State of Washington

67th Legislature

2022 Regular Session

By Representatives Lekanoff, Goodman, Berry, Taylor, Valdez, Bateman, Macri, Peterson, Ramel, Simmons, Orwall, Chopp, Stonier, Harris-Talley, and Frame; by request of Attorney General

Prefiled 01/03/22. Read first time 01/10/22. Referred to Committee on Public Safety.

1 AN ACT Relating to the creation of an endangered missing person
2 advisory designation for missing indigenous persons; amending RCW
3 13.60.010; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that indigenous
6 people experience disproportionate rates of violence in Washington
7 state. Tribes, state leaders, and grassroots activists have done
8 substantial work to identify factors directly affecting the rates of
9 violence and to ensure that addressing the crisis of missing and
10 murdered indigenous people is a priority at every level. The
11 legislature intends to provide law enforcement with additional tools
12 to disseminate timely, accurate information to engage the public more
13 effectively in assisting with locating missing indigenous people, and
14 to compensate for the unique challenges that indigenous communities
15 face accessing media coverage and the ability to share information.

16 **Sec. 2.** RCW 13.60.010 and 2017 3rd sp.s. c 6 s 315 are each
17 amended to read as follows:

18 (1) The Washington state patrol shall establish a missing
19 children and endangered person clearinghouse which shall include the
20 maintenance and operation of a toll-free telephone hotline. The

1 clearinghouse shall distribute information to local law enforcement
2 agencies, school districts, the department of children, youth, and
3 families, and the general public regarding missing children and
4 endangered persons. The information shall include pictures,
5 bulletins, training sessions, reports, and biographical materials
6 that will assist in local law enforcement efforts to locate missing
7 children and endangered persons. The state patrol shall also maintain
8 a regularly updated computerized link with national and other
9 statewide missing person systems or clearinghouses, and within
10 existing resources, shall develop and implement a plan, commonly
11 known as an "amber alert plan" or an "endangered missing person
12 advisory plan" which includes ((a)) "silver alert" ((~~designation~~))
13 and "missing indigenous women and persons alert" designations for
14 voluntary cooperation between local, state, tribal, and other law
15 enforcement agencies, state government agencies, radio and television
16 stations, cable and satellite systems, and social media pages and
17 sites to enhance the public's ability to assist in recovering
18 abducted children and missing endangered persons consistent with the
19 state endangered missing person advisory plan.

28 (i) A person with a developmental disability as defined in RCW
