16 area;

18 credentialed health care profession, which shall be no less than
19 three years or no more than five years, for the health professional
20 loan repayment and scholarship program and the behavioral health loan

23 higher awards involve longer service obligations on behalf of the
24 participant;

26 obligation for nurse educators participating in the nurse educator
27 loan repayment program. The annual award amount shall be based upon
28 an assessment of reasonable annual eligible expenses involved in

39 program on their behalf, whichever is less. This amount is due and

1 payable immediately. Participants who are unable to pay the full
2 amount due shall enter into a payment arrangement with the office,
3 including an arrangement for payment of interest. The maximum period
4 for repayment is ten years. The office shall determine the

10 office shall exercise due diligence in such collection, maintaining
11 all necessary records to ensure that the maximum amount of payment
12 made on behalf of the participant is recovered. Collection under this
13 section shall be pursued using the full extent of the law, including
14 wage garnishment if necessary.
