AN ACT Relating to updating mental health advance directive laws; amending RCW 71.32.010, 71.32.020, 71.32.030, 71.32.040, 71.32.050, 71.32.060, 71.32.070, 71.32.100, 71.32.110, 71.32.130, 71.32.170, 71.32.180, 71.32.210, 71.32.220, 71.32.250, and 71.34.755; reenacting and amending RCW 71.32.020, 71.32.140, and 71.32.260; providing effective dates; and providing expiration dates.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 71.32.010 and 2003 c 283 s 1 are each amended to read as follows:

(1) The legislature declares that an individual with capacity has the ability to control decisions relating to his or her own behavioral health care. The legislature finds that:

(a) Some behavioral health disorders cause individuals to fluctuate between capacity and incapacity;

(b) During periods when an individual's capacity is unclear, the individual may be unable to access needed treatment because the individual may be unable to give informed consent;

(c) Early treatment may prevent an individual from becoming so ill that involuntary treatment is necessary; and

(d) Individuals with behavioral health disorders need some method of expressing their instructions.
and preferences for treatment and providing advance consent to or refusal of treatment.

(2) The legislature recognizes that a mental health advance directive can be an essential tool for an individual to express his or her choices at a time when the effects of a mental health disorder have not deprived him or her of the power to express his or her instructions or preferences.

(3) The legislature further finds that:

(a) A mental health advance directive must provide the individual with a full range of choices;

(b) Individuals with behavioral health disorders have varying perspectives on whether they want to be able to revoke a directive during periods of incapacity;

(c) For a mental health advance directive to be an effective tool, individuals must be able to choose how they want their directives treated during periods of incapacity; and

(d) There must be clear standards so that treatment providers can readily discern an individual's treatment choices.

Consequently, the legislature affirms that, pursuant to other provisions of law, a validly executed mental health advance directive is to be respected by agents, guardians, and other surrogate decision makers, health care providers, professional persons, and health care facilities.

The fact that a person has executed a directive does not constitute an indication of (mental) behavioral health disorder or that the person is not capable of providing informed consent.

Sec. 17. RCW 71.32.220 and 2003 c 283 s 22 are each amended to read as follows:

(b) This section shall apply to inpatient behavioral health treatment admission of long-term care facility residents, regardless of whether the admission is directly from a facility, hospital emergency room, or other location.

(c) This section does not restrict the right of the resident to an earlier release from the inpatient treatment facility. This section does not restrict the right of a long-term care facility to initiate transfer or discharge of a resident who is readmitted pursuant to this section, provided that the facility has complied with the laws governing the transfer or discharge of a resident.

((Mental Health Advance Directive

NOTICE TO PERSONS

CREATING A MENTAL HEALTH ADVANCE DIRECTIVE

This is an important legal document. It creates an advance directive for mental health treatment. Before signing this document you should know these important facts:

(1) This document is called an advance directive and allows you to make decisions in advance about your mental health treatment, including medications, short-term admission to inpatient treatment and electroconvulsive therapy.

YOU DO NOT HAVE TO FILL OUT OR SIGN THIS FORM.
IF YOU DO NOT SIGN THIS FORM, IT WILL NOT TAKE EFFECT.

If you choose to complete and sign this document, you may still decide to leave some items blank.

(2) You have the right to appoint a person as your agent to make treatment decisions for you. You must notify your agent that you have appointed him or her as an agent. The person you appoint has a duty to act consistently with your wishes made known by you. If your agent does not know what your wishes are, he or she has a duty to act in your best interest. Your agent has the right to withdraw from the appointment at any time.

(3) The instructions you include with this advance directive and the authority you give your agent to act will only become effective under the conditions you select in this document. You may choose to limit this directive and your agent’s authority to times when you are incapacitated or to times when you are exhibiting symptoms or behavior that you specify. You may also make this directive effective immediately. No matter when you choose to make this directive effective, your treatment providers must still seek your informed consent at all times that you have capacity to give informed consent.

(4) You have the right to revoke this document in writing at any time you have capacity.

YOU MAY NOT REVOKE THIS DIRECTIVE WHEN YOU HAVE BEEN FOUND TO BE INCAPACITATED UNLESS YOU HAVE SPECIFICALLY STATED IN THIS DIRECTIVE THAT YOU WANT IT TO BE REVOCABLE WHEN YOU ARE INCAPACITATED.

(5) This directive will stay in effect until you revoke it unless you specify an expiration date. If you specify an expiration date and you are incapacitated at the time it expires, it will remain in effect until you have capacity to make treatment decisions again unless you chose to be able to revoke it while you are incapacitated and you revoke the directive.

(6) You cannot use your advance directive to consent to civil commitment. The procedures that apply to your advance directive are different than those provided for in the Involuntary Treatment Act. Involuntary treatment is a different process.

(7) If there is anything in this directive that you do not understand, you should ask a lawyer to explain it to you.

(8) You should be aware that there are some circumstances where your provider may not have to follow your directive.

(9) You should discuss any treatment decisions in your directive with your provider.
PART I.

STATEMENT OF INTENT TO CREATE A
MENTAL HEALTH ADVANCE DIRECTIVE

I, . . . . . . . . . . being a person with capacity, willfully and voluntarily execute this mental health advance directive so that
my choices regarding my mental health care will be carried out in circumstances when I am unable to express my
instructions and preferences regarding my mental health care. If a guardian is appointed by a court to make mental health
decisions for me, I intend this document to take precedence over all other means of ascertaining my intent.

The fact that I may have left blanks in this directive does not affect its validity in any way. I intend that all completed
sections be followed. If I have not expressed a choice, my agent should make the decision that he or she determines is in
my best interest. I intend this directive to take precedence over any other directives I have previously executed, to the
extent that they are inconsistent with this document, or unless I expressly state otherwise in either document.

I understand that I may revoke this directive in whole or in part if I am a person with capacity. I understand that I cannot
revoke this directive if a court, two health care providers, or one mental health professional and one health care provider
find that I am an incapacitated person, unless, when I executed this directive, I chose to be able to revoke this directive
while incapacitated.

I understand that, except as otherwise provided in law, revocation must be in writing. I understand that nothing in this
directive, or in my refusal of treatment to which I consent in this directive, authorizes any health care provider, professional
person, health care facility, or agent appointed in this directive to use or threaten to use abuse, neglect, financial
exploitation, or abandonment to carry out my directive.

I understand that there are some circumstances where my provider may not have to follow my directive.

PART II.

WHEN THIS DIRECTIVE IS EFFECTIVE

YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.

I intend that this directive become effective (YOU MUST CHOOSE ONLY ONE):

. . . . . . Immediately upon my signing of this directive.

. . . . . . If I become incapacitated.

DURATION OF THIS DIRECTIVE

YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.

I want this directive to (YOU MUST CHOOSE ONLY ONE):

PART IV.
WHEN I MAY REVOKE THIS DIRECTIVE

YOU MUST COMPLETE THIS PART FOR THIS DIRECTIVE TO BE VALID.

I intend that I be able to revoke this directive (YOU MUST CHOOSE ONLY ONE):

------- Only when I have capacity.
I understand that choosing this option means I may only revoke this directive if I have capacity. I further understand that if I choose this option and become incapacitated while this directive is in effect, I may receive treatment that I specify in this directive, even if I object at the time.

------- Even if I am incapacitated.
I understand that choosing this option means that I may revoke this directive even if I am incapacitated. I further understand that if I choose this option and revoke this directive while I am incapacitated I may not receive treatment that I specify in this directive, even if I want the treatment.
