AN ACT Relating to implementing recommendations of the autonomous vehicle work group; amending RCW 46.92.010 and 46.37.480; amending 2020 c 182 s 4 (uncodified); and providing an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 46.92.010 and 2020 c 182 s 2 are each amended to read as follows:

(1) In order to test an autonomous motor vehicle on any public roadway under the department's autonomous vehicle self-certification testing pilot program, the following information must be provided by the self-certifying entity testing the autonomous motor vehicle:

(a) Contact information specified by the department;

(b) Local jurisdictions where testing is planned;

(c) The vehicle identification numbers of the autonomous vehicles being tested, provided that one is required by state or federal law; and

(d) Proof of an insurance policy that meets the requirements of RCW 46.30.050.

(2) Any autonomous motor vehicle to which subsection (1) of this section is applicable and that does not have a vehicle identification number and is not otherwise required under state or federal law to have a vehicle identification number assigned to it must be assigned.
a unique identification number that is provided to the department and
that is displayed in the vehicle in a manner similar to the display
of vehicle identification numbers in motor vehicles.

(3)(a) The self-certifying entity testing the autonomous motor
vehicle on any public roadway must notify the department of:

(i) Any collisions that are required to be reported to law
enforcement under RCW 46.52.030, involving an autonomous motor
vehicle during testing on any public roadway; and

(ii) Any moving violations, as defined in administrative rule as
authorized under RCW 46.20.2891, for which a citation or infraction
was issued, involving an autonomous motor vehicle during testing on
any public roadway.

(b) By February 1st of each year, the self-certifying entity must
submit a report to the department covering reportable events from the
prior calendar year.

(c) The self-certifying entity shall provide the information
required by the department under (a) of this subsection. The
information provided must include whether the autonomous driving
system was operating the vehicle at the time of or immediately prior
to the collision or moving violation, and in the case of a collision,
details regarding the collision, including any loss of life, injury,
or property damage that resulted from the collision.

(d) The provisions of this section are supplemental to all other
rights and duties under law applicable in the event of a motor
vehicle collision.

(4) The self-certifying entity testing the autonomous motor
vehicle on public roadways under the department's autonomous vehicle
self-certification testing pilot program must provide written notice
in advance of testing to local and state law enforcement agencies
with jurisdiction over any of the public roadways on which testing
will occur that includes the expected period of time during which
testing will occur in the applicable jurisdictions, including city
police departments within city limits where testing will occur, county sheriff departments outside of city limits in counties where
testing will occur, and the Washington state patrol when testing will
occur on limited access highways, as defined in RCW 47.52.010.
However, for testing primarily on limited access highways that
travels through multiple local jurisdictions, which may include the
limited incidental use of other roadways, the self-certifying entity
must only provide written notice as specified in this subsection to
the Washington state patrol. Written notice provided under this subsection must: (a) Be provided not less than fourteen and not more than sixty days in advance of testing; (b) include contact information where the law enforcement agency can communicate with the self-certifying entity testing the autonomous vehicle regarding the testing planned in that jurisdiction; and (c) provide the physical description of the motor vehicle or vehicles being tested, including make, model, color, and license plate number.

(5) The department may adopt a fee to be charged by the department for self-certification in an amount sufficient to offset administration by the department of the self-certification testing pilot program.

(6) The department shall provide public access to the information self-certifying entities provide to it, and shall provide an annual report to the house and senate transportation committees of the legislature summarizing the information reported by self-certifying entities under this section.

(7) An autonomous motor vehicle may not be operated on any public roadway for the purposes of testing in Washington state until the department is provided with the information required under subsection (1) of this section.

(8) For purposes of this section, "autonomous" means a level four or five driving automation system as provided in the society of automotive engineering international's standard J3016, as it existed on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

Sec. 2. RCW 46.37.480 and 2011 c 368 s 1 are each amended to read as follows:

(1) No person shall drive any motor vehicle equipped with any television viewer, screen, or other means of visually receiving a television broadcast when the moving images are visible to the driver while operating the motor vehicle on a public road, except for live video of the motor vehicle backing up. This subsection does not apply to law enforcement vehicles communicating with mobile computer networks.

(2) No person shall operate any motor vehicle on a public highway while wearing any headset or earphones connected to any electronic device capable of receiving a radio broadcast or playing a
sound recording for the purpose of transmitting a sound to the human auditory senses and which headset or earphones muffle or exclude other sounds. This subsection does not apply to students and instructors participating in a Washington state motorcycle safety program.

((2)) This section does not apply to authorized emergency vehicles, motorcyclists wearing a helmet with built-in headsets or earphones as approved by the Washington state patrol, or motorists using hands-free, wireless communications systems, as approved by the equipment section of the Washington state patrol.

NEW SECTION. Sec. 3. Section 1 of this act takes effect October 1, 2022.

Sec. 4. 2020 c 182 s 4 (uncodified) is amended to read as follows:
Section 2 of this act takes effect October 1, ((2021)) 2022.
