

**SSB 5995 - S AMD 509**

By Senator Saldaña

**PULLED 02/02/2024**

1        On page 6, beginning on line 17, after "are" strike all material  
2 through "organizations" on line 18 and insert "health care providers,  
3 including at least one member representing a community health  
4 center,"

EFFECT: Changes the requirement that the advisory committee must have two members who are a medical provider or represent organizations who utilize state-paid interpreter services to injured workers or Medicaid enrollees to two members who are health care providers, including at least one member is representing a community health center, who utilize state-paid interpreter services to injured workers or Medicaid enrollees.
