Summary of Bill:

The Department of Children, Youth, and Families (DCYF) must establish a caregiver communication specialist position within the DCYF for the purpose of improving communication between the DCYF and caregivers.

The caregiver communication specialist position is responsible for:

- assisting caseworkers in promptly communicating with caregivers of children receiving child welfare services;

By October 1, 2023, the DCYF must submit a report to the Legislature and the Governor describing:

- how the DCYF could implement an automated notification system that would provide electronic or telephonic notification to caregivers of children receiving child welfare services regarding upcoming changes in placement, court hearings, or other relevant information;
- any statutory, policy, or funding changes needed to accomplish this notification system; and
- recommendations regarding improving communications between the DCYF and caregivers. The DCYF shall consult with the caregiver communication specialist, current and former caregivers, and youth who received or are receiving child welfare services regarding these recommendations.

Fiscal Note: Requested on January 26, 2023.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.
