If the department determines that purchases were not eligible for deferral it must assess interest, but not penalties, on the nonqualifying amounts.
- 8 (3) The city must notify the conditional recipient within 30 days 9 that a tax deferral under this chapter is denied if the city 10 determines that:

- (a) The work was not completed within three years of the application date;

- (5) The city's governing authority may enact an ordinance to provide a process for a conditional recipient to appeal a decision by the city that the conditional recipient is not entitled to a deferral of sales and use taxes. - NEW SECTION. Sec. 13. (1) If a conditional recipient voluntarily opts to discontinue compliance with the requirements of this chapter, the recipient must notify the city and department within 60 days of the change in use or intended discontinuance.
 - (2) If, after the department has issued a sales and use tax deferral certificate and the conditional recipient has received a certificate of occupancy, the city finds that a portion of an investment project is changed or will be changed to disqualify the recipient for sales and use tax deferral eligibility under this chapter, the city must notify the department and all deferred sales and use taxes are immediately due and payable. The department must

If the transferor fails to notify the city and the department, all deferred sales and use taxes 16 17 are immediately due and payable. The department must assess interest at the rate provided for delinquent taxes and penalties retroactively 18 to the date of deferral. 19
- NEW SECTION. Sec. 15. (1) This section is the tax preference performance statement for the tax preference contained in chapter . . ., Laws of 2022 (this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

- (2) The legislature categorizes this tax preference as one intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).
- (3) It is the legislature's specific public policy objective to expand affordable housing options for very low to moderate-income households, specifically in underdeveloped urban areas.
- 33 (4)(a) To measure the effectiveness of the tax preference in this 34 act, the joint legislative audit and review committee must evaluate 35 the number of increased housing units on underdeveloped property. If 36 a review finds that the number of affordable housing units has not 37 increased, then the legislature intends to repeal this tax 38 preference.

- 1 (b) The review must be provided to the fiscal committees of the 2 legislature by December 31, 2030.
- 3 (5) In order to obtain the data necessary to perform the review 4 in subsection (4) of this section, the joint legislative audit and 5 review committee may refer to any available data source, including 6 data collected by the department under section 10 of this act.
