BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 54.28.040 and 2017 c 323 s 103 are each amended to read as follows:

(1) Before May 1st of each calendar year through calendar year 2018, the department of revenue must compute the tax imposed by this chapter for the last preceding calendar year and notify the district of the amount thereof, which shall be payable on or before the following June 1st.

(2) For tax reporting periods beginning on or after January 1, 2018, taxpayers must report the taxes due under RCW 54.28.020 and
54.28.025 on returns as prescribed by the department of revenue. Except as otherwise provided in this subsection (2), taxes imposed in RCW 54.28.020 and 54.28.025 are due for a taxpayer at the same time as the taxpayer's payment of taxes imposed under chapters 82.04 and 82.16 RCW. The department of revenue may allow taxpayers to report and pay the taxes due under RCW 54.28.020 and 54.28.025 on an annual basis, even if they report taxes imposed under chapters 82.04 and 82.16 RCW more frequently than annually. In such cases, the taxes imposed in RCW 54.28.020 and 54.28.025 are due ((at the same time as the taxes under chapters 82.04 and 82.16 RCW for the taxpayer's final reporting period for the calendar year)) on or before February 25th of the year immediately following the end of the year for which the taxes are being reported and paid.

(3) The department of revenue may require persons to report such information as needed by the department to administer this chapter.

(4)(a) Upon receipt of the amount of each tax imposed the department of revenue shall deposit the same with the state treasurer, who must deposit four percent of the revenues received under RCW 54.28.020(1) and 54.28.025(1) and all revenues received under RCW 54.28.020(2) and 54.28.025(2) in the general fund of the state and must distribute the remainder in the manner hereinafter set forth. The state treasurer must send a duplicate copy of each transmittal to the department of revenue.

(b) The state treasurer must distribute the taxes collected by the department under this chapter monthly at the same time distributions of local sales and use taxes are made in accordance with chapter 82.14 RCW.

Sec. 2. RCW 54.28.055 and 2017 3rd sp.s. c 28 s 502 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the department of revenue must instruct the state treasurer to distribute the amount collected under RCW 54.28.025(1) ((on the first business day of July)) as follows:

(a) Fifty percent to the state general fund for the support of schools; and

(b) Twenty-two percent to the counties, twenty-three percent to the cities, three percent to the fire protection districts, and two percent to the library districts.
(2) Each county, city, fire protection district, and library
district must receive a percentage of the amount for distribution to
counties, cities, fire protection districts, and library districts,
respectively, in the proportion that the population of such district
residing within the impacted area bears to the total population of
all such districts residing within the impacted area. For the
purposes of this chapter, the term "library district" includes only
regional libraries, rural county library districts, intercounty rural
library districts, and island library districts as those terms are
defined in RCW 27.12.010. The population of a library district, for
purposes of such a distribution, does not include any population
within the library district and the impact area that also is located
within a city or town.

(3) Distributions under this section must be adjusted as follows:
   (a) If any distribution pursuant to subsection (1)(b) of this
section cannot be made, then that share must be prorated among the
state and remaining local districts.
   (b) The department of revenue must instruct the state treasurer
to adjust distributions under this section, in whole or in part, to
account for each county's, city's, fire protection district's, and
library district's proportionate share of amounts previously
distributed under this section and subsequently refunded to a public
utility district under RCW 82.32.060.

(4) All distributions directed by this section to be made on the
basis of population must be calculated in accordance with population
data as last determined by the office of financial management.

Sec. 3. RCW 79.64.110 and 2019 c 415 s 985 and 2019 c 309 s 1
are each reenacted and amended to read as follows:

(1) Any moneys derived from the lease of state forestlands or
from the sale of valuable materials, oils, gases, coal, minerals, or
fossils from those lands, except as provided in RCW 79.64.130, or the
appraised value of these resources when transferred to a public
agency under RCW 79.22.060, except as provided in RCW 79.22.060(4),
must be distributed as follows:
   (a) For state forestlands acquired through RCW 79.22.040 or by
exchange for lands acquired through RCW 79.22.040:
      (i) The expense incurred by the state for administration,
reforestation, and protection, not to exceed twenty-five percent,
which rate of percentage shall be determined by the board, must be
returned to the forest development account created in RCW 79.64.100. During the 2017-2019 and 2019-2021 fiscal biennia, the board may increase the twenty-five percent limitation up to twenty-seven percent.

(ii) Any balance remaining must be paid to the county in which the land is located or, for counties participating in a land pool created under RCW 79.22.140, to each participating county proportionate to its contribution of asset value to the land pool as determined by the board. Payments made under this subsection are to be paid, distributed, and prorated, except as otherwise provided in this section, to the various funds in the same manner as general taxes are paid and distributed during the year of payment. However, in order to test county flexibility in distributing state forestland revenue, a county may in its discretion pay, distribute, and prorate payments made under this subsection of moneys derived from state forestlands acquired by exchange between July 28, 2019, and June 30, 2020, for lands acquired through RCW 79.22.040, within the same county, in the same manner as general taxes are paid and distributed during the year of payment for the former state forestlands that were subject to the exchange.

(iii) Any balance remaining, paid to a county with a population of less than sixteen thousand, must first be applied to the reduction of any indebtedness existing in the current expense fund of the county during the year of payment.

(iv) With regard to moneys remaining under this subsection (1)(a), within seven working days of receipt of these moneys, the department shall certify to the state treasurer the amounts to be distributed to the counties. The state treasurer shall distribute funds to the counties four times per month, with no more than ten days between each payment date.

