FILED

Governor of the State of Washington

Secretary of State
State of Washington
AN ACT Relating to the college bound scholarship; amending RCW 28B.118.040; reenacting and amending RCW 28B.118.010 and 28B.118.090; creating new sections; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature enacted the college bound scholarship program in 2007 to encourage all Washington students to dream big by creating a guaranteed four-year tuition scholarship program for students from low-income families. The legislature finds the program has been successful in achieving this goal. A report by the Washington state institute for public policy found that the scholarship increases high school graduation rates, probability of on-time college enrollment, college persistence, and college graduation rates. However, more than one quarter of eligible students are unable to access the scholarship by failing to sign the pledge required by the program. The legislature finds that the pledge has become an unintended barrier to entry, a problem made more acute as students are receiving their education remotely during the COVID-19 pandemic and have less access to school teachers, counselors, and peers. Therefore, the legislature intends with this act to remove the pledge as an eligibility requirement while retaining the requirement that students maintain a "C" average and avoid serious interactions...
with the criminal justice system for four years. In order to ensure
that the legislature will fulfill its promise to provide a
scholarship upon graduation, the legislature intends by this act to
create a statutory contractual right for students who fulfill
scholarship requirements that vests when the student becomes first
eligible for the scholarship.

Sec. 2. RCW 28B.118.010 and 2019 c 406 s 44 and 2019 c 298 s 1
are each reenacted and amended to read as follows:
The office of student financial assistance shall design the
Washington college bound scholarship program in accordance with this
section and in alignment with the Washington college grant program in
chapter 28B.92 RCW unless otherwise provided in this section. The
right of an eligible student to receive a college bound scholarship
vest upon enrollment in the program that is earned by meeting the
requirements of this section as it exists at the time of the
student's enrollment under subsection (2) of this section.

   (ii) Beginning in the 2019-20 academic year, if a student
        qualifies for free or reduced-price lunches in the ninth grade and
