State of Washington

68th Legislature

2024 Regular Session

By House Appropriations (originally sponsored by Representatives Barnard, Ryu, Leavitt, Connors, Couture, Schmidt, Duerr, Slatter, Reed, Chapman, Graham, Ormsby, Timmons, Donaghy, Paul, Doglio, Reeves, Hackney, and Griffey)

READ FIRST TIME 02/05/24.

1 AN ACT Relating to promoting economic development by increasing
2 opportunities for local communities to secure federal funding;
3 amending RCW 43.330.070, 43.330.088, and 43.330.260; and creating new
4 sections.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that Washington
7 ranks poorly among all states in the amount of federal grants
8 received relative to income taxes collected from its residents.

9 The legislature also finds that many of Washington's communities,
10 particularly in slow-growing rural areas, face an economic
11 development "chicken and egg" dilemma in which they need to secure
12 matching dollars in order to obtain federal economic development
13 dollars that would increase the local tax base, local revenue, and
14 local employment and incomes.

15 The legislature further finds that recent federal legislation
16 provides funding for economic development clusters that Washington
17 state has invested in as part of its economic development strategy,
18 including broadband and clean energy, buildings, and transportation.
19 The federal legislation includes the infrastructure investment and
20 jobs act, P.L. 117-58, the creating helpful incentives to produce

1 semiconductors and science act, P.L. 117-167, and the inflation
2 reduction act, P.L. 117-169.

3 The legislature further finds that increasing the availability of
4 federal grant dollars in local communities provides a benefit of a
5 reasonably general character to a significant part of the public.

6 Therefore, the legislature intends to continue its efforts to
7 increase the capacity of the department of commerce to assist local
8 communities in successfully applying for federal grant dollars by
9 creating the moving assets towards community health (MATCH) program
10 based on a successful program started in other states that allows
11 local communities to access matching funds that are needed to secure
12 federal grants from a state funding pool.

13 **Sec. 2.** RCW 43.330.070 and 1993 c 280 s 10 are each amended to
14 read as follows:

15 (1) The department shall work closely with local communities to
16 increase their capacity to respond to economic, environmental, and
17 social problems and challenges. The department shall coordinate the
18 delivery of development services and technical assistance to local
19 communities or regional areas. It shall promote partnerships between
20 the public and private sectors and between state and local officials
21 to encourage appropriate economic growth and opportunity in
22 communities throughout the state. The department shall promote
23 appropriate local development by: Supporting the ability of
24 communities to develop and implement strategic development plans;
25 assisting businesses to start up, maintain, or expand their
26 operations; encouraging public infrastructure investment and private
27 and public capital investment in local communities; supporting
28 efforts to manage growth and provide affordable housing and housing
29 services; providing for the identification and preservation of the
30 state's historical and cultural resources; and expanding employment
31 opportunities.

32 (2) The department shall define a set of services including
33 training and technical assistance that it will make available to
34 local communities, community-based nonprofit organizations, regional
35 areas, or businesses. The department shall simplify access to these
36 programs by providing more centralized and user-friendly information
37 and referral. The department shall coordinate community and economic
38 development efforts to minimize program redundancy and maximize
39 accessibility. The department shall develop a set of criteria for

1 targeting services to local communities. To the extent funding is
2 made available for this specific purpose, the department shall
3 provide technical assistance or enter into contracts to provide
4 technical assistance to assist local communities in developing
5 competitive applications for federal funding.

6 (3) The department shall develop a coordinated and systematic
7 approach to providing training to community-based nonprofit
8 organizations, local communities, and businesses. The approach shall
9 be designed to increase the economic and community development skills
10 available in local communities by providing training and funding for
11 training for local citizens, nonprofit organizations, and businesses.
12 The department shall emphasize providing training in those
13 communities most in need of state assistance.

14 **Sec. 3.** RCW 43.330.088 and 2023 c 311 s 2 are each amended to
15 read as follows:

16 (1) Subject to the availability of amounts appropriated for this
17 specific purpose, by July 1, 2024, the department shall establish a
18 grant program to support associate development organizations in the
19 recruiting, hiring, and retention of grant writers. The department

28 recruiting and hiring efforts and, if applicable, the number and
29 types of grants applied for by the grant writers funded by the state,
30 in their annual reports to the department required under RCW
31 43.330.082.

32 (4) Beginning December 31, 2026, the department must include
33 information on grant award funding and use in its reports to the
34 legislature on associate development organizations contracts required

36 (5) The department shall adopt rules to implement this section.

37 **Sec. 4.** RCW 43.330.260 and 2006 c 314 s 2 are each amended to

1 (1) The department shall make available, within existing
2 resources, an inventory of grant opportunities for state agencies,
3 local governments, and other community organizations engaged in
4 economic development activities.

5 (2) In developing the inventory of economic development grant

19 development purposes in Washington state.

20 (3) The department may also facilitate joint efforts between
21 agencies and between local organizations and state agencies that will
22 increase the likelihood of success in grant seeking and the
23 attraction of major events.

24 (4) The department shall establish and administer a moving assets
25 towards community health program. The purpose of the program is to
26 increase opportunities for local communities to compete for federal

29 (a) The department may adopt rules to create and implement the
30 program.

31 (b) Beginning December 31, 2027, the department must report on

39 contain an analysis of program effectiveness based on performance

1 measurement requirements, including the amount of federal dollars
2 obtained relative to the amount of state dollars expended.

3 NEW SECTION. **Sec. 5.** If specific funding for the purposes of
4 this act, referencing this act by bill or chapter number, is not
5 provided by June 30, 2024, in the omnibus appropriations act, this
6 act is null and void.