(b) For state forestlands acquired through RCW 79.22.010 or by exchange for lands acquired through RCW 79.22.010, except as provided in RCW 79.64.120:

(i) Fifty percent shall be placed in the forest development account.

(ii) Fifty percent shall be prorated and distributed to the state general fund, to be dedicated for the benefit of the public schools, to the county in which the land is located or, for counties participating in a land pool created under RCW 79.22.140, to each participating county proportionate to its contribution of asset value.
to the land pool as determined by the board, and according to the relative proportions of tax levies of all taxing districts in the county. The portion to be distributed to the state general fund shall be based on the regular school levy rate under RCW 84.52.065 (1) and (2) and the levy rate for any ((maintenance and operation special)) school district enrichment levies. With regard to the portion to be distributed to the counties, the department shall certify to the state treasurer the amounts to be distributed within seven working days of receipt of the money. The state treasurer shall distribute funds to the counties four times per month, with no more than ten days between each payment date. The money distributed to the county must be paid, distributed, and prorated to the various other funds in the same manner as general taxes are paid and distributed during the year of payment.

(2) A school district may transfer amounts deposited in its debt service fund pursuant to this section into its capital projects fund as authorized in RCW 28A.320.330.

Sec. 4. RCW 82.04.051 and 2020 c 109 s 2 are each amended to read as follows:

(1) As used in RCW 82.04.050 and including for the purposes of the taxes imposed in chapter 82.08 RCW in addition to the taxes imposed in this chapter, the term "services rendered in respect to" means, in the context of constructing, building, repairing, improving, and decorating buildings or other structures, those services that are directly related to the constructing, building, repairing, improving, and decorating of buildings or other structures and that are performed by a person who is responsible for the performance of the constructing, building, repairing, improving, or decorating activity. The term does not include services such as engineering, architectural, surveying, flagging, accounting, legal, consulting, land development or management, or administrative services provided to the consumer of, or person responsible for performing, the constructing, building, repairing, improving, or decorating services.

(2) A contract or agreement under which a person is responsible for both services that would otherwise be subject to tax as a service under RCW 82.04.290(2) and also constructing, building, repairing, improving, or decorating activities that would otherwise be subject to tax under another section of this chapter is subject to the tax
that applies to the predominant activity under the contract or agreement.

(3) Unless otherwise provided by law, a contract or agreement under which a person is responsible for activities that are subject to tax as a service under RCW 82.04.290(2), and a subsequent contract or agreement under which the same person is responsible for constructing, building, repairing, improving, or decorating activities subject to tax under another section of this chapter, shall not be combined and taxed as a single activity if at the time of the first contract or agreement it was not contemplated by the parties, as evidenced by the facts, that the same person would be awarded both contracts.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Land development or management" means site identification, zoning, permitting, and other preconstruction regulatory services provided to the consumer of the constructing, building, repairing, improving, or decorating services. This includes, but is not limited to, acting as an owner's representative during any design or construction period, including recommending a contractor, monitoring the budget and schedule, approving invoices, and interacting on the behalf of the consumer with the person who has control over the work itself or responsible for the performance of the work.

(b) "Responsible for the performance" means that the person is obligated to perform the activities, either personally or through a third party. A person who reviews work for a consumer, retailer, or wholesaler but does not supervise or direct the work is not responsible for the performance of the work. A person who is financially obligated for the work, such as a bank, but who does not have control over the work itself is not responsible for the performance of the work.

Sec. 5. RCW 82.04.220 and 2019 c 8 s 103 are each amended to read as follows:

(1) There is levied and collected from every person that has a substantial nexus with this state, as provided in RCW 82.04.067, a tax for the act or privilege of engaging in business activities. For purposes of this subsection (12)(d), "selling standing timber" means the sale of timber apart from the land, where the buyer is required to sever the timber within thirty months from the date of the original contract, regardless of the method of payment for the timber and whether title to the timber transfers before, upon, or after severance.

(e) For purposes of this subsection, the following definitions apply:

(i) "Biocomposite surface products" means surface material products containing, by weight or volume, more than fifty percent recycled paper and that also use nonpetroleum-based phenolic resin as a bonding agent.

(ii) "Paper and paper products" means products made of interwoven cellulosic fibers held together largely by hydrogen bonding. "Paper and paper products" includes newsprint; office, printing, fine, and pressure-sensitive papers; paper napkins, towels, and toilet tissue; kraft bag, construction, and other kraft industrial papers; paperboard, liquid packaging containers, containerboard, corrugated, and solid-fiber containers including linerboard and corrugated medium; and related types of cellulosic products containing primarily, by weight or volume, cellulosic materials. (iii) "Recycled paper" means paper and paper products having fifty percent or more of their fiber content that comes from postconsumer waste. For purposes of this subsection (12)(e)(iii),
"postconsumer waste" means a finished material that would normally be disposed of as solid waste, having completed its life cycle as a consumer item.

(iv) "Timber" means forest trees, standing or down, on privately or publicly owned land. "Timber" does not include Christmas trees that are cultivated by agricultural methods or short-rotation hardwoods as defined in RCW 84.33.035.

(f) Except for small harvesters as defined in RCW 84.33.035, a person reporting under the tax rate provided in this subsection (12) must file a complete annual tax performance report with the department under RCW 82.32.534.

(g) Nothing in this subsection (12) may be construed to affect the taxation of any activity defined as a retail sale in RCW 82.04.050(2) (b) or (c), defined as a wholesale sale in RCW 82.04.060(2), or taxed under RCW 82.04.280(1)(g).

(13) Upon every person engaging within this state in inspecting, testing, labeling, and storing canned salmon owned by another person, as to such persons, the amount of tax with respect to such activities is equal to the gross income derived from such activities multiplied by the rate of 0.484 percent.

