AN ACT Relating to the creation of the community reinvestment account and community reinvestment program; amending RCW 69.50.540, 43.84.092, and 43.84.092; adding a new section to chapter 43.79 RCW; creating a new section; providing an effective date; and providing an expiration date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that in order to address racial, economic, and social disparities in communities across the state created by the historical design and enforcement of state and federal criminal laws and penalties for illegal drug sales, possession, and use in Washington state, aggressive approaches and targeted resources to support local design and control of community-based responses to these outcomes are required.

Sec. 2. RCW 69.50.540 and 2021 c 334 s 986 are each amended to read as follows:

The legislature must annually appropriate moneys in the dedicated marijuana account created in RCW 69.50.530 as follows:

(1) For the purposes listed in this subsection (1), the legislature must appropriate to the respective agencies amounts
sufficient to make the following expenditures on a quarterly basis or as provided in this subsection:

(a) One hundred twenty-five thousand dollars to the health care authority to design and administer the Washington state healthy youth survey, analyze the collected data, and produce reports, in collaboration with the office of the superintendent of public instruction, department of health, department of commerce, family policy council, and board. The survey must be conducted at least every two years and include questions regarding, but not necessarily limited to, academic achievement, age at time of substance use initiation, antisocial behavior of friends, attitudes toward antisocial behavior, attitudes toward substance use, laws and community norms regarding antisocial behavior, family conflict, family management, parental attitudes toward substance use, peer rewarding of antisocial behavior, perceived risk of substance use, and rebelliousness. Funds disbursed under this subsection may be used to expand administration of the healthy youth survey to student populations attending institutions of higher education in Washington;

(b) Fifty thousand dollars to the health care authority for the purpose of contracting with the Washington state institute for public policy to conduct the cost-benefit evaluation and produce the reports described in RCW 69.50.550. This appropriation ends after production of the final report required by RCW 69.50.550;

(c) Five thousand dollars to the University of Washington alcohol and drug abuse institute for the creation, maintenance, and timely updating of web-based public education materials providing medically and scientifically accurate information about the health and safety risks posed by marijuana use;

(d)(i) An amount not less than one million two hundred fifty thousand dollars to the board for administration of this chapter as appropriated in the omnibus appropriations act;

(ii) One million three hundred twenty-three thousand dollars for fiscal year 2020 to the health professions account established under RCW 43.70.320 for the development and administration of the marijuana authorization database by the department of health;

(iii) Two million four hundred fifty-three thousand dollars for fiscal year 2020 and two million four hundred twenty-three thousand dollars for fiscal years 2021, 2022, and 2023 to the Washington state patrol for a drug enforcement task force. It is the intent of the
legislature that this policy will be continued in the 2021-2023 fiscal biennium; and

(iv) Ninety-eight thousand dollars for fiscal year 2019 to the department of ecology for research on accreditation of marijuana product testing laboratories;

(e) Four hundred sixty-five thousand dollars for fiscal year 2020, four hundred sixty-four thousand dollars for fiscal year 2021, two hundred seventy thousand dollars in fiscal year 2022, and two hundred seventy-six thousand dollars in fiscal year 2023 to the department of ecology for implementation of accreditation of marijuana product testing laboratories;

(f) One hundred eighty-nine thousand dollars for fiscal year 2020 to the department of health for rule making regarding compassionate care renewals;

(g) Eight hundred eight thousand dollars for each of fiscal years 2020 through 2023 to the department of health for the administration of the marijuana authorization database;

(h) Six hundred thirty-five thousand dollars for fiscal year 2020, six hundred thirty-five thousand dollars for fiscal year 2021, six hundred twenty-one thousand dollars for fiscal year 2022, and six hundred twenty-seven thousand dollars for fiscal year 2023 to the department of agriculture for compliance-based laboratory analysis of pesticides in marijuana;

(i) One million six hundred fifty thousand dollars for fiscal year 2022 and one million six hundred fifty thousand dollars for fiscal year 2023 to the department of commerce to fund the cannabis social equity technical assistance grant program under RCW 43.330.540; ((and))

(j) One hundred sixty-three thousand dollars for fiscal year 2022 and one hundred fifty-nine thousand dollars for fiscal year 2023 to the department of commerce to establish a roster of mentors as part of the cannabis social equity technical assistance grant program under [(Engrossed Substitute House Bill No. 1443 (cannabis industry/equity) [chapter 169, Laws of 2021]) chapter 169, Laws of 2021; and]

