SUBSTITUTE HOUSE BILL 1425

Passed Legislature - 2021 Regular Session

State of Washington

67th Legislature

2021 Regular Session

By House College & Workforce Development (originally sponsored by Representatives Taylor, Leavitt, Valdez, Santos, J. Johnson, Ortiz-Self, Simmons, Rule, Ramel, Chopp, Pollet, Hackney, and Morgan)

READ FIRST TIME 02/15/21.

1 AN ACT Relating to amending the opportunity scholarship act to
2 expand scholarships for community and technical college students;
3 amending RCW 28B.145.010 and 28B.145.100; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that higher
6 education is pivotal in delivering training to Washington citizens at
7 all stages of their careers and ages. A skilled workforce increases
8 productivity, boosts outputs, and propels growth in Washington's
9 economy. The legislature further finds that a well-trained, highly
10 skilled workforce provides Washington citizens with greater
11 opportunities and skill sets to efficiently and confidently meet the
12 changing demands of a transforming economy. Furthermore, a STEM-based
13 education provides Washington's citizens with real-world applications
14 to develop a variety of skill sets needed in today's global economy.

15 The legislature further finds that the Washington state
16 opportunity scholarship is an innovative public private partnership
17 that has been successful building a qualified workforce to fill
18 Washington's high-demand STEM, health care, and trade industries. The
19 Washington state opportunity scholarship has successfully created
20 opportunities for communities historically left out of higher
21 education and STEM, including women, students of color, and first-

1 generation college students. In addition, the Washington state
2 opportunity scholarship has been shown to change communities by
3 breaking the cycle of intergenerational poverty.

4 The legislature also finds that higher education is a key driver
5 of individual growth and prosperity, and is an effective way to
6 bridge societal inequities that disproportionately afflict low-income
7 communities and communities of color. The legislature further finds
8 that these gaps will be further widened in the current global
9 pandemic, which will exacerbate long-term impacts on these
10 communities in intergenerational poverty, job attainment, job
11 stability, and wage growth.

12 Therefore, it is the intent of the legislature to amend the
13 existing Washington state opportunity scholarship program to
14 eliminate false barriers for students eligible for the scholarship
15 and provide additional educational opportunities for Washington's
16 citizens. This legislative intent is particularly urgent during the
17 global pandemic where additional skills and opportunities will be
18 vital for Washington citizens as the state moves toward recovery from
19 the current global pandemic.