(14)(a) Upon every person engaging within this state in the business of printing a newspaper, publishing a newspaper, or both, the amount of tax on such business is equal to the gross income of the business multiplied by the rate of 0.35 percent until July 1, 2024, and 0.484 percent thereafter.

(b) A person reporting under the tax rate provided in this subsection (14) must file a complete annual tax performance report with the department under RCW 82.32.534.
Sec. 8. RCW 82.04.261 and 2019 c 336 s 5 are each amended to read as follows:

(1) In addition to the taxes imposed under RCW 82.04.260(12), a surcharge is imposed on those persons who are subject to any of the taxes imposed under RCW 82.04.260(12). Except as otherwise provided in this section, the surcharge is equal to 0.052 percent. The surcharge is added to the rates provided in RCW 82.04.260(12) (a), (b), (c), and (d).

(2) All receipts from the surcharge imposed under this section must be deposited into the forest and fish support account created in RCW 76.09.405, with any receipts above eight million dollars per biennium specifically used as additional funding for tribal participation grants.

(3)(a) The surcharge imposed under this section is suspended if:
   (i) Before July 1, 2024, receipts from the surcharge total at least eight million five hundred thousand dollars during any fiscal biennium;
   (ii) Between July 1, 2024, through June 30, 2029, receipts from the surcharge total at least nine million dollars during any fiscal biennium; and
   (iii) After June 30, 2029, the receipts from the surcharge total at least nine million five hundred thousand dollars during any fiscal biennium.

(b) The suspension of the surcharge under this subsection (3) takes effect on the first day of the calendar month that is at least thirty days after the end of the month during which the department determines that receipts from the surcharge total the values specified in this subsection (3) during the fiscal biennium. The surcharge is imposed again at the beginning of the following fiscal biennium.

(4) This section expires July 1, 2045.

Sec. 9. RCW 82.04.2907 and 2015 3rd sp.s. c 5 s 101 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of receiving income from royalties, the amount of tax with respect to the business is equal to the gross income from royalties multiplied by the rate (provided in RCW 82.04.290(2)(a)) of 1.5 percent.

(2) For the purposes of this section, "gross income from royalties" means compensation for the use of intangible property,
including charges in the nature of royalties, regardless of where the intangible property will be used. For purposes of this subsection, "intangible property" includes copyrights, patents, licenses, franchises, trademarks, trade names, and similar items. "Gross income from royalties" does not include compensation for any natural resource, the licensing of prewritten computer software to the end user, or the licensing of digital goods, digital codes, or digital automated services to the end user as defined in RCW 82.04.190(11).

Sec. 10. RCW 82.08.0531 and 2019 c 8 s 201 are each amended to read as follows:

(1) For purposes of this chapter and chapters 82.04 and 82.12 RCW, a marketplace facilitator is deemed to be an agent of any marketplace seller making retail sales through the marketplace facilitator's marketplace.

(2) Beginning October 1, 2018, marketplace facilitators subject to a tax collection obligation under RCW 82.08.052 (1) or (2) must collect and remit to the department retail sales tax on all taxable retail sales made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller is subject to a tax collection obligation under RCW 82.08.052 (1) or (2). Beginning January 1, 2020, the collection obligation of a marketplace facilitator under this chapter also applies to any other taxes and fees, as defined under RCW 82.02.260, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation under RCW 82.08.052 (1) or (2).

(3) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this chapter and chapter 82.13 RCW. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's marketplace. The department may prescribe by rule the form and manner for providing this information.

(4)(a) Beginning July 1, 2019, to ensure that marketplace sellers have the necessary information to timely and accurately file their excise tax returns with the department pursuant to RCW 82.32.045, a
marketplace facilitator must, at a minimum, provide each of its marketplace sellers with access, through a written report or other means, to gross sales information for all Washington sales made as an agent of the marketplace seller under this section during the immediately preceding month. Marketplace facilitators must provide such access within fifteen calendar days following the end of each month.

(b) If a marketplace seller does not receive the gross sales information for all Washington sales through a marketplace facilitator, as required under (a) of this subsection (4), the marketplace seller may determine its business and occupation tax liability under chapter 82.04 RCW based on a reasonable method of estimating Washington sales as may be required or approved by the department.

(c) For purposes of this subsection, "Washington sales" means any sale sourced to this state under RCW 82.32.730, regardless of whether the sale is a retail sale.

(5) If a marketplace facilitator has fully complied with the requirements of subsection (4)(a) of this section, the marketplace facilitator is relieved of liability under this chapter and chapter 82.12 RCW for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. Where the marketplace facilitator is relieved of liability under this subsection (5), the marketplace seller is solely liable for the amount of uncollected tax due.

(6)(a) Subject to the limits in (b) and (c) of this subsection (6), a marketplace facilitator that has fully complied with the requirements of subsection (4)(a) of this section is relieved of liability under this chapter and chapter 82.12 RCW for the failure to collect tax on taxable retail sales to the extent that the marketplace facilitator can show to the department's satisfaction that:

(i) The taxable retail sale was made through the marketplace facilitator's marketplace;

(ii) The taxable retail sale was made solely as the agent of a marketplace seller, and the marketplace facilitator and marketplace seller are not affiliated persons; and
(iii) The failure to collect sales tax was not due to an error in sourcing the sale under RCW 82.32.730.

(b) Liability relief for a marketplace facilitator under (a) of this subsection (6) for a calendar year is limited as follows:
   (i) For calendar year 2018, the liability relief may not exceed ten percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales facilitated by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.
   (ii) For calendar year 2019, the liability relief may not exceed five percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.
   (iii) The provisions of this subsection (6) do not apply to retail sales made after December 31, 2019.

