled water" includes 
water that is delivered to the buyer in a reusable container that is 
not sold with the water.

(b) "Dietary supplement" means any product, other than tobacco, 
intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:
   (A) A vitamin;
   (B) A mineral;
   (C) An herb or other botanical;
   (D) An amino acid;
   (E) A dietary substance for use by humans to supplement the diet 
      by increasing the total dietary intake; or
   (F) A concentrate, metabolite, constituent, extract, or 
      combination of any ingredient described in this subsection;

(ii) Is intended for ingestion in tablet, capsule, powder, 
     softgel, gelcap, or liquid form, or if not intended for ingestion in 
     such form, is not represented as conventional food and is not 
     represented for use as a sole item of a meal or of the diet; and

(iii) Is required to be labeled as a dietary supplement, 
     identifiable by the "supplement facts" box found on the label as 
     required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered 
     as of January 1, 2003.

(c)(i) "Prepared food" means:

   (A) Food sold in a heated state or heated by the seller;

   (B) Food sold with eating utensils provided by the seller, 
      including plates, knives, forks, spoons, glasses, cups, napkins, or 
      straws. A plate does not include a container or packaging used to 
      transport the food; or

   (C) Two or more food ingredients mixed or combined by the seller 
      for sale as a single item, except:

      (I) Food that is only cut, repackaged, or pasteurized by the 
          seller; or

      (II) Raw eggs, fish, meat, poultry, and foods containing these 
           raw animal foods requiring cooking by the consumer as recommended by 
           the federal food and drug administration in chapter 3, part 401.11 of 
           The Food Code, published by the food and drug administration, as 
           amended or renumbered as of January 1, 2003, so as to prevent 
           foodborne illness.
(ii) Food is "sold with eating utensils provided by the seller" if:

(A) The seller's customary practice for that item is to physically deliver or hand a utensil to the customer with the food or food ingredient as part of the sales transaction. If the food or food ingredient is prepackaged with a utensil, the seller is considered to have physically delivered a utensil to the customer unless the food and utensil are prepackaged together by a food manufacturer classified under sector 311 of the North American industry classification system (NAICS);

(B) A plate, glass, cup, or bowl is necessary to receive the food or food ingredient, and the seller makes those utensils available to its customers; or

(C)(I) The seller makes utensils available to its customers, and the seller has more than seventy-five percent prepared food sales. For purposes of this subsection (2)(c)(ii)(C), a seller has more than seventy-five percent prepared food sales if the seller's gross retail sales of prepared food under (c)(i)(A), (c)(i)(C), and (c)(ii)(B) of this subsection equal more than seventy-five percent of the seller's gross retail sales of all food and food ingredients, including prepared food, soft drinks, and dietary supplements.

(II) However, even if a seller has more than seventy-five percent prepared food sales, four servings or more of food or food ingredients packaged for sale as a single item and sold for a single price are not "sold with utensils provided by the seller" unless the seller's customary practice for the package is to physically hand or otherwise deliver a utensil to the customer as part of the sales transaction. Whenever available, the number of servings included in a package of food or food ingredients must be determined based on the manufacturer's product label. If no label is available, the seller must reasonably determine the number of servings.

(III) The seller must determine a single prepared food sales percentage annually for all the seller's establishments in the state based on the prior year of sales. The seller may elect to determine its prepared food sales percentage based either on the prior calendar year or on the prior fiscal year. A seller may not change its elected method for determining its prepared food percentage without the written consent of the department. The seller must determine its annual prepared food sales percentage as soon as possible after accounting records are available, but in no event later than ninety
days after the beginning of the seller's calendar or fiscal year. A seller may make a good faith estimate of its first annual prepared food sales percentage if the seller's records for the prior year are not sufficient to allow the seller to calculate the prepared food sales percentage. The seller must adjust its good faith estimate prospectively if its relative sales of prepared foods in the first ninety days of operation materially depart from the seller's estimate.

(iii) "Prepared food" does not include the following items, if sold without eating utensils provided by the seller:

(A) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(B) Food sold in an unheated state by weight or volume as a single item; or

(C) Bakery items. The term "bakery items" includes bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes, tortes, pies, tarts, muffins, bars, cookies, or tortillas.

