AN ACT Relating to the linked deposit program; amending RCW 43.86A.030, 43.86A.040, and 43.86A.050; and reenacting and amending RCW 43.86A.060.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 43.86A.030 and 2010 c 139 s 1 are each amended to read as follows:

(1)(a) The state treasurer shall make funds available for a surplus funds investment program according to the following formula: The state treasurer shall apportion to all participating depositaries an amount equal to five percent of the three year average mean of general state revenues as certified in accordance with Article VIII, section 1(b) of the state Constitution, or fifty percent of the total surplus treasury investment availability, whichever is less. Within thirty days after certification, an amount equal to those funds determined to be available according to this formula for the surplus funds investment program shall be available for deposit in qualified public depositaries. These funds shall be allocated among the participating depositaries on a basis to be determined by the state treasurer.
The funds made available by the treasurer for a surplus funds investment program under (a) of this subsection (1) may be provided from either treasury surplus funds or funds held pursuant to chapter 43.250 RCW.

(2) Of all state funds available under this section, the state treasurer may use up to one hundred seventy-five million dollars per year for the purposes of RCW 43.86A.060(2)(c) (i) and (iii) and up to fifteen million dollars per year for the purposes of RCW 43.86A.060(2)(c)(ii). The amounts made available to these public depositaries shall be equal to the amounts of outstanding loans made under RCW 43.86A.060.

(3) The formula so devised shall be a matter of public record giving consideration to, but not limited to, deposits, assets, loans, capital structure, investments, or some combination of these factors. However, if in the judgment of the state treasurer the amount of allocation for the surplus funds investment program as determined by this section will impair the cash flow needs of the state treasury, the state treasurer may adjust the amount of the allocation accordingly.

(4) Deposits and interest accrued thereon made through the surplus funds investment program must be protected against loss pursuant to RCW 39.58.020.

Sec. 2. RCW 43.86A.040 and 1973 c 123 s 4 are each amended to read as follows:

Except as provided in RCW 43.86A.020 and 43.86A.030, nothing in this chapter shall be construed as a limitation upon the powers of the state treasurer to determine the amount of surplus treasury funds which may be invested ((in time certificates of deposit)).

Sec. 3. RCW 43.86A.050 and 1973 c 123 s 5 are each amended to read as follows:

The state treasurer shall devise the necessary formulae and methodology to implement the provisions of this chapter. Periodically, but at least once every six months, the state treasurer shall review all rules and shall adopt, amend or repeal them as may be necessary. These rules and a list of surplus funds investment allocations shall be published in the treasurer's monthly financial report as required under the provisions of RCW 43.08.150.
Sec. 4. RCW 43.86A.060 and 2009 c 385 s 3 and 2009 c 384 s 1 are each reenacted and amended to read as follows:

(1) The state treasurer shall establish a linked deposit program for investment of surplus treasury funds in qualified public depositaries. As a condition of participating in the program, qualified public depositaries must make qualifying loans as provided in this section. The state treasurer may purchase an investment instrument that is equal to the amount of the qualifying loan made by the qualified public depositary or may purchase an investment instrument that is equal to the aggregate amount of two or more qualifying loans made by one or more qualified public depositaries.

(2) Qualifying loans made under this section are those:

(a) Having terms that do not exceed ten years;
(b) Where an individual loan does not exceed one million dollars;
(c)(i) That are made to a minority or women's business enterprise that has received state certification under chapter 39.19 RCW;
(ii) That are made to a veteran-owned business that has received state certification under RCW 43.60A.190; or
(iii) That are made to a community development financial institution that is: (A) Certified by the United States department of the treasury pursuant to 12 U.S.C. Sec. 4701 et seq.; and (B) using that loan to make qualifying loans under (c)(i) of this subsection;
(d) Where the interest rate on the loan to the minority or women's business enterprise or veteran-owned business does not exceed an interest rate that is two hundred basis points below the interest rate the qualified public depositary would charge for a loan for a similar purpose and a similar term, except that, if the preference given by the state treasurer to the qualified public depositary under subsection (3) of this section is less than two hundred basis points, the qualified public depositary may reduce the preference given on the loan by an amount that corresponds to the reduction in preference below two hundred basis points given to the qualified public depositary; and
(e) Where the points or fees charged at loan closing do not exceed one percent of the loan amount.

(3) In setting interest rates of surplus funds invested for the linked deposit program, the state treasurer shall offer rates so that a two hundred basis point preference will be given to the qualified public depositary, except
that the treasurer may lower the amount of the preference to ensure
that the effective interest rate on the deposit is not less than zero
percent.

(4) Upon notification by the state treasurer that a minority or
women's business enterprise is no longer certified under chapter
39.19 RCW or that a veteran-owned business is no longer certified
under RCW 43.60A.190, the qualified public depositary shall reduce
the amount of qualifying loans by the outstanding balance of the loan
made under this section to the minority or women's business
enterprise or the veteran-owned business, as applicable.

(5) The office of minority and women's business enterprises has
the authority to adopt rules to:

(a) Ensure that when making a qualified loan under the linked
deposit program, businesses that have never received a loan under the
linked deposit program are given first priority;

(b) Limit the total principal loan amount that any one business
receives in qualified loans under the linked deposit program over the
lifetime of the businesses;

(c) Limit the total principal loan amount that an owner of one or
more businesses receives in qualified loans under the linked deposit
program during the owner's lifetime;

(d) Limit the total amount of any one qualified loan made under
the linked deposit program; and

(e) Ensure that loans made by community development financial
institutions are qualifying loans under subsection (2)(c)(i) of this
section.
