ADOPTED 02/29/2024

1 On page 2, line 5 of the striking amendment, after "in the" strike
2 "uniformed services" and insert "armed forces"

3
4 On page 2, line 30 of the striking amendment, after "active"
5 strike "uniformed services" and insert "armed forces"

6
7 On page 12, line 36 of the striking amendment, after "or rule"
8 insert "of the commission"

9

EFFECT: Revises the definition of "active military member" and "eligible military spouse" to refer to a person's status in the "armed forces," rather than the "uniformed services," which aligns these definitions with the Interstate Teacher Mobility Compact Model Legislation.

Clarifies that the "rule" referred to in the authorization for the Interstate Commission to adopt an emergency administrative rule to meet a deadline that is "established by federal law or rule" is a "rule of the Interstate Commission."
