67th Legislature

2022 Regular Session

By Senate Behavioral Health Subcommittee to Health & Long Term Care (originally sponsored by Senators Trudeau, Dhingra, Hasegawa, Kuderer, Lovick, Nguyen, Nobles, Saldaña, and C. Wilson)

READ FIRST TIME 01/31/22.

1 AN ACT Relating to establishing behavioral health support
2 specialists; amending RCW 18.130.040 and 18.130.040; adding a new
3 chapter to Title 18 RCW; providing an effective date; and providing
4 an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the behavioral
7 health support specialist is a new service delivery model in
8 Washington state based on improving access to psychological therapies
9 (IAPT), an evidence-based model developed by the national health
10 service in England. IAPT services are characterized by evidenced-
11 based psychological therapies, delivered by trained and accredited
12 practitioners with training matched to the intensity and expected
13 duration of the mental health problem. The model features routine
14 outcome monitoring and regular, outcome-focused supervision. Use of
15 behavioral health support specialists in Washington is expected to
16 improve access to behavioral health services and ease workforce
17 shortages while helping behavioral health professionals work at the
18 top of their scope of practice.

1 NEW SECTION. **Sec. 2.** The definitions in this section apply
2 throughout this chapter unless the context clearly requires
3 otherwise.

4 (1) "Applicant" means a person who completes the required
5 application, pays the required fee, is at least 18 years of age, and
6 meets any background check requirements and uniform disciplinary act
7 requirements.

8 (2) "Behavioral health support specialist" means a trained
9 paraprofessional certified under this chapter to deliver low-
10 intensity, evidence-based behavioral health interventions for adults
11 with mild-to-moderate behavioral health conditions in a stepped care
12 model in ongoing partnership with a licensed health care provider
13 whose scope of practice includes behavioral health or a licensed
14 community behavioral health agency. A behavioral health support
15 specialist does not have within their scope the ability to make
16 diagnoses but does track and monitor treatment response and outcomes
17 using measurement-based care.

18 (3) "Department" means the department of health.

19 (4) "Secretary" means the secretary of health or the secretary's
20 designee.

21 NEW SECTION. **Sec. 3.** The department shall partner with the
22 University of Washington department of psychiatry and behavioral
23 sciences and consult with other stakeholders including the Washington
24 state council on behavioral health to develop rules to implement this
25 chapter by January 1, 2024, which shall be consistent with the
26 evidence-based improving access to psychological therapies model, and
27 shall include appropriate standards for accreditation of educational
28 programs for behavioral health support specialists, which shall
29 include a practicum component and may be integrated into a bachelor's
30 degree program or structured as a continuing education program.

31 NEW SECTION. **Sec. 4.** A person may not represent themselves as a
32 behavioral health support specialist without being certified by the
33 department.

34 NEW SECTION. **Sec. 5.** Nothing in this chapter shall be construed
35 to prohibit or restrict delivery of behavioral health interventions
36 by an individual otherwise regulated under this title and performing
37 services within their authorized scope of practice.

1 NEW SECTION. **Sec. 6.** In addition to any other authority
2 provided by law, the secretary has the authority to:

3 (1) Adopt rules under chapter 34.05 RCW necessary to implement
4 this chapter. Any rules adopted shall be in consultation with the
5 University of Washington;

6 (2) Establish all certification, examination, and renewal fees in
7 accordance with RCW 43.70.250;

8 (3) Establish forms and procedures necessary to administer this
9 chapter;

10 (4) Issue certifications to applicants who have met the
11 education, practicum, and examination requirements for certification
12 and to deny a certification to applicants who do not meet the
13 requirements;

14 (5) Develop, administer, and supervise the grading and taking of
15 an examination for applicants for certification;

16 (6) Adopt rules implementing a continuing education program in
17 consultation with the University of Washington;

18 (7) Maintain the official record of all applicants and
19 certification holders; and

20 (8) Establish by rule the procedures for an appeal of an
21 examination failure.

22 NEW SECTION. **Sec. 7.** The uniform disciplinary act, chapter
23 18.130 RCW, governs uncertified practice, the issuance and denial of
24 certification, and the discipline of persons certified under this
25 chapter. The secretary shall be the disciplinary authority under this
26 chapter.

27 NEW SECTION. **Sec. 8.** The secretary shall issue a certification
28 to any applicant who demonstrates to the satisfaction of the
29 secretary that the applicant meets the following requirements:

30 (1) Graduation from a bachelor's degree program;

31 (2) Successful completion of a behavioral health support
32 specialist program that is accredited to meet standards consistent
33 with the evidence-based program improving access to psychological
34 treatment, including a supervised clinical practicum with
35 demonstrated clinical skills in core competencies;

36 (3) Successful completion of an approved examination; and

1 (4) Ongoing partnership with a licensed health care provider
2 whose scope of practice includes behavioral health or a licensed
3 community behavioral health agency.

4 NEW SECTION. **Sec. 9.** (1) The date and location of examinations
5 shall be established by the secretary. Applicants who have been found
6 by the secretary to meet the other requirements for certification
7 shall be scheduled for the next examination following the filing of
8 the application. The secretary shall establish by rule the
9 examination application deadline.

10 (2) The secretary or the secretary's designee shall examine each
11 applicant, by means determined to be most effective, on subjects
12 appropriate to the scope of practice, as applicable. Such
13 examinations shall be limited to the purpose of determining whether
14 the applicant possesses the minimum skill and knowledge necessary to
15 practice competently.

16 (3) The examination papers, all grading of the papers, and the
17 grading of any practical work shall be preserved for a period of not
18 less than one year after the secretary has made and published the
19 decisions. All examinations shall be conducted using fair and wholly
20 impartial methods.

21 (4) The secretary may approve an examination prepared or
22 administered by a private testing agency or association of licensing
23 agencies for use by an applicant in meeting the certification
24 requirements.

25 NEW SECTION. **Sec. 10.** Applications for certification shall be
26 submitted on forms provided by the secretary. The secretary may
27 require any information and documentation which reasonably relates to
28 the need to determine whether the applicant meets the criteria for
29 certification provided for in this chapter and chapter 18.130 RCW.
30 Each applicant shall pay a fee determined by the secretary under RCW
31 43.70.250. The fee shall accompany the application.

32 NEW SECTION. **Sec. 11.** (1) The health care authority shall take
33 any steps which are necessary and proper to ensure that the services
34 of behavioral health support specialists are covered under the state
35 medicaid program by January 1, 2024. A behavioral health support
36 specialist must be eligible to bill for behavioral health service
37 delivery, including psychotherapy codes.

1 (2) By July 1, 2024, the office of the insurance commissioner
2 shall make recommendations to health carriers regarding appropriate
3 use of behavioral health support specialists, network adequacy for
4 behavioral health support specialists, and steps to incorporate
5 behavioral health support specialists into commercial provider