(c) For purposes of this subsection (6), a retail sale is deemed to be facilitated by a marketplace facilitator when the marketplace facilitator either:
   (i) Accepts the order for the product;
   (ii) Communicates to the marketplace seller the buyer's offer to purchase the product;
   (iii) Accepts the buyer's payment for the product; or
   (iv) Delivers or arranges for delivery of the product.

(d) Where the marketplace facilitator ((or referrer)) is relieved of liability under this subsection (6), the marketplace seller is also relieved of liability for the amount of uncollected tax due, subject to the limitations in subsection (7) of this section.

(e) The department may by rule determine the manner in which a taxpayer may claim the liability relief provided under this subsection.

(7) Except as otherwise provided in this section, a marketplace seller obligated to collect the taxes imposed under this chapter and chapter 82.12 RCW is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller has obtained documentation from the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this chapter and chapter 82.12 RCW on all taxable retail sales made on behalf of the marketplace seller through
the marketplace operated by the marketplace facilitator. The
documentation required by this subsection (7) must be provided in a
form and manner prescribed by or acceptable to the department. This
subsection (7) does not relieve a marketplace seller from liability
for uncollected taxes due under this chapter or chapter 82.12 RCW
resulting from a marketplace facilitator's failure to collect the
proper amount of tax due when the error was due to incorrect
information given to the marketplace facilitator by the marketplace
seller.

(8) No class action may be brought against a marketplace
facilitator in any court of this state on behalf of purchasers
arising from or in any way related to an overpayment of sales or use
tax collected by the marketplace facilitator, regardless of whether
that claim is characterized as a tax refund claim. Nothing in this
subsection affects a purchaser's right to seek a refund from the
department as provided under chapter 82.32 RCW.

(9) Nothing in this section affects the obligation of any
purchaser to remit sales or use tax and any other applicable taxes
and fees, as to any applicable taxable transaction in which the
seller or the seller's agent does not collect and remit sales tax.

Sec. 11. RCW 82.08.956 and 2013 2nd sp.s. c 13 s 1002 are each
amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of
hog fuel used to produce electricity, steam, heat, or biofuel. This
exemption is available only if the buyer provides the seller with an
exemption certificate in a form and manner prescribed by the
department. The seller must retain a copy of the certificate for the
seller's files.

(2) For the purposes of this section the following definitions
apply:

(a) "Hog fuel" means wood waste and other wood residuals
including forest derived biomass. "Hog fuel" does not include
firewood or wood pellets; and

(b) "Biofuel" (has the same meaning as provided in RCW
43.325.010) means a liquid or gaseous fuel derived from organic
matter intended for use as a transportation fuel including, but not
limited to, biodiesel, renewable diesel, ethanol, renewable natural
gas, and renewable propane.
(3) If a taxpayer who claimed an exemption under this section closes a facility in Washington for which employment positions were reported under RCW 82.32.605, resulting in a loss of jobs located within the state, the department must declare the amount of the tax exemption claimed under this section for the previous two calendar years to be immediately due.

(4) This section expires June 30, 2024.

Sec. 12. RCW 82.08.9651 and 2020 c 139 s 17 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of gases and chemicals used by a manufacturer or processor for hire in the production of semiconductor materials. This exemption is limited to gases and chemicals used in the production process to grow the product, deposit or grow permanent or sacrificial layers on the product, to etch or remove material from the product, to anneal the product, to immerse the product, to clean the product, and other such uses whereby the gases and chemicals come into direct contact with the product during the production process, or uses of gases and chemicals to clean the chambers and other like equipment in which such processing takes place. For the purposes of this section, "semiconductor materials" has the meaning provided in RCW 82.04.2404 and 82.04.294(3).

(2) A person claiming the exemption under this section must file a complete annual tax performance report with the department under RCW 82.32.534.

(3) No application is necessary for the tax exemption. The person is subject to all of the requirements of chapter 82.32 RCW.

(4) Any person who has claimed the exemption under this section must reimburse the department for fifty percent of the amount of the tax preference under this section, if((+

(a) The) the number of persons employed by the person claiming the tax preference is less than ninety percent of the person's three-year employment average for the three years immediately preceding the year in which the exemption is claimed((+

(b) The person is subject to a review under section 501(4)(a), chapter 37, Laws of 2017 3rd sp. sess. and such person does not meet performance criteria in section 501(4)(a), chapter 37, Laws of 2017 3rd sp. sess)).

(5) This section expires December 1, 2028.

(1) Beginning August 1, 2019, with sales made or lease agreements signed on or after the qualification period start date:

(a) The tax levied by RCW 82.08.020 does not apply as provided in

(b) of this subsection to sales or leases of new or used passenger cars, light duty trucks, and medium duty passenger vehicles that:

(i) Are exclusively powered by a clean alternative fuel; or

(ii) Use at least one method of propulsion that is capable of being reenergized by an external source of electricity and are capable of traveling at least thirty miles using only battery power; and

(B) Have a fair market value at the inception of the lease for leased vehicles that:

(I) For a vehicle that is a new vehicle at the time of the purchase date or the date the lease agreement was signed, does not exceed forty-five thousand dollars; or

This information must be provided in a form and manner prescribed by the department.