(d) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at
least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on August 1, 2009;

(ii) That has been partially funded under 42 U.S.C. Sec. 1485;

(iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) For soft drinks, bottled water, and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 151. RCW 82.08.820 and 2014 c 140 s 23 are each amended to read as follows:

(k) "Third-party warehouser" means a person taxable under RCW 82.04.280(1)(d);

(l) "Warehouse" means an enclosed building or structure in which finished goods are stored. A warehouse building or structure may have more than one storage room and more than one floor. Office space, lunchrooms, restrooms, and other space within the warehouse and necessary for the operation of the warehouse are considered part of the warehouse as are loading docks and other such space attached to the building and used for handling of finished goods. Landscaping and parking lots are not considered part of the warehouse. A storage yard is not a warehouse, nor is a building in which manufacturing takes place; and

(m) "Wholesaler" means a person who makes "sales at wholesale" as defined in chapter 82.04 RCW of tangible personal property, but "wholesaler" does not include a person who makes sales exempt under RCW 82.04.330.

(3)(a) A person claiming an exemption from state tax in the form of a remittance under this section must pay the tax imposed by RCW 82.08.020. The buyer may then apply to the department for remittance of all or part of the tax paid under RCW 82.08.020. For grain elevators with bushel capacity of one million but less than two
million, the remittance is equal to fifty percent of the amount of
tax paid. For warehouses with square footage of two hundred thousand
or more and for grain elevators with bushel capacity of two million
or more, the remittance is equal to one hundred percent of the amount
of tax paid for qualifying construction, materials, service, and
labor, and fifty percent of the amount of tax paid for qualifying
material-handling equipment and racking equipment, and labor and
services rendered in respect to installing, repairing, cleaning,
altering, or improving the equipment.

(b) The department must determine eligibility under this section
based on information provided by the buyer and through audit and
other administrative records. The buyer must on a quarterly basis
submit an information sheet, in a form and manner as required by the
department by rule, specifying the amount of exempted tax claimed and
the qualifying purchases or acquisitions for which the exemption is
claimed. The buyer must retain, in adequate detail to enable the
department to determine whether the equipment or construction meets
the criteria under this section: Invoices; proof of tax paid;
documents describing the material-handling equipment and racking
equipment; location and size of warehouses and grain elevators; and
construction invoices and documents.

(c) The department must on a quarterly basis remit exempted
amounts to qualifying persons who submitted applications during the
previous quarter.

(4) Warehouses, grain elevators, and material-handling equipment
and racking equipment for which an exemption, credit, or deferral has
been or is being received under chapter 82.60, 82.62, or 82.63 RCW or
RCW 82.08.02565 or 82.12.02565 are not eligible for any remittance
under this section. Warehouses and grain elevators upon which
construction was initiated before May 20, 1997, are not eligible for
a remittance under this section.

(5) The lessor or owner of a warehouse or grain elevator is not
eligible for a remittance under this section unless the underlying
ownership of the warehouse or grain elevator and the material-
handling equipment and racking equipment vests exclusively in the
same person, or unless the lessor by written contract agrees to pass
the economic benefit of the remittance to the lessee in the form of
reduced rent payments.

Sec. 162. RCW 82.29A.020 and 2015 3rd sp.s. c 6 s 2004 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context requires otherwise.

(1)(a) "Leasehold interest" means an interest in publicly owned, or specified privately owned, real or personal property which exists by virtue of any lease, permit, license, or any other agreement,
written or verbal, between the owner of the property and a person who would not be exempt from property taxes if that person owned the property in fee, granting possession and use, to a degree less than fee simple ownership. However, no interest in personal property (excluding land or buildings) which is owned by the United States, whether or not as trustee, or by any foreign government may constitute a leasehold interest hereunder when the right to use such property is granted pursuant to a contract solely for the manufacture or production of articles for sale to the United States or any foreign government. The term "leasehold interest" includes the rights of use or occupancy by others of property which is owned in fee or held in trust by a public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites.

(b) The term "leasehold interest" does not include:

(i) Road or utility easements, rights of access, occupancy, or use granted solely for the purpose of removing materials or products purchased from an owner or the lessee of an owner, or rights of access, occupancy, or use granted solely for the purpose of natural energy resource exploration; or

(ii) The preferential use of publicly owned cargo cranes and docks and associated areas used in the loading and discharging of cargo located at a port district marine facility. "Preferential use" means that publicly owned real or personal property is used by a private party under a written agreement with the public owner, but the public owner or any third party maintains a right to use the property when not being used by the private party.

(2)(a) "Taxable rent" means contract rent as defined in (c) of this subsection in all cases where the lease or agreement has been established or renegotiated through competitive bidding, or negotiated or renegotiated in accordance with statutory requirements regarding the rent payable, or negotiated or renegotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor. With respect to a leasehold interest in privately owned property, "taxable rent" means contract rent. However, after January 1, 1986, with respect to any lease which has been in effect for ten years or more without renegotiation, taxable rent may be established by procedures set forth in (g) of this subsection. All other leasehold interests are
subject to the determination of taxable rent under the terms of (g) of this subsection.