(k) Beginning in fiscal year 2023, and each fiscal year thereafter, $125,000,000 must be transferred into the community reinvestment account and appropriated to the department of commerce to establish a cannabis equity grant program; and

(2) From the amounts in the dedicated marijuana account after appropriation of the amounts identified in subsection (1) of this
section, the legislature must appropriate for the purposes listed in this subsection (2) as follows:

(a)(i) Up to fifteen percent to the health care authority for the development, implementation, maintenance, and evaluation of programs and practices aimed at the prevention or reduction of maladaptive substance use, substance use disorder, substance abuse or substance dependence, as these terms are defined in the Diagnostic and Statistical Manual of Mental Disorders, among middle school and high school-age students, whether as an explicit goal of a given program or practice or as a consistently corresponding effect of its implementation, mental health services for children and youth, and services for pregnant and parenting women; PROVIDED, That:

(A) Of the funds appropriated under (a)(i) of this subsection for new programs and new services, at least eighty-five percent must be directed to evidence-based or research-based programs and practices that produce objectively measurable results and, by September 1, 2020, are cost-beneficial; and

(B) Up to fifteen percent of the funds appropriated under (a)(i) of this subsection for new programs and new services may be directed to proven and tested practices, emerging best practices, or promising practices.

(ii) In deciding which programs and practices to fund, the director of the health care authority must consult, at least annually, with the University of Washington’s social development research group and the University of Washington’s alcohol and drug abuse institute.

(iii) For each fiscal year, the legislature must appropriate a minimum of twenty-five million five hundred thirty-six thousand dollars under this subsection (2)(a);

(b)(i) Up to ten percent to the department of health for the following, subject to (b)(ii) of this subsection (2):

(A) Creation, implementation, operation, and management of a marijuana education and public health program that contains the following:

(I) A marijuana use public health hotline that provides referrals to substance abuse treatment providers, utilizes evidence-based or research-based public health approaches to minimizing the harms associated with marijuana use, and does not solely advocate an abstinence-only approach;
A grants program for local health departments or other local community agencies that supports development and implementation of coordinated intervention strategies for the prevention and reduction of marijuana use by youth; and

Media-based education campaigns across television, internet, radio, print, and out-of-home advertising, separately targeting youth and adults, that provide medically and scientifically accurate information about the health and safety risks posed by marijuana use; and

(B) The Washington poison control center.

(ii) For each fiscal year, the legislature must appropriate a minimum of nine million seven hundred fifty thousand dollars under this subsection (2)(b);

(c)(i) Up to six-tenths of one percent to the University of Washington and four-tenths of one percent to Washington State University for research on the short and long-term effects of marijuana use, to include but not be limited to formal and informal methods for estimating and measuring intoxication and impairment, and for the dissemination of such research.

(ii) For each fiscal year, except for the 2019-2021 and 2021-2023 fiscal biennia, the legislature must appropriate a minimum of one million twenty-one thousand dollars to the University of Washington. For each fiscal year, except for the 2019-2021 and 2021-2023 fiscal biennia, the legislature must appropriate a minimum of six hundred eighty-one thousand dollars to Washington State University under this subsection (2)(c). It is the intent of the legislature that this policy will be continued in the 2023-2025 fiscal biennium;

(d) Fifty percent to the state basic health plan trust account to be administered by the Washington basic health plan administrator and used as provided under chapter 70.47 RCW;

(e) Five percent to the Washington state health care authority to be expended exclusively through contracts with community health centers to provide primary health and dental care services, migrant health services, and maternity health care services as provided under RCW 41.05.220;

(f)(i) Up to three-tenths of one percent to the office of the superintendent of public instruction to fund grants to building bridges programs under chapter 28A.175 RCW.

(ii) For each fiscal year, the legislature must appropriate a minimum of five hundred eleven thousand dollars to the office of the
superintendent of public instruction under this subsection (2)(f); and

(g) At the end of each fiscal year, the treasurer must transfer any amounts in the dedicated marijuana account that are not appropriated pursuant to subsection (1) of this section and this subsection (2) into the general fund, except as provided in (g)(i) of this subsection (2).

(i) Beginning in fiscal year 2018, if marijuana excise tax collections deposited into the general fund in the prior fiscal year exceed twenty-five million dollars, then each fiscal year the legislature must appropriate an amount equal to thirty percent of all marijuana excise taxes deposited into the general fund the prior fiscal year to the treasurer for distribution to counties, cities, and towns as follows:

(A) Thirty percent must be distributed to counties, cities, and towns where licensed marijuana retailers are physically located. Each jurisdiction must receive a share of the revenue distribution under this subsection (2)(g)(i)(A) based on the proportional share of the total revenues generated in the individual jurisdiction from the taxes collected under RCW 69.50.535, from licensed marijuana retailers physically located in each jurisdiction. For purposes of this subsection (2)(g)(i)(A), one hundred percent of the proportional amount attributed to a retailer physically located in a city or town must be distributed to the city or town.