(3)(a) The department of licensing must maintain and publish a list of all vehicle models qualifying for the tax exemptions under this section or RCW 82.12.9999 until the expiration date of this section, and is authorized to issue final rulings on vehicle model qualification for these criteria. A seller is not responsible for repayment of the tax exemption under this section and RCW 82.12.9999 for a vehicle if the department of licensing's published list of qualifying vehicle models on the purchase date or the date the lease agreement was signed includes the vehicle model and the department of licensing subsequently removes the vehicle model from the published list, and, if applicable, the vehicle meets the qualifying criterion under subsection (1)(a)(iii)(B) of this section and RCW 82.12.9999(1)(a)(iii)(B).

(b) The department of revenue retains responsibility for determining whether a vehicle meets the applicable qualifying criterion under subsection (1)(a)(iii)(B) of this section and RCW 82.12.9999(1)(a)(iii)(B).
(4) On the last day of January, April, July, and October of each year, the state treasurer, based upon information provided by the department, must transfer from the electric vehicle account to the general fund a sum equal to the dollar amount that would otherwise have been deposited into the general fund during the prior calendar quarter but for the exemption provided in this section. Information provided by the department to the state treasurer must be based on the best available data, except that the department may provide estimates of taxes exempted under this section until such time as retailers are able to report such exempted amounts on their tax returns.

(5) By the last day of October 2019, and every six months thereafter until this section expires, based on the best available data, the department must report the following information to the transportation committees of the legislature: The cumulative number of vehicles that qualified for the exemption under this section and RCW 82.12.9999 by month of purchase or lease start and vehicle make and model; the dollar amount of all state retail sales and use taxes exempted on or after the qualification period start date, under this section and RCW 82.12.9999; and estimates of the future costs of leased vehicles that qualified for the exemption under this section and RCW 82.12.9999.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

qualification period end date do not qualify for the exemption under this section.

(b) All leased vehicles that qualified for the exemption under this section before the qualification period end date must continue to receive the exemption as described under subsection (1)(b) of this section on any lease payments due through the remainder of the lease before August 1, 2028.

(8) This section expires August 1, 2028.

(9) This section is supported by the revenues generated in RCW 46.17.324, and therefore takes effect only if RCW 46.17.324 is enacted by June 30, 2019.

Sec. 14. RCW 82.12.010 and 2017 c 323 s 519 are each amended to read as follows:

For the purposes of this chapter:

(1) The meaning ascribed to words and phrases in chapters 82.04 and 82.08 RCW, insofar as applicable, has full force and effect with respect to taxes imposed under the provisions of this chapter. "Consumer," in addition to the meaning ascribed to it in chapters 82.04 and 82.08 RCW insofar as applicable, also means any person who distributes or displays, or causes to be distributed or displayed, any article of tangible personal property, except newspapers, the primary purpose of which is to promote the sale of products or services. With respect to property distributed to persons within this state by a consumer as defined in this subsection (1), the use of the property is deemed to be by such consumer.

(ii) "Retailer" does not include a professional employer organization when a covered employee coemployed with the client under the terms of a professional employer agreement engages in activities that constitute a sale of tangible personal property, extended warranty, digital good, digital code, or a sale of any digital product.
automated service or service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6)(c) that is subject to the tax imposed by this chapter. In such cases, the client, and not the professional employer organization, is deemed to be the retailer and is responsible for collecting and remitting the tax imposed by this chapter.

(b) For the purposes of (a) of this subsection, the terms "client," "covered employee," "professional employer agreement," and "professional employer organization" have the same meanings as in RCW 82.04.540.

(5) "Taxpayer" and "purchaser" include all persons included within the meaning of the word "buyer" and the word "consumer" as defined in chapters 82.04 and 82.08 RCW.

(6) "Use," "used," "using," or "put to use" have their ordinary meaning, and mean:

(a) With respect to tangible personal property, except (for natural gas and manufactured gas) as otherwise provided in this subsection (6), the first act within this state by which the taxpayer takes or assumes dominion or control over the article of tangible personal property (as a consumer), and include installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption within this state;

(b) With respect to a service defined in RCW 82.04.050(2)(a), the first act within this state after the service has been performed by which the taxpayer takes or assumes dominion or control over the article of tangible personal property upon which the service was performed (as a consumer), and includes installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption of the article within this state;

(c) With respect to an extended warranty, the first act within this state after the extended warranty has been acquired by which the taxpayer takes or assumes dominion or control over the article of tangible personal property to which the extended warranty applies, and includes installation, storage, withdrawal from storage, distribution, or any other act preparatory to subsequent actual use or consumption of the article within this state;

(d) With respect to a digital good or digital code, the first act within this state by which the taxpayer, as a consumer, views,
accesses, downloads, possesses, stores, opens, manipulates, or otherwise uses or enjoys the digital good or digital code;

(e) With respect to a digital automated service, the first act within this state by which the taxpayer, as a consumer, uses, enjoys, or otherwise receives the benefit of the service;

(f) With respect to a service defined as a retail sale in RCW 82.04.050(6)(c), the first act within this state by which the taxpayer, as a consumer, accesses the prewritten computer software;

(g) With respect to a service defined as a retail sale in RCW 82.04.050(2)(g), the first act within this state after the service has been performed by which the taxpayer, as a consumer, views, accesses, downloads, possesses, stores, opens, manipulates, or otherwise uses or enjoys the digital good upon which the service was performed; (and)

(h) With respect to natural gas or manufactured gas, the use of which is taxable under RCW 82.12.022, including gas that is also taxable under the authority of RCW 82.14.230, the first act within this state by which the taxpayer consumes the gas by burning the gas or storing the gas in the taxpayer's own facilities for later consumption by the taxpayer; and

(i) With respect to tangible personal property identified under RCW 82.32.730 (4) and (7) (a), (b), and (c), the first act within this state after the property arrives at its usual location by which the taxpayer exercises dominion or control over the property as a consumer, including any of the activities described in (a) of this subsection. For purposes of this subsection (6)(i), "usual location" means the place where the property, when in this state, is primarily hangered, moored, anchored, garaged, or otherwise kept.