(b) For purposes of determining leasehold excise tax on any lands on the Hanford reservation subleased to a private or public entity by the department of ecology, taxable rent includes only the annual cash rental payment made by such entity to the department of ecology as specifically referred to as rent in the sublease agreement between the parties and does not include any other fees, assessments, or charges imposed on or collected by such entity irrespective of whether the private or public entity pays or collects such other fees, assessments, or charges as specified in the sublease agreement.

(c) "Contract rent" means the amount of consideration due as payment for a leasehold interest, including: The total of cash payments made to the lessor or to another party for the benefit of the lessor according to the requirements of the lease or agreement, including any rents paid by a sublessee; expenditures for the protection of the lessor's interest when required by the terms of the lease or agreement; and expenditures for improvements to the property to the extent that such improvements become the property of the lessor. Where the consideration conveyed for the leasehold interest is made in combination with payment for concession or other rights granted by the lessor, only that portion of such payment which represents consideration for the leasehold interest is part of contract rent.

(d) "Contract rent" does not include: (i) Expenditures made by the lessee, which under the terms of the lease or agreement, are to be reimbursed by the lessor to the lessee or expenditures for improvements and protection made pursuant to a lease or an agreement which requires that the use of the improved property be open to the general public and that no profit will inure to the lessee from the lease; (ii) expenditures made by the lessee for the replacement or repair of facilities due to fire or other casualty including payments for insurance to provide reimbursement for losses or payments to a public or private entity for protection of such property from damage or loss or for alterations or additions made necessary by an action of government taken after the date of the execution of the lease or agreement; (iii) improvements added to publicly owned property by a sublessee under an agreement executed prior to January 1, 1976, which have been taxed as personal property of the sublessee prior to January 1, 1976, or improvements made by a sublessee of the same
lessee under a similar agreement executed prior to January 1, 1976, and such improvements are taxable to the sublessee as personal property; (iv) improvements added to publicly owned property if such improvements are being taxed as personal property to any person.

(e) Any prepaid contract rent is considered to have been paid in the year due and not in the year actually paid with respect to prepayment for a period of more than one year. Expenditures for improvements with a useful life of more than one year which are included as part of contract rent must be treated as prepaid contract rent and prorated over the useful life of the improvement or the remaining term of the lease or agreement if the useful life is in excess of the remaining term of the lease or agreement. Rent prepaid prior to January 1, 1976, must be prorated from the date of prepayment.

(f) With respect to a "product lease," the value is that value determined at the time of sale under terms of the lease.

(g) If it is determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or negotiated in accordance with statutory requirements regarding the rent payable, or negotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor, the department may establish a taxable rent computation for use in determining the tax payable under authority granted in this chapter based upon the following criteria: (i) Consideration must be given to rental being paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration must be given to what would be considered a fair rate of return on the market value of the property leased less reasonable deductions for any restrictions on use, special operating requirements or provisions for concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter means a lease of property for use in the production of agricultural or marine products, not including the production of marijuana as defined in RCW 69.50.101, to the extent that such lease provides for the contract rent to be paid by the delivery of a stated percentage of the production of such agricultural or marine products to the
credit of the lessor or the payment to the lessor of a stated percentage of the proceeds from the sale of such products.

(4) "Renegotiated" means a change in the lease agreement which changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the lessee to or for the benefit of the lessor, other than any such change required by the terms of the lease or agreement. In addition "renegotiated" means a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the lessee had the right to vacate the premises without any further liability to the lessor.

(5) "City" means any city or town.

(6) "Products" includes natural resource products such as cut or picked evergreen foliage, Cascara bark, wild edible mushrooms, native ornamental trees and shrubs, ore and minerals, natural gas, geothermal water and steam, and forage removed through the grazing of livestock.

(7) "Publicly owned, or specified privately owned, real or personal property" includes real or personal property:
   (a) Owned in fee or held in trust by a public entity and exempt from property tax under the laws or Constitution of this state or the Constitution of the United States;
   (b) Owned by a federally recognized Indian tribe in the state and exempt from property tax under RCW 84.36.010;
   (c) Owned by a nonprofit fair association exempt from property tax under RCW 84.36.480(2), but only with respect to that portion of the fair's property subject to the tax imposed in this chapter pursuant to RCW 84.36.480(2)(b); or
   (d) Owned by a community center exempt from property tax under RCW 84.36.010.

Sec. 163. RCW 82.84.030 and 2019 c 2 s 3 are each amended to read as follows:

For purposes of this chapter:

(1) "Alcoholic beverages" has the same meaning as provided in RCW 82.08.0293.

