Staff Summary of Public Testimony: PRO: This is a cleanup bill that streamlines the process for submitting certificates of annexation. Jurisdictions are required to submit three paper copies of the certificate of annexation. In 2024, there's really not a need for three physical copies and it's easiest and quickest to post the one copy on the agency's website. This is modernizing the existing process.

Persons Testifying: PRO: Senator Nikki Torres, Prime Sponsor; K.D. Chapman-See, Office of Financial Management; Carl Schroeder, Association of Washington Cities.