(B) Seventy percent must be distributed to counties, cities, and towns ratably on a per capita basis. Counties must receive sixty percent of the distribution, which must be disbursed based on each county's total proportional population. Funds may only be distributed to jurisdictions that do not prohibit the siting of any state licensed marijuana producer, processor, or retailer.

(ii) Distribution amounts allocated to each county, city, and town must be distributed in four installments by the last day of each fiscal quarter.

(iii) By September 15th of each year, the board must provide the state treasurer the annual distribution amount, if any, for each county and city as determined in (g)(i) of this subsection (2).

(iv) The total share of marijuana excise tax revenues distributed to counties and cities in (g)(i) of this subsection (2) may not exceed fifteen million dollars in fiscal years 2018, 2019, 2020, and 2021, and twenty million dollars per fiscal year thereafter.
NEW SECTION.  Sec. 3. A new section is added to chapter 43.79 RCW to read as follows:

The community reinvestment account is created in the state treasury. Money from the distribution required in RCW 69.50.540(1)(k) must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used for:

(1) Economic development, which includes addressing wealth disparities to promote asset building such as home ownership and expanding access to financial resources including, but not limited to, grants and loans for small businesses and entrepreneurs, financial literacy training, and other small business training and support activities;

(2) Civil and criminal legal assistance to provide postconviction relief and case assistance, including the expungement of criminal records and vacation of criminal convictions;

(3) Community-based violence intervention and prevention services; and

(4) Reentry services to facilitate successful transitions for persons formerly incarcerated in an adult correctional facility or juvenile residential facility in Washington.

Sec. 4. RCW 43.84.092 and 2021 c 199 s 504 are each amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and
this subsection. Refunds or allocations shall occur prior to the
distributions of earnings set forth in subsection (4) of this
section.

(3) Except for the provisions of RCW 43.84.160, the treasury
income account may be utilized for the payment of purchased banking
services on behalf of treasury funds including, but not limited to,
depository, safekeeping, and disbursement functions for the state
treasury and affected state agencies. The treasury income account is
subject in all respects to chapter 43.88 RCW, but no appropriation is
required for payments to financial institutions. Payments shall occur
prior to distribution of earnings set forth in subsection (4) of this
section.

(4) Monthly, the state treasurer shall distribute the earnings
credited to the treasury income account. The state treasurer shall
credit the general fund with all the earnings credited to the
treasury income account except:

(a) The following accounts and funds shall receive their
proportionate share of earnings based upon each account's and fund's
average daily balance for the period: The abandoned recreational
vehicle disposal account, the aeronautics account, the Alaskan Way
viaduct replacement project account, the ambulance transport fund,
the brownfield redevelopment trust fund account, the budget
stabilization account, the capital vessel replacement account, the
capitol building construction account, the Central Washington
University capital projects account, the charitable, educational,
penal and reformatory institutions account, the Chehalis basin
account, the Chehalis basin taxable account, the cleanup settlement
account, the Columbia river basin water supply development account,
the Columbia river basin taxable bond water supply development
account, the Columbia river basin water supply revenue recovery
account, the common school construction fund, the community forest
trust account, the community reinvestment account, the connecting
Washington account, the county arterial preservation account, the
county criminal justice assistance account, the deferred compensation
administrative account, the deferred compensation principal account,
the department of licensing services account, the department of
retirement systems expense account, the developmental disabilities
community services account, the diesel idle reduction account, the
drinking water assistance account, the administrative subaccount of
the drinking water assistance account, the early learning facilities
development account, the early learning facilities revolving account, the Eastern Washington University capital projects account, the education construction fund, the education legacy trust account, the election account, the electric vehicle account, the energy freedom account, the energy recovery act account, the essential rail assistance account, The Evergreen State College capital projects account, the fair start for kids account, the ferry bond retirement fund, the fish, wildlife, and conservation account, the freight mobility investment account, the freight mobility multimodal account, the grade crossing protective fund, the public health services account, the state higher education construction account, the higher education construction account, the higher education retirement plan supplemental benefit fund, the highway bond retirement fund, the highway infrastructure account, the highway safety fund, the hospital safety net assessment fund, the Interstate 405 and state route number 167 express toll lanes account, the judges' retirement account, the judicial retirement administrative account, the judicial retirement principal account, the limited fish and wildlife account, the local leasehold excise tax account, the local real estate excise tax account, the local sales and use tax account, the marine resources stewardship trust account, the medical aid account, the money-purchase retirement savings administrative account, the money-purchase retirement savings principal account, the motor vehicle fund, the motorcycle safety education account, the multimodal transportation account, the multiuse roadway safety account, the municipal criminal justice assistance account, the oyster reserve land account, the pension funding stabilization account, the perpetual surveillance and maintenance account, the pilotage account, the pollution liability insurance agency underground storage tank revolving account, the public employees' retirement system plan 1 account, the public employees' retirement system combined plan 2 and plan 3 account, the public facilities construction loan revolving account, the public health supplemental account, the public works assistance account, the Puget Sound capital construction account, the Puget Sound ferry operations account, the Puget Sound Gateway facility account, the Puget Sound taxpayer accountability account, the real estate appraiser commission account, the recreational vehicle account, the regional mobility grant program account, the resource management cost account, the rural arterial trust account, the rural mobility grant program account, the rural Washington loan
fund, the sexual assault prevention and response account, the site
closure account, the skilled nursing facility safety net trust fund,
the small city pavement and sidewalk account, the special category C
account, the special wildlife account, the state investment board
expense account, the state investment board commingled trust fund
accounts, the state patrol highway account, the state reclamation
revolving account, the state route number 520 civil penalties
account, the state route number 520 corridor account, the statewide
broadband account, the statewide tourism marketing account, the
supplemental pension account, the Tacoma Narrows toll bridge account,
the teachers' retirement system plan 1 account, the teachers' 
retirement system combined plan 2 and plan 3 account, the tobacco
prevention and control account, the tobacco settlement account, the
toll facility bond retirement account, the transportation 2003
account (nickel account), the transportation equipment fund, the
transportation future funding program account, the transportation
improvement account, the transportation improvement board bond
retirement account, the transportation infrastructure account, the
transportation partnership account, the traumatic brain injury
account, the University of Washington bond retirement fund, the
University of Washington building account, the voluntary cleanup
account, the volunteer firefighters' and reserve officers' relief and
pension principal fund, the volunteer firefighters' and reserve
officers' administrative fund, the vulnerable roadway user education
account, the Washington judicial retirement system account, the
Washington law enforcement officers' and firefighters' system plan 1
retirement account, the Washington law enforcement officers' and
firefighters' system plan 2 retirement account, the Washington public
safety employees' plan 2 retirement account, the Washington school
employees' retirement system combined plan 2 and 3 account, the
Washington state patrol retirement account, the Washington State
University building account, the Washington State University bond
retirement fund, the water pollution control revolving administration
account, the water pollution control revolving fund, the Western
Washington University capital projects account, the Yakima integrated
plan implementation account, the Yakima integrated plan
implementation revenue recovery account, and the Yakima integrated
plan implementation taxable bond account. Earnings derived from
investing balances of the agricultural permanent fund, the normal
school permanent fund, the permanent common school fund, the
scientific permanent fund, and the state university permanent fund shall be allocated to their respective beneficiary accounts.

(b) Any state agency that has independent authority over accounts or funds not statutorily required to be held in the state treasury that deposits funds into a fund or account in the state treasury pursuant to an agreement with the office of the state treasurer shall receive its proportionate share of earnings based upon each account's or fund's average daily balance for the period.

(5) In conformance with Article II, section 37 of the state Constitution, no treasury accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

Sec. 5. RCW 43.84.092 and 2021 c 199 s 505 are each amended to read as follows:

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur
prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