(7)(a) "Value of the article used" is the purchase price for the article of tangible personal property, the use of which is taxable under this chapter. The term also includes, in addition to the purchase price, the amount of any tariff or duty paid with respect to the importation of the article used. In case the article used is acquired by lease or by gift or is extracted, produced, or manufactured by the person using the same or is sold under conditions wherein the purchase price does not represent the true value thereof, the value of the article used is determined as nearly as possible according to the retail selling price at place of use of similar products of like quality and character under such rules as the department may prescribe.
(b) In case the articles used are acquired by bailment, the value of the use of the articles so used must be in an amount representing a reasonable rental for the use of the articles so bailed, determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department of revenue may prescribe. (d) In the case of articles manufactured or produced by the user and used in the manufacture or production of products sold or to be sold to the department of defense of the United States, the value of the articles used is determined according to the value of the ingredients of such articles.

(e) In the case of an article manufactured or produced for purposes of serving as a prototype for the development of a new or improved product, the value of the article used is determined by: (i) The retail selling price of such new or improved product when first

(1) The repeal, expiration, or amendment of a law imposing a tax, or any penalty or interest on a tax, does not extinguish or otherwise affect a taxpayer's liability for payment of such tax, penalty, or interest, where such liability accrued before the effective date of such repeal, expiration, or amendment, unless a contrary intention is clearly expressed in law.

(2) The repeal, expiration, or amendment of a law providing a tax preference or relief from a tax, penalty, or interest obligation, does not extinguish or otherwise affect a taxpayer's entitlement to claim such tax preference or relief from tax, penalty, or interest, for taxes, penalties, and interest accruing before the effective date of such repeal, expiration, or amendment, unless a contrary intention is clearly expressed in law.

(3) The department may not assess use tax against a taxpayer receiving the benefit of a use tax exemption solely by reason of the expiration or repeal of that use tax exemption, unless a contrary intention is clearly expressed in law.

(4) For purposes of this section, the following definitions apply:

(a) "Liability" means that the obligation for payment of a tax, penalty, or interest has been incurred by a taxpayer, regardless of when the tax, penalty, or interest is payable or whether the amount due has been established.

(b) "Tax" has the same meaning as in RCW 82.32.020.

(c) "Tax preference" means an exemption, exclusion, or deduction from the base of a tax; a credit against a tax; a deferral of a tax; or a preferential tax rate.

(d) "Use tax" means the state use tax imposed under chapter 82.12 RCW, including the tax imposed under RCW 82.12.022, and any associated local use tax imposed under the authority of RCW 81.104.170, chapter 82.14 RCW, or other provision of state law.

(c) "Tax information" means (i) a taxpayer's identity, (ii) the nature, source, or amount of the taxpayer's income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability deficiencies, overassessments, or tax payments, whether taken from the taxpayer's books and records or any other source, (iii) whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing, (iv) a part of a written determination that is not designated as a precedent and disclosed pursuant to RCW 82.32.410, or a background file document relating to a written determination, and (v) other data received by, recorded by, prepared by, furnished to, or collected by the department of revenue with respect to the determination of the existence, or possible existence, of liability, or the amount thereof, of a person under the laws of this state for a tax, penalty, interest, fine, forfeiture, or other imposition, or offense. However, data, material, or documents that do not disclose information related to a specific or identifiable taxpayer do not constitute tax information under this section. Except as provided by RCW 82.32.410, nothing in this chapter requires any person possessing data, material, or documents made confidential and privileged by this section to delete information from such data, material, or documents so as to permit its disclosure;

(d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency;

(e) "Taxpayer identity" means the taxpayer's name, address, telephone number, registration number, or any combination thereof, or any other information disclosing the identity of the taxpayer; and

However, tax information not received from the taxpayer must not be so disclosed if the director determines that such disclosure would compromise any investigation or litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the taxpayer or another person, or that such disclosure would identify a confidential informant, or that such disclosure is contrary to any agreement entered into by the department that provides for the reciprocal exchange of information with other government agencies which agreement requires confidentiality with respect to such information unless such information is required to be disclosed to the taxpayer by the order of any court;

(c) Disclosing the name of a taxpayer against whom a warrant under RCW 82.32.210 has been either issued or filed and remains outstanding for a period of at least ten working days. A peace officer or county prosecuting attorney who receives the return or tax information may disclose that return or tax information only for use in the investigation and a related court proceeding, or in the court proceeding for which the return or tax information originally was sought;

(h) Disclosing any such return or tax information to the proper officer of the internal revenue service of the United States, the Canadian government or provincial governments of Canada, or to the proper officer of the tax department of any state or city or town or county, for official purposes, but only if the statutes of the United States, Canada or its provincial governments, or of such other state or city or town or county, as the case may be, grants substantially similar privileges to the proper officers of this state;

(4)(a) The department may disclose return or taxpayer information to a person under investigation or during any court or administrative proceeding against a person under investigation as provided in this subsection (4). The disclosure must be in connection with the department's official duties relating to an audit, collection activity, or a civil or criminal investigation. The disclosure may occur only when the person under investigation and the person in possession of data, materials, or documents are parties to the return or tax information to be disclosed. The department may disclose return or tax information such as invoices, contracts, bills, statements, resale or exemption certificates, or checks. However, the department may not disclose general ledgers, sales or cash receipt journals, check registers, accounts receivable/payable ledgers, general journals, financial statements, expert's workpapers, income tax returns, state tax returns, tax return workpapers, or other similar data, materials, or documents.

