
HOUSE BILL 2215

State of Washington

68th Legislature

2024 Regular Session

By Representatives Slatter, Berg, Senn, Walen, Ramel, Reeves, Reed, Fosse, and Pollet; by request of Superintendent of Public Instruction

Read first time 01/09/24. Referred to Committee on Appropriations.

1 AN ACT Relating to enrichment levies; amending RCW 84.52.0531;
2 and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that the current
5 school district enrichment levy model has caused unintentional harm
6 to school districts, creating financial distress with significant
7 negative impacts on district budgets, staff, and students. The
8 current model has negatively impacted districts as they struggle to
9 hire and retain staff due to the high cost of living, rising
10 inflation, and competition from other employers.

11 The legislature acknowledges that Washington adopted a
12 regionalized school salary model for state-funded school employees,
13 but did not adopt a regionalized school salary model for local levy-
14 funded school employees.

15 The legislature finds that school districts have struggled to
16 hire and retain qualified staff due to unforeseen consequences of the
17 current school salary model. Furthermore, the legislature finds that
18 aligning levy-funded school district salaries and the state salary
19 model would allow affected school districts to remedy staffing issues
20 locally at no cost to state taxpayers.

1 Therefore, the legislature intends to remedy the current
2 enrichment levy model by aligning state and local levy-funded school
3 district staff salaries beginning in 2025.

4 **Sec. 2.** RCW 84.52.0531 and 2022 c 108 s 3 are each amended to
5 read as follows:

10 ~~dollars~~) \$1,000 of the assessed value of property in the school
11 district or the maximum per-pupil limit. This maximum dollar amount
12 shall be reduced accordingly as provided under RCW 43.09.2856(2).

37 full-time equivalent students enrolled in the school district in the
38 prior school year.

2 all students in all grades have the option to participate in at least
3 40 hours of planned in-person instruction per month and the school

24 this section.

25 (4) For school districts participating in an innovation academy
26 cooperative established under RCW 28A.340.080, enrollments of
27 students attending the academy shall be adjusted so that each
28 participant district receives its proportional share of student
29 enrollments for purposes of funding under this section.

30 (5) Beginning with propositions for enrichment levies for
31 collection in calendar year 2020 and thereafter, a district must
32 receive approval of an enrichment levy expenditure plan under RCW
33 28A.505.240 before submission of the proposition to the voters.

34 (6) The superintendent of public instruction shall develop rules
35 and regulations and inform school districts of the pertinent data
36 necessary to carry out the provisions of this section.

37 (7) Beginning with taxes levied for collection in 2018,
38 enrichment levy revenues must be deposited in a separate subfund of
39 the school district's general fund pursuant to RCW 28A.320.330, and