(a) The following accounts and funds shall receive their proportionate share of earnings based upon each account's and fund's average daily balance for the period: The abandoned recreational vehicle disposal account, the aeronautics account, the Alaskan Way viaduct replacement project account, the brownfield redevelopment trust fund account, the budget stabilization account, the capital vessel replacement account, the capitol building construction account, the Central Washington University capital projects account, the charitable, educational, penal and reformatory institutions account, the Chehalis basin account, the Chehalis basin taxable account, the cleanup settlement account, the Columbia river basin water supply development account, the Columbia river basin taxable bond water supply development account, the Columbia river basin water supply revenue recovery account, the common school construction fund, the community forest trust account, the community reinvestment account, the connecting Washington account, the county arterial preservation account, the county criminal justice assistance account, the deferred compensation administrative account, the deferred compensation principal account, the department of licensing services account, the department of retirement systems expense account, the developmental disabilities community services account, the diesel idle reduction account, the drinking water assistance account, the administrative subaccount of the drinking water assistance account, the early learning facilities development account, the early learning facilities revolving account, the Eastern Washington University capital projects account, the education construction fund, the education legacy trust account, the election account, the electric vehicle account, the energy freedom account, the energy recovery act account, the essential rail assistance account, The Evergreen State College capital projects account, the fair start for kids account, the ferry bond retirement fund, the fish, wildlife, and conservation account, the freight mobility investment account, the freight mobility multimodal account, the grade crossing protective fund, the public health services account, the state higher education
construction account, the higher education construction account, the higher education retirement plan supplemental benefit fund, the highway bond retirement fund, the highway infrastructure account, the highway safety fund, the hospital safety net assessment fund, the Interstate 405 and state route number 167 express toll lanes account, the judges' retirement account, the judicial retirement administrative account, the judicial retirement principal account, the limited fish and wildlife account, the local leasehold excise tax account, the local real estate excise tax account, the local sales and use tax account, the marine resources stewardship trust account, the medical aid account, the money-purchase retirement savings administrative account, the money-purchase retirement savings principal account, the motor vehicle fund, the motorcycle safety education account, the multimodal transportation account, the multiuse roadway safety account, the municipal criminal justice assistance account, the oyster reserve land account, the pension funding stabilization account, the perpetual surveillance and maintenance account, the pilotage account, the pollution liability insurance agency underground storage tank revolving account, the public employees' retirement system plan 1 account, the public employees' retirement system combined plan 2 and plan 3 account, the public facilities construction loan revolving account, the public health supplemental account, the public works assistance account, the Puget Sound capital construction account, the Puget Sound ferry operations account, the Puget Sound Gateway facility account, the Puget Sound taxpayer accountability account, the real estate appraiser commission account, the recreational vehicle account, the regional mobility grant program account, the resource management cost account, the rural arterial trust account, the rural mobility grant program account, the rural Washington loan fund, the sexual assault prevention and response account, the site closure account, the skilled nursing facility safety net trust fund, the small city pavement and sidewalk account, the special category C account, the special wildlife account, the state investment board expense account, the state investment board commingled trust fund accounts, the state patrol highway account, the state reclamation revolving account, the state route number 520 civil penalties account, the state route number 520 corridor account, the statewide broadband account, the statewide tourism marketing account, the supplemental pension account, the Tacoma Narrows toll bridge account, the teachers'
retirement system plan 1 account, the teachers' retirement system combined plan 2 and plan 3 account, the tobacco prevention and control account, the tobacco settlement account, the toll facility bond retirement account, the transportation 2003 account (nickel account), the transportation equipment fund, the transportation future funding program account, the transportation improvement account, the transportation improvement board bond retirement account, the transportation infrastructure account, the transportation partnership account, the traumatic brain injury account, the University of Washington bond retirement fund, the University of Washington building account, the voluntary cleanup account, the volunteer firefighters' and reserve officers' relief and pension principal fund, the volunteer firefighters' and reserve officers' administrative fund, the vulnerable roadway user education account, the Washington judicial retirement system account, the Washington law enforcement officers' and firefighters' system plan 1 retirement account, the Washington law enforcement officers' and firefighters' system plan 2 retirement account, the Washington public safety employees' plan 2 retirement account, the Washington school employees' retirement system combined plan 2 and 3 account, the Washington state patrol retirement account, the Washington State University building account, the Washington State University bond retirement fund, the water pollution control revolving administration account, the water pollution control revolving fund, the Western Washington University capital projects account, the Yakima integrated plan implementation account, the Yakima integrated plan implementation revenue recovery account, and the Yakima integrated plan implementation taxable bond account. Earnings derived from investing balances of the agricultural permanent fund, the normal school permanent fund, the permanent common school fund, the scientific permanent fund, and the state university permanent fund shall be allocated to their respective beneficiary accounts.

(b) Any state agency that has independent authority over accounts or funds not statutorily required to be held in the state treasury that deposits funds into a fund or account in the state treasury pursuant to an agreement with the office of the state treasurer shall receive its proportionate share of earnings based upon each account's or fund's average daily balance for the period.
(5) In conformance with Article II, section 37 of the state Constitution, no treasury accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

NEW SECTION. Sec. 6. Section 4 of this act expires July 1, 2024.

NEW SECTION. Sec. 7. Section 5 of this act takes effect July 1, 2024.