(b) Before disclosure of any tax return or tax information under this subsection (4), the department must, through written correspondence, inform the person in possession of the data, materials, or documents to be disclosed. The correspondence must clearly identify the data, materials, or documents to be disclosed. The department may not disclose any tax return or tax information

(c) The person in possession of the data, materials, or documents to be disclosed by the department has twenty days from the receipt of the written request required under (b) of this subsection to petition the superior court of the county in which the petitioner resides for injunctive relief. The court must limit or deny the request of the department if the court determines that:

(i) The data, materials, or documents sought for disclosure are cumulative or duplicative, or are obtainable from some other source that is more convenient, less burdensome, or less expensive;

(ii) The production of the data, materials, or documents sought would be unduly burdensome or expensive, taking into account the needs of the department, the amount in controversy, limitations on the petitioner's resources, and the importance of the issues at stake; or

(iii) The data, materials, or documents sought for disclosure contain trade secret information that, if disclosed, could harm the petitioner.

(d) The department must reimburse reasonable expenses for the production of data, materials, or documents incurred by the person in possession of the data, materials, or documents to be disclosed.

Notwithstanding anything else to the contrary in this section, a person served with a subpoena under RCW 82.32.117 may disclose the existence or content of the subpoena to that person's legal counsel.

(6) Any person acquiring knowledge of any return or tax information in the course of his or her employment with the department of revenue and any person acquiring knowledge of any return or tax information as provided under subsection (3) (e), (f), (g), (h), (i), ((m)), (v), and (w) of this section, who discloses any such return or tax information to another person not entitled to knowledge of such return or tax information under the provisions of this section, is guilty of a misdemeanor. SB 5251
guilty of such violation is an officer or employee of the state, such 
person must forfeit such office or employment and is incapable of 
holding any public office or employment in this state for a period of 
two years thereafter.

Sec. 21. RCW 82.32.534 and 2017 c 135 s 1 are each amended to 
read as follows:

(1)(a)(i) Beginning in calendar year 2018, every person claiming 
a tax preference that requires an annual tax performance report under 
this section must file a complete annual report with the department. 
The report is due by May 31st of the year following any calendar year 
in which a person becomes eligible to claim the tax preference that 
requires a report under this section.

(ii) If the tax preference is a deferral of tax, the first annual 
tax performance report must be filed by May 31st of the calendar year 
following the calendar year in which the investment project is 
certified by the department as operationally complete, and an annual 
tax performance report must be filed by May 31st of each of the seven 
succeeding calendar years.

(iii) The department may extend the due date for timely filing of 
annual reports under this section as provided in RCW 82.32.590.

(b) The report must include information detailing employment and 
wages for employment positions in Washington for the year that the 
tax preference was claimed. However, persons engaged in manufacturing 
commercial airplanes or components of such airplanes may report 
employment(, and wage(, and benefit)) information per job at the 
manufacturing site for the year that the tax preference was claimed. 
The report must not include names of employees. The report must also 
detail employment by the total number of full-time, part-time, and 
temporary positions for the year that the tax preference was claimed. 
In lieu of reporting employment and wage data required under this 
subsection, taxpayers may instead opt to allow the employment 
security department to release the same employment and wage 
information from unemployment insurance records to the department and 
the joint legislative audit and review committee. This option is 
intended to reduce the reporting burden for taxpayers, and each 
taxpayer electing to use this option must affirm that election in 
accordance with procedures approved by the employment security 
department.
(c) Persons receiving the benefit of the tax preference provided by RCW 82.16.0421 or claiming any of the tax preferences provided by RCW 82.04.2909, 82.04.4481, 82.08.805, 82.12.805, or 82.12.022(5) must indicate on the annual report the quantity of product produced in this state during the time period covered by the report.

(d) If a person filing a report under this section did not file a report with the department in the previous calendar year, the report filed under this section must also include employment((r)) and wage((r)) and benefit) information for the calendar year immediately preceding the calendar year for which a tax preference was claimed.

(2)(a) As part of the annual report, the department and the joint legislative audit and review committee may request additional information necessary to measure the results of, or determine eligibility for, the tax preference.

(b) The report must include the amount of the tax preference claimed for the calendar year covered by the report. For a person that claimed an exemption provided in RCW 82.08.025651 or 82.12.025651, the report must include the amount of tax exempted under those sections in the prior calendar year for each general area or category of research and development for which exempt machinery and equipment and labor and services were acquired in the prior calendar year.

(3) Other than information requested under subsection (2)(a) of this section, the information contained in an annual report filed under this section is not subject to the confidentiality provisions of RCW 82.32.330 and may be disclosed to the public upon request.

(4)(a) Except as otherwise provided by law, if a person claims a tax preference that requires an annual report under this section but fails to submit a complete report by the due date or any extension under RCW 82.32.590, the department must declare:

(i) Thirty-five percent of the amount of the tax preference claimed for the previous calendar year to be immediately due and payable;

(ii) An additional fifteen percent of the amount of the tax preference claimed for the previous calendar year to be immediately due and payable if the person has previously been assessed under this subsection (4) for failure to submit a report under this section for the same tax preference; and

(iii) If the tax preference is a deferral of tax, the amount immediately due under this subsection is twelve and one-half percent
of the deferred tax. If the economic benefits of the deferral are passed to a lessee, the lessee is responsible for payment to the extent the lessee has received the economic benefit.

(b) The department may not assess interest or penalties on amounts due under this subsection.

