AN ACT Relating to reducing homelessness for youth and young adults discharging from a publicly funded system of care; adding a new section to chapter 43.216 RCW; adding new sections to chapter 43.330 RCW; creating new sections; providing an effective date; and providing an expiration date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature finds that young people discharging from publicly funded systems of care are at increased risk of homelessness. Youth and young adults experiencing homelessness face traumatic events at a higher rate than their peers who have stable housing. Homelessness has long-term impacts on brain development and well-being and creates barriers to education and employment.

(2) RCW 43.330.720 establishes a goal that any unaccompanied youth discharged from a publicly funded system of care in our state will be discharged into safe and stable housing. The office of homeless youth prevention and protection programs and the department of children, youth, and families published the improving stability for youth exiting systems of care report in 2020 outlining steps to achieve this goal. These steps provide a multipronged approach to
ensure youth exit publicly funded systems of care into safe and stable housing, including:

(a) System-level support while youth are in the custody of publicly funded systems of care to ensure effective transition from care;

(b) Community-level connections and services to provide support when youth transition back to the community; and

(c) Resources to secure and maintain stable housing.

(3) The legislature intends to implement community services, system response, and flexible resources to support the goal established under RCW 43.330.720 that youth discharged from publicly funded systems of care are discharged into safe and stable housing with the appropriate supports in place to provide a strong footing.

NEW SECTION. Sec. 2. A new section is added to chapter 43.216 RCW to read as follows:

(1) The department, in coordination with the office of homeless youth prevention and protection programs, the department of social and health services, and the health care authority, shall develop and implement a rapid response team that is prepared to respond appropriately to support youth and young adults exiting a publicly funded system of care. As part of the development and implementation of the rapid response team, the department shall develop and implement a system for:

(a) Identifying youth and young adults that should be served by the rapid response team;

(b) Initiating use of the rapid response team in a timely manner that will allow for the best possible transition planning; and

(c) Locating services and connecting youth and young adults with those services to establish stability.

(2) The rapid response team developed under this section may provide assistance and support to youth and young adults who are at risk of becoming homeless and who are exiting a publicly funded system of care with the goal of securing appropriate housing and other supports for the youth or young adult. If there is no housing identified for a youth or young adult upon exit, the rapid response team shall meet before a youth or young adult transitions out of a publicly funded system of care to allow the youth or young adult to better prepare for the exit. The assistance and support provided under this subsection should occur as soon as possible, particularly
if a youth or young adult presents risk factors that place the youth
at higher risk of possible homelessness.

(3) Any of the following individuals may refer a youth or young
adult to the rapid response team:
(a) A youth or young adult themselves;
(b) A family member of a youth or young adult;
(c) An advocate for a youth or young adult;
(d) An educator;
(e) A law enforcement officer;
(f) An employee of the department or the office of homeless youth
prevention and protection programs;
(g) A service provider contracting with or licensed by the
department;
(h) A behavioral health service provider serving a youth or young
adult; or
(i) A service provider contracting with the office of homeless
youth prevention and protection programs.

(4) For the purposes of this section:
(a) "Publicly funded system of care" has the same meaning as
provided in RCW 43.330.720;
(b) "Rapid response team" means a team of representatives from
relevant state agencies that meet to respond to complex cases
involving a youth or young adult located anywhere in the state
exiting a publicly funded system of care to support those youth or
young adults with the goal of securing appropriate housing and other
supports for the youth or young adult. Services and supports under
this section must incorporate youth or young adult voice and choice.
The services under this section must be responsive to the individual
needs of each youth or young adult and may include, but are not
limited to:
(i) Behavioral health services;
(ii) Civil legal aid;
(iii) Peer support;
(iv) Family reconciliation or engagement services;
(v) Employment support;
(vi) Education support;
(vii) Case management;
(viii) Housing and financial support; or
(ix) Other navigation support to secure safe and stable housing;
(c) "Youth" and "young adult" have the same meaning as provided in RCW 43.330.702.

(5) By November 1, 2023, and annually thereafter, the department, in coordination with the office of homeless youth prevention and protection programs shall provide a report to the legislature and the governor including data and recommendations related to the rapid response team created in this section. The report required under this subsection must be submitted in compliance with RCW 43.01.036. The report required under this subsection must include the following:

(a) The number of people referred to the rapid response team and the types of people making referrals to the rapid response team;
