AN ACT Relating to establishing a building point of contact in all K-12 public schools for students in foster care; amending RCW 28A.320.148; and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature acknowledges that students in foster care often face additional challenges, both academically and emotionally. When students are connected with a caring adult, are attending school regularly, and have the supports they need, they are more likely to be successful in school and in life. Schools, child welfare agencies, communities, and families must work together to provide the equitable opportunities, specialized services, and useful supports that are essential for students in foster care. By establishing a building point of contact, the legislature intends to further support coordination of resources and facilitation of compliance with state and federal laws related to students who are dependent pursuant to chapter 13.34 RCW.

Sec. 2. RCW 28A.320.148 and 2018 c 139 s 3 are each amended to read as follows:

(1) Each school district must designate a foster care liaison to facilitate district compliance with state and federal laws related to
students ((in out-of-home care)) who are dependent pursuant to chapter 13.34 RCW and to collaborate with the department of children, youth, and families to address educational barriers for these students. The role and responsibilities of a foster care liaison may include:
