AN ACT Relating to creating the Washington voter confidence act; amending RCW 46.20.155, 46.20.155, and 29A.08.610; reenacting and amending RCW 46.20.202; adding a new section to chapter 29A.08 RCW; adding a new section to chapter 29A.84 RCW; creating new sections; providing an effective date; and providing expiration dates.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that:

(1) Washingtonians expect voter registration requirements and processes to ensure only eligible people under Article VI, section 1 of the Washington state Constitution and chapter 29A.08 RCW be granted the ability to vote in elections conducted in the state of Washington.

(2) Article VI, section 1 of the Washington state Constitution explicitly states that all persons 18 years of age or older who are United States citizens and who have lived in the state, county, and precinct 30 days immediately preceding the election at which they offer to vote shall be entitled to vote at all elections.

(3) Same-day voter registration laws enable people 18 years of age or older who are United States citizens to submit an address change to their voter registration within 30 days of an election at which they offer to vote.
(4) Voters need additional assurance that only one ballot per voter will be accepted by local elections officials, even if more than one ballot is returned for a voter.

(5) To meet eligibility requirements to vote, including when a person is provided an opportunity to register to vote through obtaining a driver's license or identicard with the department of licensing, a person must submit a signed attestation that they are a United States citizen on their voter registration form.

(6) Financial barriers exist for applicants of enhanced driver's licenses, which require proof of United States citizenship, and disproportionately affect low-income people.

(7) All eligible people in Washington state should have access to voter registration methods that provide the greatest level of confidence that they are eligible to vote.

(8) Local elections officials should have immediate access to comprehensive tools and information to conduct thorough searches of potentially duplicate voter registrations and active registrations of deceased voters.

(9) Misinformation and disinformation, as well as incomplete information about the level of voter fraud committed in Washington state, contributes to an ongoing lack of trust in election integrity.

(10) In order to defer future acts of voter fraud, the legislature requires more detailed accounts of the number of potential cases of improper voting referred to county prosecuting attorneys and of those cases compared to the number of cases found to be fraudulent.

WSP SIGNATURE SURVEY

NEW SECTION. Sec. 2. A new section is added to chapter 29A.08 RCW to read as follows:

(1) The Washington state patrol, in coordination with the office of the secretary of state and local elections officials, must conduct a survey of signatures on returned voter ballot envelopes from the 2022 general election. Such survey must include a comparison to measure the accuracy of signatures on voter registrations against signatures on ballot return envelopes using a sample size of between 5,000 to 10,000 voter registration signatures randomly selected from each county based on the number of registered voters therein.
(2) The Washington state patrol must report the result of the survey to the legislature and the secretary of state by December 1, 2023.

(3) This section expires July 1, 2024.

DOL VOTER SERVICES & INDIGENT REAL IDs

Sec. 3. RCW 46.20.155 and 2018 c 109 s 15 are each amended to read as follows:

(1) Before issuing an original license or identicard or renewing a license or identicard under this chapter, the licensing agent shall determine if the applicant wants to register to vote or update his or her voter registration by asking the following question:

"Do you want to register or sign up to vote or update your voter registration?"

If the applicant chooses to register, sign up, or update a registration, the agent shall provide the applicant with a signature pad that displays the requirements for voter registration under Article VI, section 1 of the Washington state Constitution and asks the applicant to affirm each of the following:

(1) "I declare that the facts on this voter registration form are true."

(2) "((Are you)) I am a United States citizen((?))."

((2)) (3) "I will have lived at this address in Washington for at least 30 days immediately before the next election at which I vote."

((4)) "((Are you)) I am at least eighteen years old or ((are you)) I am at least sixteen years old and will ((you)) vote only after ((you)) I turn eighteen((?))."

(5) "I am not disqualified from voting due to a court order, and I am not under department of corrections supervision for a Washington felony conviction."

If the applicant ((answers in the affirmative to both questions)) affirms all prompts, the applicant must record a signature on the pad, then the agent shall submit the registration, sign up form, or update. If the applicant ((answers in the negative to either question)) does not affirm all prompts, the agent shall not submit an application. Information that is otherwise
disclosable under chapter 29A.08 RCW cannot be disclosed on the future voter until the person reaches eighteen years of age, except for the purpose of processing and delivering ballots.

(2) The department shall establish a procedure that substantially meets the requirements of subsection (1) of this section when permitting an applicant to renew a license or identicard by mail or by electronic commerce.

Sec. 4. RCW 46.20.155 and 2020 c 208 s 8 are each amended to read as follows:

(1) Before issuing an original license or identicard or renewing a license or identicard under this chapter, the licensing agent shall determine if the applicant wants to register to vote or update his or her voter registration by asking the following question:

"Do you want to register or sign up to vote or update your voter registration?"

If the applicant chooses to register, sign up, or update a registration, the agent shall provide the applicant with a signature pad that displays the requirements for voter registration under Article VI, section 1 of the Washington state Constitution and asks the applicant to affirm each of the following:

(1) "I declare that the facts on this voter registration form are true."

(2) "((Are you)) I am a United States citizen((?))" ((2))

(3) "I will have lived at this address in Washington for at least 30 days immediately before the next election at which I vote."

(4) "((Are you)) I am at least sixteen years old((?))"

(5) "I am not disqualified from voting due to a court order, and I am not under department of corrections supervision for a Washington felony conviction."

If the applicant ((answers in the affirmative to both questions)) affirms all prompts, the applicant must record a signature on the pad, then the agent shall submit the registration, sign up form, or update. If the applicant ((answers in the negative to either question)) does not affirm all prompts, the agent shall not submit an application. Information that is otherwise disclosable under chapter 29A.08 RCW cannot be disclosed on the
future voter until the person reaches eighteen years of age, except
for the purpose of processing and delivering ballots.

(2) The department shall establish a procedure that substantially
meets the requirements of subsection (1) of this section when
permitting an applicant to renew a license or identicard by mail or
by electronic commerce.

Sec. 5. RCW 46.20.202 and 2021 c 317 s 21 and 2021 c 158 s 9 are
each reenacted and amended to read as follows:

(1) The department may enter into a memorandum of understanding
with any federal agency for the purposes of facilitating the crossing
of the border between the state of Washington and the Canadian
province of British Columbia.

(2) The department may enter into an agreement with the Canadian
province of British Columbia for the purposes of implementing a
border-crossing initiative.

(3)(a) The department may issue an enhanced driver's license or
identicard for the purposes of crossing the border between the state

continue to offer a standard driver's license and identicard. If the

identicard.

(b) The department shall implement a one-to-many biometric
matching system for the enhanced driver's license or identicard. An
applicant for an enhanced driver's license or identicard shall submit
a biometric identifier as designated by the department. The biometric

understanding of the one-to-many biometric match.

(c) The enhanced driver's license or identicard must include

From time to time the department shall review technological innovations related to the security of identity cards and amend the rules related to enhanced driver's licenses and identicards as the director deems consistent with this section and appropriate to protect the privacy of Washington state residents.

(e) Notwithstanding RCW 46.20.118, the department may make images associated with enhanced drivers' licenses or identicards from the negative file available to United States customs and border agents for the purposes of verifying identity.

(4) (a) Beginning on July 23, 2017, the fee for an enhanced driver's license or enhanced identicard is thirty-two dollars, which is in addition to the fees for any regular driver's license or identicard. If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than eight years, the fee for each class is four dollars for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

(b) No fee shall be charged for an enhanced driver's license or enhanced identicard to an applicant whose current gross family income is 200 percent or less of the federal poverty level.

(5) The enhanced driver's license and enhanced identicard fee under this section must be deposited into the highway safety fund unless prior to July 1, 2023, the actions described in (a) or (b) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 209, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

intensity of fuel, including a low carbon fuel standard or clean fuel
standard, without explicit legislative authorization enacted
subsequent to July 1, 2015.

(c) Nothing in this subsection acknowledges, establishes, or
creates legal authority for the department of ecology or any other
state agency to enact, adopt, order, or in any way implement a fuel
standard based upon or defined by the carbon intensity of fuel,
including a low carbon fuel standard or clean fuel standard.

read as follows:

The secretary of state shall conduct an ongoing list maintenance
program designed to detect persons registered in more than one county
or voting in more than one county in an election. This program must
be applied uniformly throughout the state and must be
nondiscriminatory in its application.

The office of the secretary of state shall search the statewide
voter registration list to find registered voters with the same date
of birth and similar names. Once the potential duplicate
registrations are identified, the secretary of state shall refer the
potential duplicate registrations to the appropriate county auditors,
who shall compare the signatures on each voter registration record
and, after confirming that a duplicate registration exists properly
resolve the duplication.

The secretary of state shall provide each county auditor, without
cost, access to a legal research data service that includes death and
court records covering the United States to assist in the list
maintenance program.

If a voter is suspected of voting in two or more counties in an