(2) "Groceries" means any raw or processed food or beverage, or any ingredient thereof, intended for human consumption except alcoholic beverages, ((marijuana)) cannabis products, and tobacco. "Groceries" includes, but is not limited to, meat, poultry, fish,
fruits, vegetables, grains, bread, milk, cheese and other dairy products, nonalcoholic beverages, kombucha with less than 0.5% alcohol by volume, condiments, spices, cereals, seasonings, leavening agents, eggs, cocoa, teas, and coffees whether raw or processed.

(3) "Local governmental entity" has the same meaning as provided in RCW 4.96.010.

(4) ("Marijuana) Cannabis products" has the same meaning as provided in RCW 69.50.101.

(5) "Tax, fee, or other assessment on groceries" includes, but is not limited to, a sales tax, gross receipts tax, business and occupation tax, business license tax, excise tax, privilege tax, or any other similar levy, charge, or exaction of any kind on groceries or the manufacture, distribution, sale, possession, ownership, transfer, transportation, container, use, or consumption thereof.

(6) "Tobacco" has the same meaning as provided in RCW 82.08.0293.

Sec. 164. RCW 84.34.410 and 2014 c 140 s 27 are each amended to read as follows:

The provisions of this chapter do not apply with respect to land used in the growing, raising, or producing of (marijuana) cannabis, useable (marijuana, or marijuana-infused) cannabis, or cannabis-infused products as those terms are defined under RCW 69.50.101.

Sec. 165. RCW 84.40.030 and 2014 c 140 s 29 are each amended to read as follows:

(1) All property must be valued at one hundred percent of its true and fair value in money and assessed on the same basis unless specifically provided otherwise by law.

(2) Taxable leasehold estates must be valued at such price as they would bring at a fair, voluntary sale for cash without any deductions for any indebtedness owed including rentals to be paid.

(3) The true and fair value of real property for taxation purposes (including property upon which there is a coal or other mine, or stone or other quarry) must be based upon the following criteria:

(a) Any sales of the property being appraised or similar properties with respect to sales made within the past five years. The appraisal must be consistent with the comprehensive land use plan, development regulations under chapter 36.70A RCW, zoning, and any other governmental policies or practices in effect at the time of
appraisal that affect the use of property, as well as physical and
environmental influences. An assessment may not be determined by a
method that assumes a land usage or highest and best use not
permitted, for that property being appraised, under existing zoning
or land use planning ordinances or statutes or other government
restrictions. The appraisal must also take into account: (i) In the
use of sales by real estate contract as similar sales, the extent, if
any, to which the stated selling price has been increased by reason
of the down payment, interest rate, or other financing terms; and
(ii) the extent to which the sale of a similar property actually
represents the general effective market demand for property of such
type, in the geographical area in which such property is located.
Sales involving deed releases or similar seller-developer financing
arrangements may not be used as sales of similar property.

(b) In addition to sales as defined in subsection (3)(a) of this
section, consideration may be given to cost, cost less depreciation,
reconstruction cost less depreciation, or capitalization of income
that would be derived from prudent use of the property, as limited by
law or ordinance. Consideration should be given to any agreement,
between an owner of rental housing and any government agency, that
restricts rental income, appreciation, and liquidity; and to the
impact of government restrictions on operating expenses and on
ownership rights in general of such housing. In the case of property
of a complex nature, or being used under terms of a franchise from a
public agency, or operating as a public utility, or property not
having a record of sale within five years and not having a
significant number of sales of similar property in the general area,
the provisions of this subsection must be the dominant factors in
valuation. When provisions of this subsection are relied upon for
establishing values the property owner must be advised upon request
of the factors used in arriving at such value.

(c) In valuing any tract or parcel of real property, the true and
fair value of the land, exclusive of structures thereon must be
determined; also the true and fair value of structures thereon, but
the valuation may not exceed the true and fair value of the total
property as it exists. In valuing agricultural land, growing crops
must be excluded. For purposes of this subsection (3)(c), "growing
crops" does not include (marijuana) cannabis as defined under RCW
69.50.101.
NEW SECTION.  Sec. 166.  A new section is added to chapter 69.50 RCW to read as follows:

The board must use expedited rule making under RCW 34.05.353 to replace the term "marijuana" with the term "cannabis" throughout Title 314 WAC.

NEW SECTION.  Sec. 167.  A new section is added to chapter 69.50 RCW to read as follows:

The term "marijuana" as used under federal law generally refers to the term "cannabis" used throughout the Revised Code of Washington.
