**State of Washington**

**67th Legislature**

**2022 Regular Session**

**By** Representatives Simmons, Berry, Wicks, Valdez, Fitzgibbon, Walen, Cody, Macri, and Chopp

Prefiled 01/06/22. Read first time 01/10/22. Referred to Committee on Civil Rights & Judiciary.

1 AN ACT Relating to material changes to the operations and  
2 governance structure of participants in the health care marketplace;  
3 amending RCW 19.390.010, 19.390.020, 19.390.030, 19.390.040,  
4 19.390.050, 19.390.080, and 19.390.070; adding new sections to  
5 chapter 19.390 RCW; creating a new section; providing an effective  
6 date; and providing an expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** The legislature finds and declares that:

9 (1) The existence of accessible and affordable health care  
10 services that are responsive to the needs of the community is an  
11 important public policy goal.

12 (2) The COVID-19 pandemic laid bare both the crucial importance  
13 of our health care systems and the inequities that exist and  
14 exacerbate harm to marginalized communities, including in access to  
15 and delivery of affordable, quality care.

16 (3) Health entity mergers, acquisitions, and contracting  
17 affiliations impact cost, quality, and access to health care, and  
18 affect working conditions and employee benefits.

19 (4) Health entity mergers, acquisitions, and contracting  
20 affiliations have been shown to result in anticompetitive  
21 consequences, including higher prices and a lack of any meaningful

1 choice among health care providers within a community or geographic  
2 region. These negative outcomes are exacerbated for those in rural  
3 areas with few health care providers.

4 (5) The legislature is committed to ensuring that Washingtonians  
5 have access to the full range of reproductive, end-of-life, and  
6 gender affirming health care services. Yet, Washingtonians continue  
7 to experience difficulty accessing gender affirming care, and health  
8 entity mergers and acquisitions in Washington state have resulted in  
9 material reductions in reproductive and end-of-life health care  
10 services, to the detriment of communities and patients.

11 (6) Health entity mergers, acquisitions, and contracting  
12 affiliations must improve rather than harm access to affordable  
13 quality health care.

14 **Sec. 2.** RCW 19.390.010 and 2019 c 267 s 1 are each amended to  
15 read as follows:

16 (1) It is the intent of the legislature to ensure that  
17 competition beneficial to consumers in health care markets across  
18 Washington remains vigorous and robust and that health care be  
19 affordable and accessible. The legislature supports ~~((that intent))~~  
20 these intents through this chapter, which provides the attorney  
21 general with notice of all material health care transactions in this  
22 state so that the attorney general has the information necessary to  
23 determine whether an investigation under the consumer protection act  
24 is warranted for potential anticompetitive conduct and consumer harm.  
25 This chapter is intended to supplement the federal Hart-Scott-Rodino  
26 antitrust improvements act, Title 15 U.S.C. Sec. 18a, by requiring  
27 notice of transactions not reportable under Hart-Scott-Rodino  
28 reporting thresholds and by providing the attorney general with a  
29 copy of any filings made pursuant to the Hart-Scott-Rodino act. In  
30 addition to ensuring vigorous and robust competition in health care  
31 markets, this chapter is also intended to ensure material change  
32 transactions result in the affected communities having the same or  
33 greater access to quality, affordable care, including emergency care,  
34 primary care, reproductive care, end-of-life care including services  
35 provided in accordance with chapter 70.245 RCW, and gender affirming  
36 care.

37 (2) Notwithstanding the language in this chapter regarding the  
38 attorney general's authority to determine the effect of a material  
39 change transaction on access to care, nothing in this chapter is

1 intended to derogate from or otherwise affect in any way the attorney  
2 general's authority to conduct an investigation, or the process of  
3 any investigation, under chapter 19.86 RCW. Nothing in this section  
4 is intended to change or affect in any way any substantive law  
5 regarding the antitrust analysis of a material change transaction.

6 **Sec. 3.** RCW 19.390.020 and 2019 c 267 s 2 are each amended to
