EFFECT:

27

- (1) Specifies that approval from the Professional Educator Standards Board (PESB) is not necessary for the following providers to offer continuing education related to equity-based school practices and the National Professional Standards for Education Leaders (NPSEL) through June 30, 2028, or a date established by the PESB, whichever is later: the Office of the Superintendent of Public Instruction; school districts; educational service districts; PESB-approved administrator and teacher preparation programs; and the Washington Education Association (rather than specifying that the PESB must approve these providers to continue providing the continuing education for between three and five years);
- (2) Specifies that the providers listed above must the receive PESB approval to continue offering continuing education on equity-based school practices and the NPSEL after June 30, 2028, or a date established by the PESB, whichever is later;
- (3) Allows the PESB to periodically require approved providers to apply for reapproval; and
- (4) Adds to the list of continuing education providers, courses, or both that the PESB must maintain on its website those that are permitted, in addition to those that are approved.