(5) The department must use the information from this section to prepare summary descriptive statistics by category. No fewer than three taxpayers may be included in any category. The department must report these statistics to the legislature each year by December 31st.

(6) For the purposes of this section:

(a) "Person" has the meaning provided in RCW 82.04.030 and also includes the state and its departments and institutions.

(b) "Tax preference" has the meaning provided in RCW 43.136.021 and includes only the tax preferences requiring a report under this section.

Sec. 22. RCW 82.32.805 and 2020 c 139 s 57 are each amended to read as follows:

(1)(a) Except as otherwise provided in this section, every new tax preference expires on the first day of the calendar year that is subsequent to the calendar year that is ten years from the effective date of the tax preference. With respect to any new property tax exemption, the exemption does not apply to taxes levied for collection beginning in the calendar year that is subsequent to the calendar year that is ten years from the effective date of the tax preference.

(b) If a new tax preference applies to both a state tax and a corresponding local tax that the department administers, such as a state and local sales and use tax exemption, the expiration of that new tax preference under this subsection applies to both the state and local tax.

(c) A future amendment that expands a tax preference does not extend the tax preference beyond the period provided in this subsection unless an extension is expressly and unambiguously stated in the amendment.

(2) Subsection (1) of this section does not apply if legislation creating a new tax preference includes an expiration date for the new tax preference or an exemption from this section in its entirety or
from the provisions of subsection (1) of this section, whether or not such exemption is codified.

(3) Subsection (1) of this section does not apply to any existing tax preference that is amended to clarify an ambiguity or correct a technical inconsistency. Future enacted legislation intended to make such clarifications or corrections must explicitly indicate this intent.

(4) For the purposes of this section, the following definitions apply:

(a) "New tax preference" means a tax preference that initially takes effect after August 1, 2013, or a tax preference in effect as of August 1, 2013, that is expanded or extended after August 1, 2013, even if the expanding or extending amendment includes any other change to the tax preference.

(b) "Tax preference" has the same meaning as in RCW 43.136.021 with respect to any state tax administered by the department, except does not include the Washington estate and transfer tax in chapter 83.100 RCW.

(5) The department must provide written notice to the office of the code reviser of a ten-year expiration date required under this section for a new tax preference.

Sec. 23. RCW 84.40.130 and 2012 c 59 s 1 are each amended to read as follows:

(1) If any person or corporation fails or refuses to deliver to the assessor, on or before the date specified in RCW 84.40.040, a list of the taxable personal property which is required to be listed under this chapter, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there must be added to the amount of tax assessed against the taxpayer on account of such personal property five percent of the amount of such tax, not to exceed fifty dollars per calendar day, if the failure is for not more than one month, with an additional five percent for each additional month or fraction thereof during which such failure continues not exceeding twenty-five percent in the aggregate. Such penalty must be collected in the same manner as the tax to which it is added and distributed in the same manner as other property tax interest and penalties.

(2) If any person or corporation willfully gives a false or fraudulent list, schedule or statement required by this chapter, or,
with intent to defraud, fails or refuses to deliver any list, 1

misrepresentations contained therein are entirely attributable to 11
reasonable cause. The taxes and penalties provided for in this 12
subsection must be recovered in an action in the name of the state of 13
Washington on the complaint of the county assessor or the county 14
legislative authority and must, when collected, be paid into the 15
county treasury to the credit of the current expense fund. The 16
provisions of this subsection are additional and supplementary to any 17
other provisions of law relating to recovery of property taxes. 18

((3)(a) The county legislative authority may authorize the 19
assessor to waive penalties otherwise due under this section for 20
assessment years 2011 and prior for a person or corporation failing 21

payment to the county of the entire balance due on all tax 27
liabilities for which a penalty waiver under this section is 28
requested, other than the penalty amount eligible for waiver under 29
this section.

(b) A taxpayer receiving penalty relief under this subsection (3) 30
may not seek a refund or otherwise challenge the amount of any tax 31
liability paid under (a)(ii) of this subsection (3). Personal 32

(b) "Maximum per-pupil limit" means:

(i) Two thousand five hundred dollars, as increased by inflation beginning with property taxes levied for collection in 2020, multiplied by the number of average annual full-time equivalent students enrolled in the school district in the prior school year, for school districts with fewer than forty thousand annual full-time equivalent students enrolled in the school district in the prior school year; or

(c) "Prior school year" means the most recent school year completed prior to the year in which the levies are to be collected.

The rate percent necessary to raise the amount of taxes levied for any taxing district within the county must be computed upon the assessed value of the property of the district. All taxes assessed against any property must be added together and extended on the rolls in a column headed consolidated or total tax. (5) If the assessor finds that the applicant does not meet the qualifications as set forth in RCW 84.36.381, as now or hereafter amended, the claim or exemption must be denied but such denial is subject to appeal under the provisions of RCW 84.48.010 and in accordance with the provisions of RCW 84.40.038. by the office of financial management. For the purposes of this
subsection, "county median household income" has the same meaning as
provided in RCW 84.36.383.

(9) Beginning with the adjustment made by March 1, 2024, as
provided in subsection (8) of this section, and every second
adjustment thereafter, if an income threshold in a county is not
adjusted based on percentage of county median income, then the income
threshold must be adjusted based on the growth of the seasonally
adjusted consumer price index for all urban consumers (CPI-U) for the
prior twelve month period as published by the United States bureau of
labor statistics. In no case may the adjustment be greater than one
percent. The adjusted thresholds must be rounded to the nearest one
dollar. If the income threshold adjustment is negative, the income
threshold for the prior year continues to apply.
