ADOPTED 02/23/2024

1 Strike everything after the enacting clause and insert the
2 following:

3 **"Sec. 1.** RCW 69.41.050 and 2003 c 53 s 325 are each amended to
4 read as follows:

5 (1) To every box, bottle, jar, tube, or other container of a
6 legend drug, which is dispensed by a practitioner authorized to
7 prescribe legend drugs, there shall be affixed a label bearing the
8 name of the prescriber, complete directions for use, the name of the
9 drug either by the brand or generic name and strength per unit dose,
10 name of patient and date: PROVIDED, That the practitioner may omit
11 the name and dosage of the drug if he or she determines that his or
12 her patient should not have this information and that, if the drug
13 dispensed is a trial sample in its original package and which is
14 labeled in accordance with federal law or regulation, there need be
15 set forth additionally only the name of the issuing practitioner and
16 the name of the patient.

17 (2)(a) Notwithstanding subsection (1) of this section, at a
18 prescriber's request, the prescription label for abortion medications
19 may include the prescribing and dispensing health care facility name
20 instead of the name of the practitioner.

21 (b) For the purposes of this subsection, "abortion medications"
22 means substances used in the course of medical treatment intended to
23 induce the termination of a pregnancy including, but not limited to,
24 mifepristone.

25 (3) A violation of this section is a misdemeanor."

26 On page 1, line 2 of the title, after "abortion;" strike the
27 remainder of the title and insert "and amending RCW 69.41.050."

EFFECT: Allows prescribers to request to have their name replaced on a prescription label for abortion medication and removes the restriction that the only prescribers who can make that request be a practitioner employed by the prescribing and dispensing health care facility.
