AN ACT Relating to updating and expanding the motion picture competitiveness program; amending RCW 43.365.005, 43.365.030, 43.365.020, 82.04.4489, 43.365.040, and 43.365.050; and repealing 2017 3rd sp.s. c 37 s 1101 (uncodified).

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 43.365.005 and 2006 c 247 s 1 are each amended to read as follows:

The legislature recognizes the motion picture industry in Washington as a valuable commodity contributing greatly to the economic vitality of the state and the cultural integrity of our communities. The legislature further recognizes the production of in-state motion pictures, television programs, and television commercials creates a marked increase in tourism, family-wage jobs, and the sale of local goods and services generating revenue for the state. Furthermore, with captive national and international audiences, the world is introduced to the state's pristine scenic venues and reminded that the Pacific Northwest is a great place to live and raise a family. The legislature also recognizes the inherent educational value of promoting arts and culture as well as the benefits of training young motion picture professionals who will build a fruitful industry for years to come.
The legislature finds in recent years that the state has realized a drastic decline in motion picture production that precludes economic expansion and threatens the state's reputation as a production destination. With the emergence of tax incentives in thirty other states nationwide, in-state producers are taking their projects to more competitive economic climates, such as Oregon and Vancouver, British Columbia, where compelling tax incentive packages and subsidies are already in effect.

The legislature also finds that in recent years increasingly workers in Washington state are without health insurance coverage and retirement income protections, causing hardships on workers and their families and higher costs to the state.

The legislature also finds that more investment in the film industry will increase revenue with Washington state businesses and create family-wage jobs that pay health and retirement benefits for Washington workers. With more investment in the film industry, Washington state would attract bigger budget productions, which would drive the formation of more film support businesses and significantly increase the labor force as the state builds capacity.

Therefore, it is the intent of the legislature to recognize both national and international competition in the motion picture production marketplace. The legislature is committed to leveling the competitive playing field and interested in a partnership with the private sector to regain Washington's place as a premier destination to make motion pictures, television, and television commercials. While at the same time the legislature is committed to ensuring that workers in the motion picture and television industry are covered under health insurance and retirement income plans.

Credits earned under this section may be claimed against taxes due for the calendar year in which the contribution is made. The amount of credit claimed for a reporting period may not exceed the tax otherwise due under this
chapter for that reporting period. No person may claim more than
($750,000) $1,000,000 of credit in any
calendar year, including credit carried over from a previous calendar

electronically file with the department all returns, forms, and any
other information required by the department, in an electronic format

must keep records necessary for the department to verify eligibility
under this section.

requirements in RCW 82.32.534 and 43.365.040.

(13) No credit may be earned for contributions made on or after
July 1, 2027.

Sec. 5. RCW 43.365.040 and 2012 c 189 s 5 are each amended to
read as follows:

(1) The legislature finds that accountability and effectiveness
are important aspects of setting tax policy. In order to make policy
choices regarding the best use of limited state resources the
legislature needs information on how incentives are used.

(2) Each motion picture production receiving funding assistance
under RCW 43.365.020 must report information to the department by
filing a complete annual survey. The survey is due by March 31st of
the year following any calendar year in which funding assistance
under RCW 43.365.020 is taken. The department may extend the due date
for timely filing of annual surveys under this section if failure to
file was the result of circumstances beyond the control of the motion
picture production receiving the funding assistance.
(3) The Washington motion picture competitiveness program established in RCW 43.365.030, in collaboration with the department and the department of revenue, and in consultation with the joint legislative audit and review committee, must develop a survey form and instructions that accompany the survey form by November 1, 2012. The instructions must provide sufficient detail to ensure consistent reporting. The survey must be designed to acquire data to allow the state to better measure the effectiveness of the program and to provide transparency of the motion picture competitiveness program. The survey must include:

(a) The total amount of taxes paid;
(b) The amount of taxes paid classified by type, which may include, but is not limited to, sales taxes, use taxes, business and occupation taxes, unemployment insurance taxes, and workers' compensation premiums;
(c) The amount of funding assistance received; and

   (iv) The number of employment positions that have employer-provided medical, dental, and retirement benefits; and
   (v) The number of employment positions filled by Washington state residents, and residency information for employment positions filled by people from other locations.

(4) The department may request additional information necessary to measure the results of the funding assistance program, to be submitted at the same time as the survey.

(5) If a person fails to submit an annual survey under subsection (2) of this section by the due date of the report or any extension the department must declare the amount of funding assistance for the previous calendar year to be immediately due and payable. The department must assess interest, but not penalties, on the amounts due under this section. The interest is assessed at the rate provided for delinquent taxes under chapter 82.32 RCW, retroactively to the
date the funding assistance was received, and accrues until the funding assistance is repaid.

(6) The department must use the information from this section to prepare summary descriptive statistics. The department must report these statistics to the legislature each even-numbered year by September 1st. The department must provide the complete annual surveys to the joint legislative audit and review committee, which shall perform a review as required under RCW 43.365.050.

(7) The motion picture competitiveness program must periodically audit and generally monitor the survey information submitted by production companies for completeness and accuracy.

Sec. 6. RCW 43.365.050 and 2006 c 247 s 7 are each amended to read as follows:

((The provisions of RCW 82.04.4489 are subject to review by the joint legislative audit and review committee.)) (1) It is the legislature's specific public policy objective to increase the viability of the motion picture and film industry and associated creative industries in Washington state. It is the legislature's intent to increase the credit available under RCW 82.04.4489 in order to attract additional motion picture and film projects, thereby increasing family-wage jobs.

(2) The joint legislative audit and review committee ((will)) must review and make a recommendation to the ((house finance committee and the senate ways and means committee)) fiscal committees of the legislature by December 1, ((2010)) 2026, regarding the effectiveness of the motion picture competitiveness program including, but not limited to, the amount of state revenue generated, the amount and number of family ((wages [wage])) -wage jobs with benefits created, adherence to the criteria in RCW 43.365.020, changes in Washington's share of the film employment market, and any other factors deemed appropriate by the joint legislative audit and review committee.

(3) In order to obtain the data necessary to perform the review in subsection (2) of this section, the joint legislative audit and review committee may refer to tax data provided to the department of revenue and the annual survey required under RCW 43.365.040.
NEW SECTION. Sec. 7. 2017 3rd sp.s. c 37 s 1101 (uncodified) is repealed.
